Such suspension shall be by executive order of the Governor, which shall state the reason therefor. A copy of such order of suspension shall be sent to the person so suspended within five days after it is issued, by registered or certified mail or statutory overnight delivery, return receipt requested, together with a notice from the Governor or his or her executive secretary that the suspended person may be heard before the Governor at such time as may be stated in the notice, which hearing shall be not less than ten nor more than 20 days from the date of the notice. 49-1-6. Transfer of assets of nonprofit corporation to department.

(a) Any charitable or nonprofit corporation which has been granted a charter or articles of incorporation under the laws of this state may transfer all or a part of its assets to the department upon such terms as may be agreed upon between such corporation and the department, provided such corporation shall first have obtained authority to make such transfer in accordance with this Code section.

(b) Any such corporation may apply for authority to make such transfer by filing its petition with the superior court of the county in which such corporation has its principal office. Such application shall set forth the assets which the corporation desires to transfer to the

department and the terms upon which it desires to transfer these assets.

(c) Such corporation, once a week for four weeks prior to the filing of such petition, shall publish notice in the newspaper of the county in which is located the principal office of the corporation, such newspaper being the newspaper in which notices of sheriff's sales are advertised. The notice shall set forth the date, time, and place when such application will be presented, the court to which it will be presented, and the assets which such corporation desires to transfer to the department.

(d) After a hearing, the court shall be authorized to grant the application and permit a transfer of the assets of the applicant upon terms as set out in the application or modified as the court may deem advisable, if the court considers this in the public interest; or the court may deny the application if the court deems such denial to be in the public interest. Where such corporation makes a transfer of all of its right, title, and interest in any of its assets to the department and such transfer is made pursuant to the authority of the court obtained in the manner provided for in this Code section, such transfer shall be conclusively deemed to be a proper and legal transfer.

(e) Should such corporation desire to transfer all of its assets to the department, the court to which such application is presented may include in its order a provision that upon the transfer by such corporation of all of its assets to the department and upon compliance with Chapter 3 of Title 14, the charter or articles of incorporation of such corporation shall stand surrendered and the corporation dissolved.

(f) Nothing contained in this Code section shall be considered as authorizing the department to accept a transfer of assets upon terms which would require the use of them by the department in a manner not authorized by law. (Ga. L. 1952, p. 97, §§ 1-6; Ga. L. 2009, p. 453, § 2-1/HB 228.)

49-1-7. Home delivered meals, transportation, services for the elderly, and preschool children with special needs fund.

(a) The General Assembly finds that it is in the best interest of the state to provide for programs for home delivered meals, transportation services for the elderly, and preschool children with special needs, including but not limited to disabled children, troubled children, school readiness programs, and other similar needs for the benefit of the citizens of Georgia. In addition to and as a supplement to traditional financing mechanisms for such programs, it is the policy of this state to enable and encourage citizens voluntarily to support such programs.

(b) To support programs for home delivered meals, transportation services for the elderly, and preschool children with special needs which

programs have been established or approved by the department or the Department of Community Health, the department may, without limitation, promote and solicit voluntary contributions through the income tax return contribution mechanism established in subsection (f) of this Code section, through offers to match contributions by any person with moneys appropriated or contributed to the department or the Department of Community Health for such programs, or through any fund raising or other promotional techniques deemed appropriate by the department or the Department of Community Health.

(c) There is established a special fund to be known as the "Home Delivered Meals, Transportation Services for the Elderly, and Preschool Children with Special Needs Fund." This fund shall consist of all moneys contributed under subsection (b) of this Code section, all moneys transferred to the department under subsection (f) of this Code section, and any other moneys contributed to this fund or to the home delivered meals, transportation services for the elderly, or preschool children with special needs programs of the department or the Department of Community Health and all interest thereon. All balances in the fund shall be deposited in an interest-bearing account identifying the fund and shall be carried forward each year so that no part thereof may be deposited in the general treasury. The fund shall be administered and the moneys held in the fund shall be expended by the department through the Division of Aging Services in furtherance of home delivered meals and transportation services to the elderly programs and by the Department of Community Health in furtherance of preschool children with special needs programs.

(d) Following the transmittal of contributions to the department for deposit in the fund pursuant to subsection (f) of this Code section, the expenditure of moneys in the fund shall be allocated as follows:

(1) Fifty percent of the contributions to the fund shall be used for home delivered meals and transportation services to the elderly programs; and

(2) Fifty percent of the contributions to the fund shall be transferred to the Department of Community Health to be used for preschool children with special needs programs.

(e) Contributions to the fund shall be deemed supplemental to and shall in no way supplant funding that would otherwise be appropriated for these purposes. Contributions shall only be used for benefits and services and shall not be used for personnel or administrative positions. The department and the Department of Community Health shall each prepare, by February 1 of each year, an accounting of the funds received and expended from the fund and a review and evaluation of all expended moneys of the fund. The reports shall be made available to

the Governor, the Lieutenant Governor, the Speaker of the House of Representatives, to the members of the Board of Human Services, and, upon request, to members of the public.

(f)(1) Unless an earlier date is deemed feasible and established by the Governor, each Georgia income tax return form for taxable years beginning on or after January 1, 1993, shall contain appropriate language, to be determined by the state revenue commissioner, offering the taxpayer the opportunity to contribute to the Home Delivered Meals, Transportation Services for the Elderly, and Pre-school Children with Special Needs Fund established in subsection (c) of this Code section by either donating all or any part of any tax refund due, by authorizing a reduction in the refund check otherwise payable, or by contributing any amount over and above any amount of tax owed by adding that amount to the taxpayer's payment. The instructions accompanying the income tax return form shall contain a description of the purposes for which this fund was established and the intended use of moneys received from the contributions. Each taxpayer required to file a state income tax return who desires to contribute to such fund may designate such contribution as provided in this Code section on the appropriate income tax return form.

(2) The Department of Revenue shall determine annually the total amount so contributed, shall withhold therefrom a reasonable amount for administering this voluntary contribution program, and shall transmit the balance to the department for deposit in the fund established in subsection (c) of this Code section; provided, however, that the amount retained for administrative costs, including implementation costs, shall not exceed \$50,000.00 per year. If, in any tax year, the administrative costs of the Department of Revenue for collecting contributions pursuant to this Code section exceed the sum of such contributions, the administrative costs which the Department of Revenue is authorized to withhold from such contributions shall not exceed the sum of such contributions. (Code 1981, § 49-1-9, enacted by Ga. L. 1992, p. 3241, § 1; Code 1981, § 49-1-7, as redesignated by Ga. L. 2009, p. 453, § 2-1/HB 228.)

Administrative rules and regulations. — The Georgia Children and El-

derly Fund, Official Compilation of the Rules and Regulations of the State of Georgia, Grants of the Children's Trust Fund Commission, Grant Program, § 98-1-02.

Member subject to removal when more than seven rendering health services. — Appointment to the Board of Human Resources of more than seven members who are engaged in providing

health services is precluded; any person engaged in providing health services whose appointment to the board causes that limitation to be exceeded could not lawfully hold office and would be subject to removal. 1976 Op. Att’y Gen. No. 76-46.

Ga. L. 1976, p. 344, § 2 (see O.C.G.A. § 45-10-5) did not negate rule-making powers of Board of Human Resources. 1976 Op. Att’y Gen. No. 76-43.1.

49-2-2.1. Department of Human Services becomes successor-in-interest to all rights, duties, and obligations of former Department of Human Resources.

(a) The Department of Human Services shall succeed to all rules, regulations, policies, procedures, and administrative orders of the Department of Human Resources that are in effect on June 30, 2009, or scheduled to go into effect on or after July 1, 2009, and which relate to the functions transferred to the Department of Human Services pursuant to Code Section 49-2-1 and shall further succeed to any rights, privileges, entitlements, obligations, and duties of the Department of

Human Resources that are in effect on June 30, 2009, which relate to the functions transferred to the Department of Human Services pursuant to Code Section 49-2-1. Such rules, regulations, policies, procedures, and administrative orders shall remain in effect until amended, repealed, superseded, or nullified by the Department of Human Services by proper authority or as otherwise provided by law.

(b) The rights, privileges, entitlements, and duties of parties to contracts, leases, agreements, and other transactions entered into before July 1, 2009, by the Department of Human Resources which relate to the functions transferred to the Department of Human Services pursuant to Code Section 49-2-1 shall continue to exist; and none of these rights, privileges, entitlements, and duties are impaired or diminished by reason of the transfer of the functions to the Department of Human Services. In all such instances, the Department of Human Services shall be substituted for the Department of Human Resources, and the Department of Human Services shall succeed to the rights and duties under such contracts, leases, agreements, and other transactions.

(c) All persons employed by the Department of Human Resources in capacities which relate to the functions transferred to the Department of Human Services pursuant to Code Section 49-2-1 on June 30, 2009, shall, on July 1, 2009, become employees of the Department of Human Services in similar capacities, as determined by the commissioner of human services. Such employees shall be subject to the employment practices and policies of the Department of Human Services on and after July 1, 2009, but the compensation and benefits of such transferred employees shall not be reduced as a result of such transfer. Transferred employees who were subject to the state system of personnel administration provided for by Chapter 20 of Title 45 will lose no rights granted under such system as a result of such transfer. Retirement rights of such transferred employees existing under the Employees' Retirement System of Georgia or other public retirement systems on June 30, 2009, shall not be impaired or interrupted by the transfer of such employees and membership in any such retirement system shall continue in the same status possessed by the transferred employees on June 30, 2009. Accrued annual and sick leave possessed by said employees on June 30, 2009, shall be retained by said employees as employees of the Department of Human Services.

(d) On July 1, 2009, the Department of Human Services shall receive custody of the state owned real property in the custody of the Department of Human Resources on June 30, 2009, and which pertains to the functions transferred to the Department of Human Services pursuant to Code Section 49-2-1. (Code 1981, § 49-2-2.1, enacted by Ga. L. 2009, p. 453, § 2-1/HB 228; Ga. L. 2012, p. 446, § 2-94/HB 642.)

The 2012 amendment, effective July 1, 2012, substituted the present provisions of the third sentence of subsection (c) for the former provisions, which read: "Employees who are subject to the rules of the State Personnel Board and thereby under the State Personnel Administration and who are transferred to the department shall retain all existing rights under the State Personnel Administration."

Editor's notes. — Ga. L. 2012, p. 446, § 3-1/HB 642, not codified by the General Assembly, provides that: "Personnel,

equipment, and facilities that were assigned to the State Personnel Administration as of June 30, 2012, shall be transferred to the Department of Administrative Services on the effective date of this Act." This Act became effective July 1, 2012.

Ga. L. 2012, p. 446, § 3-2/HB 642, not codified by the General Assembly, provides that: "Appropriations for functions which are transferred by this Act may be transferred as provided in Code Section 45-12-90."

49-2-3. Functions transferred to the board from other boards and commissions.

(a) The policy-making functions of the State Board for Children and Youth, contained in Ga. L. 1963, p. 81, are vested in the Board of Human Services.

(b) The policy-making functions of the Commission on Aging, created in Ga. L. 1962, p. 604, are vested in the Board of Human Services. (Ga. L. 1972, p. 1015, §§ 1215-1217; Ga. L. 1982, p. 833, § 2; Ga. L. 2000, p. 1137, § 10; Ga. L. 2009, p. 453, § 2-1/HB 228.)

49-2-4. Creation of divisions; allocation of functions.

There shall be created in the department such divisions as may be found necessary for its effective operation. The commissioner shall have the power to allocate and reallocate functions among the divisions within the department. (Ga. L. 1937, p. 355, § 7; Ga. L. 1960, p. 85, § 8; Ga. L. 2009, p. 453, § 2-1/HB 228.)

49-2-5. Department is institution of state; power to receive and disburse state, county, and federal funds.

The department is declared to be an institution of the state for which the powers of taxation over the whole state may be exercised, and the department is empowered and authorized to administer, expend, and disburse funds appropriated to it and allocated to it by the General Assembly, the respective counties of the state, and the United States, through its appropriate agencies and instrumentalities for the purpose of distributing old-age benefits and all other benefits as provided in this title. OPINIONS OF THE ATTORNEY GENERAL

Payment of travel expenses authorized. — Inasmuch as the creation of an advisory council was within the scope of Ga. L. 1937, p. 355 (see O.C.G.A. §§ 49-2-1 and 49-2-7), it follows that the payment of the out-of-pocket travel expenses to enable the council to function efficiently and thus assist in the accomplishment of the department's express statutory duties as set forth in Ga. L. 1937, p. 355 (see O.C.G.A. §§ 49-2-6 and 49-5-7 through former 49-5-11), must also be an implied power, such disbursement being incidental to and reasonably necessary to the accomplishment of the department's purpose, duties, and responsibilities. 1963-65 Op. Att'y Gen. p. 320.

Voluntarily donated county funds. — Department may accept public funds donated voluntarily by counties for the provision of day-care and other social services to welfare applicants and other authorized recipients. 1972 Op. Att'y Gen. No. 72-12.

Contracts with private institutions for services for mentally retarded children. — Department may contract with a private institution for the purpose of providing day care and other specialized services for mentally retarded children, assign responsibility for the supervision of this contract, and use funds allocated from the Governor's Emergency Fund for these purposes, provided that they do not create a continuing obligation for the state. 1970 Op. Att'y Gen. No. 70-96.

Collection of child support recovery unit payments. — Department of Human Resources is authorized to delegate to an appropriate agency the power to collect child support recovery unit payments from the responsible parent. 1982 Op. Att'y Gen. No. 82-99.

Department of Offender Rehabilitation may not enter into an arrangement with the Department of Human Resources in which employees of local probation offices, other than probation supervisors, may collect child support recovery unit money which arises from civil proceedings brought by the Department of Human Resources on behalf of errant fathers. 1982 Op. Att'y Gen. No. 82-99.

Heating Energy Assistance Team funds. — Department of Human Resources may lawfully accept and distribute Heating Energy Assistance Team (HEAT) program funds. In doing so, paragraph (b)(9) (now paragraph (b)(8)) of O.C.G.A. § 49-2-6 is sufficient authority for the department to enter into an acceptance agreement or similar document assuring the donors of the intention to use the funds in the manner contemplated by the HEAT program. 1983 Op. Att'y Gen. No. 83-8.

Department of Human Resources may utilize the local departments of family and children services to distribute Heating Energy Assistance Team (HEAT) funds to needy persons as contemplated by the HEAT program. 1983 Op. Att'y Gen. No. 83-8.

Acceptance of federal funds preparing students for public assistance employment. — Department is authorized to accept federal grants and to administer the grants for the purpose of making funds available to the department for matching federal funds for the purpose of making a direct grant from the department to the school for making direct grants to students wishing to prepare for employment in public assistance. 1971 Op. Att'y Gen. No. 71-147.

Contracts or cooperation with Board of Regents authorized. — Department is authorized by law to contract or cooperate with the Board of Regents by accepting funds to be used for the purpose of making funds available to the department for matching federal funds for making a direct grant from the department to the school for making direct grants to students wishing to prepare for employment in public assistance. 1971 Op. cedure Act, Ga. L. 1964, p. 338, § 1 et seq. 50-13-22). 1965-66 Op. Att’y Gen. No. (see O.C.G.A. §§ 50-13-1 through 65-8.

49-2-12. Development and revision of transportation plan for programs of department.

(a) All divisions and sections within the department shall make an inventory of all the various vehicles to which the department holds title and shall investigate their utilization patterns in order to establish and develop a consolidated and coordinated transportation plan for the various human services programs of the department, including, but not limited to, those programs relating to the aged and to the mentally and physically disabled.

(b) Other departments and agencies of the state shall cooperate with the Department of Human Services in mutually beneficial agreements regarding the establishment and development of a coordinated transportation plan involving various vehicles to which the state has title.

(c) The plan required to be developed under this Code section shall identify the fully allocated costs of the transportation component of their services and take into consideration various limitations on the expenditure of federal funds which may arise in any consolidated or coordinated transportation system. No later than June 30, 1980, a preliminary transportation plan shall be submitted by the department to the Human Relations and Aging Committee of the House of Representatives and the Education and Youth Committee of the Senate, which plan shall be revised and submitted to such committees every

49-2-13. Identifying transportation needs of the elderly and persons with disabilities and alternatives to meet needs.

All divisions and sections within the department, in cooperation with the Department of Transportation, shall identify those areas of the state where the general transportation needs of the elderly and persons with disabilities are not and cannot be adequately served by bus service and community service centers furnishing transportation. In further cooperation with the Department of Transportation, the department shall identify alternatives for meeting the transportation needs of these persons and shall report to the committees specified in subsection (c) of Code Section 49-2-12 as required therein. Such alternative means to be considered for providing for the transportation needs of these persons should include, but shall not be limited to:

(1) Contract service resulting from competitive bidding by private sector bus operators operating under Article 1 of Chapter 7 of Title 46;

(2) Contract service resulting from competitive bidding by taxi operators;

(3) Negotiated fee basis with municipal and area-wide transportation systems serving the general public; or

(4) Any combination of paragraphs (1) through (3) of this Code section. (Ga. L. 1980, p. 1008, § 2; Ga. L. 1995, p. 1302, § 16; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2009, p. 453, § 2-1/HB 228.)

49-2-13.1. Financial assistance for transportation services for the elderly and persons with disabilities.

(a) The department may, when funds are available from the United States government for such purposes, provide financial assistance with such funds, or such funds and state general funds appropriated for these purposes, to private nonprofit corporations and associations for the specific purpose of assisting them in providing transportation services meeting the special needs of the elderly or persons with disabilities, or both, for whom the department determines that the mass transportation services planned, designed, and carried out by local public bodies, agencies, and authorities are unavailable, insufficient, or inappropriate. Such financial assistance shall be subject to those terms, conditions, requirements, and restrictions as the department determines to be necessary or appropriate in order to carry out the purposes of this Code section.

(b) In order to effectuate and enforce this Code section, the department is authorized to promulgate necessary rules and regulations and to prescribe conditions and procedures in order to assure compliance in carrying out the purposes of this Code section. (Code 1981, § 49-2-13.1, enacted by Ga. L. 1990, p. 915, § 3; Ga. L. 1995, p. 1302, § 16; Ga. L. 1996, p. 6, § 49; Ga. L. 2009, p. 453, § 2-1/HB 228.)

49-2-14. Record search for conviction data on prospective employees.

(a) As used in this Code section, the term “conviction data” means a record of a finding or verdict of guilty or a plea of guilty or a plea of nolo contendere with regard to any crime, regardless of whether an appeal of the conviction has been sought.

(b) The department may receive from any law enforcement agency conviction data that is relevant to a person whom the department, its contractors, or a district or county health agency is considering as a final selectee for employment in a position the duties of which involve direct care, treatment, custodial responsibilities, or any combination thereof for its clients. The department may also receive conviction data which is relevant to a person whom the department, its contractors, or a district or county health agency is considering as a final selectee for employment in a position if, in the judgment of the employer, a final employment decision regarding the selectee can only be made by a review of conviction data in relation to the particular duties of the position and the security and safety of clients, the general public, or other employees. Further, the department or any licensed child-placing agency, designated by the department to assist it in preparing studies of homes in which children in its custody may be placed, may receive from any law enforcement agency conviction data that is relevant to any adult person who resides in a home where children in the custody of the department may be placed.

(c) The department shall establish a uniform method of obtaining conviction data under subsection (a) of this Code section which shall be applicable to the department and its contractors. Such uniform method shall require the submission to the Georgia Crime Information Center of fingerprints and the records search fee in accordance with Code Section 35-3-35. Upon receipt thereof, the Georgia Crime Information Center shall promptly transmit fingerprints to the Federal Bureau of Investigation for a search of bureau records and an appropriate report and shall promptly conduct a search of its own records and records to which it has access. After receiving the fingerprints and fee, the Georgia Crime Information Center shall notify the department in writing of any derogatory finding, including, but not limited to, any conviction data regarding the fingerprint records check or if there is no such finding.

(d) All conviction data received shall be for the exclusive purpose of making employment decisions or decisions concerning children in the custody of the department or who are the subjects of a child protective services referral, complaint, or investigation and shall be privileged and shall not be released or otherwise disclosed to any other person or agency. Immediately following the employment decisions or upon receipt of the conviction data concerning any adult person who has contact with a child who is the subject of a child protective services referral, complaint, or investigation or who resides in a home where children in the custody of the department may be placed, all such conviction data collected by the department or the licensed child-placing agency shall be maintained by the department or child-placing agency pursuant to laws regarding and the rules or regulations of the Federal Bureau of Investigation and the Georgia Crime Information Center, as is applicable. Penalties for the unauthorized release or disclosure of any conviction data shall be as prescribed pursuant to laws regarding and rules or regulations of the Federal Bureau of Investigation and the Georgia Crime Information Center, as is applicable.

(e) Notwithstanding the provisions of subsection (c) of this Code section, when a contractor to this department is a personal care home, the provisions of Code Sections 31-7-250 through 31-7-264 shall apply.

(f) The department may promulgate written rules and regulations to implement the provisions of this Code section.

(g) The department may receive from any law enforcement agency criminal history information, including arrest and conviction data, and any and all other information which it may be provided pursuant to state or federal law which is relevant to any adult person who resides in a home where children in the custody of the department have been or may be placed or which is relevant to any adult person who resides in the home of or provides care to a child who is the subject of a child protective services referral, complaint, or investigation to the fullest extent permissible by federal and state law, including but not limited to Public Law 92-544. The department shall establish a uniform method of obtaining criminal history information under this subsection. Such method shall require the submission to the Georgia Crime Information Center of fingerprints together with any required records search fee in accordance with Code Section 35-3-35. Upon receipt thereof, the Georgia Crime Information Center shall promptly transmit the fingerprints submitted by the department to the Federal Bureau of Investigation for a search of bureau records and an appropriate report and shall promptly conduct a search of its own records and records to which it has access. Such method shall also permit the submission of the names alone of such adult persons to the proper law enforcement agency when

the department is considering placement of a child in exigent circumstances for a name based check of such adult person's criminal history information as maintained by the Georgia Crime Information Center and the Federal Bureau of Investigation. In such exigent circumstances, the department shall submit fingerprints of those adult persons in the placement home, together with any required records search fee, to the Federal Bureau of Investigation within 15 calendar days of the date of the name based check on that person. The fingerprints shall be forwarded to the Federal Bureau of Investigation through the Georgia Crime Information Center in accordance with Code Section 35-3-35. Following the submission of such fingerprints, the department may receive the criminal history information, including arrest and conviction data, relevant to such person. In the event that a child has been placed in exigent circumstances, a name based records search has been requested for any adult person of the placement household, and that adult refuses to provide fingerprints after being requested to do so by the department, the child shall be immediately removed from the placement household by the department, provided that the child is in the custody of the department.

(h) The department shall be authorized to conduct a name or descriptor based check of any adult person's criminal history information, including arrest and conviction data, and other information from the Georgia Crime Information Center regarding any adult person who resides in a home where children in the custody of the department have been or may be placed or which is relevant to any adult person who resides in the home of or provides care to a child who is the subject of a child protective services referral, complaint, or investigation without the consent of such adult person and without fingerprint comparison to the fullest extent permissible by federal and state law. For purposes of this Code section, the term "license" shall be used to refer to any license, permit, registration, or commission issued by the department pursuant to the provisions of the law cited in this subsection.

(b) The department shall have the authority to take any of the actions enumerated in subsection (c) of this Code section upon a finding that the applicant or licensee has:

(1) Knowingly made any false statement of material information in connection with the application for a license, or in statements made or on documents submitted to the department as part of an inspection, survey, or investigation, or in the alteration or falsification of records maintained by the agency, facility, institution, or entity;

(2) Failed or refused to provide the department with access to the premises subject to regulation or information pertinent to the initial or continued licensing of the agency, facility, institution, or entity;

(3) Failed to comply with the licensing requirements of this state; or

(4) Failed to comply with any provision of this Code section.

(c) When the department finds that any applicant or licensee has violated any provision of subsection (b) of this Code section or laws, rules, regulations, or formal orders related to the initial or continued

licensing of the agency, facility, institution, or entity, the department, subject to notice and opportunity for hearing, may take any of the following actions:

(1) Refuse to grant a license; provided, however, that the department may refuse to grant a license without holding a hearing prior to taking such action;

(2) Administer a public reprimand;

(3) Suspend any license for a definite period or for an indefinite period in connection with any condition which may be attached to the restoration of said license;

(4) Prohibit any applicant or licensee from allowing a person who previously was involved in the management or control, as defined by rule, of any agency, facility, institution, or entity which has had its license or application revoked or denied within the past 12 months to be involved in the management or control of such agency, facility, institution, or entity;

(5) Revoke any license;

(6) Impose a fine, not to exceed a total of \$25,000.00, of up to \$1,000.00 per day for each violation of a law, rule, regulation, or formal order related to the initial or ongoing licensing of any agency, facility, institution, or entity; or

(7) Limit or restrict any license as the department deems necessary for the protection of the public, including, but not limited to, restricting some or all services of or admissions into an agency, facility, institution, or entity for a time certain.

In taking any of the actions enumerated in this subsection, the department shall consider the seriousness of the violation, including the circumstances, extent, and gravity of the prohibited acts, and the hazard or potential hazard created to the health or safety of the public.

(d) The department may deny a license or otherwise restrict a license for any applicant who has had a license denied, revoked, or suspended within one year of the date of an application or who has transferred ownership or governing authority of an agency, facility, institution, or entity subject to regulation by the department within one year of the date of a new application when such transfer was made in order to avert denial, revocation, or suspension of a license.

(e) With regard to any contested case instituted by the department pursuant to this Code section or other provisions of law which may now or hereafter authorize remedial or disciplinary grounds and action, the department may, in its discretion, dispose of the action so instituted by settlement. In such cases, all parties, successors, and assigns to any

settlement agreement shall be bound by the terms specified therein and violation thereof by any applicant or licensee shall constitute grounds for any action enumerated in subsection (c) of this Code section.

(f) The department shall have the authority to make public or private investigations or examinations inside or outside of this state to determine whether the provisions of this Code section or any other law, rule, regulation, or formal order relating to the licensing of any agency, facility, institution, or entity has been violated. Such investigations may be initiated at any time, in the discretion of the department, and may continue during the pendency of any action initiated by the department pursuant to subsection (c) of this Code section.

(g) For the purpose of conducting any investigation, inspection, or survey, the department shall have the authority to require the production of any books, records, papers, or other information related to the initial or continued licensing of any agency, facility, institution, or entity.

(h) Pursuant to the investigation, inspection, and enforcement powers given to the department by this Code section and other applicable laws, the department may assess against an agency, facility, institution, or entity reasonable and necessary expenses incurred by the department pursuant to any administrative or legal action required by the failure of the agency, facility, institution, or entity to fully comply with the provisions of any law, rule, regulation, or formal order related to the initial or continued licensing. Assessments shall not include attorney's fees and expenses of litigation, shall not exceed other actual expenses, and shall only be assessed if such investigations, inspection, or enforcement actions result in adverse findings, as finally determined by the department, pursuant to administrative or legal action.

(i) For any action taken or any proceeding held under this Code section or under color of law, except for gross negligence or willful or wanton misconduct, the department, when acting in its official capacity, shall be immune from liability and suit to the same extent that any judge of any court of general jurisdiction in this state would be immune.

(j) In an administrative or legal proceeding under this Code section, a person or entity claiming an exemption or an exception granted by law, rule, regulation, or formal order has the burden of proving this exemption or exception.

(k) This Code section and all actions resulting from its provisions shall be administered in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act."

(l) The provisions of this Code section shall be supplemental to and shall not operate to prohibit the department from acting pursuant to

those provisions of law which may now or hereafter authorize remedial or disciplinary grounds and action for the department. In cases where those other provisions of law so authorize other disciplinary grounds and actions, but this Code section limits such grounds or actions, those other provisions shall apply.

(m) The department is authorized to promulgate rules and regulations to implement the provisions of this Code section. (Code 1981, § 49-2-17, enacted by Ga. L. 2009, p. 453, § 2-1/HB 228.)

The commissioner or the commissioner's designee, in addition to other procedures now or hereafter provided, may obtain an inspection warrant under the conditions specified in this article. Such warrant shall authorize the commissioner or the commissioner's designee to conduct a search or inspection of property either with or without the consent of the person whose property is to be searched or inspected if such search or inspection is one that is elsewhere authorized under the rules and regulations duly promulgated pursuant to a residential child care licensing law. (Code 1981, § 49-2-21, enacted by Ga. L. 2009, p. 453, § 2-1/HB 228.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2009, “this article” was substituted for “this part” at the end of the first sentence in this Code section.

49-2-22. Procedure for issuance of inspection warrants.

(a) Inspection warrants shall be issued only by a judge of a court of record whose territorial jurisdiction encompasses the property to be inspected.

(b) The issuing judge shall issue the warrant when the judge is satisfied that the following conditions are met:

(1) The one seeking the warrant must establish under oath or affirmation that the property to be inspected is to be inspected as a part of a legally authorized program of inspection which includes that property or that there is probable cause for believing that there is a condition, object, activity, or circumstance which legally justifies such an inspection of that property; and

(2) The issuing judge determines that the issuance of the warrant is authorized by this article. (Code 1981, § 49-2-22, enacted by Ga. L. 2009, p. 453, § 2-1/HB 228.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2009, “this article” was substituted for “this part” at the end of paragraph (b)(2).

49-2-23. Requirements for validly issued inspection warrant; contents of warrant.

The inspection warrant shall be validly issued only if it meets the following requirements:

(1) The warrant is attached to the affidavit required to be made in order to obtain the warrant;

(2) The warrant describes either directly or by reference to the affidavit the property upon which the inspection is to occur and is sufficiently accurate that the executor of the warrant and the owner or possessor of the property can reasonably determine from it the property of which the warrant authorizes an inspection;

(3) The warrant indicates the conditions, objects, activities, or circumstances which the inspection is intended to check or reveal; and

(4) The warrant refers in general terms to the statutory or regulatory provisions sought to be enforced. (Code 1981, § 49-2-23, enacted by Ga. L. 2009, p. 453, § 2-1/HB 228.)

49-2-24. Evidence generated inadmissible in criminal proceedings.

No facts discovered or evidence obtained in an inspection conducted under authority of an inspection warrant issued pursuant to this article shall be competent as evidence in any criminal proceeding against any party. (Code 1981, § 49-2-24, enacted by Ga. L. 2009, p. 453, § 2-1/HB 228.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2009, “this article” was substituted for “this part” in this Code section.

49-2-25. Proceedings for injunction for purpose of enjoining violations of provisions of residential child care licensing law; injunction to abate public nuisance injurious to public health, safety, or comfort.

The Department of Human Services is empowered to institute appropriate proceedings for injunction in the courts of competent jurisdiction in this state for the purpose of enjoining a violation of any provision of a residential child care licensing law as now existing or as may be hereafter amended or of any regulation or order duly issued by the board or department. The department is also empowered to maintain action for injunction to abate any public nuisance which is injurious to the public health, safety, or comfort. Such actions may be maintained notwithstanding the fact that such violation also constitutes a crime and notwithstanding that other adequate remedies at law exist. Such actions may be instituted in the name of the department in the county in which a violation of any provision of this title occurs. (Code 1981, § 49-2-25, enacted by Ga. L. 2009, p. 453, § 2-1/HB 228.)

49-3-1. Establishment of county and district departments, boards, and directors.

(a) There shall be in each county of the state a county department of family and children services, which shall consist of a county board of family and children services, a county director of family and children services, and such additional employees as may be necessary for the efficient performance of the welfare services of the county.

(b) With the approval of the Department of Human Services, two or more counties may, however, unite and form a district department of family and children services, in which case a county board shall be appointed for each county composing the district as provided in Code Section 49-3-2 and those boards, acting together, shall constitute the district board. All duties and responsibilities set forth in this title for county departments shall also apply to district departments. The district director and other executive staff of any district department shall be appointed by the Department of Human Services, provided that

the department shall not appoint as district director any person whose appointment is not approved by a majority of the district board concerned in a meeting of such district board called for that purpose. (Ga. L. 1937, p. 355, § 9; Ga. L. 1975, p. 1211, § 1; Ga. L. 2009, p. 453, § 2-2/HB 228.)

JUDICIAL DECISIONS

County departments were state rather than county offices for purposes of O.C.G.A. § 15-12-71 and, thus, as state offices, were not subject to a grand jury's

power of inspection and investigation. *Floyd County Grand Jury v. Department of Family & Children Servs.*, 218 Ga. App. 832, 463 S.E.2d 519 (1995).

OPINIONS OF THE ATTORNEY GENERAL

Board member can hold over until successor appointed. — Construing former Code 1933, § 89-105 and Ga. L. 1937, p. 355, §§ 9 and 10 (see O.C.G.A. §§ 45-2-4, 49-3-1, and 49-3-2) together, a county welfare board (now county board of

family and children services) member whose term has expired can and should hold over and perform the duties of such office until the member's successor has been duly appointed and qualified. 1948-49 Op. Att'y Gen. p. 466.

49-3-2. Appointment of county board members; terms; vacancies; optional additional members; per diem and expenses; additional members for counties with population of 550,000 or more.

(a) Each county board shall consist of five members who shall be appointed by the governing authority of the county. No person serving as a member of a county board on July 1, 1994, shall have such person's term of office shortened by this subsection. On and after that date, however, vacancies in such office which occur for any reason, including but not limited to expiration of the term of office, shall be filled by appointment of the county governing authority except as provided in subsection (c) of this Code section. No elected officer of the state or any subdivision thereof shall be eligible for appointment to the county board. In making appointments to the county board of family and children services, the governing authority shall ensure that appointments are reflective of gender, race, ethnic, and age characteristics of the county population.

(b) The term of office of members of the county board shall be for five years and until the appointment and qualification of their respective successors, except that upon the expiration of the terms of the members of the county board in office on July 1, 1994, one member shall be appointed for a one-year term, one member for a two-year term, one member for a three-year term, one member for a four-year term, and one member for a five-year term.

(c) Appointments to fill vacancies on the county board caused by death, resignation, or removal before the expiration of a term shall be made for the remainder of such term in the same manner as provided in this Code section for original appointments. In the event that the governing authority of the county shall fail to fill any such vacancy or any vacancy caused by expiration of term on the county board within 90 days after such vacancy occurs, the commissioner may appoint members to the county board to fill such vacancies.

(d) In addition to the five members required by subsection (a) of this Code section, the county governing authority is authorized but not required to appoint two additional members. One such additional member shall be a school counselor employed in the county and one such additional member shall be a law enforcement officer of the county who is responsible for investigating reports of child abuse. Members appointed pursuant to this subsection shall be appointed for terms of five years and shall be paid the per diem authorized in subsection (e) of this Code section. Appointments to fill vacancies created by the death, resignation, or removal before the end of the term of a member appointed pursuant to this subsection shall be made in accordance with subsection (c) of this Code section.

(e) Members of the county board shall serve without compensation, except that they shall be paid a per diem of not less than \$15.00 per month and shall be reimbursed for traveling and other expenses actually incurred in the performance of their official duties; provided, however, that the gross expenses assessed against a county shall not exceed the amount of the budget of the county previously set aside and levied by the county authorities for such expenses.

(f) In addition to the five members otherwise provided for in this Code section, the board of family and children services in any county of this state having a population of 550,000 or more according to the United States decennial census of 1970 or any future such census shall include an additional two members who shall be subject to this Code section in the same manner as the five members otherwise provided for in this Code section. Each member provided for in this subsection shall be appointed for a term of five years and until the appointment and qualification of the member's successor, except that in the initial appointment of the two additional members one member shall be appointed for a four-year term and one member for a five-year term; and these initial members shall serve until the appointment and qualification of their successors. (Ga. L. 1937, p. 355, § 10; Ga. L. 1963, p. 222, § 1; Ga. L. 1981, p. 960, § 1; Ga. L. 1988, p. 1354, § 1; Ga. L. 1994, p. 505, § 1.)

JUDICIAL DECISIONS

Board action valid despite ineligibility of board member for appointment. — While a justice of the peace is such an elective officer of the state as would render the justice ineligible under this section for appointment by the constituted fiscal or financial agents of a county as a member of the county board of public welfare (now county board of family and children services), yet, notwithstanding such ineligibility, if the justice is appointed as a member of the board and acts

as such, the justice, while so acting, is a member of the board de facto, and the official acts of the board wherein the justice participates are valid, and cannot be collaterally attacked upon the ground that such person was incompetent to hold such office. *Zorn v. Walker*, 206 Ga. 181, 56 S.E.2d 511 (1949).

Cited in Employees Retirement Sys. v. Baughman, 241 Ga. 339, 245 S.E.2d 282 (1978).

OPINIONS OF THE ATTORNEY GENERAL

Commissioner has choice in selecting person for board. — It was the intent of the legislature in stating that the Director of the State Department of Family and Children Services (now Commissioner of Human Resources) shall select for each position on a county board one of the three names submitted by the county commissioners so that the director may be given a choice. 1963-65 Op. Att'y Gen. p. 256.

Commissioner has right to reject names submitted and appoint members. — Since it is the legislative intent of this section to provide the director (now commissioner) a choice, the director has the right to reject the names of the few qualified who are submitted and, of the director's own motion, make appointments to fill the vacancies existing on the county board. 1963-65 Op. Att'y Gen. p. 256.

Appointment of public assistance recipient creates conflict of interest. — Public assistance recipient serving as member of county board of family and children services would have both opportunity and temptation to profit by his or her official duties. For this reason, a conflict of interest would arise in the event that a public assistance recipient is appointed to a county board of family and children services. 1981 Op. Att'y Gen. No. 81-32.

Board member can hold over until successor appointed. — Construing former Code 1933, § 89-105 and Ga. L. 1937, p. 355, §§ 9 and 10 (see O.C.G.A.

§§ 45-2-4, 49-3-1, and 49-3-2) together, a county welfare board (now county board of family and children services) member whose term has expired can and should hold over and perform the duties of such office until the member's successor has been duly appointed and qualified. 1948-49 Op. Att'y Gen. p. 466.

Section directory and not mandatory. — Language contained in this section is directory and not mandatory and, therefore, the Director of the State Department of Family and Children Services (now Commissioner of Human Resources) may name members of a county board in the event that any county board is not named within a reasonable time as provided in that section. 1963-65 Op. Att'y Gen. p. 256.

County board member not disqualified as candidate for elective state office. — This section prohibits any member of the county board from serving on that board while the member is an elected officer of the state or any subdivision thereof. A county board member would not be disqualified as a candidate for an elective state office, but the member would be disqualified to hold membership on the county board after election and qualification. 1957 Op. Att'y Gen. p. 34.

Members of the General Assembly are elected officers and would come within the provision of this section. 1948-49 Op. Att'y Gen. p. 723.

County boards and departments of family and children services. — County boards and departments of family

and children services are state instrumentalities and their employees are state employees. 1977 Op. Att'y Gen. No. U77-54.

49-3-3. Appointment of county director; bond of county director.

(a) Each county board of family and children services shall recommend to the commissioner of human services one or more names for appointment to the position of county director. The commissioner is designated as the appointing authority for the department and may accept or reject any such recommendation.

(b) The county director shall give bond for the faithful performance of his duties and the faithful accounting of all moneys coming into his hands as such county director, in such a manner and under such terms and conditions as may be prescribed by the Department of Human Services. (Ga. L. 1937, p. 355, § 11; Ga. L. 1951, p. 282, § 1; Ga. L. 2000, p. 240, § 2; Ga. L. 2008, p. 345, § 1/HB 715; Ga. L. 2009, p. 453, §§ 2-2, 2-4/HB 228.)

JUDICIAL DECISIONS

Commissioner not required to ignore considerations of local concern.

— If the commissioner determines that the local concern and reaction to the selection of the recommended applicant, arising not from the applicant's race or other impermissible criteria but from the public's perception of the applicant's ability to render them impartial service, would proximately result in the diminution of effectiveness to run the department, and would result in an adverse public image for the county and state departments, the commissioner should not be required to ignore such consider-

ations in the commissioner's capacity as appointing authority. *Horne v. Skelton*, 152 Ga. App. 654, 263 S.E.2d 528 (1979).

Authority to decline county board's recommendation.

— As the administrative officer with the express power to make the appointment, it follows by necessary implication that the commissioner has the authority to decline to follow the county board's recommendation. *Horne v. Skelton*, 152 Ga. App. 654, 263 S.E.2d 528 (1979).

OPINIONS OF THE ATTORNEY GENERAL

County boards and departments of family and children services. — County boards and departments of family

and children services are state instrumentalities and their employees are state employees. 1977 Op. Att'y Gen. No. U77-54.

49-3-3.1. Annual report from county director of department of family and children services; personal appearance.

(a) The county director of the department of family and children services of each county shall provide an annual report no later than December 31 of each year, beginning in the year 2000, to the county

board, county commission, and the director of the Division of Family and Children Services. The county director of the department of family and children services of each county shall notify each member of the General Assembly whose legislative district includes any part of that county of the availability of the annual report but shall not be required to distribute copies of the annual report to the members. The report shall include the following information for the 12 month period ending June 30 of that year:

- (1) The number of children for whom the county department has received a complaint of child abuse pursuant to Code Section 19-7-5;
- (2) General demographic data such as gender, race, and age regarding children specified in paragraph (1) of this subsection;
- (3) The number of children taken into county department custody;
- (4) The number of placements of children in county department custody by the type of placement;
- (5) The length of time in county department custody by the number of children; and
- (6) Any other information required by the director of the Division of Family and Children Services.

(b) A majority of the legislative delegation whose members are required to receive notification pursuant to subsection (a) of this Code section shall be authorized to require the director of the department of family and children services of the county which provided that report to appear before that delegation and to answer questions regarding that report and other matters relating to issues of child abuse and child protective services. (Code 1981, § 49-3-3.1, enacted by Ga. L. 2000, p. 240, § 3; Ga. L. 2005, p. 1036, § 38/SB 49.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2000, “subsec- tion” was substituted for “Code section” at the end of paragraph (a)(2).

49-3-4. Appointment of staff; salaries; power of commissioner to transfer employees.

(a) The county department staff necessary to administer welfare activities within the county shall be appointed pursuant to the rules and regulations of the Department of Human Services and the State Personnel Board and subject to the approval of the commissioner of human services. Staff appointments shall meet the qualifications prescribed by the department.

(b) The salaries of the members of the staff shall be fixed by the county director in conformity with the salary schedule prescribed by the Department of Human Services.

(c) The commissioner shall have power to transfer from one county to another or from one district to another any employee of a county department. (Ga. L. 1937, p. 355, §§ 12, 14; Ga. L. 1951, p. 282, § 1; Ga. L. 1963, p. 222, § 2; Ga. L. 2000, p. 240, § 4; Ga. L. 2009, p. 453, §§ 2-2, 2-4/HB 228; Ga. L. 2009, p. 745, § 2/SB 97; Ga. L. 2012, p. 446, § 2-95/HB 642.)

The 2012 amendment, effective July 1, 2012, substituted “State Personnel Board” for “State Personnel Administration” in the first sentence of subsection (a).

Editor’s notes. — Ga. L. 2012, p. 446, § 3-1/HB 642, not codified by the General Assembly, provides that: “Personnel, equipment, and facilities that were assigned to the State Personnel Administration as of June 30, 2012, shall be trans-

ferred to the Department of Administrative Services on the effective date of this Act.” This Act became effective July 1, 2012.

Ga. L. 2012, p. 446, § 3-2/HB 642, not codified by the General Assembly, provides that: “Appropriations for functions which are transferred by this Act may be transferred as provided in Code Section 45-12-90.”

JUDICIAL DECISIONS

No authority of board, superior court, or appellate court to compel promotions. — Neither the Board of Human Resources, the superior court, nor the appellate court has the authority to compel a promotion when the appointing authority has, within the bounds of the authority’s permissible discretions, declined to do so. *Horne v. Skelton*, 152 Ga. App. 654, 263 S.E.2d 528 (1979).

County not “employer” for federal civil rights purposes. — Position of mental health center service coordinator at a county health department is created by the State of Georgia and is governed by

the Georgia State Merit System of Personnel Administration for the Georgia Department of Human Resources with respect to the terms and conditions of employment including hiring, termination, promotion, demotion, and wage rates. A fortiori, the county is not an “employer” within the meaning of Title VII (42 U.S.C. § 2000e et seq.) of the federal Civil Rights Act of 1964. *Lewis v. DeKalb County*, 569 F. Supp. 11 (N.D. Ga. 1983).

are state employees. 1977 Op. Att’y Gen. No. U77-54.

49-3-5. Powers and duties of county director.

The county director shall be the executive and administrative officer of the county department, shall be responsible for operations and personnel, and shall serve as the secretary of the county board. He shall prepare and submit to the county board for its approval an annual budget of all funds necessary for the county department. He shall prepare annually a full report of the operations and administration of the county department. (Ga. L. 1937, p. 355, § 12; Ga. L. 1963, p. 222, § 2; Ga. L. 1976, p. 685, § 2.)

49-3-6. Functions of county department.

Subject to the rules and regulations of the Board of Human Services, the county department shall be charged with the administration of all forms of public assistance in the county, including home relief; indoor and outdoor care for those in need; temporary assistance for needy families; old-age assistance; aid to the blind and otherwise disabled; the care and treatment of dependent, neglected, delinquent, and disabled children; and such other welfare activities as shall be delegated to it by the Department of Human Services or by the county commissioners. The county department shall also investigate and pass upon all applications for admission to and discharge from county institutions which provide care and treatment for indigents. If so appointed by a court of competent jurisdiction, the Department of Human Services or the county or district department of family and children services shall perform under the supervision of such court the function of probation officer or agent of the court in any welfare or penal matters which may be before it. (Ga. L. 1937, p. 355, § 13; Ga. L. 1995, p. 1302, § 14; Ga. L. 1997, p. 1021, § 7; Ga. L. 2009, p. 453, §§ 2-2, 2-3/HB 228.)

49-3-7. Removal of county director for falsification of qualifications.

The State Personnel Board and the Department of Administrative Services shall remove from office any county director who has falsified any statement relating to his or her education, social welfare service, or other qualification, in any particular, whether material or immaterial. The application of the county director for examination, on file with the Department of Administrative Services, shall not be allowed to be varied by other evidence offered by the county director; the application itself shall be the controlling factor in the determination of its truth or

untruth. (Ga. L. 1945, p. 689, §§ 1, 2; Ga. L. 2009, p. 745, § 2/SB 97; Ga. L. 2012, p. 446, § 2-96/HB 642.)

Editor’s notes. — Ga. L. 2012, p. 446, § 3-1/HB 642, not codified by the General Assembly, provides that: “Personnel, equipment, and facilities that were assigned to the State Personnel Administration as of June 30, 2012, shall be trans-

49-3-8. Destruction of county departmental records.

Any county department of family and children services, at the discretion of the county director, may destroy public assistance case records which have been inactive for three years or more, as well as related statistical and financial forms and reports. A record must be retained beyond the three-year period as long as a federal or state audit of that record is in progress, or if an audit’s findings have not been resolved, or if the case in question is the subject of pending administrative or judicial litigation. As used in this article, the term:

(1) "Department" means the Department of Human Services and includes the county departments of family and children services and the agents, agencies, officers, and employees designated by the commissioner of human services to perform any function vested in the Department of Human Services by this article.

(2) "Public assistance" means payment in or by money, medical care, remedial care, goods, or services to or for the benefit of needy persons under any categories that may be established pursuant to this article.

(3) "Recipient" means a person to whom, or on whose behalf, public assistance is granted. (Ga. L. 1965, p. 385, § 2; Ga. L. 1967, p. 878, § 1; Ga. L. 1977, p. 384, § 19; Ga. L. 2009, p. 453, § 2-2/HB 228.)

OPINIONS OF THE ATTORNEY GENERAL

Limiting time for presentation of claims of Medicaid providers. — Department of Human Resources as administrator of Georgia's Medicaid program (now administered by Department of Community Health) is not prohibited from limiting the time within which claims of providers of Medicaid services must be presented for payment. 1971 Op. Att'y Gen. No. 71-153.

County may donate funds to be used for child day care services as part of the state's Aid to Families with Dependent Children program. 1975 Op. Att'y Gen. No. U75-1.

Appropriation to private day care center not operated as service for eligible children. — Since the Georgia Constitution limits county taxation and expenditures to welfare programs as provided by law, and the only welfare provided by law which may include day care services is the Aid to Families with Dependent Children program, there would be no authority for a county to appropriate money for the private day care center which is not operated as a service for eligible children. 1975 Op. Att'y Gen. No. U75-1.

49-4-3. Establishment of categories of public assistance; powers and duties in administration of article.

(a) The Department of Human Services is authorized to establish any of the following categories of public assistance and to adopt plans combining the administration of such categories of public assistance as the Department of Human Services may elect:

- (1) Old-age assistance;
- (2) Aid to the blind;
- (3) Aid to the disabled;
- (4) Temporary assistance for needy families; and

(5) Aid to the aged, blind, and adult disabled persons under a combined plan adopted pursuant to Title XX of the federal Social Security Act.

(b) This article shall be administered by the Department of Human Services, including the county departments of family and children services acting under the direction and supervision of the commissioner. In administering this article the department, including the county departments acting under the direction and supervision of the director of the Division of Family and Children Services, shall:

- (1) Provide for maximum cooperation with other agencies, public and private, of this state, of other states, and of the federal govern-

ment in rendering services to maintain and strengthen family life and to help applicants for public assistance and recipients to attain self-support or self-care;

(2) Establish and enforce such rules and regulations as may be necessary or desirable to carry out this article; provided, however, that the commissioner of the Department of Human Services may delegate to the director of the Division of Family and Children Services the responsibility for the development and issuance of procedural manuals;

(3) Cooperate in all necessary respects with agencies of the United States government in the administration of this article, and accept any funds, goods, or services available to the department for public assistance and for other welfare programs and projects;

(4) Enter into reciprocal and cooperative agreements with other agencies of this state and with agencies of any other state relative to the providing of assistance or service to residents and nonresidents; and

(5) Make reports at such times and in such form as may be required by agencies of the United States government. (Ga. L. 1965, p. 385, § 3; Ga. L. 1967, p. 878, §§ 2, 3; Ga. L. 1982, p. 883, §§ 1, 2; Ga. L. 1984, p. 22, § 49; Ga. L. 1997, p. 1021, § 7; Ga. L. 2009, p. 453, § 2-2/HB 228.)

49-4-6. Reserves, income, and resources to be disregarded.

(a) In determining eligibility for and the amount and kind of public assistance to be provided, the board shall prescribe by regulations reasonable emergency reserves and the income and resources which may be exempt and disregarded. With respect to any category of assistance, the income and resources to be disregarded shall not be in excess of the amounts and kinds authorized under the federal Social

Security Act and shall not be less than the amounts and kinds of income and resources required to be disregarded by the federal Social Security Act and any other act of Congress relating to the assistance programs in which federal financial participation is authorized under Titles IV, XVI, XIX, and XX of the federal Social Security Act.

(b) (See editor's notes.) For purposes of applying the \$50.00 child support disregard provided for in Title IV of the federal Social Security Act, amounts paid by the Social Security Administration under the Old Age Survivors and Disability Insurance (OASDI) program, payments made by the United States Department of Veterans Affairs to the family, and any other benefits not assignable to the state pursuant to Title IV of the federal Social Security Act shall not be considered child support.

(c) Notwithstanding any other provision of this Code section, this chapter, or state law, to the extent that such disregard does not violate federal law or terminate or decrease the state's eligibility for federal funding for public assistance or for disabled persons, the Department of Human Services, the Department of Community Health, and their successors shall disregard for the purpose of eligibility for public assistance or assistance for disabled persons any funds or property held in trust for a disabled person by a community trust created and administered in accordance with Chapter 10 of Title 30, a trust for a person with one or more impairments with substantially similar provisions for distributions, or any noncash distributions from such trusts. Code Commission notes. — Pursuant to Code Section 28-9-5, in 1996, "community trust" was substituted for "Community Trust" in subsection (c).

Editor's notes. — Ga. L. 1987, p. 1435, § 5(b), not codified by the General Assembly, provided: "Subsection (b) of Code Section 49-4-6, as amended by Section 1 of this Act, is repealed effective on the date on which the federal acts referenced herein or any federal regulations or interpretations of such act or regulations by the federal agency or a judicial decision binding on the State of Georgia are amended or changed to allow federal financial participation in AFDC payments which treat social security disability benefits or veterans' benefits in the same

manner as other child support payments."

Notwithstanding any other law, rule, or regulation to the contrary, an individual who is otherwise qualified to receive any public assistance administered by the department shall not become ineligible to continue to receive such benefits because of the receipt of compensation by such individual from the sale or acquisition of any real estate used as the residence of such individual as the result of displacement through the necessity of governmental action which directly or indirectly causes the sale or acquisition of such property. Such individual may receive such compensation; hold, invest, and reinvest the proceeds thereof in any manner whatsoever; and continue to receive such benefits if he shall remain otherwise qualified; provided, however, this article shall not become effective until approved by the United States Department of Health and Human Services. (Ga. L. 1963, p. 616, § 1.)

49-4-8. Application for public assistance.

Applications for public assistance shall be submitted to and accepted by the county department of the county of the applicant’s residence from or on behalf of any person who believes himself eligible for public assistance. With respect to applicants for any category of public assistance authorized under Code Section 49-4-3, the department may require physical examinations of any applicant and may require the results thereof to be recorded by the examining physician on a form furnished by the department. Upon receipt of the form from the examining physician, the county department shall forward it to the department, whose duty it shall be to review the medical information contained thereon and determine therefrom whether the applicant meets the medical requirements for assistance under this article. When said decision has been made by the department, the county department will be notified and bound thereby. (Ga. L. 1965, p. 385, § 18.)

49-4-11. Award and payment of public assistance.

(a) Upon the completion of the investigation under Code Section 49-4-9, the county department shall decide whether the applicant is eligible for assistance under this article and determine, in accordance with the rules and regulations of the Board of Human Services, the amount and kind of such assistance and the date on which such assistance shall begin. After a determination has been made as to the eligibility for and the type and amount of assistance to be provided, such assistance shall be furnished with reasonable promptness to all eligible persons in accordance with regulations of the board.

49-4-12. Periodic redetermination of award; reporting changes in recipient's circumstances; review by department.

(a) All public assistance grants made under this article shall be reconsidered by the county departments of family and children services as frequently as may be required by rules of the Board of Human Services; but in every case the county department shall make such reconsideration at least once each year. After such further investigation as the commissioner may deem necessary, the amount of public assistance may be changed or may be entirely withdrawn if it is found by the department that any such grant has been made erroneously or if it is found that the recipient's circumstances have altered sufficiently to warrant such action.

(b) If, at any time during the continuance of public assistance, the recipient thereof becomes possessed of income or resources in excess of the amount previously reported by him or if other changes shall occur in the circumstances previously reported by him which would alter either his need or his eligibility, it shall be his duty to notify the county department of such fact immediately on the receipt or possession of such additional income or resources or on the change of circumstances.

(c) The department may also, upon its own motion, review any decision of a county department and may consider any application upon which a decision has not been made by the county department within a reasonable time. Where the department, on its own motion, reviews a decision of a county department or considers applications upon which a decision has not been made, it may make such additional investigation as it may deem necessary; and it shall determine whether the applicant shall be granted assistance and the amount of such assistance and whether assistance being paid to a recipient shall be modified or canceled. Any applicant or recipient affected by such a decision of the department shall, upon request, be given reasonable notice and opportunity for a hearing by the department. (Ga. 49-4-14. Regulations as to records; use or disclosure of information; penalty.

(a) The board is directed to prescribe regulations governing the custody, use, and preservation of the records, papers, files, and communications of the Department of Human Services, including the county departments, relating to public assistance. Except as otherwise provided in this Code section, such regulations shall provide safeguards restricting the use or disclosure of information concerning applicants for or recipients of public assistance to purposes directly connected with the administration of public assistance. The board is authorized in its discretion to include in such regulations provision for the public to have access to the records of disbursement or payment of public assistance made after March 30, 1965.

(b) No person who obtains information by virtue of any regulation made pursuant to subsection (a) of this Code section shall use such information for commercial or political purposes.

(c) Any person violating subsection (b) of this Code section shall be guilty of a misdemeanor. (Ga. L. 1965, p. 385, §§ 10, 11; Ga. L. 2009, p. 453, § 2-2/HB 228.)

49-4-15. Fraud in obtaining public assistance, food stamps, or Medicaid; penalties; recovery of overpayments.

(a) Any person who by means of a false statement, failure to disclose information, or impersonation, or by other fraudulent device, obtains or attempts to obtain, or any person who knowingly or intentionally aids or abets such person in the obtaining or attempting to obtain:

(1) Any grant or payment of public assistance, food stamps, or medical assistance (Medicaid) to which he is not entitled;

(2) A larger amount of public assistance, food stamp allotment, or medical assistance (Medicaid) than that to which he is entitled; or

(3) Payment of any forfeited grant of public assistance;

or any person who, with intent to defraud the department, aids or abets in the buying or in any way disposing of the real property of a recipient of public assistance shall be guilty of a misdemeanor unless the total amount of the value of public assistance, food stamps, and medical assistance (Medicaid) so obtained exceeds \$500.00, in which event such person shall be guilty of a felony and, upon conviction thereof, shall be punished by imprisonment for not less than one nor more than five years. In determining the amount of value of public assistance, food stamps, and medical assistance obtained by false statement, failure to disclose information, or impersonation, or other fraudulent device, the

total amount obtained during any uninterrupted period of time shall be treated as one continuing offense.

(b) It shall be a fraudulent device within the meaning of subsection (a) of this Code section, and punishable as therein provided, for any person:

(1) Knowingly to use, alter, or transfer food stamp coupons or authorizations to purchase food stamp coupons in any manner not authorized by law;

(2) Knowingly to possess food stamp coupons or authorizations to purchase food stamp coupons when he or she is not authorized by law to possess them;

(3) Knowingly to possess or redeem food stamp coupons or benefits when he or she is not authorized by law to possess or redeem them; or

(4) Knowingly to use or redeem food stamp coupons or benefits in any manner or for purposes not authorized by law.

(c)(1) Any person who obtains any payment of public assistance to which he is not entitled or in excess of that to which he is entitled shall be liable to the state for the amount of such overpayment.

(2) Any person who intentionally, with knowledge of the fraud, aids or abets any recipient of public assistance in obtaining or attempting to obtain any payment of public assistance to which the recipient is not entitled or a payment in excess of that to which he is entitled shall also be liable to the state for the amount of such payment.

(3) Any person who receives any payment of public assistance to which he is not entitled or in excess of that to which he is entitled shall be liable to the state for the amount of such overpayment.

(4) Subject to the limitations provided in this paragraph, the amount of such overpayment may be recovered by civil action and, if the person receiving such overpayment continues on assistance, by proportionate reduction of future public assistance grants, in accordance with regulations of the board which shall conform to the federal Social Security Act and federal regulations promulgated pursuant thereto, until the excess amount has been paid. In any case in which, under this subsection, a person is liable to repay any sum, such sum may be collected without interest by civil action brought in the name of the department. Any repayment required by this subsection may be waived by the department, and the method of repayment, if any, including recoupments from current assistance grants, shall be determined by the department. Recoupment may be initiated without

regard to whether the department has obtained a judgment in a civil action but shall not be initiated prior to notice and an opportunity for a hearing in accordance with this article. The department shall make such waivers and determinations of repayment and the manner of repayment in accordance with regulations of the board which shall conform to the federal Social Security Act and the federal regulations promulgated pursuant thereto.

(d) Any felony offense under this Code section may be prosecuted by accusation as provided in Code Section 17-7-70.1.

(e)(1) Prior to the filing of an accusation or the return of an indictment, a prosecuting attorney may defer further prosecution of such accusation or indictment and shall have the authority to enter into a consent agreement with the individual in which such individual admits to any overpayment, consents to disqualification for such period of time as is or may hereafter be provided by law, and agrees to repay, as restitution, such overpayment. Such agreement may provide for a lump sum repayment, installment payments, formula reduction of benefits, or any combination thereof. Such agreement shall toll the running of the statute of limitations for such offense for the period of the agreement. A consent agreement entered into in accordance with this subsection shall not constitute a criminal charge.

(2) Any such agreement shall be filed in the criminal docket of the court having jurisdiction over the violation of this Code section without the necessity of the state filing an accusation or an indictment being returned by a grand jury. The clerk shall enter upon the docket "CONSENT AGREEMENT NOT A CRIMINAL CHARGE."

(3) Upon successful completion of the terms and conditions of the consent agreement, criminal prosecution of the individual for such offense shall be barred; provided, however, that nothing in this paragraph shall prohibit the state from introducing evidence of such offense as a similar transaction in any subsequent prosecution or for the purpose of impeachment. The successful completion of the terms and conditions of the agreement shall not be considered a criminal conviction.

(4) If the individual fails to comply with the terms of such consent agreement, the state may proceed with a criminal prosecution. (Ga. L. 1965, p. 385, § 13; Ga. L. 1973, p. 183, § 1; Ga. Editor's notes. — Ga. L. 1996, p. 1517, § 1.1, not codified by the General Assembly, provided: "Section 1.2 [subsection (f)] of this Act shall be known and may be cited as the 'Two Strikes and You're Off Act.'" and § 2, not codified by the General Assembly, provided for severability.

Ga. L. 1996, p. 1517, § 3, not codified by the General Assembly, provided: "No later than July 1, 1996, the Department of Human Resources shall request from the appropriate federal agencies any waivers necessary to implement any part of this Act. Each portion of this Act for which such waiver is required shall become effective only if the waiver is obtained, and in that event shall become effective upon the ninetieth day following the receipt of such waiver. The remainder of this Act shall become effective July 1, 1996."

Pursuant to Ga. L. 1996, p. 1517, § 3,

waivers were applied for regarding those provisions of subsection (f) relating to public assistance. However, passage of the federal "Personal Responsibility and Work Opportunity Reconciliation Act of 1996" eliminated the need for such waivers, effective July 1, 1997. The provisions of subsection (f) enacted by Ga. L. 1996, p. 1517, § 1.2 regarding medical assistance and food stamps did not become effective because the requisite federal waivers were not obtained.

Ga. L. 1997, p. 1021, § 10, not codified by the General Assembly, provides for severability.

JUDICIAL DECISIONS

Constitutionality. — This section is not unconstitutionally vague in that the statute makes it a crime to receive public assistance to which a person is "not entitled" without defining "entitlement" or referring to statutes, rules, or regulations pursuant to which entitlement is determined. *Stewart v. State*, 246 Ga. 70, 268 S.E.2d 906 (1980).

Construction of "may" in waiver clause. — Word "may" in this section's waiver clause affects the rights of needy dependent children to receive financial assistance under the Georgia Aid to Families with Dependent Children; therefore, it is clear that the word "may" must be construed as mandatory rather than permissive. *Holloway v. Parham*, 340 F. Supp. 336 (N.D. Ga. 1972).

Commissioner required to exercise discretion before recouping overpayments. — This section requires the director of the Department of Family and Children Services (now Commissioner of Human Resources) to exercise discretion by considering the need of dependent children before recouping overpayments in

Aid to Families with Dependent Children. *Holloway v. Parham*, 340 F. Supp. 336 (N.D. Ga. 1972).

Effect of state's failure to offer certified copy of regulations. — State fell short of the required proof for felony conviction by failing to offer in evidence a certified copy of the regulations of the Department of Human Resources. *Dix v. State*, 156 Ga. App. 868, 275 S.E.2d 807 (1981).

Guilty plea not bar to prosecution for subsequent fraud. — Defendant's plea of guilty to fraudulently obtaining \$3,796 in public assistance payments between March 1985 and March 1986, would not bar the state from prosecuting defendant for the subsequent fraudulent obtaining of \$1,585 in public assistance payments between August 1987 and January 1988. *Neal v. State*, 198 Ga. App. 13, 400 S.E.2d 375 (1990).

Repayment by custodial parent excuses non-custodial's non-payment. — Noncustodial father was held to be not liable for child support overpayments when the evidence demonstrated that the

custodial parent, the mother, was in the process of making repayment. *Johnson v. Department of Human Resources*, 204 Ga. App. 23, 418 S.E.2d 401 (1992).

Sufficiency of evidence. — Although the evidence was sufficient to prove that the defendant committed fraud that resulted in the defendant obtaining more public assistance than the defendant was entitled to receive under O.C.G.A. § 49-4-15(a), the state failed to prove that the amount exceeded \$500. *Ousley v.*

State, 296 Ga. App. 486, 675 S.E.2d 226 (2009).

OPINIONS OF THE ATTORNEY GENERAL

Liability provided for in Ga. L. 1965, p. 385, § 13 (see O.C.G.A. § 49-4-15) survives the death of a recipient and constitutes a claim against the recipient's estate even if considered as a cause of action in tort rather than a cause of action in contract inasmuch as

Ga. L. 1952, p. 224, § 1 (see O.C.G.A. § 9-2-41) provides that a cause of action in tort shall survive the death of the tortfeasor when the tortfeasor received a benefit from the tort. 1965-66 Op. Att'y Gen. No. 66-250.

The department may examine any books, papers, or memoranda reflecting the income of, or financial records bearing upon the determination of the eligibility of, recipients in instances of alleged fraud by recipients of food stamps and public assistance. This process may be implemented by means of a subpoena which may be issued by the commissioner of human services, upon the advice of the State Department of Law. In order to consider the issuance of such subpoenas, the director of the department's office of fraud and abuse must personally make application in writing to the commissioner of human services specifying why such information is necessary. If issued, such subpoenas shall compel the production of relevant documents. Subpoenas shall be served in the same manner as if issued by a superior court. If any

person fails to obey a subpoena issued and served under this Code section with respect to any matter germane to the department's investigation, on application of the department, through the commissioner of human services or the commissioner's duly authorized representative, the superior court of the county in which the documents were required to be produced may issue an order requiring the person to comply with the subpoena and to produce the relevant documents. The cost of administration and the cost of public assistance provided under any of the categories of public assistance authorized under Code Section 49-4-3 shall be met from such funds as shall be made available therefor from state and federal appropriations. No county shall be required to participate in the cost of such public assistance or in the cost of the administration thereof. (Ga. L. 1965, p. 385, § 17; Ga. L. 1970, p. 451, § 1.)

(2) "Board" means the Board of Community Health established under Chapter 2 of Title 31.

(6) "Provider of medical assistance" means a person or institution, public or private, which possesses all licenses, permits, certificates, approvals, registrations, charters, and other forms of permission issued by entities other than the department, which forms of permission are required by law either to render care or to receive medical assistance in which federal financial participation is available and which meets the further requirements for participation prescribed by the department and which is enrolled, in the manner and according to the terms prescribed by the department, to participate in the state plan.

JUDICIAL DECISIONS

Public agencies as third parties. — When the Georgia Department of Community Health (DCH) filed a departmental lien against plaintiff recipient's settlement proceeds to recover Medicaid sums that it expended to pay providers for the

recipient's treatment, and the recipient filed a declaratory judgment suit, seeking a declaration that the DCH's lien was invalid, the trial court properly granted the summary judgment motion of the defendant, the Commissioner of the DCH, as, contrary to the recipient's contentions, the DCH's lien under O.C.G.A. § 49-4-149(a) was not invalid even though the DCH was seeking to enforce the lien against another public agency (the board of regents of Georgia's university system,

doing business as a medical college) because § 49-4-149(a) allowed the lien against moneys owed by a third party for its liability leading to the recipient's injury and, applying the definitions in O.C.G.A. § 49-4-141(4) and (9), third parties included other public agencies. *Padgett v. The department is authorized to enter into such reciprocal and cooperative arrangements with other states, persons, and institutions, public and private, as it may deem necessary or desirable in order to execute the state plan.

(b) The department shall, not later than June 1, 1986, implement a modification of the state plan for medical assistance or any affected rules or regulations of the department, which modification will allow supplementation by relatives or other persons for a private room or private sitter or both for a recipient of medical assistance in a nursing home. The modification to the plan or to any affected rules and regulations shall be effective unless and until federal authorities rule that such modification is out of compliance with federal regulations. Such modification of the state plan for medical assistance or rules and regulations:

(1) Shall provide that a provider of nursing home services in either a skilled care facility or an intermediate care facility shall be obligated to provide a recipient of medical assistance only semiprivate accommodations which meet the other requirements of appropriate regulations;

(2) Shall provide that at no time can more than 10 percent of a skilled care or intermediate care facility's rooms be used for Medicaid recipients for whom a private room supplementation has been made;

(3) Shall provide that payments made by relatives or other persons to a provider of medical assistance for the specific stated purpose of paying the additional costs for a private room or private sitter or both for a recipient of medical assistance in a skilled care facility or intermediate care facility shall not be considered as income when determining the amount of patient liability toward vendor payments; provided, however, that the department's entitlement to payments made by legally liable third parties shall not be diminished by this modification of the state plan;

(4) Shall provide that no provider of medical assistance shall discriminate against a recipient of medical assistance who does not have a relative or other person who is willing and able to provide supplementation; but the provision of a private room or private sitter to a recipient when supplementation is provided shall not constitute discrimination against other recipients;

(5) Shall provide that no recipient who is transferred to or admitted to a private room because of a shortage of beds in semiprivate rooms shall be discharged because the recipient does not have a relative or other person who is willing and able to provide supplementation; and

(6) May provide that the rate charged by the provider of medical assistance to the relative or other person providing supplementation for a private room for a recipient shall not exceed the difference between the maximum rate charged by the provider for a private room to or for a private pay patient and the amount which the

provider receives or will receive from the department as reimbursement for otherwise providing for the recipient's care in a semiprivate room.

(c) The department is authorized to establish drug application fees which shall be equal to the department's cost of investigating and determining whether a new drug product should be included in the Controlled Medical Assistance Drug List. Such fees shall be adjusted annually and shall be paid by the drug manufacturers at the time of application. (Ga. L. 1977, p. 384, § 4; Ga. L. 1984, p. 1647, § 1; Ga. L. 1985, p. 517, § 1; Ga. JUDICIAL DECISIONS

State's rules restricting reimbursement for abortions inconsistent with Social Security Act. — Rules promulgated by Georgia's Department of Medical Assistance (now Department of Community Health) restricting reimbursement to Medicaid enrollees for medically necessary abortions are inconsistent with Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq., and because the plaintiff classes will suffer irreparable injury for which there is no adequate legal remedy, the defendants, the defendants' agents and employees, must be permanently enjoined from refusing to provide Medicaid reimbursement to the members of the plaintiff classes for the provision of all medically necessary abortions. *Doe v. Busbee*, 481 F. Supp. 46 (N.D. Ga. 1979).

Restrictive rules amounting to denial or reduction of required service. — Restrictions on reimbursement for abortions contained in Georgia's rules amount to a denial or reduction of a required service to an otherwise eligible recipient solely because of that eligible recipient's condition, i.e., pregnancy, and

furthermore, these restrictions are not based on medical necessity or utilization control procedures nor is any contention made by the defendants that the abortions sought by the plaintiffs were not medically necessary or presented utilization control problems; therefore, under 42 C.F.R. § 440.230(c), the Georgia Department of Medical Assistance (now Department of Community Health) must provide reimbursement for these medically necessary abortions. *Doe v. Busbee*, 481 F. Supp. 46 (N.D. Ga. 1979).

Plan administrator. — In *O.C.G.A. § 49-4-142(a)*, the General Assembly has designated the Georgia Department of Community Health as the agency authorized to adopt and administer the plan for medical assistance under the federal Medicaid program. *Ga. Dep't of Cmty. Health v. Freels*, 258 Ga. App. 446, 576 S.E.2d 2 (2002).

Minimum requirements that state's Medicaid plan must meet. — As a participating state, Georgia's Medicaid plan must meet certain minimum requirements as set out in Title XIX of the Social

Security Act. The following categories of services must be provided: (1) inpatient hospital services; (2) outpatient hospital services; (3) laboratory and x-ray services; (4)(A) skilled nursing facility services; (B) early and periodic screening and diagnosis for persons under 21 years of age; (C) family planning services and supplies; and (5) physicians' services, (whether furnished in the office, patient's home, a hospital, skilled nursing facility or elsewhere). *Doe v. Busbee*, 471 F. Supp. 1326 (N.D. Ga. 1979).

Effect of renunciation of inheritance on Medicaid benefits. — While a Medicaid claimant was entitled under

O.C.G.A. § 53-1-20 to renounce an inheritance under the will of the claimant's spouse, this did not insulate that choice from the application of Medicaid's eligibility regulations. Thus, the Georgia Department of Community Health properly denied Medicaid vendor benefits to the claimant. *Ga. Dep't of Cmty. Health v. Medders*, 292 Ga. App. 439, 664 S.E.2d 832 (2008).

OPINIONS OF THE ATTORNEY GENERAL

Limited use of state funds to pay for abortions. — Statutory language which authorizes the Department of Medical Assistance (now Department of Community Health) "to establish such rules and regulations as may be necessary or desirable in order to ... receive the maximum amount of federal financial participation as is available in expenditures made pursuant to the state plan ..." indicates that state funds, like federal funds, should not be used to pay for any abortions except those in cases where the mother's life would be threatened if the fetus were carried to term. 1977 Op. Att'y Gen. No. 77-64.

Coverage for medically necessary abortions, reporting requirements. — Georgia Department of Medical Assistance (now Department of Community

Health) must provide coverage for medically necessary abortions and may impose reasonable reporting or documentation requirements for abortions resulting from rape or incest. 1994 Op. Att'y Gen. No. U94-6.

Limitation on nursing home charges for private rooms. — Nursing home providers may not charge more than the difference between their usual private and semiprivate room rates to individuals who desire to provide private rooms for medical assistance recipients. 1985 Op. Att'y Gen. No. 85-60.

Department of Medical Assistance (now Department of Community Health) may not forbear collection of overpayments made to providers. 1980 Op. Att'y Gen. No. 80-89.

49-4-142.1. Legislative notification of request for waiver.

On and after May 3, 2006, neither the department, the board, nor any other representative of the state shall submit any request to the United States Department of Health and Human Services Centers for Medicare and Medicaid Services for a waiver pursuant to Section 1115 of the federal Social Security Act without legislative notification. This shall apply only to waivers that relate to Medicaid modernization, Medicaid transformation, or a Medicaid reform model that would affect 20,000 or more individuals in the Georgia Medicaid population. The legislative notification required under this Code section shall be by Act of the General Assembly or the adoption of a joint resolution of the General

Assembly. (Code 1981, § 49-4-142.1, enacted by Ga. L. 2006, p. 775, § 1/SB 572; Ga. L. 2007, p. 47, § 49/SB 103.)

U.S. Code. — Section 1115 of the federal Social Security Act, referred to in this Code section, is codified at 42 U.S.C. § 1315.

49-4-143. Power of Board of Community Health; Board of Medical Assistance abolished.

The Board of Community Health established under Chapter 2 of Title 31 is empowered to establish the general policy to be followed by the department. The Board of Medical Assistance which existed June 30, 1999, is abolished July 1, 1999, and no person shall be appointed to such board on or after July 1, 1999. (Ga. L. 1977, p. 384, § 5; Ga. L. 1999, p. 296, § 19; Ga. L. 2009, p. 453, § 1-7/HB 228.)

49-4-144. Chief administrative officer; powers and duties.

The commissioner of community health established under Chapter 2 of Title 31 shall be the chief administrative officer of the department and, subject to the general policy established by the board, shall supervise, direct, account for, organize, plan, administer, and execute the functions vested in the department. (Ga. L. 1977, p. 384, § 6; Ga. L. 1981, p. 855, § 1; Ga. L. 1999, p. 296, § 19; Ga. L. 2009, p. 453, § 1-7/HB 228.)

49-4-145. Time limitations on claims for assistance; form of claims.

Claims for medical assistance must be submitted not more than six months after the month in which the service is rendered and shall be in the form prescribed by the commissioner, except that the commissioner may, where he finds that delay in submission of claims was caused by circumstances beyond the control of the provider, extend the period for submission of certain claims for a period not to exceed 12 months after the month in which the service was rendered; provided, however, that such limitations shall not apply to claims timely filed pursuant to Title XVIII of the federal Social Security Act of 1935, as amended, and reimbursements of such claims may be authorized by the department so long as federal financial participation in such reimbursements is available. (Ga. L. 1977, p. 384, § 7; Ga. L. 1981, p. 1887, § 1.)

U.S. Code. — Title XVIII of the federal Social Security Act of 1935, referred to in this Code section, is codified at 42 U.S.C. § 1395 et seq.

49-4-146. Time for action on claim.

The Department of Community Health, within three months of receiving a claim submitted on or after July 1, 1978, shall pay or deny the claim. (Ga. L. 1977, p. 384, § 15A; Ga. L. 1999, p. 296, § 24.)

JUDICIAL DECISIONS

Restrictions on reimbursement for abortions as denial or reduction of required service. — Restrictions on reimbursement for abortions contained in Georgia's rules amount to a denial or reduction of a required service to an otherwise eligible recipient solely because of that eligible recipient's condition, i.e., pregnancy, and furthermore, these restrictions are not based on medical necessity or utilization control procedures nor is any

contention made by the defendants that the abortions sought by the plaintiffs were not medically necessary or presented utilization control problems; therefore, under 42 C.F.R. § 440.230(c) the Georgia Department of Medical Assistance (now Department of Community Health) must provide reimbursement for these medically necessary abortions. *Doe v. Busbee*, 481 F. Supp. 46 (N.D. Ga. 1979).

49-4-146.1. Unlawful acts; violations and penalties; recovery of excess amounts; termination and reinstatement of providers; duty of department to identify and investigate violations; notifications; authorization to obtain income eligibility verification.

(a) As used in this Code section, the term:

(1) "Agent" means any person who has been delegated the authority to obligate or act on behalf of a provider.

(2) "Convicted" means that a judgment of conviction has been entered by any federal, state, or other court, regardless of whether an appeal from that judgment is pending.

(3) "Indirect ownership interest" means any ownership interest in an entity that has an ownership interest in the provider entity. The term includes an ownership interest in any entity that has an indirect ownership interest in the provider entity.

(4) "Managing employee" means a general manager, business manager, administrator, director, or other individual who exercises operational or managerial control over, or who directly or indirectly conducts, the day-to-day operation of the institution, organization, or agency.

(5) "Payment" includes a payment or approval for payment, any portion of which is paid by the Georgia Medicaid program, or by a

contractor, subcontractor, or agent for the Georgia Medicaid program pursuant to a managed care program operated, funded, or reimbursed by the Georgia Medicaid program.

(6) "Person" means any person, firm, corporation, partnership, or other entity.

(7) "Person with an ownership or control interest" means a person who:

(A) Has ownership interest totaling 5 percent or more in a provider;

(B) Has an indirect ownership interest equal to 5 percent or more in a provider;

(C) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a provider;

(D) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the provider entity if that interest equals at least 5 percent of the value of the property or assets of the provider;

(E) Is an officer or director of a provider that is organized as a corporation; or

(F) Is a partner in a provider entity that is organized as a partnership.

(8) "Provider" means an actual or prospective provider of medical assistance under this chapter. The term "provider" shall also include any managed care organization providing services pursuant to a managed care program operated, funded, or reimbursed by the Georgia Medicaid program.

(b) It shall be unlawful:

(1) For any person or provider to obtain, attempt to obtain, or retain for himself, herself, or any other person any medical assistance or other benefits or payments under this article, or under a managed care program operated, funded, or reimbursed by the Georgia Medicaid program, to which the person or provider is not entitled, or in an amount greater than that to which the person or provider is entitled, when the assistance, benefit, or payment is obtained, attempted to be obtained, or retained, by:

(A) Knowingly and willfully making a false statement or false representation;

(B) Deliberate concealment of any material fact; or

(C) Any fraudulent scheme or device; or

(2) For any person or provider knowingly and willfully to accept medical assistance payments to which he or she is not entitled or in an amount greater than that to which he or she is entitled or knowingly and willfully to falsify any report or document required under this article.

(c) Any person violating paragraph (1) or (2) of subsection (b) of this Code section shall be guilty of a felony and, upon conviction thereof, shall be punished for each offense by a fine of not more than \$10,000.00, or by imprisonment for not less than one year nor more than ten years, or by both such fine and imprisonment. In any prosecution under this Code section, the state has the burden of proving beyond a reasonable doubt that the defendant intentionally committed the acts for which he or she is charged.

(c.1)(1) Any person committing abuse shall be liable for a civil monetary penalty equal to two times the amount of any excess benefit or payment. This penalty shall be collected on the same terms as a penalty imposed pursuant to subsection (d) of this Code section, except as to the amount specified in items (1) and (2) of that subsection, but shall not be imposed cumulatively with a penalty under such subsection.

(2) Abuse is defined as a provider knowingly obtaining or attempting to obtain medical assistance or other benefits or payments under this article to which the provider knows he or she is not entitled when the assistance, benefits, or payments are greater than an amount which would be paid in accordance with those provisions of the department's policies and procedures manual which are adopted pursuant to public notice, and the assistance, benefits, or payments directly or indirectly result in unnecessary costs to the medical assistance program. Isolated instances of unintentional errors in billing, coding, and costs reports shall not constitute abuse. Miscoding shall not constitute abuse if there is a good faith basis that the codes used were appropriate under the department's policies and procedures manual and there was no deceptive intent on the part of the provider.

(d) In addition to any other penalties provided by law, each person violating subsection (b) of this Code section shall be liable to a civil penalty equal to the greater of (1) three times the amount of any such excess benefit or payment or (2) \$1,000.00 for each excessive claim for assistance, benefit, or payment. Additionally, interest on the penalty shall be paid at the rate of 12 percent per annum from the date of payment of any such excessive amount, or from the date of receipt of any claim for an excessive amount when no payment has been made, until the date of payment of such penalty to the department.

(e)(1) Whenever the commissioner proposes to recover an amount provided for in subsection (d) of this Code section, he shall give 30

days' written notice of his intended actions. The notice shall inform the person in violation of subsection (b) of this Code section of his right to a hearing, the method by which he may obtain a hearing, and that he may be represented by an authorized representative, such as legal counsel, relative, friend, or other spokesman, or that he may represent himself.

(2) All hearings held by virtue of this subsection shall be conducted in the same manner as any other contested case within the department and shall be subject to the rules and regulations regarding hearings within the department. As in all contested cases within the department, the person against whom the commissioner is proceeding under this subsection shall have the right to appeal any adverse administrative decision to the superior court of the county of his residence or to the Superior Court of Fulton County once he exhausts all administrative remedies within the department.

(3) If the person against whom the commissioner is proceeding under this subsection fails to request a hearing or fails to exhaust all administrative remedies within the department, then his case shall be treated as an unappealed administrative decision. In any unappealed administrative decision where the aggrieved party fails to request a hearing or fails to exhaust all administrative remedies, the commissioner shall issue an order to the person against whom the commissioner is proceeding, directing payment of any amount found to be due pursuant to subsection (d) of this Code section within ten days after service of the order. Upon failure to comply with the commissioner's order, the commissioner may issue a certificate to the clerk of the superior court of the county of residence of the person who is the subject of the order. A copy of such certificate shall be served upon the person against whom the order was entered. Thereupon, the clerk shall immediately enter upon his record of docketed judgments the name of the person so indebted, that the debt is owed to the state, a designation of the statute under which such amount is found to be due, the amount due, and the date of the certification. Such entry shall have the same force and effect as the entry of a docketed judgment in the superior court. Such entry on the docket by the commissioner shall be without prejudice to the right of the aggrieved party to contest such entry by affidavit of illegality or as otherwise provided by law.

(f) The department may refuse to accept a statement of participation, deny a request for reinstatement, refuse to exercise its option to renew a statement of participation, suspend or withhold those payments arising from fraud or willful misrepresentation under the Medicaid program, or terminate the participation of any provider other than a natural person if that provider or any person with an ownership or

control interest or any agent or managing employee of such provider has been:

(1) Convicted of violating paragraph (1) or (2) of subsection (b) of this Code section;

(2) Convicted of committing any other criminal offense related to any program administered under Title XVIII, XIX, or XX of the Social Security Act of 1935, as amended; or

(3) Excluded or suspended from participation in the medicare program for fraud or abuse.

In making a decision pursuant to this subsection, the department shall consider the facts and circumstances of the specific case, including but not limited to the nature and severity of the crime or violation and the extent to which it adversely affected medical assistance recipients and the program.

(g) The department shall refuse to accept a statement of participation, deny a request for reinstatement, refuse to exercise its option to renew a statement of participation, or terminate the participation of any provider who is a natural person if that provider or any agent or managing employee of such provider has been convicted of:

(1) Violating subsection (b) of this Code section; or

(2) Committing any other criminal offense related to any program administered under Title XVIII, XIX, or XX of the Social Security Act of 1935, as amended.

(h) The department shall reinstate a provider whose participation in the medical assistance program was terminated pursuant to subsection (f) or (g) of this Code section if the conviction upon which the termination was based is reversed or vacated or if the decision of the administrative law judge is reversed in accordance with the department's rules and regulations.

(i) It shall be the duty of the department to identify and investigate violations of this article and to turn over to the prosecuting attorney, for prosecution, any information concerning any recipient of medical assistance who violates this article.

(j) As necessary to enforce the provisions of this article, the department or its duly authorized agents may submit to the state revenue commissioner the names of applicants for medical assistance or other benefits or payments provided under this article, as well as the relevant income threshold specified therein. If the department elects to contract with the state revenue commissioner for such purposes, the state revenue commissioner and his or her agents or employees shall notify the department whether or not each submitted applicant's income

exceeds the relevant income threshold provided. The department shall pay the state revenue commissioner for all costs incurred by the Department of Revenue pursuant to this subsection. No information shall be provided by the Department of Revenue to the department without an executed cooperative agreement between the two departments. Any tax information secured from the federal government by the Department of Revenue pursuant to express provisions of Section 6103 of the Internal Revenue Code may not be disclosed by the Department of Revenue pursuant to this subsection. Any person receiving any tax information under the authority of this subsection is subject to the provisions of Code Section 48-7-60 and to all penalties provided under Code Section 48-7-61 for unlawful divulging of confidential tax information. (Ga. L. 1981, p. 962, § 1; Ga. L. 1985, p. 1395, §§ 1, 2; Ga. L. 1994, p. 97, § 49; Ga. L. 1997, p. 679, § 1; Ga. L. 1997, p. 1596, § 1; Ga. L. 1998, p. 128, § 49; Ga. L. 1998, p. 664, § 1; Ga. Code, referred to in subsection (j), is codified at 26 U.S.C. § 6103.

JUDICIAL DECISIONS

Venue for crime of report falsification. — Crime of violating the Georgia Medical Assistance Act, O.C.G.A. § 49-4-140 et seq., by falsifying reports claiming reimbursement for prescriptions consisted of the act of “falsifying,” rather than the act of “submitting” or “sending,” and venue was proper in the county in which the reports were falsified, not in the county to which the reports were sent. *State v. Barber*, 193 Ga. App. 397, 388 S.E.2d 350 (1989).

Venue for Medicaid fraud. — In a Medicaid fraud case committed by a fraudulent scheme or device under O.C.G.A. § 49-4-146.1(b)(1)(C) of the Georgia Medical Assistance Act, O.C.G.A. § 49-4-140 et seq., pursuant to Ga. Const. 1983, Art. VI, Sec. II, Para. VI and O.C.G.A. § 17-2-2(a), venue is proper in any county where an act was committed in

furtherance of the fraudulent transaction; defendants committed acts in furtherance of the fraud in counties in which the defendants were tried and convicted and, thus, venue in those counties was proper and the appellate court improperly reversed the defendants’ convictions. *State v. Kell*, 276 Ga. 423, 577 S.E.2d 551 (2003).

Venue was proper in the county in which the defendant was tried for Medicaid fraud because it was the county in which the fraudulent scheme was hatched, acts in furtherance thereof were performed, and payment was received. *Kell v. State*, 262 Ga. App. 489, 585 S.E.2d 915 (2003).

Aiding and abetting commission of crime. — Even assuming the defendant could not be considered a “provider,” the wide range of activities performed, when

combined with the defendant's supervisory role in the medical office, made the defendant a party to the crime of Medicaid fraud. *Bullard v. State*, 242 Ga. App. 843, 530 S.E.2d 265 (2000).

State's authority to prosecute — Under O.C.G.A. § 49-4-146.1(c), the state has the authority to prosecute persons who violate § 49-4-146.1(b)(2), prohibiting a Medicaid provider's acceptance of payment to which the provider is not entitled, or falsifying a required report.

Bixby v. State, 254 Ga. App. 212, 561 S.E.2d 870 (2002).

Fine for Medicaid fraud deemed proper. — Defendant was properly fined \$50,000 as a condition of defendant's 10 years' probation for Medicaid fraud because, although the maximum statutory fine for the crime was \$10,000, the trial court could impose a fine up to \$100,000 as a probation condition pursuant to O.C.G.A. § 17-10-8. *Kell v. State*, 262 Ga. App. 489, 585 S.E.2d 915 (2003).

49-4-146.2. Requirements for voluntary termination of provider agreements by nursing facilities; adjustment of medical assistance rate; decertification.

(a) As used in this Code section, the term:

(1) "Assist" means that the provider will, at a minimum, do the following:

(A) Provide the resident, the resident's legal guardian, or the resident's representative with the names, addresses, phone numbers, and contact persons at other facilities appropriate to the needs of the resident;

(B) Contact the identified facilities initially in the resident's behalf;

(C) Develop a transfer plan for each resident that addresses the individual needs of the resident during the transfer;

(D) Make arrangements for the safe and orderly transfer of the resident; and

(E) Provide the resident, guardian, or representative with counseling regarding available community resources and informing the appropriate state or social service organizations, including, but not limited to, the community or state long-term care ombudsman and assisting in arranging for the transfer or discharge.

(2) "Decertification" means and refers to termination of a facility's limited provider agreement, at such time as no Medicaid eligible residents reside in the facility.

(3) "Limited provider agreement" means and refers to an agreement between a facility and the department whereby the facility agrees to provide nursing facility services to Medicaid eligible residents and the department agrees to pay medical assistance for services rendered to Medicaid eligible residents during the period of time from termination notice to decertification.

(4) "Medicaid eligible residents" means and refers to persons:

(A) Residing in the facility as of the effective date of termination; and

(B) Who are certified as recipients of medical assistance prior to the effective date of termination.

(5) "Termination" or "terminate" refers to voluntary termination by a nursing facility of its current provider agreement with the department. Upon termination, the facility must enter into a limited provider agreement.

(b) A nursing facility may voluntarily terminate upon 60 days' written notice to the department. Such notice shall include:

(1) The reason or reasons for termination of its current provider agreement;

(2) The names and Medicaid identification numbers of all Medicaid eligible residents;

(3) The names of residents with applications pending for Medicaid eligibility and the names of any representatives authorized to act for such residents in accordance with paragraph (4) of Code Section 31-8-102;

(4) Copies of notices which the facility intends to provide to residents and applicants pursuant to subsection (d) of this Code section; and

(5) Any other information reasonably deemed by the department to be necessary to process the termination.

(c) Any facility which voluntarily terminates its participation must do so in such a manner as to minimize the harm to current residents and applicants. In meeting this requirement, the facility shall:

(1) Enter into a limited provider agreement;

(2) Meet the requirements for nursing facilities enrolled as providers of medical assistance, except as otherwise set forth in the limited provider agreement and this Code section;

(3) Assist residents who desire to leave the facility in finding alternative placement; and

(4) With regard to residents who are not Medicaid eligible residents at the time of termination, but who subsequently become Medicaid eligible residents, comply with the applicable provisions of Code Section 31-8-116 (with the exception of the second sentence of paragraph (3) of subsection (a) of said Code section).

(d) The terminating facility must meet the following notice requirements. All notices required under this subsection must be approved by the department:

(1) The facility shall notify each Medicaid eligible resident that:

(A) The facility has elected to terminate its current provider agreement;

(B) The resident may continue to reside in the facility as long as he or she continues to be a recipient of medical assistance; and

(C) Should the resident wish to transfer to another facility, the terminating facility will provide orientation and preparation for transfer and assist the resident and the department in locating alternative placement;

(2) The facility shall notify all other residents:

(A) That the facility has elected to terminate its current provider agreement;

(B) That the resident will not be entitled to have medical assistance paid on his or her behalf if he or she becomes a Medicaid eligible resident on or after the effective date of termination; and

(C) Of his or her rights pursuant to Code Section 31-8-116; and

(3) The facility shall notify all applicants on the facility's waiting list that:

(A) The facility has elected to terminate its current provider agreement;

(B) No resident admitted to the facility after the effective date of termination shall be entitled to have his or her care at such facility covered by medical assistance;

(C) The legal rights and protections that apply to all residents (regardless of source of payment) in nursing facilities enrolled as providers of medical assistance will not be available on or after the effective date of decertification;

(D) The legal rights and protections under the Georgia Bill of Rights for Residents of Long-term Care Facilities and under other

state laws will continue to be available after the effective date of decertification; and

(E) If such applicant desires to apply to other facilities, the terminating facility will assist the applicant in finding alternative placement.

(e) The terminating facility shall receive medical assistance at the per diem rate in effect at the time the facility notified the department of its intention to terminate until such time as rate adjustments are made under the state plan. At that time, the facility's medical assistance rate shall be adjusted to the state-wide average medical assistance rate paid to the class of facilities under the state plan to which the terminating facility belongs.

(f) The terminating facility shall be decertified and its limited provider agreement terminated at such time as no Medicaid eligible residents reside in the facility.

(g) A facility shall file a cost report with the department for the fiscal period ending with the effective date of termination in the manner prescribed by the department. (Code 1981, § 49-4-146.2, enacted by Ga. L. 1992, p. 1048, § 1.)

(b) All property and proceeds obtained by a person or entity through or as a result of Medicaid fraud in the provision of services or equipment under this article are subject to forfeiture to the state by a Medicaid fraud forfeiture action brought by the state in accordance with this Code section. This Code section shall not apply to cases involving alleged fraud by Medicaid recipients in obtaining medical assistance benefits.

(c) A Medicaid fraud forfeiture proceeding shall be initiated by a complaint filed in the name of the State of Georgia and may be brought in the case of:

(1) An in rem action, by the prosecutor in the county in which the property is located or seized; or

(2) An in personam action, by the prosecutor in the county in which the defendant resides.

(d)(1) An action pursuant to this Code section may be commenced before or after the seizure of property.

(2) Any Medicaid fraud forfeiture action filed under this Code section shall be limited to a civil action.

(e) A property interest shall not be subject to forfeiture under this Code section if the owner of such interest or interest holder establishes that the owner or interest holder:

(1) Is not legally accountable for the conduct giving rise to its forfeiture, did not consent to it, and did not know and there is no reason why he or she should have known of the conduct or that it was likely to occur;

(2) Had not acquired and did not stand to acquire substantial proceeds from the conduct giving rise to its forfeiture other than as an interest holder in an arm's length commercial transaction;

(3) With respect to conveyances for transportation only, did not hold the property jointly, in common, or in community with a person whose conduct gave rise to its forfeiture;

(4) Does not hold the property for the benefit of or as nominee for any person whose conduct gave rise to its forfeiture, and, if the owner or interest holder acquired the interest through any such person, the owner or interest holder acquired it as a bona fide purchaser for value without knowingly taking part in an illegal transaction; and

(5) Acquired the interest:

(A) Before the completion of the conduct giving rise to its forfeiture, and the person whose conduct gave rise to its forfeiture did not have the authority to convey the interest to a bona fide purchaser for value at the time of the conduct; or

(ii) Before the filing of a lien on it and before the effective date of a notice of pending forfeiture relating to it and without notice of its seizure for forfeiture under this article; and

(iii) At the time the interest was acquired, was reasonably without cause to believe that the property was subject to forfeiture or likely to become subject to forfeiture under this article.

Upon the request of the owner or interest holder, for good cause shown, the court shall hold an expedited hearing to determine whether the property is subject to forfeiture under this Code section.

(f) A rented or leased vehicle shall not be subject to forfeiture unless it is established in forfeiture proceedings that the owner of the rented or leased vehicle is legally accountable for the conduct which would otherwise subject the vehicle to forfeiture, consented to the conduct, or knew or reasonably should have known of the conduct or that it was likely to occur. Upon learning of the address or phone number of the company which owns any rented or leased vehicle which is present at the scene of an arrest or other action taken pursuant to this Code section, the duly authorized authorities shall immediately contact the company to inform it that the vehicle is available for the company to take possession.

(g)(1) Property which is subject to forfeiture under this Code section may be seized by any law enforcement officer of this state or of any political subdivision thereof who has power to make arrests or execute process or a search warrant issued by any superior court having jurisdiction over the property. A search warrant authorizing seizure of property which is subject to forfeiture pursuant to this Code section may be issued at an ex parte hearing before a superior court judge of a county where the forfeiture action may be brought demonstrating that probable cause exists for its forfeiture or that the property has been the subject of a previous final judgment of forfeiture in the courts of this state, any other state, or the United States. The court may order that the property be seized on such terms and conditions as are reasonable. In entering any such seizure order, the court shall determine that appropriate conditions are included to ensure the physical safety and well-being of any recipients or patients who may be affected by such warrant and that sufficient steps will be taken to ensure that patient medical records are kept confidential. The property owner or interest holder, within ten days of the seizure of property taken pursuant to a search warrant, may make a written demand to the court with notice to the prosecutor for a hearing to determine if probable cause still exists for the seized property to be subject to forfeiture pursuant to this Code section. Said hearing shall be held within 20 days of said demand unless continued by the court for good cause.

(2) At the ex parte hearing for the issuance of a search warrant authorizing the seizure of property under paragraph (1) of this subsection, a reasonable estimate of the approximate fair market value of the property sought to be seized shall be presented to the court. Based upon such evidence, the court shall establish a bond amount for the release of any property ordered seized, not to exceed

double the fair market value of that property. The property owner or interest holder may file in the clerk's office of the court where the forfeiture action is brought, a bond with good security, conditioned for the payment of the bond amount established by the court. The bond shall be subject to approval by the clerk of the court. Upon receipt of a bond deemed acceptable by the clerk, the court which ordered the seizure of the property shall issue an order to the persons having custody of the seized property to release such property to the property owner or interest holder filing such bond, unless the property is being held as evidence. If the seized property so released is ordered to be forfeited, the state shall be entitled to entry of judgment upon such bond against the principal and sureties therein, as judgment may be entered against securities upon appeal. If the property seized is released pursuant to this paragraph and is later otherwise required to be released under any other provision of this Code section, the principal and sureties upon any bond given for the release of such property under this paragraph shall also be released from their obligations under that bond.

(h)(1) When property is seized pursuant to this article, the sheriff or law enforcement officer seizing the same shall report the fact of seizure, in writing, within 20 days thereof to the prosecutor of the judicial circuit having jurisdiction in the county where the seizure was made.

(2) Within 30 days from the date of seizure, a complaint for forfeiture shall be initiated as provided for in subsection (n), (o), or (p) of this Code section.

(3) If the state fails to initiate forfeiture proceedings against property seized for forfeiture by notice of pending forfeiture within the time limits specified in paragraphs (1) and (2) of this subsection, the property must be released on the request of an owner or interest holder, pending further proceedings pursuant to this Code section, unless the property is being held as evidence.

(i)(1) Seizure of property by a law enforcement officer constitutes notice of such seizure to any person who was present at the time of seizure who may assert an interest in the property.

(2) When property is seized pursuant to this article, the prosecutor or the sheriff or law enforcement officer seizing the same shall give notice of the seizure to any owner or interest holder who is not present at the time of seizure by personal service, publication, or the mailing of written notice:

(A) If the owner's or interest holder's name and current address are known, by either personal service or mailing a copy of the notice by certified mail or statutory overnight delivery to that address;

(B) If the owner's or interest holder's name and address are required by law to be on record with a government agency to perfect an interest in the property but the owner's or interest holder's current address is not known, by mailing a copy of the notice by certified mail or statutory overnight delivery, return receipt requested, to any address on the record; or

(C) If the owner's or interest holder's address is not known and is not on record as provided in subparagraph (B) of this paragraph or the owner's or interest holder's interest is not known, by publication in two consecutive issues of a newspaper of general circulation in the county in which the seizure occurs.

(3) Notice of seizure must include a description of the property, the date and place of seizure, the conduct giving rise to forfeiture, and the violation of law alleged.

(j) A prosecutor may file, without a filing fee, a lien for forfeiture of property upon the initiation of any civil proceeding under this article or upon seizure for forfeiture. The filing constitutes notice to any person claiming an interest in the property owned by the named person. The filing shall include the following:

(1) The lien notice must set forth:

(A) The name of the person and, in the discretion of the state, any alias and any corporations, partnerships, trusts, or other entities, including nominees, that are either owned entirely or in part or controlled by the person; and

(B) The description of the property, the civil proceeding that has been brought under this article, the amount claimed by the state, the name of the court where the proceeding or action has been brought, and the case number of the proceeding or action if known at the time of filing;

(2) A lien under this subsection applies to the described property and to one named person and to any aliases, fictitious names, or other names, including names of corporations, partnerships, trusts, or other entities, that are either owned entirely or in part or controlled by the named person and any interest in real property owned or controlled by the named person. A separate lien for forfeiture of property must be filed for any other person;

(3) The lien creates, upon filing, a lien in favor of the state as it relates to the seized property or to the named person or related entities with respect to said property. The lien secures the amount of potential liability for civil judgment and, if applicable, the fair market value of seized property relating to all proceedings under this article enforcing the lien. The forfeiture lien referred to in this

subsection must be filed in accordance with the provisions of the laws in this state pertaining to the type of property that is subject to the lien. The state may amend or release, in whole or in part, a lien filed under this subsection at any time by filing, without a filing fee, an amended lien in accordance with this subsection which identifies the lien amended. The state, as soon as practical after filing a lien, shall furnish to any person named in the lien a notice of the filing of the lien;

(4) Upon entry of judgment in favor of the state, the state may proceed to execute on the lien as in the case of any other judgment;

(5) A trustee, constructive or otherwise, who has notice that a lien for forfeiture of property, a notice of pending forfeiture, or a civil forfeiture proceeding has been filed against the property or against any person or entity for whom the person holds title or appears as the owner of record shall furnish, within ten days, to the prosecutor or the prosecutor's designee the following information:

(A) The name and address of the person or entity for whom the property is held;

(B) The names and addresses of all beneficiaries for whose benefit legal title to the seized property, or property of the named person or related entity, is held; and

(C) A copy of the applicable trust agreement or other instrument, if any, under which the trustee or other person holds legal title or appears as the owner of record of the property; and

(6) A trustee, constructive or otherwise, who fails to comply with this subsection shall be guilty of a misdemeanor.

(k) Property taken or detained under this Code section is not subject to replevin, conveyance, sequestration, or attachment. The seizing law enforcement agency or the prosecutor may authorize the release of the property if the forfeiture or retention is unnecessary or may transfer the action to another agency or prosecutor by discontinuing forfeiture proceedings in favor of forfeiture proceedings initiated by the other law enforcement agency or prosecutor. An action under this Code section may be consolidated with any other action or proceeding under this article relating to the same property on motion by an interest holder and must be so consolidated on motion by the prosecutor in either proceeding or action. The property is deemed to be in the custody of the State of Georgia subject only to the orders and decrees of the superior court having jurisdiction over the forfeiture proceedings.

(l)(1) If property is seized under this article, the prosecutor may:

(A) Remove the property to a place designated by the superior court having jurisdiction over the forfeiture proceeding;

(B) Place the property under constructive seizure by posting notice of pending forfeiture, by giving notice of pending forfeiture to its owners and interest holders, or by filing notice of seizure in any appropriate public record relating to the property;

(C) Remove the property to a storage area, within the jurisdiction of the court, for safekeeping or, if the property is a negotiable instrument or money and is not needed for evidentiary purposes, the prosecutor may authorize its being deposited in an interest-bearing account in a financial institution in this state. Any accrued interest shall follow the principal in any judgment with respect thereto;

(D) Provide for another governmental agency, a receiver appointed by the court pursuant to Chapter 8 of Title 9, an owner, or an interest holder to take custody of the property and remove it to an appropriate location within the county where the property was seized; or

(E) Require the sheriff or chief of police of the political subdivision where the property was seized to take custody of the property and remove it to an appropriate location for disposition in accordance with law.

(2) If any property which has been attached or seized pursuant to this Code section is perishable or is liable to perish, waste, or be greatly reduced in value by keeping or if the expense of keeping the same is excessive or disproportionate to the value thereof, the court, upon motion of the state, a claimant, or the custodian, may order the property or any portion thereof to be sold upon such terms and conditions as may be prescribed by the court; and the proceeds shall be paid into the registry of the court pending final disposition of the action.

(m) As soon as possible, but not more than 30 days after the seizure of property, the seizing law enforcement agency shall conduct an inventory and estimate the value of the property seized. All reasonable steps shall be taken so as not to interfere with or disrupt the provision of medical care by the provider when such inventory is conducted. Such inventory shall be conducted in a manner which assures the confidentiality of patient medical records.

(n) If the estimated value of personal property seized is \$25,000.00 or less, the prosecutor may elect to proceed under the provisions of this subsection in the following manner:

(1) Notice of the seizure of such property shall be posted in a prominent location in the courthouse of the county in which the property was seized. Such notice shall include a description of the

property, the date and place of seizure, the conduct giving rise to forfeiture, a statement that the owner of such property has 30 days within which a claim must be filed, and the violation of law alleged;

(2) A copy of the notice, which shall include a statement that the owner of such property has 30 days within which a claim must be filed, shall be served upon an owner, interest holder, or person in possession of the property at the time of seizure as provided in subsection (i) of this Code section and shall be published for at least three successive weeks in a newspaper of general circulation in the county where the seizure was made;

(3) The owner or interest holder may file a claim within 30 days after the second publication of the notice of forfeiture by sending the claim to the seizing law enforcement agency and to the prosecutor by certified mail or statutory overnight delivery, return receipt requested;

(4) The claim must be signed by the owner or interest holder under penalty of perjury and must substantially set forth:

(A) The caption of the proceedings as set forth on the notice of pending forfeiture and the name of the claimant;

(B) The address at which the claimant will accept mail;

(C) The nature and extent of the claimant's interest in the property;

(D) The date, identity of the transferor, and circumstances of the claimant's acquisition of the interest in the property;

(E) The specific provision of this Code section relied on in asserting that the property is not subject to forfeiture; and

(F) The precise relief sought;

(5) If a claim is filed, the prosecutor shall file a complaint for forfeiture as provided in subsection (o) or (p) of this Code section within 30 days of the actual receipt of the claim. A person who files a claim shall be joined as a party; and

(6) If no claim is filed within 30 days after the second publication of the notice of forfeiture, all right, title, and interest in the property are forfeited to the state and the prosecutor shall dispose of the property as provided in subsection (u) of this Code section.

(o) In rem proceedings.

(1) In actions in rem, the property which is the subject of the action shall be named as the defendant. The complaint shall be verified on oath or affirmation by a duly authorized agent of the state in a

manner required by the laws of this state. Such complaint shall describe the property with reasonable particularity; state that it is located within the county or will be located within the county during the pendency of the action; state its present custodian; state the name of the owner or interest holder, if known; allege the essential elements of the violation which is claimed to exist; state the place of seizure, if the property was seized; and conclude with a prayer of due process to enforce the forfeiture.

(2) A copy of the complaint and summons shall be served on any person known to be an owner or interest holder and any person who is in possession of the property.

(A) Service of the complaint and summons shall be as provided in subsections (a), (b), (c), and (e) of Code Section 9-11-4.

(B) If real property is the subject of the action or the owner or interest holder is unknown or resides out of the state or departs the state or cannot after due diligence be found within the state or conceals himself or herself so as to avoid service, notice of the proceeding shall be published once a week for two successive weeks in the newspaper in which the sheriff's advertisements are published. Such publication shall be deemed notice to any and all persons having an interest in or right affected by such proceeding and from any sale of the property resulting therefrom, but shall not constitute notice to an interest holder unless that person is unknown or resides out of the state or departs the state or cannot after due diligence be found within the state or conceals himself or herself to avoid service.

(C) If tangible property which has not been seized is the subject of the action, the court may order the sheriff or another law enforcement officer to take possession of the property. If the character or situation of the property is such that the taking of actual possession is impracticable, the sheriff shall execute process by affixing a copy of the complaint and summons to the property in a conspicuous place and by leaving another copy of the complaint and summons with the person having possession or such person's agent. In cases involving a vessel or aircraft, the sheriff or other law enforcement officer is authorized to make a written request with the appropriate governmental agency not to permit the departure of such vessel or aircraft until notified by the sheriff or the sheriff's deputy that the vessel or aircraft has been released.

(3) An owner of or interest holder in the property may file an answer asserting a claim against the property in the action in rem. Any such answer shall be filed within 30 days after the service of the summons and complaint. Where service is made by publication and

personal service has not been made, an owner or interest holder shall file an answer within 30 days of the date of final publication. An answer must be verified by the owner or interest holder under penalty of perjury. In addition to complying with the general rules applicable to an answer in civil actions, the answer must substantially set forth:

(A) The caption of the proceedings as set forth in the complaint and the name of the claimant;

(B) The address at which the claimant will accept mail;

(C) The nature and extent of the claimant's interest in the property;

(D) The date, identity of transferor, and circumstances of the claimant's acquisition of the interest in the property;

(E) The specific provision of this Code section relied on in asserting that the property is not subject to forfeiture; and

(F) The precise relief sought.

(4) If at the expiration of the period set forth in paragraph (3) of this subsection no answer has been filed, the court shall order the disposition of the seized property as provided for in this Code section.

(5) If an answer is filed, a hearing must be held within 60 days after service of the complaint unless continued for good cause and must be held by the court with a jury unless waived by the claimant.

(6) An action in rem may be brought by the state in addition to or in lieu of any other in rem or in personam action brought pursuant to this article.

(p) In personam proceedings.

(1) The complaint shall be verified on oath or affirmation by a duly authorized agent of the state in a manner required by the laws of this state. It shall describe with reasonable particularity the property which is sought to be forfeited; state its present custodian; state the name of the owner or interest holder, if known; allege the essential elements of the violation which is claimed to exist; state the place of seizure, if the property was seized; and conclude with a prayer of due process to enforce the forfeiture.

(2) Service of the complaint and summons shall be as follows:

(A) Except as otherwise provided in this subsection, service of the complaint and summons shall be as provided by subsections (a), (b), (c), and (d) of Code Section 9-11-4; and

(B) If the defendant is unknown or resides out of the state or departs the state or cannot after due diligence be found within the

state or conceals himself or herself so as to avoid service, notice of the proceedings shall be published once a week for two successive weeks in the newspaper in which the sheriff's advertisements are published. Such publication shall be deemed sufficient notice to any such defendant.

(3) A defendant shall file a verified answer within 30 days after the service of the summons and complaint. Where service is made by publication and personal service has not been made, a defendant shall file such answer within 30 days of the date of final publication. In addition to complying with the general rules applicable to an answer in civil actions, the answer must contain all of the elements set forth in paragraph (3) of subsection (o) of this Code section.

(4) Any interest holder or person in possession of the property may join any action brought pursuant to this subsection as provided by Chapter 11 of Title 9, known as the "Georgia Civil Practice Act."

(5) If at the expiration of the period set forth in paragraph (3) of this subsection no answer has been filed, the court shall order the disposition of the seized property as provided for in this Code section.

(6) If an answer is filed, a hearing must be held within 60 days after service of the complaint unless continued for good cause and must be held by the court with a jury unless waived by the claimant.

(7) On a determination of liability of a person for conduct giving rise to forfeiture under this Code section, the court must enter a judgment of forfeiture of the property described in the complaint and must also authorize the prosecutor or the prosecutor's agent or any law enforcement officer or peace officer to seize all property ordered to be forfeited which was not previously seized or was not then under seizure. Following the entry of an order declaring the property forfeited, the court, on application of the state, may enter any appropriate order to protect the interest of the state in the property ordered to be forfeited.

(q) In conjunction with any civil action brought pursuant to this article:

(1) The court, on application of the prosecutor, may enter any restraining order or injunction; require the execution of satisfactory performance bonds; appoint receivers, conservators, appraisers, accountants, or trustees; or take any action to seize, secure, maintain, or preserve the availability of property subject to forfeiture under this article, including issuing a warrant for its seizure and writ of attachment, whether before or after the filing of a complaint for forfeiture;

(2) A temporary restraining order under this Code section may be entered on application of the prosecutor, without notice or an opportunity for a hearing, if the prosecutor demonstrates that:

(A) There is probable cause to believe that the property with respect to which the order is sought, in the event of final judgment or conviction, would be subject to forfeiture under this article; and

(B) Provision of notice would jeopardize the availability of the property for forfeiture;

(3) Notice of the entry of a restraining order and an opportunity for a hearing must be afforded to persons known to have an interest in the property. The hearing must be held at the earliest possible date consistent with the date set in subsection (b) of Code Section 9-11-65 and is limited to the issues of whether:

(A) There is a probability that the state will prevail on the issue of forfeiture and that failure to enter the order will result in the property's being destroyed, conveyed, encumbered, removed from the jurisdiction of the court, concealed, or otherwise made unavailable for forfeiture; and

(B) The need to preserve the availability of property through the entry of the requested order outweighs the hardship on any owner or interest holder against whom the order is to be entered;

(4) If property is seized for forfeiture or a forfeiture lien is filed without a previous judicial determination of probable cause or order of forfeiture or a hearing under paragraph (2) of this subsection, the court, on an application filed by an owner of or interest holder in the property within 30 days after notice of its seizure or lien or actual knowledge of such seizure or lien, whichever is earlier, and complying with the requirements for an answer to an in rem complaint, and after five days' notice to the prosecutor of the judicial circuit where the property was seized or, in the case of a forfeiture lien, to the prosecutor filing such lien, may issue an order to show cause to the seizing law enforcement agency for a hearing on the sole issue of whether probable cause for forfeiture of the property then exists. The hearing must be held within 30 days unless continued for good cause on motion of either party. If the court finds that there is no probable cause for forfeiture of the property, the property must be released pending the outcome of a judicial proceeding which may be filed pursuant to this Code section; and

(5) The court may order property that has been seized for forfeiture to be sold to satisfy a specified interest of any interest holder, on motion of any party, and after notice and a hearing, on the conditions that:

(A) The interest holder has filed a proper claim and:

(i) Is authorized to do business in this state and is under the jurisdiction of a governmental agency of this state or of the United States which regulates financial institutions, securities, insurance, or real estate; or

(ii) Has an interest that the prosecutor has stipulated is exempt from forfeiture;

(B) The interest holder must dispose of the property by commercially reasonable public sale and apply the proceeds first to its interest and then to its reasonable expenses incurred in connection with the sale or disposal; and

(C) The balance of the proceeds, if any, must be returned to the actual or constructive custody of the court, in an interest-bearing account, subject to further proceedings under this Code section.

(r) An acquittal or a dismissal or a conviction in any criminal proceeding, either by a verdict or a plea of guilty or nolo contendere, shall be admissible in evidence in any proceeding pursuant to this Code section.

(s) In hearings and determinations pursuant to this Code section:

(1) The court may receive and consider, in making any determination of probable cause or reasonable cause, all evidence admissible in determining probable cause at a preliminary hearing or by a magistrate pursuant to Article 1 of Chapter 5 of Title 17, together with inferences therefrom; and

(2) The fact that the state has established probable cause to believe that a person has engaged in conduct giving rise to forfeiture or that the property was acquired by a person during a period of the conduct giving rise to forfeiture or within a reasonable time thereafter shall not give rise to any presumption, rebuttable or otherwise, that the property is subject to forfeiture. The state shall, at all times, have the burden to prove, by a preponderance of the evidence, that the property is subject to forfeiture under this Code section.

(t)(1) All property declared to be forfeited under this Code section vests in this state at the time of commission of the conduct giving rise to forfeiture together with the proceeds of the property after that time. Any property or proceeds transferred later to any person remain subject to forfeiture and thereafter must be ordered to be forfeited unless the transferee claims and establishes in a hearing under this Code section that the transferee is a bona fide purchaser for value and the transferee's interest is exempt under subsection (e) of this Code section.

(2) On entry of judgment for a person claiming an interest in the property that is subject to proceedings to forfeit property under this Code section, the court shall order that the property or interest in property be released or delivered promptly to that person free of liens and encumbrances, as provided under this article.

(3) The court is authorized to order a claimant who files a frivolous claim to pay the reasonable costs relating to the disproving of the claim which were incurred by the state, including costs for investigation, prosecution, and attorney's fees.

(u)(1) The court may, after judgment of forfeiture, make any of the following orders for disposition of the property:

(A) Judicial sale of the property;

(B) Retention of the property by any party having a property interest therein, as such interest is described in subsection (e) of this Code section, upon payment or approval of a plan for payment into court of the value of any forfeited interest in the property. The plan may include, in the case of a party having such a property interest who holds a lien on or security interest in the property, the sale of the property by any such party under such terms and conditions as may be prescribed by the court and the payment into court of any proceeds from such sale over and above the amount necessary to satisfy the lien or security interest; or

(C) Destruction of any contraband, the possession of which is illegal.

(2) The proceeds from any judicial sale or payments from a party having a property interest as described in paragraph (1) of this subsection shall be delivered to the Department of Community Health. The proceeds shall then be disbursed in accordance with the requirements of federal law.

(v) An acquittal or dismissal in a criminal proceeding does not preclude civil proceedings under this article, provided that no property shall be forfeited after an acquittal or dismissal in a criminal proceeding unless the state obtains a civil judgment for forfeiture under this article.

(w) For good cause shown, the court may stay civil forfeiture proceedings during the criminal trial resulting from a related indictment or information alleging a violation of this article.

(x)(1) The court shall order the forfeiture of any property of a claimant or defendant up to the value of property found by the court to be subject to forfeiture under the provisions of this Code section if any of the forfeited property:

- (A) Cannot be located;
- (B) Has been transferred or conveyed to, sold to, or deposited with a third party;
- (C) Is beyond the jurisdiction of the court;
- (D) Has been substantially diminished in value while not in the actual physical custody of the receiver or governmental agency directed to maintain custody of the property; or
- (E) Has been commingled with other property that cannot be divided without difficulty.

(2) In addition to any other remedy provided for by law, a prosecutor on behalf of the state may institute an action in any court of this state or of the United States or any of the several states against any person acting with knowledge or any person to whom notice of a lien for forfeiture of property has been provided in accordance with subsection (j) of this Code section; to whom notice of seizure has been provided in accordance with subsection (i) of this Code section; or to whom notice of a civil proceeding alleging conduct giving rise to forfeiture under this Code section has been provided, if property subject to forfeiture is conveyed, alienated, disposed of, or otherwise rendered unavailable for forfeiture after the filing of a forfeiture lien notice or notice of seizure or after the filing and notice of a civil proceeding alleging conduct giving rise to forfeiture under this Code section, as the case may be. The state may recover judgment in an amount equal to the value of the lien but not to exceed the fair market value of the property or, if there is no lien, in an amount not to exceed the fair market value of the property, together with reasonable investigative expenses and attorney's fees. If a civil proceeding is pending, the action must be heard by the court in which the civil proceeding is pending.

(3) A prosecutor may file and prosecute in any of the courts of this state or of the United States or of any of the several states such civil actions as may be necessary to enforce any judgment rendered pursuant to this Code section.

(4) No person claiming an interest in property subject to forfeiture under this article may commence or maintain any action against the state concerning the validity of the alleged interest other than as provided in this Code section. Except as specifically authorized by this Code section, no person claiming an interest in such property may file any counterclaim or cross-claim to any action brought pursuant to this Code section.

(5) A civil action under this article must be commenced within five years after the last conduct giving rise to forfeiture or to the claim for

relief became known or should have become known, excluding any time during which either the property or defendant is out of the state or in confinement or during which criminal proceedings relating to the same conduct are in progress.

(y) In the event the state fails to prove that the property is subject to forfeiture under this Code section, the property may still be subject to lien, levy, and other processes in order to satisfy any judgment which orders the payment of restitution based upon a conviction or judgment of Medicaid fraud.

(z) This Code section must be liberally construed to effectuate its remedial purposes. (Code 1981, § 49-4-146.3, enacted by Ga. L. 1997, p. 1596, § 3; Ga. L. 1998, p. 128, § 49; Ga. Editor's notes. — Ga. L. 1997, p. 1596, § 1.1, not codified by the General Assembly, provides: "Sections 2 and 3 of this Act shall be known and may be cited as the 'Medicaid Fraud Forfeiture Act of 1997.'"

Ga. L. 1997, p. 1596, § 2, effective May 5, 1997, not codified by the General Assembly, provides: "The General Assembly finds that substantial financial losses to the state are being caused by acts of fraud directed at the Department of Medical Assistance and that there is a need to enhance the ability of the state to recover property and proceeds obtained through Medicaid fraud. It is the intent of this legislation to provide a legal mechanism for the seizure and forfeiture to the state

of property and proceeds obtained through acts of fraud committed to obtain medical assistance benefits or payments under Article 7 of Chapter 4 of Title 49."

Ga. L. 2000, p. 1225, § 8, not codified by the General Assembly, provides that the amendment to this Code section is applicable to civil actions filed on or after July 1, 2000.

Ga. L. 2000, p. 1589, § 16, not codified by the General Assembly, provides that the amendment to this Code section is applicable with respect to notices delivered on or after July 1, 2000.

49-4-147. Enforcement of liens, claims, or offsets against assistance.

Medical assistance payable by virtue of this article shall be subject to any claim, lien, or offset of this state against the payee and to any claim of the United States of America made against the payee pursuant to a federal statute, but such moneys shall not otherwise be subject to execution, levy, garnishment, or any other legal process; and no transfer or assignment of such at law or in equity shall be enforceable against the State of Georgia, the Department of Community Health, or the commissioner of community health; but medical assistance moneys, having been paid, are subject to all such actions and process. (Ga. L. 1977, p. 384, § 8; Ga. L. 1999, p. 296, § 24.)

JUDICIAL DECISIONS

Counterclaim in aid recipient's underlying tort suit not required to enforce lien. — When the Georgia Department of Community Health (DCH) filed a departmental lien against plaintiff recipient's settlement proceeds to recover Medicaid sums that it expended to pay providers for the recipient's medical treatment, and the recipient filed a declaratory judgment suit, seeking a declaration that DCH's lien was invalid, the trial court properly granted the summary judgment motion of the defendant, the Commissioner of the DCH, as, contrary to the recipient's contention, the DCH was not required under O.C.G.A. § 49-4-147 or otherwise to file a counterclaim in the recipient's underlying tort suit in order to preserve its right to assert a lien under

O.C.G.A. § 49-4-149(a) given that: (1) pursuant to 42 U.S.C. § 1396p(a)(1), no counterclaim was authorized against the recipient to recover for the medical assistance, but the lien against the money recovered from the third party was expressly authorized by O.C.G.A. § 49-4-149(a); and (2) the recipient was deemed under O.C.G.A. § 49-4-149(d) to have assigned to the DCH the recipient's rights of recovery against the third party that was liable for the recipient's injuries, such that the recipient was in no position to challenge the DCH's right to collect on that assignment from the settlement which the recipient received. *Padgett v. Toal*, 261 Ga. App. 154, 581 S.E.2d 744 (2003).

49-4-147.1. Claims by department against estate of Medicaid recipients.

(a) In accordance with applicable federal law and regulations, including those under Title XIX of the federal Social Security Act, the department may make claim against the estate of a Medicaid recipient for the amount of any medical assistance payments made on such person's behalf by the department. A claim shall be made against the estate of a deceased Medicaid recipient only if at the time of application for medical assistance the applicant received written notice that the medical assistance costs could be recovered from the applicant's estate and the applicant signed a written acknowledgment of receipt of such notice, the estate is otherwise subject to recovery, and if no hardship or other exemption exists. The commissioner shall waive such claim if he or she determines enforcement of the claim would result in substantial and unreasonable hardship to dependents of the individual against whose estate the claim exists.

(b) The estate recovery program established pursuant to this Code section shall not be effective any earlier than May 3, 2006. In no event shall the department make claims against the estate of a Medicaid recipient for the amount of any medical assistance payments made on such person's behalf prior to May 3, 2006.

(c) The commissioner shall delay execution of a claim against the estate where the dependents or heirs agree to pay the full amount of the claim in reasonable installments. (Ga. L. 1981, p. 917, § 1; Ga. L. 2006, p. 775, § 3/SB 572.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, “federal Social Security Act” was substituted for “Social Security Amendments of 1965”.

Pursuant to Code Section 28-9-5, in 2006, “and” was inserted near the end of the second sentence of now subsection (a), and “May 3, 2006” was substituted for “the effective date of this subsection” in two places in subsection (b).

U.S. Code. — Title XIX of the federal Social Security Act, referred to in this Code section, is codified at 42 U.S.C. § 1396 et seq.

Administrative rules and regulations. — Estate recovery, Official Compilation of the Rules and Regulations of the State of Georgia, Department of Community Health, Medical Assistance, Chapter 111-3-8.

JUDICIAL DECISIONS

Recovery of Medicaid payments. — Seeking to avoid the recovery of Medicaid payments from their mother’s estate, when the daughters opted their mother out of Medicaid and planned to sell some of the mother’s property, those decisions were properly held to not be in the mother’s best interest and supported the appointment of the county conservator in that capacity. *Cruver v. Mitchell*, 289 Ga. App. 145, 656 S.E.2d 269 (2008).

Georgia Department of Community Health (DCH) erred by deeming recovery from a Medicaid claimant’s estate appropriate under O.C.G.A. § 49-4-147.1(a) since the claimant was still alive. But nothing in O.C.G.A. § 50-13-19(h) authorized the trial court to bar DCH from ever pursuing the claimant’s estate to recover Medicaid payments. *Ga. Dep’t of Cmty. Health v. Medders*, 292 Ga. App. 439, 664 S.E.2d 832 (2008).

49-4-147.2. Noneligibility of Department of Community Health to obtain nor be liable for interest on orders, judgments, and liquidated or unliquidated amounts; exemptions.

(a) Notwithstanding the provisions of Code Section 49-4-141, as used in this Code section the term “department” means the Department of Community Health or its officers, agents, or employees solely in their capacity as such officers, agents, or employees.

(b) Notwithstanding the provisions of Code Section 7-4-12, 7-4-15, 7-4-16, or 13-6-13, or any other statute or judicial construction thereof authorizing interest, the department shall not be eligible to obtain nor be liable for interest on orders, judgments, liquidated amounts, or unliquidated amounts unless such interest is:

- (1) Required by federal law or regulations;
- (2) Interest on penalties as required by Code Section 49-4-146.1;
- (3) Interest as required by Code Section 49-4-148; or
- (4) Incurred by a failure to pay the penalty which may be transferred to the Indigent Care Trust Fund under Code Section

31-8-153.1 within 30 days after the penalty is imposed, in which event interest shall be paid from the thirty-first day following such imposition at the same rate as interest on penalties under Code Section 49-4-146.1. (Code 1981, § 49-4-147.2, enacted by Ga. L. 1990, p. 161, § 1; Ga. L. 1999, p. 296, § 24; Ga. L. 2001, p. 1240, § 7.)

49-4-148. Recovery of assistance from third party liable for sickness, injury, disease, or disability; compromise or waiver of claim; compliance; effective date.

(a) Should medical assistance be paid in behalf of a recipient of medical assistance on account of any sickness, injury, disease, or disability for which another person is legally liable, the Department of Community Health may seek reimbursement for such medical assistance from such other person. The department shall be subrogated, but only to the extent of the reasonable value of the medical assistance paid and attributable to such sickness, injury, disease, or disability, to the rights of the recipient of medical assistance against the person so legally liable; the commissioner of community health may compromise, settle, and execute a release of any such claim or waive, expressly, any such claim, in whole or in part, for the convenience of the Department of Community Health. This Code section is cumulative of the remedies of the Department of Community Health which specifically include, but are not limited to, the use of hospital liens as provided in Code Sections 44-14-470 through 44-14-477; and further, the payment of medical assistance to a hospital provider shall in no way be construed to discharge the obligation of a third party to satisfy a hospital lien.

(b) All insurers, as defined in Code Section 33-24-57.1, including but not limited to group health plans as defined in Section 607(1) of the federal Employee Retirement Security Act of 1974, managed care entities as defined in Code Section 33-20A-3, which offer health benefit plans, as defined in Code Section 33-24-59.5, pharmacy benefit managers, as defined in Code Section 26-4-110.1, and any other parties that are, by statute, contract, or agreement, legally responsible for payment of a claim for a health care item or service shall comply with this subsection. Such entities set forth in this subsection shall:

(1) Cooperate with the department in determining whether a person who is a recipient of medical assistance may be covered under that entity's health benefit plan and eligible to receive benefits thereunder for the medical services for which that medical assistance was provided and respond to any inquiry from the state regarding a claim for payment for any health care item or service submitted not later than three years after such item or service was provided;

(2) Accept the department's authorization for the provision of medical services on behalf of a recipient of medical assistance as the entity's authorization for the provision of those services;

(3) Comply with the requirements of Code Section 33-24-59.5, regarding the timely payment of claims submitted by the department for medical services provided to a recipient of medical assistance and covered by the health benefit plan, subject to the payment to the department of interest as provided in that Code section for failure to comply;

(4) Provide the department, on a quarterly basis, eligibility and claims payment data regarding applicants for medical assistance or recipients for medical assistance;

(5) Accept the assignment to the department or a recipient of medical assistance or any other entity of any rights to any payments for such medical care from a third party; and

(6) Agree not to deny a claim submitted by the department solely on the basis of the date of submission of the claim, type or format of the claim, or a failure to present proper documentation at the point-of-sale which is the basis of the claim, if:

(A) The claim is submitted to the department within three years from when the item or service was furnished; and

(B) Any action by the department to enforce its rights with respect to such claim commenced within six years of the department's submission of the claim.

The requirements of paragraphs (2) and (3) of this subsection shall only apply to a health benefit plan which is issued, issued for delivery, delivered, or renewed on or after April 28, 2001. (Ga. L. 1977, p. 384, § 9; Ga. L. 1978, p. 1520, § 1; Ga. L. 1999, p. 296, § 24; Ga. L. 2001, p. 1240, § 8; Ga. L. 2007, p. 348, § 1/HB 505.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2001, “April 28, 2001” was substituted for “this subsection first becomes effective in 2001” at the end of the undesignated paragraph in subsection (b).

49-4-149. Lien of Department of Community Health against third parties; subrogation to recipients' insurance claims; assignment of recipients' claims.

(a) The Department of Community Health shall have a lien for the charges for medical care and treatment provided a medical assistance recipient upon any moneys or other property accruing to the recipient to whom such care was furnished or to his legal representatives as a result

of sickness, injury, disease, disability, or death, due to the liability of a third party, which necessitated the medical care.

(b) The department may perfect and enforce any lien arising under subsection (a) of this Code section by following the procedures set forth for hospital liens in Code Sections 44-14-470 through 44-14-473; except that the department shall have one year from the date the last item of medical care was furnished to file its verified lien statement; and the statement shall be filed with the appropriate clerk of court in the county wherein the recipient resides and in Fulton County. The verified lien statement shall contain the following: the name and address of the person to whom medical care was furnished; the date of injury; the name and address of the provider or providers furnishing medical care; the dates of services; the amount claimed to be due for the care; and, to the best of the department's knowledge, the names and addresses of all persons, firms, or corporations claimed to be liable for damages arising from the injuries. This Code section shall not affect the priority of any attorney's lien.

(c) The department shall be subrogated, but only to the extent of the reasonable value of the medical assistance paid and attributable to any sickness, injury, disease, or disability, to the rights of medical assistance recipients to any benefits provided such recipients by virtue of private health care insurance contracts; provided, however, the right of subrogation does not attach to any recipient's rights to benefits paid or provided under private health care coverage prior to the receipt of written notice, by the carrier who issued the health care contract, of the exercise by the department of its subrogation rights.

(d) A recipient of medical assistance who receives medical care for which the department may be obligated to pay shall be deemed to have made assignment to the department of any rights of such person to any payments for such medical care from a third party, up to the amount of medical assistance actually paid by the department; provided, however, assignment does not attach to a recipient's right to any payments provided under private health care coverage prior to the receipt of written notice, by the carrier who issued the health care coverage, of the exercise by the department of its assignment. This subsection shall apply to a recipient only if notice of this subsection is given to the recipient at the time his application for medical assistance is filed. The assignment created by this subsection shall be effective until the recipient of medical assistance is no longer an eligible recipient for medical assistance. (Ga. L. 1978, p. 1520, § 2; Ga. L. 1979, p. 1293, § 2; Ga. L. 1999, p. 296, § 24.)

JUDICIAL DECISIONS

“Complete compensation rule” only applies to the subrogation rights of an insurance carrier who has received compensation from an injured party and the rule does not apply to Medicaid liens; thus, when the Georgia Department of Community Health (DCH) had a departmental lien pursuant to O.C.G.A. § 49-4-149(a) against plaintiff recipient's settlement proceeds to recover Medicaid sums that the department expended to pay providers for the recipient's treatment, the DCH's lien was not precluded despite the recipient's claim that the recipient had not received full and complete compensation for the recipient's injuries. *Padgett v. Toal*, 261 Ga. App. 154, 581 S.E.2d 744 (2003).

Department did not take steps to recover funds. — Summary judgment denying the claim of the Department of Medical Assistance (now Department of Community Health) was appropriate when the one-year statute of limitation for recovery on the lien had expired and there was no other viable cause of action made out by the department, when the only claim which the department could make to the money received by a recipient of medical care under the Medicaid program from the tortfeasors was that provided by the lien in O.C.G.A. § 49-4-149, and since the department took no steps to recover the funds as reimbursement from the tortfeasors. *Department of Medical Assistance v. Hallman*, 203 Ga. App. 615, 417 S.E.2d 218 (1992).

Lien valid against public agency as third party. — When the Georgia Department of Community Health (DCH) filed a departmental lien against plaintiff recipient's settlement proceeds to recover Medicaid sums that the department expended to pay providers for the recipient's treatment, and the recipient filed a declaratory judgment suit seeking a declaration that DCH's lien was invalid, the trial court properly granted the summary judgment motion of defendant, the Commissioner of the DCH, as, contrary to the recipient's contentions, the DCH's lien under O.C.G.A. § 49-4-149(a) was not invalid even though the DCH was seeking to

enforce the lien against another public agency (the board of regents of Georgia's university system, doing business as a medical college) because § 49-4-149(a) allowed the lien against moneys owed by a third party for its liability leading to the recipient's injury and, applying the definitions in O.C.G.A. § 49-4-141(4) and (9), third parties included other public agencies. *Padgett v. Toal*, 261 Ga. App. 154, 581 S.E.2d 744 (2003).

Payment of attorney's fees. — When the Georgia Department of Community Health (DCH) filed a departmental lien pursuant to O.C.G.A. § 49-4-149(a) against plaintiff recipient's settlement proceeds to recover Medicaid sums that it expended to pay providers for the recipient's treatment, and the recipient filed a declaratory judgment suit, seeking a declaration that the DCH's lien was invalid, the lien was properly found to be valid and, since the settlement proceeds were sufficient to cover both the DCH's lien and the sum of 40 percent of the settlement proceeds which the recipient had agreed to pay the recipient's attorney as a fee, the DCH was not obligated to reduce DCH's lien to take into account the recipient's payment of attorney fees; such reductions only became an issue where the recipient's recovery was inadequate to cover both the DCH's lien and the attorney's lien, in which case lien priority would have been an issue, but it was not an issue in the recipient's case and so, like any other litigant, the recipient was obliged to bear the cost of the recipient's own attorney fees. *Padgett v. Toal*, 261 Ga. App. 154, 581 S.E.2d 744 (2003).

Priority of attorney's lien. — Liens established by O.C.G.A. §§ 49-4-149 and 44-14-470 are subject to attorney's lien. *Holland v. State Farm Mut. Auto. Ins. Co.*, 236 Ga. App. 832, 513 S.E.2d 48 (1999).

Lien applies to all funds recovered in tort claim. — Georgia Department of Community Health (DCH) lien for Medicaid payments made on behalf of recipients applied to all money recovered in the recipients' tort claims, not just the recovery denominated as the medical expense recovery, and DCH was not required to

pay any part of the costs of collecting the reimbursement. Richards v. Ga. Dep't of Cmt'y. Health, 278 Ga. 757, 604 S.E.2d 815 (2004).

49-4-149.1. Submission by department of plan for family supplementation of Medicaid payments upon federal removal of restrictions.

If the federal government removes restrictions upon family supplementation of Medicaid payments or approves a waiver allowing this supplementation, the Department of Community Health shall submit to the Health and Human Services Committee of the Senate and the Health and Human Services Committee of the House of Representatives a plan for this supplementation, which submission shall be made within 30 days after the earlier of the date the restrictions are removed or the date the waiver is approved. (Ga. L. 1982, p. 824, § 1; Code 1981, § 49-4-149.1, enacted by Ga. L. 1982, p. 824, § 2; Ga. L. 1992, p. 6, § 49; Ga. L. 1999, p. 296, § 24; Ga. L. 2005, p. 48, § 5/HB 309.)

49-4-150. Regulations as to maintenance and use of records; certificate as to use of information.

The Board of Community Health is directed to prescribe regulations governing the custody, use, and preservation of the records, papers, files, and communications of the Department of Community Health relating to applicants for and recipients of medical assistance. Except as otherwise provided in Code Section 49-4-151, such regulations shall provide safeguards restricting the use or disclosure of information concerning applicants for or recipients of medical assistance to purposes directly connected with the administration of the state plan. No person who obtains information by virtue of any such regulations shall use such information for commercial or political purposes, and any person seeking such information shall certify to the commissioner of community health, in writing, that the information obtained will not be used for commercial or political purposes. (Ga. L. 1977, p. 384, § 10; Ga. L. 1999, p. 296, § 24.)

49-4-151. Obtaining information for investigations and audits.

(a) The commissioner, for the purposes of investigating the nature, amount, and extent of services provided to a recipient of medical assistance or auditing information submitted to the department concerning a provider's entitlement to an amount of medical assistance, is

authorized, personally or by his duly authorized representative, to administer oaths and to examine and copy books, papers, records (medical, business, or otherwise), or memoranda of a provider or of any other person possessed of information relating to reimbursable costs claimed by a provider or otherwise relating to the amount of medical assistance to which a provider is entitled. The commissioner may compel such examinations by means of subpoenas issued to require the custodian of such items to produce them for examination. A subpoena may be served by any sheriff, by his deputy, or by any other person not less than 18 years of age. Proof may be shown by return of certificate endorsed on a copy of the subpoena. Subpoenas may also be served by registered or certified mail or statutory overnight delivery, and the return receipt shall constitute prima-facie proof of service. If any person shall fail to obey a subpoena issued and served under this subsection, then upon application of the commissioner, the superior court of the county in which such custodian was required to appear may issue an order requiring such custodian to comply with the subpoena and to produce the subpoenaed documentation. Furthermore, if any provider shall fail to obey a subpoena issued and served under this subsection with respect to any matter concerning a claim for medical assistance, that claim for medical assistance shall not be reimbursed by the Department of Community Health; and, if already reimbursed, the amount of medical assistance reimbursed shall be deducted from any amount of medical assistance which may then be or thereafter become payable to such provider.

(b) In the course of conducting investigations and audits, the Department of Community Health may request from any governmental department, board, commission, bureau, or agency information and assistance pertinent thereto. The Department of Community Health shall be entitled to have access to all such pertinent information which is within the custody of any governmental department, board, commission, bureau, or agency. (Ga. L. 1977, p. 384, § 10; Ga. L. 1999, p. 296, § 24; Ga. L. 2000, p. 1589, § 3.)

49-4-152. Research and demonstration projects; pilot projects to provide health care coverage and essential health care services; pharmacy assistance programs.

Subject to the availability of funds, the Department of Community Health is authorized to enter into agreements with and submit applications to departments and agencies of the government of the United States for purposes of accepting grants, receiving matching funds, and administering such grants and funds for research and demonstration projects pursuant to Title XI, XVIII, XIX, or XXI of the federal Social Security Act of 1935, as amended, or any other provision of federal law,

without regard to the factor of state wideness and such other factors as may be required to be waived by the terms of the federal grant. Notwithstanding any other provision of law and subject to the availability of funds, the department is authorized to establish pilot projects to provide health care coverage and access to essential health care services or benefits to the uninsured and underinsured, including but not limited to pharmacy assistance programs. (Ga. L. 1977, p. 384, § 11; Ga. L. 1999, p. 296, § 24; Ga. L. 2001, p. 1240, § 9.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, a hyphen between “state” and “wideness” was deleted in the first sentence.

Pursuant to Code Section 28-9-5, in 2001, “Title” was substituted for “Titles” in the first sentence of this Code section.

U.S. Code. — Titles XI, XVIII, XIX, and XXI of the federal Social Security Act of 1935, referred to in this Code section, are codified at 42 U.S.C. §§ 1320d et seq., 42 U.S.C. § 1395, 42 U.S.C. § 1396 (XIX and XXI), respectively.

49-4-152.1. Medicaid Prescription Drug Bidding and Rebate Program.

(a) The General Assembly finds that the department frequently must pay more for prescription drugs furnished to recipients of medical assistance under this article than certain health care providers pay for the same products. In order to control more effectively the costs of such drugs, the department may establish a Medicaid Prescription Drug Bidding and Rebate Program as provided in this Code section.

(b) The department may request sealed bids from prescription drug manufacturers for both brand name and generic equivalent prescription drugs specified by the department. The bids shall be proposed agreements by these manufacturers to adjust prices of drugs specified by the department to a price designated as the bid price when those drugs are supplied to recipients of medical assistance under this article. If the department has accepted a bid for a drug under this Code section, the department may not reimburse a provider of such drug for any equivalent drug not so successfully bid during the term of the contract awarded with regard to the drug so bid. The department may elect not to reimburse for any multisource drugs of a drug manufacturer which does not participate in the bid process or which bids prices considered excessive by the department.

(c) All prescription drugs for which bids are submitted must meet applicable standards of the U.S. Pharmacopoeia, the State Board of Pharmacy, and be guaranteed as meeting all requirements, regulations, and comparison data under the Federal Food, Drug, and Cosmetic Act and the regulations thereunder. The manufacturer of a drug which is bid must have an FDA approved New Drug Application or an abbreviated New Drug Application and must have a product liability insurance

policy extending to pharmacy providers under this article, but the policy may condition coverage thereunder upon the provider's complying with all applicable federal and state laws and regulations promulgated thereunder.

(d) Nothing in this Code section shall be construed to change the practice of pharmacies having provider agreements under this article with respect to their purchases and sales of and reimbursements for drugs furnished to recipients of medical assistance under this article. Adjustment rebates shall be made by the successfully bidding drug manufacturer to the department and be paid quarterly to the department.

(e) In the event no acceptable bids are received for a drug for which a request for bid was made, the department may select a single drug supplier for the drug or establish one price for such drug which the department will reimburse therefor, but this shall not restrict the department from establishing one price for any drug upon which the department does not request bids.

(f) Except when in conflict with this Code section, Article 3 of Chapter 5 of Title 50, relating to state purchases by the Department of Administrative Services, shall apply to bidding and purchasing of prescription drugs by the department pursuant to this Code section. The prohibitions against financial interest in Code Section 50-5-78 shall be applicable to the commissioner and other employees of the department and any violation thereof punishable as provided in subsection (d) of that Code section. Contracts for the purchase of prescription drugs made in violation of this Code section shall be void and of no effect and liability therefor shall be the same as that provided in Code Section 50-5-79.

(g) The department is authorized to accept rebates from any drug manufacturer for providing information to that manufacturer regarding utilization by Medicaid recipients of that manufacturer's drugs as long as the anonymity of the recipients is maintained. The department is further authorized to verify and audit claims for reimbursement for drugs successfully bid, provide the manufacturers thereof with the information so obtained, and to adjust the department's claim for rebates based upon that information.

(h) The provisions of this Code section shall be construed in conformity with Code Section 49-4-157. (Code 1981, § 49-4-152.1, enacted by Ga. L. 1989, p. 852, § 1.)

U.S. Code. — The Federal Food, Drug, and Cosmetic Act, referred to in subsection (c) of this Code section, is codified at 21 U.S.C. § 301 et seq.

49-4-152.2. Rebates for sole-source and multiple-source drugs included in Controlled Medical Assistance Drug List.

(a) The department is authorized to negotiate and enter into agreements directly with manufacturers and distributors whose prescription drug products are sold in the state for sole-source and multiple-source drugs to be paid for under the state plan for eligible recipients under this article. Such agreements shall provide for a periodic rebate of a negotiated percentage of the total product cost to be paid by the manufacturer or distributor of a specific product covered under the state plan.

(b) Prescription drug products shall be included in the Controlled Medical Assistance Drug List only upon satisfaction and completion of the application and approval process established by the department. Those products for which a rebate has been successfully negotiated shall automatically be included in the Controlled Medical Assistance Drug List for a period of time conterminous with the negotiated rebate.

(c) If there has been a failure to negotiate or renew a rebate agreement for a specific prescription drug product, the pharmaceutical manufacturer or distributor of that product shall disclose to the department its most favorable pricing arrangements available to state and nonstate government purchasers of such products. If the department determines that the product needs to be included in the Controlled Medical Assistance Drug List, the department shall establish the amount of the rebate for such product based upon the price information provided by the manufacturer or distributor. The determination as to whether a product should be included in the Controlled Medical Assistance Drug List shall be based upon the product's efficacy, cost, medical necessity, and safety.

(d) The provisions of this Code section shall be construed in conformity with Code Section 49-4-157. (Code 1981, § 49-4-152.2, enacted by Ga. L. 1990, p. 1808, § 2; Ga. L. 2013, p. 141, § 49/HB 79.)

The 2013 amendment, effective April 24, 2013, part of an Act to revise, modernize, and correct the Code, revised language in the last sentence of subsection (b).

49-4-152.3. Reuse of unit dosage drugs.

(a) As used in this Code section, the term:

(1) "Long-term care facility" or "facility" means an intermediate care home, skilled nursing home, or intermingled home subject to regulation as such by the Department of Community Health.

(2) "Unit dosage drug" means any dangerous drug regulated under Chapter 13 of Title 16 which is individually packaged to contain only

one dosage of such drug and which includes on such packaging the brand or generic name, strength, lot number, and expiration date of such drug.

(b) Unit dosage drugs may be returned to the dispensing pharmacy for reuse. The department and the State Board of Pharmacy shall promulgate regulations which permit the reuse of prescribed but unused unit dosage drugs for a resident of a long-term care facility other than the resident for whom the drug was originally prescribed, but only when:

(1) The cost of those drugs has been paid for or reimbursed under this article; and

(2) The drugs are unused because the resident for whom the drugs were originally prescribed:

(A) Has died;

(B) Has had such resident's prescription changed so as no longer to require those drugs; or

(C) Otherwise no longer needs those drugs.

The consent of the resident for whom the unused drugs were originally prescribed shall not be required for such reuse of prescribed unit doses. Such reuse shall only be authorized by a resident of a long-term care facility for whom the specific dosage of that unused drug has been prescribed when payment or reimbursement for that drug for that resident is otherwise permitted under this article. Nothing in this Code section shall require a pharmaceutical manufacturer to provide a rebate based on the reuse of any unused unit dosage drug. (Code 1981, § 49-4-152.3, enacted by Ga. L. 1997, p. 939, § 1; Ga. L. 2009, p. 453, § 1-4/HB 228.)

49-4-152.4. Department contracts to require refund of prescription drug rebates.

The department shall provide that any department contract with a provider of medical assistance which is renewed or executed on or after July 1, 1997, shall require a refund to the department of any prescription drug rebate, as established in this article or in federal law in Section 1927 of Title XIX of the Social Security Act, as amended, obtained by the provider for prescription drugs furnished to recipients of medical assistance pursuant to that contract. (Code 1981, § 49-4-152.4, enacted by Ga. L. 1997, p. 1385, § 1.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1997, this Code section, enacted as Code Section 49-4-152.3, was redesignated as Code Section 49-4-152.4.

U.S. Code. — Section 1927 of Title XIX

of the Social Security Act, referred to in this Code section, is codified at 42 U.S.C. § 1396r-8.

49-4-152.5. Restocking fees.

In the provision of medical assistance pursuant to this article, the department shall allow for the payment and coverage of appropriate restocking fees incurred by a pharmacy which receives and dispenses prescription drugs pursuant to Article 11 of Chapter 4 of Title 26, the "Utilization of Unused Prescription Drugs Act." (Code 1981, § 49-4-152.5, enacted by Ga. L. 2006, p. 152, § 2/HB 1178; Ga. L. 2009, p. 8, § 49/SB 46.)

49-4-153. Administrative hearings and appeals; judicial review; contested cases involving imposition of remedial or punitive measure against nursing facility.

(a) The Board of Community Health is authorized to establish regulations regarding the manner in which the appeals set forth in subsection (b) of this Code section shall be conducted.

(b)(1) Any applicant for medical assistance whose application is denied or is not acted upon with reasonable promptness and any recipient of medical assistance aggrieved by the action or inaction of the Department of Community Health as to any medical or remedial care or service which such recipient alleges should be reimbursed under the terms of the state plan which was in effect on the date on which such care or service was rendered or is sought to be rendered shall be entitled to a hearing upon his or her request for such in writing and in accordance with the applicable rules and regulations of the department and the Office of State Administrative Hearings. As a result of the written request for hearing, a written recommendation shall be rendered in writing by the administrative law judge assigned to hear the matter. Should a decision be adverse to a party and should a party desire to appeal that decision, the party must file a request in writing to the commissioner or the commissioner's designated representative within 30 days of his or her receipt of the hearing decision. The commissioner, or the commissioner's designated representative, has 30 days from the receipt of the request for appeal to affirm, modify, or reverse the decision appealed from. A final decision or order adverse to a party, other than the agency, in a contested case shall be in writing or stated in the record. A final decision shall include findings of fact and conclusions of law, sepa-

rately stated, and the effective date of the decision or order. Findings of fact shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. Each agency shall maintain a properly indexed file of all decisions in contested cases, which file shall be open for public inspection except those expressly made confidential or privileged by statute. If the commissioner fails to issue a decision, the initial recommended decision shall become the final administrative decision of the commissioner.

(2)(A) A provider of medical assistance may request a hearing on a decision of the Department of Community Health with respect to a denial or nonpayment of or the determination of the amount of reimbursement paid or payable to such provider on a certain item of medical or remedial care of service rendered by such provider by filing a written request for a hearing in accordance with Code Sections 50-13-13 and 50-13-15 with the Department of Community Health. The Department of Community Health shall, within 15 business days of receiving the request for hearing from the provider, transmit a copy of the provider's request for hearing to the Office of State Administrative Hearings. The provider's request for hearing shall identify the issues under appeal and specify the relief requested by the provider. The request for hearing shall be filed no later than 15 business days after the provider of medical assistance receives the decision of the Department of Community Health which is the basis for the appeal.

(B) The Office of State Administrative Hearings shall assign an administrative law judge to hear the dispute within 15 days after receiving the request. The hearing is required to commence no later than 90 days after the assignment of the case to an administrative law judge, and the administrative law judge shall issue a written decision on the matter no later than 30 days after the close of the record except when it is determined that the complexity of the issues and the length of the record require an extension of these periods and an order is issued by an administrative law judge so providing, but no longer than 30 days. Such time requirements can be extended by written consent of all the parties. Failure of the administrative law judge to comply with the above time deadlines shall not render the case moot.

(C) A request for hearing by a nursing home provider shall stay any recovery or recoupment action.

(D) Should the decision of the administrative law judge be adverse to a party and should a party desire to appeal that decision, the party must file a request therefor, in writing, with the commissioner within ten days of his or her receipt of the hearing decision. Such a request must enumerate all factual and legal errors alleged

by the party. The commissioner, or the commissioner's designated representative, may affirm, modify, or reverse the decision appealed from.

(3) A person or institution who either has been refused enrollment as a provider in the state plan or has been terminated as a provider by the Department of Community Health shall be entitled to a hearing; provided, however, that no entitlement to a hearing before the department shall lie for refusals or terminations based on the want of any license, permit, certificate, approval, registration, charter, or other form of permission issued by an entity other than the Department of Community Health, which form of permission is required by law either to render care or to receive medical assistance in which federal financial participation is available. The final determination (subject to judicial review, if any) of such an entity denying issuance of such a form of permission shall be binding on and unreviewable by the Department of Community Health. In cases where an entitlement to a hearing before the Department of Community Health, pursuant to this paragraph, lies, the Department of Community Health shall give written notice of either the denial of enrollment or termination from enrollment to the affected person or institution; and such notice shall include the reasons of the Department of Community Health for denial or termination. Should such a person or institution desire to contest the initial decision of the Department of Community Health, he or she must give written notice of his or her appeal to the commissioner of community health within ten days after the date on which the notice of denial or notice of termination was transmitted to him or her. A hearing shall be scheduled and commenced within 20 days after the date on which the commissioner receives the notice of appeal; and the commissioner or his or her designee or designees shall render a final administrative decision as soon as practicable thereafter.

(c) If any aggrieved party exhausts all the administrative remedies provided in this Code section, judicial review of the final decision of the commissioner may be obtained by filing a petition within 30 days after the service of the final decision of the commissioner or, if a rehearing is requested, within 30 days after the decision thereon. The petition may be filed in the Superior Court of Fulton County or in the superior court of the county of residence of the petitioner. When the petitioner is a corporation, the action may be brought in the Superior Court of Fulton County or in the superior court of the county where the petitioner maintains its principal place of doing business in this state. Copies of the petition shall be served upon the commissioner and all parties of record. The petition shall state the nature of the petitioner's interest, the facts showing that the petitioner is aggrieved by the decision, and any grounds upon which the petitioner contends that the decision

should be reversed or modified. Judicial review of the commissioner's decision may be obtained in the same manner and under the same standards as are applicable to those contested cases which are reviewable pursuant to Code Section 50-13-19; provided, however, that no other provision of Chapter 13 of Title 50 shall be applicable to the department with the exception of Code Sections 50-13-13 and 50-13-15. Notwithstanding any other provision of law, a stay of the commissioner's final decision may be granted by a reviewing court to a provider of medical assistance only on condition that such provider posts bond with the commissioner in favor of the state, with good and sufficient surety thereon by a surety company licensed to do business in this state, in an amount determined by the commissioner to be sufficient to recompense the state for all medical assistance which otherwise would not be paid to the provider but for the granting of such a stay. A stay may be granted and renewed for time intervals up to three months, so long as bond is posted for every interval of time in which the stay is in effect.

(d) All contested cases involving the imposition of a remedial or punitive measure against a nursing facility by the Department of Community Health shall be conducted in the manner provided for in subsection (l) of Code Section 31-2-8, but only if such remedial or punitive measure is based upon findings made by the Department of Community Health in its capacity as the state survey agency for the Georgia Medicaid program.

(e)(1) A dentist acting pursuant to subsection (b) of Code Section 33-21A-8 or a provider of medical assistance may request a hearing on a decision of a care management organization with respect to the provisions set forth in subsection (b) of Code Section 33-21A-8 or with respect to a denial or nonpayment of or the determination of the amount of reimbursement paid or payable to such provider on a certain item of medical or remedial care of service rendered by such provider by filing a written request for a hearing in accordance with Code Sections 50-13-13 and 50-13-15 with the Department of Community Health. The Department of Community Health shall, within 15 business days of receiving the request for hearing from the provider, transmit a copy of the provider's request for hearing to the Office of State Administrative Hearings but shall not be a party to the proceedings. The provider's request for hearing shall identify the care management organization with which the provider has a dispute, the issues under appeal, and specify the relief requested by the provider. The request for hearing shall be filed no later than 15 business days after the provider of medical assistance receives the decision of the care management organization which is the basis for the appeal. Notwithstanding any other provision of this title, an administrative law judge appointed pursuant to paragraph (2) of this subsection shall be authorized to allow a provider of medical assistance to

consolidate pending complaints or claims against a care management organization that are based on the same or similar payment or coverage issues, as determined by such administrative law judge. Such consolidation shall include disposition of the same or similar claims through a single hearing that adjudicates the total amount of such consolidated claims.

(2) The Office of State Administrative Hearings shall assign an administrative law judge to hear the dispute within 15 days after receiving the request. The hearing is required to commence no later than 90 days after the assignment of the case to an administrative law judge, and the administrative law judge shall issue a written decision on the matter no later than 30 days after the close of the record except when it is determined that the complexity of the issues and the length of the record require an extension of these periods and an order is issued by an administrative law judge so providing, but no longer than 30 days. Such time requirements can be extended by written consent of all the parties. Failure of the administrative law judge to comply with the above time deadlines shall not render the case moot.

(3) The decision of the administrative law judge shall be the final administrative remedy available to the provider. Review thereafter shall proceed in accordance with Code Section 50-13-19. The fees and expenses of the Office of State Administrative Hearings may, at the administrative law judge's discretion, be assessed against the party against whom the administrative law judge enters his or her order. (Ga. L. 1977, p. 384, § 12; Ga. L. 1988, p. 288, § 1; Ga. L. 1993, p. 1290, § 3; Ga. L. 1994, p. 1856, § 2; Ga. L. 1997, p. 679, § 2; Ga. L. 1998, p. 576, § 1; Ga. L. 1999, p. 296, § 24; Ga. The 2011 amendment, effective July 1, 2011, substituted "Code Section 31-2-8" for "Code Section 31-2-11" in the middle of subsection (d).

Editor's notes. — Ga. L. 1994, p. 1856, § 5, not codified by the General Assembly, provides: "This Act shall become effective July 1, 1994, for purposes of commencing transfer of positions, independent hearing officers, employees, and equipment and for general administrative purposes. The

Office of State Administrative Hearings may commence the performance of its duties on and after July 1, 1994, and shall assume full responsibility for the performance of its duties on and after April 1, 1995. The Office of State Administrative Hearings shall, where necessary for any class of hearings, promulgate rules and regulations in order to comply with all federal and state procedural requirements. During the period between July 1, 1994, and April 1, 1995, covered agencies may continue to conduct covered administrative hearings as provided by prior law; but on and after April 1, 1995, all such

hearings in new and, where practical, in pending proceedings shall be conducted as provided in this Act.”

JUDICIAL DECISIONS

Service. — Based on use of the term “service” for purposes of O.C.G.A. § 49-4-153(c) with respect to timing for filing the petition for judicial review, as opposed to use of the word “receipt” when discussing timing issues under § 49-4-153(b)(2)(D) and (b)(1), the timing provision in § 49-4-153(c) has been construed to require that a petition for judicial review was to be filed within 30 days after the date on which the final decision was mailed by the Commissioner for the Department of Family and Children Services. *Gladowski v. Dep’t of Family & Children Servs.*, 281 Ga. App. 299, 635 S.E.2d 886 (2006).

Agency interpretation not entitled to judicial deference. — Decision of the department of community health (DCH) interpreting the phrase “last approved cost report” as used in the DCH’s policies and procedures manual for purposes of computing an owner’s reimbursement rate was not entitled to judicial deference because the phrase was not used in a statute, rule, or regulation, but rather in the manual, the terms of which had not undergone the scrutiny afforded a statute during the legislative process or the adoption process. *Pruitt Corp. v. Ga. Dep’t of Cmty. Health*, 284 Ga. 158, 664 S.E.2d 223 (2008).

Exhaustion of administrative remedies. — Commissioner of the Department of Community Health, members of the board of that Department, and the Director of the Department’s Division of Medical Assistance could not avoid judicial review for want of exhaustion of administrative remedies when the very rules of the department precluded both hearing

and a remedy sought by a Medicaid-eligible woman; moreover, no adequate administrative remedy existed which the woman could have exhausted. *Feminist Women’s Health Ctr. v. Burgess*, 282 Ga. 433, 651 S.E.2d 36 (2007).

Untimely petition. — Georgia Civil Practice Act’s three-day rule under O.C.G.A. § 9-11-6(e) was inapplicable to a determination of timeliness with respect to a petition for judicial review of a Medicaid applicant’s claim for benefits pursuant to O.C.G.A. § 50-13-19; similarly, the certified mail rule under O.C.G.A. § 50-13-23 was expressly deemed inapplicable pursuant to O.C.G.A. § 49-4-153(c), and, accordingly, the applicant’s petition was properly denied as untimely. *Gladowski v. Dep’t of Family & Children Servs.*, 281 Ga. App. 299, 635 S.E.2d 886 (2006).

Applicable standard of review. — Trial court erred by failing to apply the proper standard of review to a decision of the Georgia Department of Community Health that terminated a claimant’s medical assistance under a Medicaid waiver program available to qualifying children. The appellate court directed that the standard of review set forth in O.C.G.A. § 49-4-153(c) was applicable to the case, which called for application of the substantial evidence standard set forth in the Administrative Procedure Act, O.C.G.A. § 50-13-19. *Greene v. Dep’t of Cmty. Health*, 293 Ga. App. 201, 666 S.E.2d 590 (2008).

49-4-154. Powers and duties retained by Department of Human Resources (Department of Community Health).

(a) The status, position, and rights of persons transferred from the Department of Human Resources (now known as the Department of Community Health for these purposes) to the Department of Medical

Assistance pursuant to Ga. L. 1977, p. 384 shall not be affected by the transfer, in and of itself; and such persons shall retain, inter alia, all rights of rank or grade; rights to vacation, sick pay, and leave; rights under any retirement plan; and any other rights under any law or administrative policy.

(b) The Department of Human Resources (now known as the Department of Community Health for these purposes) shall retain, in accordance with terms of the state plan, the functions, and all tangible things and employees relating thereto, of:

(1) Establishing and maintaining certain standards for certain institutions and agencies seeking to become or remain providers and shall finally determine and certify whether such institutions and agencies meet such standards;

(2) Determining and certifying the eligibility of certain applicants for and recipients of medical assistance; and

(3) Prescribing regulations to require that applicants for medical assistance be given clear and easily understandable notice that all books, papers, records, and memoranda of the provider relating to the provision of medical assistance to the applicant will be made available, upon request, to the commissioner of medical assistance or his representative and that, by accepting medical assistance, the applicant thereby consents to the providing of such books, papers, records, and memoranda to the commissioner of medical assistance or his representative. (Ga. L. 1977, p. 384, § 13; Ga. L. 1994, p. 97, § 49; Ga. L. 2009, p. 453, § 1-54/HB 228.)

49-4-155. Department of Community Health to succeed to existing rules, regulations, policies, procedures, and administrative orders.

The Department of Community Health shall succeed to all the rules, regulations, policies, procedures, and administrative orders of the Department of Human Resources (now known as the Department of Human Services) transferred to the Department of Medical Assistance pursuant to the previously existing provisions of this Code section and that are in effect on June 30, 1999, and shall further succeed to any rights, privileges, entitlements, obligations, and duties of the Department of Human Resources (now known as the Department of Human Services) that are in effect on June 30, 1999, to which the Department of Medical Assistance succeeded pursuant to the previously existing provisions of Code Section 49-4-156. (Ga. L. 1977, p. 384, § 14; Ga. L. 1999, p. 296, § 20; Ga. L. 2009, p. 453, § 1-55/HB 228.)

49-4-156. Tax exemption for health maintenance organizations with respect to contracts pursuant to this article.

Reserved. Repealed by Ga. L. 2010, p. 125, § 1, effective July 1, 2010.

Editor's notes. — This Code section was based on Code 1981, § 49-4-156, enacted by Ga. L. 2005, p. 1438, § 3/SB 140.

49-4-156.1. Reimbursement for services rendered under Article 5 of Chapter 6 of this title.

It is the intention of the General Assembly that the Department of Community Health be authorized to take those actions necessary to provide reimbursement under this article for services rendered under Article 5 of Chapter 6 of this title, relating to community care for the elderly. (Ga. L. 1982, p. 2248, § 2; Code 1981, § 49-4-156.1, enacted by Ga. L. 1982, p. 2248, § 3; Ga. L. 1999, p. 296, § 24.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, "this title" was substituted for "Title 49".

49-4-157. Construction of this article with federal act.

It is the intention of the General Assembly that this article be construed consistently with Title XIX of the federal Social Security Act of 1935, as amended, and so as to authorize the Department of Community Health, within the appropriations provided to it, to administer the state plan in a manner so as to receive the maximum amount of federal financial participation available in expenditures made under the state plan. (Ga. L. 1977, p. 384, § 16; Ga. L. 1999, p. 296, § 24.)

U.S. Code. — Title XIX of the federal Social Security Act of 1935, referred to in this Code section, is codified at 42 U.S.C. § 1396 et seq.

JUDICIAL DECISIONS

State's rules restricting reimbursement for abortions inconsistent with Social Security Act. — Rules promulgated by Georgia's Department of Medical Assistance (now Department of Community Health) restricting reimbursement to Medicaid enrollees for medically necessary abortions are inconsistent with Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq., and because the plaintiff classes will suffer irreparable injury for which there is no adequate legal remedy, the defendants, the defendants' agents

and employees, must be permanently enjoined from refusing to provide Medicaid reimbursement to the members of the plaintiff classes for the provision of all medically necessary abortions. *Doe v. Busbee*, 481 F. Supp. 46 (N.D. Ga. 1979).

Exhaustion of administrative remedies. — Commissioner of the Department of Community Health, members of the board of that Department, and the Director of the Department's Division of Medical Assistance could not avoid judicial review for want of exhaustion of adminis-

trative remedies when the very rules of the department precluded both hearing and a remedy sought by a Medicaid-eligible woman; moreover, no

adequate administrative remedy existed which the woman could have exhausted. *Feminist Women's Health Ctr. v. Burgess*, 282 Ga. 433, 651 S.E.2d 36 (2007).

OPINIONS OF THE ATTORNEY GENERAL

Limited use of state funds to pay for abortions to assure maximum federal financial participation. — State funds may not be expended for any abortions except those in pregnancies wherein the life of the mother would be endangered if the fetus were carried to term, especially given the fact that it is the intention of the General Assembly that Ga. L. 1977, p. 384, § 1 et seq. (see O.C.G.A. § 49-4-140

et seq.) be construed so as to accomplish maximum federal financial participation. If the state plan were to be administered so as to assure payment for abortions other than those where the life of the mother would be threatened if the fetus were carried to term, no federal funds would be available for that purpose. 1977 Op. Att'y Gen. No. 77-64.

ARTICLE 7B

FALSE MEDICAID CLAIMS

Editor’s notes. — Ga. L. 2007, p. 355, § 1/HB 551, not codified by the General Assembly, provides: “This Act shall be known and may be cited as the ‘State False Medicaid Claims Act.’”

Ga. L. 2007, p. 355, § 2/HB 551, not codified by the General Assembly, provides: “The General Assembly recognizes that the submission of false or fraudulent claims to the Georgia Medicaid program can and does cause the state treasury to incur serious financial losses which results in direct harm to the taxpayers of this state. This Act is intended to provide a partial remedy for this problem by providing specific procedures whereby this state, and private citizens acting for and on behalf of this state, may bring civil actions against persons and entities who

have obtained state funds through the submission of false or fraudulent claims to state agencies. This Act, in its provision for double and sometimes treble damages, is remedial in purpose, and is intended not to punish, but insofar as possible to make the state treasury whole for both the direct and indirect losses caused by the submission of false or fraudulent claims resulting in payments by this state or state agencies. By receiving a portion of the recovery in civil actions brought under this article, ‘whistle blowers’ are encouraged to come forward when they have information about the submission of false claims to the Georgia Medicaid program, and rewarded when their initiative results in civil recoveries for this state.”

49-4-168. Definitions.

As used in this article, the term:

(1) “Claim” includes any request or demand, whether under a contract or otherwise, for money or property, whether or not the Georgia Medicaid program or this state has title to such money or property, which is made to the Georgia Medicaid program, to any officer, employee, fiscal intermediary, grantee, agent, or contractor of the Georgia Medicaid program, or to other persons or entities if it results in payments by the Georgia Medicaid program, if the Georgia Medicaid program provides, has provided, or will provide any portion of the money or property requested or demanded; if the Georgia Medicaid program will reimburse the contractor, grantee, or other recipient for any portion of the money or property requested or demanded; or if the money or property is to be spent or used on behalf of or to advance the Georgia Medicaid program. A claim includes a request or demand made orally, in writing, electronically, or magnetically. Each claim may be treated as a separate claim.

(2) “Knowing” and “knowingly” require no proof of specific intent to defraud and mean that a person, with respect to information:

(A) Has actual knowledge of the information;

(B) Acts in deliberate ignorance of the truth or falsity of the information; or

(C) Acts in reckless disregard of the truth or falsity of the information.

(3) “Material” means having a natural tendency to influence, or be capable of influencing, the payment or receipt of money or property.

(4) “Obligation” means an established duty, whether or not fixed, arising from an express or implied contractual, grantor-grantee, or licensor-licensee relationship, from a fee based or similar relationship, from statute or regulation, or from retention of any overpayment.

(5) “Person” means any natural person, corporation, company, association, firm, partnership, society, joint-stock company, or any other entity with capacity to sue or be sued. (Code 1981, § 49-4-168, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2012, p. 127, § 2-1/HB 822; Ga. L. 2013, p. 141, § 49/HB 79.)

The 2012 amendment, effective July 1, 2012, in the first sentence of paragraph (1), substituted “money or property, whether or not the Georgia Medicaid program or this state has title to such money

or property” for “money, property, or services”, deleted “or” following “Georgia Medicaid program,”, inserted “, agent,” inserted “, has provided,”, substituted “demanded; if” for “demanded, or if”, and

added “; or if the money or property is to be spent or used on behalf of or to advance the Georgia Medicaid program” at the end; substituted “requires no proof of specific intent to defraud and means” for “mean” in the introductory paragraph of paragraph (2); deleted the former second sentence of subparagraph (2)(C), which read: “No proof of specific intent to defraud is required.”; added paragraphs (3) and (4); and redesignated former paragraph (3) as present paragraph (5).

The 2013 amendment, effective April 24, 2013, part of an Act to revise, modernize, and correct the Code, revised language in paragraph (2).

(a) Any person who:

(1) Knowingly presents or causes to be presented to the Georgia Medicaid program a false or fraudulent claim for payment or approval;

(5) Is authorized to make or deliver a document certifying receipt of property used, or to be used, by the Georgia Medicaid program and, intending to defraud the Georgia Medicaid program, makes or delivers the receipt without completely knowing that the information on the receipt is true;

(6) Knowingly buys, or receives as a pledge of an obligation or debt, public property from an officer or employee of the Georgia Medicaid program who lawfully may not sell or pledge the property; or

(7) Knowingly makes, uses, or causes to be made or used a false record or statement material to an obligation to pay or transmit property or money to the Georgia Medicaid program, or knowingly conceals or knowingly and improperly avoids or decreases an obligation to pay or transmit property or money to the Georgia Medicaid program,

shall be liable to the State of Georgia for a civil penalty of not less than \$5,500.00 and not more than \$11,000.00 for each false or fraudulent claim, plus three times the amount of damages which the Georgia Medicaid program sustains because of the act of such person.

(b) The provisions of subsection (a) of this Code section notwithstanding, if the court finds that:

(1) The person committing the violation of this subsection furnished officials of the Georgia Medicaid program with all information known to such person about the violation within 30 days after the date on which the defendant first obtained the information;

(2) Such person fully cooperated with any government investigation of such violation; and

(3) At the time such person furnished the Georgia Medicaid program with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this article with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation,

the court may assess not more than two times the amount of the actual damages which the Georgia Medicaid program sustained because of the act of such person.

(c) A person violating any provision of subsection (a) of this Code section shall also be liable to this state for all costs of any civil action brought to recover the damages and penalties provided under this article. (Code 1981, § 49-4-168.1, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2012, p. 127, § 2-1/HB 822.)

The 2012 amendment, effective July 1, 2012, substituted “material to a false or fraudulent claim” for “to get a false or fraudulent claim paid or approved by the Georgia Medicaid program” in paragraph (a)(2); substituted “knowingly delivers, or causes to be delivered, less than all of such property or money” for “, intending to defraud the Georgia Medicaid program or willfully to conceal the property, delivers, or causes to be delivered, less property than the amount for which the person receives a certificate of receipt” in paragraph (a)(4); substituted “Is” for “Being” at

the beginning of paragraph (a)(5); and substituted the present provisions of paragraph (a)(7) for the former provisions, which read: “Knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay, repay, or transmit money or property to the State of Georgia.”

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2007, “subsection (a) of this Code section” was substituted for “this subsection” in subsection (c).

49-4-168.2. Role of Attorney General in pursuing cases; civil actions by private persons; special procedures for civil actions by private persons; limitation on participation; stay of discovery; receipt of proceeds.

(a) The Attorney General shall be authorized to investigate suspected, alleged, and reported violations of this article. If the Attorney

General finds that a person has violated or is violating this article, then the Attorney General may bring a civil action against such person under this article.

(b) Subject to the exclusions set forth in this Code section, a civil action under this article may also be brought by a private person. A civil action shall be brought in the name of the State of Georgia. The civil action may be dismissed only if the court and the Attorney General give written consent to the dismissal and state the reasons for consenting to such dismissal.

(c) Where a private person brings a civil action under this article, such person shall follow the following special procedures:

(1) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Attorney General;

(2) The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The purpose of the period under seal shall be to allow the Attorney General to investigate the allegations of the complaint. The Attorney General may elect to intervene and proceed with the civil action within 60 days after it receives both the complaint and the material evidence and information;

(3) The Attorney General may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2) of this subsection. Any such motions may be supported by affidavits or other submissions in camera;

(4) Before the expiration of the 60 day period or any extensions obtained under paragraph (3) of this subsection, the Attorney General shall:

(A) Proceed with the civil action, in which case the civil action shall be conducted by the Attorney General; or

(B) Notify the court that it declines to take over the civil action, in which case the person bringing the civil action shall have the right to proceed with the civil action;

(5) The defendant shall not be required to respond to any complaint filed under this Code section until 30 days after the complaint is unsealed and served upon the defendant; and

(6) When a person brings a civil action under this subsection, no person other than the Attorney General may intervene or bring a related civil action based on the facts underlying the pending civil action.

(d)(1) If the Attorney General elects to intervene and proceed with the civil action, he or she shall have the primary responsibility for prosecuting the civil action and shall not be bound by an act of the person bringing such civil action. Such person shall have the right to continue as a party to the civil action, subject to the limitations set forth in this subsection.

(2) The Attorney General may dismiss the civil action, notwithstanding the objections of the person initiating the civil action, if the person has been notified by the Attorney General of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

(3) The Attorney General may settle the civil action with the defendant notwithstanding the objections of the person initiating the civil action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(4) Upon a showing by the Attorney General that unrestricted participation during the course of the litigation by the person initiating the civil action would interfere with or unduly delay the Attorney General's litigation of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

- (A) Limiting the number of witnesses the person may call;
- (B) Limiting the length of the testimony of such witnesses;
- (C) Limiting the person's cross-examination of witnesses; or
- (D) Otherwise limiting the participation by the person in the litigation.

(e) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the civil action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(f) If the Attorney General elects not to proceed with the civil action, the person who initiated the civil action shall have the right to conduct the civil action. If the Attorney General so requests, he or she shall be served with copies of all pleadings filed in the civil action and shall be supplied with copies of all deposition transcripts. When a person proceeds with the civil action, the court may nevertheless permit the Attorney General to intervene at a later date for any purpose, including, but not limited to, dismissal of the civil action notwithstanding the

objections of the person initiating the civil action if such person has been notified by the Attorney General of the filing of such motion and the court has provided such person with an opportunity for a hearing on such motion.

(g) Whether or not the Attorney General proceeds with the civil action, upon a showing by the Attorney General that certain actions of discovery by the person initiating the civil action would interfere with the Attorney General's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60 day period upon a further showing in camera that the Attorney General has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(h) Notwithstanding subsections (b) and (c) of this Code section, the Attorney General may elect to pursue this state's claim through any alternate remedy available to the Attorney General, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the civil action shall have the same rights in such proceeding as such person would have had if the civil action had continued under this Code section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to a civil action under this Code section. For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the State of Georgia, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(i)(1) If the Attorney General proceeds with a civil action brought by a private person under subsection (b) of this Code section, such person shall, subject to the second sentence of this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the civil action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the civil action. Where the civil action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the civil action, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Attorney General hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing such civil action

in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. The remaining proceeds shall be payable to the State of Georgia, by and through the Department of Community Health, for the purposes of operating, sustaining, protecting, and administering the Georgia Medicaid program. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) If the Attorney General does not proceed with a civil action under this Code section, the person bringing the civil action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. Such amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the civil action or settlement and shall be paid out of such proceeds. The remaining proceeds shall be payable to the State of Georgia, by and through the Department of Community Health, for the purposes of operating, sustaining, protecting, and administering the Georgia Medicaid program. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the Attorney General proceeds with the civil action, if the court finds that the civil action was brought by a person who planned and initiated the violation of Code Section 49-4-168.1 upon which the civil action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the civil action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the civil action is convicted of criminal conduct arising from his or her role in the violation of Code Section 49-4-168.1, such person shall be dismissed from the civil action and shall not receive any share of the proceeds of the civil action. Such dismissal shall not prejudice the right of the State of Georgia to continue the civil action, represented by the Attorney General.

(4) If the Attorney General does not proceed with the civil action and the person bringing the civil action conducts the civil action, the court may award to the defendant its reasonable attorney's fees and expenses against the person bringing the civil action if the defendant prevails in the civil action and the court finds that the claim of the

person bringing the civil action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(5) The State of Georgia shall not be liable for expenses which a private person incurs in bringing a civil action under this article.

(j) In no event may a person bring a civil action under this article which is based upon allegations or transactions which are the subject of a civil or administrative proceeding to which the State of Georgia is already party.

(k) No civil action may be brought under this article with respect to any claim relating to the assessment, payment, nonpayment, refund, or collection of taxes pursuant to any provisions of Title 48.

(l)(1) As used in this subsection, the term “original source” means an individual who:

(A) Prior to public disclosure, has voluntarily disclosed to the Attorney General the information on which allegations or transactions in a claim are based; or

(B) Has knowledge that is independent of and materially adds to publicly disclosed allegations or transactions and who has voluntarily provided such information to the Attorney General before filing a civil action under this Code section.

(2) The court shall dismiss a civil action or claim under this Code section, unless opposed by the Attorney General, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed:

(A) In any criminal, civil, or administrative hearing in which the State of Georgia or its employee, agent, or contractor is a party;

(B) In a congressional, legislative, or other state or federal report, hearing, audit, or investigation; or

(C) From the news media,

unless the civil action is brought by the Attorney General or the person bringing the civil action is an original source of the information. (Code 1981, § 49-4-168.2, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2012, p. 127, § 2-1/HB 822; Ga. L. 2013, p. 141, § 49/HB 79.)

The 2012 amendment, effective July 1, 2012, substituted “State of Georgia, by and through the Georgia Department of Community Health, for the purposes of operating, sustaining, protecting, and administering the Georgia Medicaid program” for “Indigent Care Trust Fund to be

used for the purposes set forth in Code Section 31-8-154” in the fourth sentence of paragraph (i)(1) and in the third sentence of paragraph (i)(2); in subsection (j), deleted the introductory language and paragraphs (j)(1) and (j)(2), relating to certain civil actions and redesignated former

paragraphs (j)(3) and (j)(4) as present subsections (j) and (k), respectively; inserted a comma following “refund” in subsection (k); and added subsection (l).

The 2013 amendment, effective April 24, 2013, part of an Act to revise, modern-

ize, and correct the Code, substituted “the Department of Community Health” for “the Georgia Department of Community Health” in the fourth sentence of paragraph (i)(1) and in the second sentence of paragraph (i)(2).

49-4-168.3. Standard of proof; procedure; intervention by Attorney General.

(a) In any civil action brought under this article, the State of Georgia or person bringing the civil action shall be required to prove all essential elements of the cause of civil action, including damages, by a preponderance of the evidence.

(b) Except as otherwise provided in this article, all civil actions brought under this article shall be governed by the provisions of Chapter 11 of Title 9, the “Georgia Civil Practice Act.”

(c) If the Attorney General elects to intervene and proceed with a civil action brought pursuant to this article, the Attorney General may file his or her own complaint or amend the complaint of a person who has brought a civil action under this article to clarify or add detail to the claims in which the Attorney General is intervening and to add any additional claims with respect to which the State of Georgia contends it is entitled to relief. For purposes of the statute of limitations, any such pleading by the Attorney General shall relate back to the filing date of the complaint of the person who originally brought the civil action, to the extent that the claim of the State of Georgia arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the original complaint by such person. (Code 1981, § 49-4-168.3, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2012, p. 127, § 2-1/HB 822.)

The 2012 amendment, effective July 1, 2012, added subsection (c).

49-4-168.4. Protection of employees from discrimination; relief; statute of limitations.

(a) Any employee, contractor, or agent shall be entitled to all relief necessary to make such employee, contractor, or agent whole, if that employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by such employee, contractor, agent or associated others in furtherance of a civil action under this Code section or other efforts to stop one or more violations of this article.

(b) Relief under subsection (a) of this Code section shall include reinstatement with the same seniority status that such employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney's fees. A civil action under this subsection may be brought in an appropriate court of this state for the relief provided in this Code section.

(c) Notwithstanding Code Section 49-4-168.5, a civil action under this Code section may not be brought more than three years after the date when the discrimination occurred. (Code 1981, § 49-4-168.4, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2012, p. 127, § 2-1/HB 822.)

The 2012 amendment, effective July 1, 2012, substituted the present provisions of this Code section for the former provisions, which read: "Any employee who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment by his or her employer because of lawful acts done by the employee, on behalf of the employee or others, in furtherance of a civil action under this article, including investigation for, initiation of, testimony for, or assistance in a civil action filed or to be filed under this article, shall be entitled

to all relief necessary to make the employee whole. Such relief shall include reinstatement with the same seniority status such employee would have had but for the discrimination, two times the amount of back pay, interest on the back pay award, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney's fees. An employee may bring a civil action in an appropriate court of the State of Georgia for the relief provided in this Code section."

49-4-168.5. Statute of limitations.

All civil actions under this article shall be filed pursuant to Code Section 49-4-168.2 within six years after the date the violation was committed, or four years after the date when facts material to the right of civil action are known or reasonably should have been known by the state official charged with the responsibility to act in the circumstances, whichever occurs last; provided, however, that in no event shall any civil action be filed more than ten years after the date upon which the violation was committed. (Code 1981, § 49-4-168.5, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2012, p. 127, § 2-1/HB 822.)

The 2012 amendment, effective July 1, 2012, substituted "four years" for "three years" near the middle of this Code section.

49-4-168.6. Venue.

All civil actions brought against natural persons under this article shall be brought in the county where the defendant or, in the case of

multiple defendants or of defendants who are not residents of the State of Georgia, in any county where any one defendant resides, can be found, transacts business, or commits an act in furtherance of the submittal of a false or fraudulent claim to the Georgia Medicaid program. (Code 1981, § 49-4-168.6, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2012, p. 127, § 2-1/HB 822.)

THERAPY SERVICES FOR CHILDREN WITH DISABILITIES

49-4-169. Legislative findings and intent.

The General Assembly finds that changes in the approval process of certain health care programs have made it difficult for children with disabilities who are eligible for medical assistance pursuant to Article 7 of this chapter to receive the services to which they are entitled with the frequency and within the time periods which are appropriate. Separate administration of the categorically needy and the medically fragile programs should not result in any variation in the amount, duration, and scope of services. Redundant paperwork requirements have hampered service approvals and delivery and reduced the number of providers serving children. It is the intent of this article to ensure that children with disabilities receive the medically necessary therapy services to which they are entitled under the Medicaid Early Periodic Screening, Diagnostic, and Treatment Program and that categorically needy and medically fragile children have available to them the same scope, duration, and amount of services. It is also the intent of this article to simplify the process and paperwork by which occupational, speech, and physical therapy services are applied for and received by eligible recipients. (Code 1981, § 49-4-169, enacted by Ga. L. 2008, p. 743, § 1/SB 507.)

49-4-169.1. Definitions.

As used in this article, the term:

(1) “Correct or ameliorate” means to improve or maintain a child’s health in the best condition possible, compensate for a health problem, prevent it from worsening, prevent the development of additional health problems, or improve or maintain a child’s overall health, even if treatment or services will not cure the recipient’s overall health.

(2) "Department" means the Department of Community Health.

(3) "EPSDT Program" means the federal Medicaid Early Periodic Screening, Diagnostic, and Treatment Program contained at 42 U.S.C.A. Sections 1396a and 1396d.

(4) "Medically necessary services" means services or treatments that are prescribed by a physician or other licensed practitioner, and which, pursuant to the EPSDT Program, diagnose or correct or ameliorate defects, physical and mental illnesses, and health conditions, whether or not such services are in the state plan.

(5) "Therapy services" means occupational therapy, speech therapy, physical therapy, or other services provided pursuant to the EPSDT Program to an eligible Medicaid beneficiary 21 years of age or younger and which are recommended as medically necessary by a physician. (Code 1981, § 49-4-169.1, enacted by Ga. L. 2008, p. 743, § 1/SB 507.)

49-4-169.2. Services and treatment for categorically needy and medically fragile children.

All persons who are 21 years of age or younger who are eligible for services under the EPSDT Program shall receive therapy services in accordance with the provisions of this article, whether they are categorically needy children enrolled in the low income Medicaid program or medically fragile children enrolled in the aged, blind, and disabled Medicaid program. (Code 1981, § 49-4-169.2, enacted by Ga. L. 2008, p. 743, § 1/SB 507.)

49-4-169.3. Requirements relating to administrative prior approval for services and appeals; statutory construction.

(a) The department shall develop and implement for itself, the care management organizations with which it enters into contracts, and its utilization review vendors consistent requirements, paperwork, and procedures for utilization review and prior approval of physical, occupational, or speech language pathologist services prescribed for children. Prior approval for therapy services shall be for a period of up to six months as consistent with the needs of the individual recipient.

(b) The department, its utilization review vendors, or the care management organizations with which it contracts shall give notice to affected Medicaid recipients of the following information in cases where prior approval is denied:

(1) The medical procedure or service for which such entity is refusing to grant prior approval;

(2) Any additional information needed from the recipient's medical provider which could change the decision of such entity; and

(3) The specific reason used by the entity to determine that the procedure is not medically necessary to the Medicaid recipient, including facts pertinent to the individual case.

(c) Notwithstanding any other provision of law, the department, its utilization review vendors, or its care management organizations shall grant prior approval for requests for therapy services when the recipient is eligible for Medicaid services and the services prescribed are medically necessary.

(d) In cases where prior approval is required under this article, it shall be decided with reasonable promptness, not to exceed 15 business days, and may not be denied until it has been evaluated under the EPSDT Program.

(e) Prescriptions and prior approval for services shall be for general areas of treatment, treatment goals, or ranges of specific treatments or processing codes. Clinical coverage criteria or guidelines, including restrictions such as location of service and prohibitions on multiple services on the same day or at the same time, shall not be the sole determinant used by the department, its utilization vendors, or its care management organizations to limit the EPSDT standards or its medically necessary definition in this article. Any such restrictions shall be waived under the EPSDT Program or this article if the prescribed services are medically necessary.

(f) Nothing in this article shall be construed to prohibit the department, its utilization review vendors, or its care management organizations from performing utilization reviews of the diagnosis or treatment of a child receiving therapy services pursuant to the EPSDT Program, the amount, duration, or scope or the actual performance or delivery of such services by providers, so long as such utilization review does not unreasonably deny or unreasonably delay the provision of medically necessary services to the recipient.

(g) Nothing in this article shall be deemed to prohibit or restrict the department, its utilization review vendors, or its care management organizations from denying claims or prosecuting or pursuing beneficiaries or providers who submit false or fraudulent prescriptions, forms required to implement this article, or claims for services or whose eligibility as a beneficiary or a participating provider has been based on intentionally false information. (Code 1981, § 49-4-169.3, enacted by Ga. L. 2008, p. 743, § 1/SB 507.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2008, a comma was inserted following "physical" in the first sentence of subsection (a).

The court may, for the purposes of this Code section, direct the county or district director of family and children services to maintain records pertaining to all aspects of any personal representative proceedings, which records the court may adopt as the court's record and in lieu of maintenance of separate records by the court. (a) As used in this Code section, the term "sanction" means a 25 percent reduction of any cash assistance provided to a family for a time period established by the board for the first material violation and termination of any cash assistance provided to the family for any subsequent material violation within a time period established by the

49-4-186. Schedule of assistance to eliminate increment in benefits under TANF program as result of child birth during eligibility period.

The schedule of assistance to be paid to a recipient family under this article shall eliminate the increment in benefits under the Georgia TANF Program as a result of the birth of a child during the period in which the family is eligible for TANF assistance or during a temporary period in which the family or recipient is ineligible for TANF assistance pursuant to a sanction imposed for failure to comply with eligibility requirements, subsequent to which the family or recipient is again eligible for assistance. The recipient family in which the recipient parent gives birth to an additional child during the recipient's period of eligibility for TANF assistance, or during a temporary period of ineligibility for assistance, may not receive additional assistance, except in the case of a general increase in the amount of TANF assistance which

is provided to all program recipients. This provision shall only apply to recipient families who have been in receipt of cash assistance under this article for a total of ten months after May 1, 1997. Nothing in this Code section shall be considered to disqualify a recipient family from an incremental increase in assistance in cases in which the birth of a child is the result of a verifiable rape or incest. (Code 1981, § 49-4-186, enacted by Ga. L. 1997, p. 1021, § 6.)

49-4-187. Assistance for applicants moving into state after receiving assistance from another state.

An applicant who moves into this state after receiving assistance from another state under Part A of Title IV of the federal Social Security Act, as amended, if otherwise eligible to receive assistance under the Georgia TANF Program, shall receive the same level of assistance for the same period of time under the same requirements and restrictions as a resident of this state; provided, however, that for a period not to exceed 12 months, such applicant shall receive the same amount of cash assistance as that applicant received in his or her previous state of residence, if such amount is lower than the amount of cash assistance paid to a comparable family unit in this state; provided, further, that an applicant who moves into this state shall be eligible to receive cash assistance for the same time period for which he or she would have been eligible in his or her previous state of residence, if such time period is shorter than the maximum time period permitted for receipt of assistance in this state. (Code 1981, § 49-4-187, enacted by Ga. L. 1997, p. 1021, § 6.)

It is the intention of the General Assembly that this article be construed consistently with Part A of Title IV of the federal Social Security Act, as amended, and so as to authorize the Department of Human Services, within the appropriations provided to it, to administer the state plan in a manner so as to receive the maximum amount of the federal block grant available for expenditures made under the state plan. Nothing in this article shall be construed to impose requirements which conflict with such federal law or regulations promulgated thereunder so as to result in a loss of federal funding to this state under that law. 49-4-191. Establishment and enforcement of standards and procedures by department.

The department shall establish and enforce standards and procedures to:

(1) Screen and identify recipients of TANF assistance with a history of being victims of domestic violence, while protecting the confidentiality of any such recipients;

(2) Refer any such recipients to counseling and supportive services; and

(3) Waive, pursuant to a determination of good cause, other program requirements for any such recipients of TANF assistance, such as time limits, for so long as necessary, residency requirements, child support cooperation requirements, and family cap provisions, in

cases where compliance with such requirements would make it more difficult for individuals receiving TANF assistance to escape domestic violence or unfairly penalize such recipients who are or have been victimized by such violence, or individuals who are at risk of further domestic violence. (Code 1981, § 49-4-191, enacted by Ga. L. 1997, p. 1021, § 6.)

49-4-192. Establishment of pilot LEARNFARE program.

(a) As used in this Code section, the term:

(1) "Program" means the LEARNFARE program established in this Code section.

(2) "Teen-ager" means a person at least 13 years of age but not more than 16 years of age who is included in a grant of TANF assistance, who is residing with a parent or guardian, and who has not graduated from high school or received a certificate of high school equivalency (GED).

(b) The purpose of this Code section is to establish a pilot LEARNFARE program that requires school attendance of all teen-agers.

(c) The department shall establish in not less than ten counties in this state a pilot LEARNFARE program. Such program shall require school attendance of all teen-agers.

(d) A teen-ager who is required to attend school to meet LEARNFARE participation requirements under this Code section shall comply except when there is good cause shown, as defined by the department.

(e) Upon determination that a teen-ager has failed without good cause to attend school as required, the teen-ager will be removed from the TANF grant for the next possible payment month.

(f) A sanction applied under this program shall be effective for one month for each month that the teen-ager failed to meet the monthly attendance requirement, as established by the department. In the case of a teen-ager who drops out of school, the sanction shall remain in force until the teen-ager provides written proof from the school system that the teen-ager has re-enrolled and has met the monthly attendance requirement for one calendar month.

(g) The department shall adopt not later than July 1, 1997, such rules and regulations as may be necessary to implement this program. The department shall establish by appropriate rules and regulations the eligibility and participation guidelines for such program.

(h) The department shall further provide, no later than January 1, 1999, a written report to the General Assembly which shall describe all actions taken to implement this program and the results and findings derived therefrom. (Code 1981, § 49-4-192, enacted by Ga. L. 1997, p. 1021, § 7.1.)

49-4-193. Established drug testing; ineligibility for benefits based upon positive tests; drug treatment; impact of drug use by parents on children; confidentiality; exceptions.

(a) As used in this Code section, the term “established drug test” means the collection and testing of bodily fluids administered in a manner equivalent to that required by the Mandatory Guidelines for Federal Workplace Drug Testing Programs (53 C.F.R. 11979, et seq., as amended) or other professionally valid procedures approved by the department; provided, however, that where possible and practicable, a swab test shall be used in lieu of a urinalysis.

(b) The department shall adopt rules and regulations for an established drug test which shall include the following:

(1) Which illegal drugs will be the subject of testing;

(2) Methods for assuring minimal privacy intrusions during collection of body fluid specimens for such testing;

(3) Methods for assuring proper storage, transportation, and handling of such specimens in order to ensure the integrity of the testing process;

(4) The identity of those persons entitled to the results of such tests and methods for ensuring that only authorized persons are given access to such results;

(5) A list of laboratories qualified to conduct established drug tests;

(6) A list of approved substance abuse treatment providers;

(7) Procedures for persons undergoing drug testing, prior to the collection of body fluid specimens for such testing, to provide information regarding use of any drug pursuant to a medical prescription or as otherwise authorized by law which may affect the results of such test;

(8) A requirement that the test be conducted no later than 48 hours after the application is approved by the department for TANF eligibility. Proof of eligibility from the department shall be issued to the applicant. The applicant shall show proof of eligibility to an authorized test examiner prior to submitting to the test; and

(9) A requirement that any applicant who demonstrates proof of active and current Medicaid benefits shall pay a drug screening application fee of no more than \$17.00, and no authorized test examiner shall conduct a drug test if an applicant demonstrates active and current Medicaid benefits unless the applicant presents a receipt proving that he or she has paid the required drug screening application fee. Eligible applicants who do not have active and current Medicaid benefits shall be responsible for paying the full cost of administering the drug test upon presentation to an authorized examiner.

(c) The department shall require a drug test consistent with subsection (b) of this Code section to screen each individual who applies for assistance. The cost of drug testing shall be the responsibility of the individual tested, provided that the individual does not submit proof of active Medicaid benefits to subsidize the cost of such drug testing pursuant to paragraph (9) of subsection (b) of this Code section. No assistance payment shall be delayed because of the requirements of this Code section, and any payments made prior to the department's receipt of a test result showing a failure shall be recoverable.

(d) Any recipient of cash assistance under this article who tests positive for controlled substances as a result of a drug test required under this Code section shall be ineligible to receive TANF benefits as follows:

(1) For a first positive result, the recipient shall be ineligible for TANF benefits for one month and until he or she tests negative in a retest;

(2) For a second positive result, the recipient shall be ineligible for TANF benefits for three months and until he or she tests negative in a retest; and

(3) For a third and each subsequent positive result, the recipient shall be ineligible for TANF benefits for one year and until he or she tests negative in a retest unless the individual meets the requirements of subsection (f) of this Code section.

(e) The department shall:

(1) Provide notice of drug testing to each individual at the time of application. The notice shall advise the individual that drug testing will be conducted as a condition for receiving TANF benefits and that the individual shall bear the cost of testing. If the individual tests negative for controlled substances, the department shall increase the amount of the initial TANF benefit by the amount paid by the individual for the drug testing. However, if the individual used an active and current Medicaid benefit pursuant to paragraph (9) of

subsection (b) of this Code section to subsidize the cost of the test, the individual shall not be eligible for direct TANF reimbursement. The individual shall be advised that the required drug testing may be avoided if the individual does not apply for TANF benefits. Dependent children under the age of 18 are exempt from the drug testing requirement;

(2) Require that for two-parent families, one parent shall comply with the drug testing requirement;

(3) Require that any teen parent who is not required to live with a parent, legal guardian, or other adult caretaker relative shall comply with the drug testing requirement;

(4) Advise each individual to be tested, before the test is conducted, that he or she may, but is not required to, advise the agent administering the test of any prescription or over the counter medication he or she is taking;

(5) Require each individual to be tested to sign a written acknowledgment that he or she has received and understood the notice and advice provided under paragraphs (1) and (4) of this subsection;

(6) Assure each individual being tested a reasonable degree of dignity while producing and submitting a sample for drug testing, consistent with the state's need to ensure the reliability of the sample;

(7) Specify circumstances under which an individual who fails a drug test has the right to take one or more additional tests;

(8) Inform an individual who tests positive for a controlled substance and is deemed ineligible for TANF benefits for one year pursuant to paragraph (3) of subsection (d) of this Code section that the individual may reapply for those benefits six months after the date of the positive drug test if he or she meets the requirements of subsection (f) of this Code section; and

(9) Provide any individual who tests positive with a list of substance abuse treatment providers approved by the department which are available in the area in which he or she resides. Neither the department nor the state shall be responsible for providing or paying for substance abuse treatment.

(f) An individual who tests positive for an illegal drug and is denied TANF benefits for one year may reapply for TANF benefits after six months if the individual can document the successful completion of a substance abuse treatment program offered by a provider approved by the department. An individual who has met the requirements of this subsection and reapplies for TANF benefits shall also pass an initial

drug test and meet the requirements of subsection (c) of this Code section. Any drug test conducted while the individual is undergoing substance abuse treatment shall meet the requirements of subsection (b) of this Code section. The cost of any drug testing provided under this Code section and substance abuse treatment shall be the responsibility of the individual being tested and receiving treatment. An individual who fails the drug test required under subsection (c) of this Code section may reapply for TANF benefits under this subsection only once.

(g) If a parent is deemed ineligible for TANF benefits as a result of failing a drug test conducted under this Code section:

(1) The dependent child's eligibility for TANF benefits shall not be affected;

(2) An appropriate protective payee shall be designated to receive benefits on behalf of the child; and

(3) The parent may choose to designate another individual to receive benefits for the parent's minor child. The designated individual must be an immediate family member or, if an immediate family member is not available or the family member declines the option, another individual approved by the department. The designated individual shall also undergo drug testing before being approved to receive benefits on behalf of the child. If the designated individual tests positive for controlled substances, he or she shall be ineligible to receive benefits on behalf of the child.

(h) The results of any drug test done according to this Code section shall not be subject to disclosure under Article 4 of Chapter 18 of Title 50, relating to inspection of public records. Such results shall not be used as a part of a criminal investigation or criminal prosecution. Such results shall not be used in a civil action or otherwise disclosed to any person or entity without the express written consent of the person tested or his or her heirs or legal representative. All such records shall be destroyed and deleted five years after the date of the test.

(i) No testing shall be required by the provisions of this Code section for any person whom the department determines is significantly hindered, because of a physical or mental handicap or developmental disability, from doing so or for any person enrolled in an enhanced primary care case management program operated by the Department of Community Health, Division of Medical Assistance to serve frail elderly and disabled beneficiaries to improve the health outcomes of persons with chronic health conditions by linking primary medical care with home and community based services. In addition, no testing shall be required by the provisions of this Code section for any individuals receiving or on a waiting list for long-term services and supports through a non-Medicaid home and community based services program

or for any individual residing in a facility such as a nursing home, personal care home, assisted living community, intermediate care facility for the mentally retarded, community living arrangement, or host home.

(j) The department shall adopt rules to implement this Code section. (Code 1981, § 49-4-193, enacted by Ga. L. 2012, p. 91, § 3/HB 861.)

JUDICIAL DECISIONS

Medical care. — State had a duty to provide youth in their custody with medical care and treatment, but the details of that care were discretionary and therefore subject to immunity under the Georgia

Tort Claims Act, O.C.G.A. § 50-21-20 et seq. *Edwards v. Department of Children & Youth Servs.*, 236 Ga. App. 696, 512 S.E.2d 339 (1999).

OPINIONS OF THE ATTORNEY GENERAL

All costs related to subsistence and detention, including emergency medical costs, incurred on behalf of juveniles held in the Department of Juvenile Jus-

tice facilities prior to a formal commitment to the department are properly assessed to the counties. 2002 Op. Att’y Gen. No. 2002-6.

49-4A-8. (For effective date, see note.) Commitment of delinquent children; procedure; cost; return of mentally ill or developmentally disabled children; escapees; discharge; evidence of commitment; records; restitution.

(a) When the court does not release a delinquent child unconditionally or place him or her on probation or in a suitable public or private institution or agency, the court may commit such child to the department as provided in Article 6 of Chapter 11 of Title 15; provided, however, that no delinquent child shall be committed to the department until the department certifies to the Governor that it has facilities available and personnel ready to assume responsibility for delinquent children.

(b) When the court commits a delinquent child to the department, it may order such child conveyed forthwith to any facility designated by the department or direct that such child be left at liberty until otherwise ordered by the department under such conditions as will ensure his or her availability and submission to any orders of the department. If such delinquent child is ordered conveyed to the department, the court shall assign an officer or other suitable person to convey such child to any facility designated by the department, provided that the person assigned to convey a girl must be female. The cost of conveying such child committed to the department to the facility designated by the department shall be paid by the county from which such child is committed, provided that no compensation shall be allowed beyond the actual and necessary expenses of the party conveying and the child conveyed.

(c) When a court commits a delinquent child to the department, the court shall at once electronically submit a certified copy of the order of

commitment to the department, and the court, the probation officer, the prosecuting and police authorities, the school authorities, and other public officials shall make available to the department all pertinent information in their possession pertaining to the case, including, but not limited to, any predisposition investigation report as set forth in Code Section 15-11-590 and any risk assessment. Such reports shall, if the department so requests, be made upon forms furnished by the department or according to an outline provided by the department.

(d)(1) When a delinquent child has been committed to the department, the department shall, under rules and regulations established by the board, forthwith examine and study such child and investigate all pertinent circumstances of his or her life and behavior. The department shall make periodic reexaminations of all such children within its control, except those on release under supervision of the department. Such reexaminations may be made as frequently as the department considers desirable, and every such child shall be reexamined at intervals not exceeding one year. Failure of the department to examine such a child committed to it or to reexamine him or her within one year of a previous examination shall not of itself entitle such child to discharge from control of the department but shall entitle such child to petition the committing court for an order of discharge; and the court shall discharge him or her unless the department, upon due notice, satisfies the court of the necessity of further control.

(2) The department shall keep written records of all examinations and reexaminations, of conclusions based thereon, and of all orders concerning the disposition or treatment of every delinquent child subject to its control. Records maintained by the department pertaining to a delinquent child committed to the department shall not be public records but shall be privileged records and may be disclosed by direction of the commissioner pursuant to federal law regarding disseminating juvenile criminal history records only to those persons having a legitimate interest therein; provided, however, that the commissioner shall permit the Council of Juvenile Court Judges to inspect and copy such records for the purposes of obtaining statistics on juveniles.

(e) Except as provided by subsection (e.1) of this Code section and subsection (c) or (d) of Code Section 15-11-602, when a delinquent child has been committed to the department for detention and a diagnostic study for the purpose of determining the most satisfactory plan for such child's care and treatment has been completed, the department may:

(1) Permit such child liberty under supervision and upon such conditions as the department may believe conducive to acceptable behavior;

(2) Order such child's confinement under such conditions as the department may believe best designed to serve such child's welfare and as may be in the best interest of the public;

(3) Order reconfinement or renewed release as often as conditions indicate to be desirable;

(4) Revoke or modify any order of the department affecting such child, except an order of final discharge, as often as conditions indicate to be desirable; or

(5) Discharge such child from control of the department pursuant to Code Section 15-11-32 and subsection (c) of Code Section 15-11-607 when it is satisfied that such discharge will best serve such child's welfare and the protection of the public.

(e.1)(1) When a child who has been adjudicated for the commission of a class A designated felony act or class B designated felony act as defined in Code Section 15-11-2 is released from confinement or custody of the department, it shall be the responsibility of the department to provide notice to any person who was the victim of such child's acts that such child is being released from confinement or custody.

(2) The department and employees of the department shall not be liable for damages incurred by reason of the department's failure to provide the notice required by paragraph (1) of this subsection.

(3) When a child convicted of a felony offense in a superior court is released from confinement or custody of the department, the department shall provide written notice, including the delinquent act or class A designated felony act or class B designated felony act committed, to the superintendent of the school system in which such child was enrolled or, if the information is known, the school in which such child was enrolled or plans to be enrolled.

(4) The department and employees of the department shall not be liable for damages incurred by reason of the department's failure to provide notice required by paragraph (3) of this subsection.

(f) As a means of correcting the socially harmful tendencies of a delinquent child committed to it, the department may:

(1) Require participation by such child in moral, academic, vocational, physical, and correctional training and activities, and provide such child the opportunity for religious activities where practicable in the institutions under the control and supervision of the department;

(2) Require such modes of life and conduct as may seem best adapted to fit and equip him or her for return to full liberty without danger to the public;

(3) Provide such medical, psychiatric, or casework treatment as is necessary; or

(4) Place him or her, if physically fit, in a park, maintenance camp, or forestry camp or on a ranch owned by the state or by the United States and require any child so housed to perform suitable conservation and maintenance work, provided that the children shall not be exploited and that the dominant purpose of such activities shall be to benefit and rehabilitate the children rather than to make the camps self-sustaining.

(g) When funds are available, the department may:

(1) Establish and operate places for detention and diagnosis of all delinquent children committed to it;

(2) Establish and operate additional treatment and training facilities, including parks, forestry camps, maintenance camps, ranches, and group residences necessary to classify and handle juvenile delinquents of different ages and habits and different mental and physical conditions, according to their needs; and

(3) Establish aftercare supervision to aid children given conditional release to find homes and employment and otherwise to assist them to become reestablished in the community and to lead socially acceptable lives.

(h) Whenever the department finds that any child committed to the department is mentally ill or has a developmental disability, as defined in Code Section 15-11-2, the department shall have the power to return such child to the court of original jurisdiction for appropriate disposition by that court or may, if it so desires, request the court having jurisdiction in the county in which the juvenile detention facility is located to take such action as the condition of the child may require.

(i)(1) A child who has been committed to the department for detention in a juvenile detention facility or who has been otherwise taken into custody and who has escaped therefrom or who has been placed under supervision and broken the conditions thereof may be taken into custody without a warrant by a sheriff, deputy sheriff, constable, police officer, probation officer, or any other officer of this state authorized to serve criminal process upon a written request made by an employee of the department having knowledge of the escape or of the violation of conditions of supervision. Before a child may be taken into custody for violation of the conditions of supervision, such written request shall be reviewed by the commissioner or his or her designee. If the commissioner or his or her designee finds that probable cause exists to believe that such child has violated his or her conditions of supervision, he or she may issue an order directing that such child be picked up and returned to custody.

(2) The commissioner may designate as a peace officer who is authorized to exercise the power of arrest any employee of the department whose full-time duties include the preservation of public order, the protection of life and property, the detection of crime, or the supervision of delinquent children or children in need of services in its institutions, facilities, or programs, or any employee who is a line supervisor of any such employee. The commissioner also may designate as a peace officer who is authorized to exercise the power of arrest any employee of a person or organization which contracts with the department pertaining to the management, custody, care, and control of delinquent children or children in need of services retained by the person or organization if that employee's full-time duties include the preservation of public order, the protection of life and property, the detection of crime, or the supervision of delinquent children in the department's institutions, facilities, or programs, or any employee who is a line supervisor of such employee. The commissioner may designate one or more employees of the department to investigate and apprehend children who have escaped from a juvenile detention facility or who have broken the conditions of supervision; provided, however, that the employees so designated shall only be those with primary responsibility for the security functions of such facilities or whose primary duty consists of the apprehension of youths who have escaped from such facilities or who have broken the conditions of supervision. An employee of the department so designated shall have the police power to investigate, to apprehend such children, and to arrest any person physically interfering with the proper apprehension of such children. An employee of the department so designated in the investigative section of the department shall have the power to obtain a search warrant for the purpose of locating and apprehending such children. Additionally, such employee, while on the grounds or in the buildings of the department's institutions or facilities, shall have the same law enforcement powers, including the power of arrest, as a law enforcement officer of the local government with police jurisdiction over such institutions or facilities. Such employee shall be authorized to carry weapons, upon written approval of the commissioner, notwithstanding Code Sections 16-11-126 and 16-11-129. The commissioner shall also be authorized to designate any person or organization with whom the department contracts for services pertaining to the management, custody, care, and control of delinquent children or children in need of services detained by the person or organization as a law enforcement unit under paragraph (7) of Code Section 35-8-2. Any employee or person designated under this subsection shall be considered to be a peace officer within the meaning of Chapter 8 of Title 35 and shall be certified under that chapter.

(3) For the purposes of investigation of children who have escaped from juvenile detention facilities of the department or of children who

are alleged to have broken the conditions of supervision, the department is empowered and authorized to request and receive from the Georgia Crime Information Center any information in the files of the Georgia Crime Information Center which will aid in the apprehension of such children.

(4) An employee designated pursuant to paragraph (2) of this subsection may take a child into custody without a warrant upon personal knowledge or written request of a person having knowledge of the escape or violation of conditions of supervision, or a child may be taken into custody pursuant to Code Section 15-11-501. When taking a child into custody pursuant to this paragraph, a designated employee of the department shall have the power to use all force reasonably necessary to take such child into custody.

(5) The child shall be kept in custody in a suitable place designated by the department and there detained until such child may be returned to the custody of the department.

(6) Such taking into custody shall not be termed an arrest; provided, however, that any person taking a child into custody pursuant to this subsection shall have the same immunity from civil and criminal liability as a peace officer making an arrest pursuant to a valid warrant.

(j) The department shall ensure that each child it releases under supervision or otherwise has suitable clothing, transportation to his or her home or to the county in which a suitable home or employment has been found for him or her, and such an amount of money as the rules and regulations of the board may authorize. The expenditure for clothing and for transportation and the payment of money to such child released may be made from funds for support and maintenance appropriated by the General Assembly to the department or to the institution from which such child is released or from local funds.

(k) Every child committed to the department, if not already discharged, shall be discharged from custody of the department when he or she reaches his or her twenty-first birthday.

(l) Commitment of a child to the custody of the department shall not operate to disqualify such child in any future examination, appointment, or application for public service under the government either of the state or of any political subdivision thereof.

(m) A commitment to the department shall not be received in evidence or used in any way in any proceedings in any court, except in subsequent proceedings for delinquency or being in need of services involving the same child and except in imposing sentence in any criminal proceeding against the same person.

(n)(1) The department shall conduct a continuing inquiry into the effectiveness of treatment methods it employs in seeking the rehabilitation of maladjusted children. To this end, the department shall maintain a statistical record of arrests and commitments of its wards subsequent to their discharge from the jurisdiction and control of the department and shall tabulate, analyze, and publish in print or electronically annually these data so that they may be used to evaluate the relative merits of methods of treatment. The department shall cooperate and coordinate with courts, juvenile court clerks, the Governor's Office for Children and Families, and public and private agencies in the collection of statistics and information regarding:

- (A) Juvenile delinquency;
- (B) Arrests made;
- (C) Detentions made, the offense for which such detention was authorized, and the reason for each detention;
- (D) Complaints filed;
- (E) Informations filed;
- (F) Petitions filed;
- (G) The results of complaints, informations, and petitions, including whether such filings were dismissed, diverted, or adjudicated;
- (H) Commitments to the department, the length of such commitment, and releases from the department;
- (I) The department's placement decisions for commitments;
- (J) Placement decisions to institutions, camps, or other facilities for delinquent children operated under the direction of courts or other local public authorities;
- (K) Community programs utilized and completion data for such programs;
- (L) Recidivism;
- (M) Data collected by juvenile court clerks pursuant to Code Section 15-11-64; and
- (N) Other information useful in determining the amount and causes of juvenile delinquency in this state.

(2) In order to facilitate the collection of the information required by paragraph (1) of this subsection, the department shall be authorized to inspect and copy all records of the court and law enforcement

agencies pertaining to juveniles and collect data from juvenile court clerks.

(o) When a child committed to the department is under court order to make certain restitution as a part of his or her treatment by the court, the requirement that the restitution be paid in full shall not cease with the order of commitment. The provision of the order requiring restitution shall remain in force and effect during the period of commitment, and the department is empowered to enforce such restitution requirement and to direct that payment of funds or notification of service completed be made to the clerk of the juvenile court or another employee of that court designated by the judge. Delayed effective date. — This Code section, as set out above, becomes effective January 1, 2014. Until January 1, 2014, this Code section reads as follows: “(a) When any child or youth is adjudged to be in a state of delinquency or unruliness under Article 1 of Chapter 11 of Title 15 and the court does not release such child or youth unconditionally or place him or her on probation or in a suitable public or private institution or agency, the court may commit him to the department as provided in said Article 1 of Chapter 11 of Title 15; provided, however, that no delinquent or unruly child or youth shall be committed to the department until the department certifies to the Governor that it has facilities available and personnel ready to assume responsibility for delinquent or unruly children and youths.

“(b) When the court commits a delinquent or unruly child to the department, it may order the child conveyed forthwith to any facility designated by the department or direct that the child be left at liberty until otherwise ordered by the department under such conditions as will ensure his availability and submission to any orders of the department. If such delinquent or unruly child is ordered conveyed to the department, the court shall assign an officer or other suitable person to convey such child to any facility designated by the department, provided that the per-

son assigned to convey a girl must be a female. The cost of conveying such child committed to the department to the facility designated by the department shall be paid by the county from which such child is committed, provided that no compensation shall be allowed beyond the actual and necessary expenses of the party conveying and the child conveyed.

“(c) When a court commits a delinquent or unruly child to the department, the court shall at once forward to the department a certified copy of the order of commitment and the court, the probation officer, the prosecuting and police authorities, the school authorities, and other public officials shall make available to the department all pertinent information in their possession with respect to the case. Such reports shall, if the department so requests, be made upon forms furnished by the department or according to an outline provided by the department.

“(d)(1) When a delinquent or unruly child has been committed to the department, the department shall, under rules and regulations established by the board, forthwith examine and study the child and investigate all pertinent circumstances of his life and behavior. The department shall make periodic reexaminations of all delinquent or unruly children within its control, except those on release under supervision of the department.

Such reexaminations may be made as frequently as the department considers desirable and shall be made with respect to every child at intervals not exceeding one year. Failure of the department to examine a delinquent or unruly child committed to it or to reexamine him within one year of a previous examination shall not of itself entitle the child to discharge from control of the department but shall entitle the child to petition the committing court for an order of discharge; and the court shall discharge him unless the department, upon due notice, satisfies the court of the necessity of further control.

“(2) The department shall keep written records of all examinations and reexaminations, of conclusions based thereon, and of all orders concerning the disposition or treatment of every delinquent or unruly child subject to its control. Records maintained by the department with respect to a delinquent or unruly child committed to the department shall not be public records but shall be privileged records and may be disclosed by direction of the commissioner pursuant to federal law in regard to disseminating juvenile criminal history records only to those persons having a legitimate interest therein; provided, however, that the commissioner shall permit the Council of Juvenile Court Judges to inspect and copy such records for the purposes of obtaining statistics on juveniles.

“(e) Except as provided by subsection (e.1) of this Code section and subsection (b) of Code Section 15-11-70, when a delinquent or unruly child has been committed to the department for detention and a diagnostic study for the purpose of determining the most satisfactory plan for the child's care and treatment has been completed, the department may:

“(1) Permit the child liberty under supervision and upon such conditions as the department may believe conducive to acceptable behavior;

“(2) Order the child's confinement under such conditions as the department may believe best designed to serve the child's welfare and as may be in the best interest of the public;

“(3) Order recommitment or renewed release as often as conditions indicate to be desirable;

“(4) Revoke or modify any order of the department affecting the child, except an order of final discharge, as often as conditions indicate to be desirable; or

“(5) Discharge the child from control of the department pursuant to subsection (a) of Code Section 15-11-70 when it is satisfied that such discharge will best serve the child's welfare and the protection of the public.

“(e.1)(1) When a child who has been adjudicated delinquent for the commission of a designated felony act as defined in Code Section 15-11-63 is released from confinement or custody of the department, it shall be the responsibility of the department to provide notice to any person who was the victim of the child's delinquent acts that the child is being released from confinement or custody.

“(2) So long as a good faith attempt to comply with paragraph (1) of this subsection has been made, the department and employees of the department shall not be liable for damages incurred by reason of the department's failure to provide the notice required by paragraph (1) of this subsection.

“(3) When a child convicted of a felony offense in a superior court is released from confinement or custody of the department, the department shall provide written notice, including the delinquent or designated felony act committed, to the superintendent of the school system in which such child was enrolled or, if the information is known, the school in which such child was enrolled or plans to be enrolled.

“(4) So long as a good faith attempt to comply with paragraph (3) of this subsection has been made, the department and employees of the department shall not be liable for damages incurred by reason of the department's failure to provide notice required by paragraph (3) of this subsection.

“(f) As a means of correcting the socially harmful tendencies of a delinquent or unruly child committed to it, the department may:

“(1) Require participation by youth in moral, academic, vocational, physical, and correctional training and activities, and provide youth the opportunity for religious activities where practicable in the

institutions under the control and supervision of the department;

“(2) Require such modes of life and conduct as may seem best adapted to fit and equip him for return to full liberty without danger to the public;

“(3) Provide such medical, psychiatric, or casework treatment as is necessary; or

“(4) Place him, if physically fit, in a park, maintenance camp, or forestry camp or on a ranch owned by the state or by the United States and require any child so housed to perform suitable conservation and maintenance work, provided that the children shall not be exploited and that the dominant purpose of such activities shall be to benefit and rehabilitate the children rather than to make the camps self-sustaining.

“(g) When funds are available, the department may:

“(1) Establish and operate places for detention and diagnosis of all delinquent or unruly children committed to it;

“(2) Establish and operate additional treatment and training facilities, including parks, forestry camps, maintenance camps, ranches, and group residences necessary to classify and handle juvenile delinquents of different ages and habits and different mental and physical conditions, according to their needs; and

“(3) Establish parole or aftercare supervision to aid children given conditional release to find homes and employment and otherwise to assist them to become reestablished in the community and to lead socially acceptable lives.

“(h) Whenever the department finds that any delinquent or unruly child committed to the department is mentally ill or mentally retarded, the department shall have the power to return such delinquent or unruly child to the court of original jurisdiction for appropriate disposition by that court or may, if it so desires, request the court having jurisdiction in the county in which the youth development center or other facility is located to take such action as the condition of the child may require.

“(i)(1) A child who has been committed to the department as a delinquent or unruly child for detention in a youth development center or who has been otherwise taken into custody and who has escaped

therefrom or who has been placed under supervision and broken the conditions thereof may be taken into custody without a warrant by a sheriff, deputy sheriff, constable, police officer, probation officer, parole officer, or any other officer of this state authorized to serve criminal process upon a written request made by an employee of the department having knowledge of the escape or of the violation of conditions of supervision. Before a child may be taken into custody for violation of the conditions of supervision, such written request must be reviewed by the commissioner or his designee. If the commissioner or his designee finds that probable cause exists to believe that the child has violated his conditions of supervision, he may issue an order directing that the child be picked up and returned to custody.

“(2) The commissioner may designate as a peace officer who is authorized to exercise the power of arrest any employee of the department whose full-time duties include the preservation of public order, the protection of life and property, the detection of crime, or the supervision of delinquent and unruly children in its institutions, facilities, or programs, or any employee who is a line supervisor of any such employee. The commissioner also may designate as a peace officer who is authorized to exercise the power of arrest any employee of a person or organization which contracts with the department pertaining to the management, custody, care, and control of delinquent children retained by the person or organization, if that employee's full-time duties include the preservation of public order, the protection of life and property, the detection of crime, or the supervision of delinquent and unruly children in the department's institutions, facilities, or programs, or any employee who is a line supervisor of such employee. The commissioner may designate one or more employees of the department to investigate and apprehend delinquent and unruly children who have escaped from an institution or facility or who have broken the conditions of supervision; provided, however, that the employees so designated shall only be those with primary responsibility for the security functions of youth development cen-

ters or whose primary duty consists of the apprehension of youths who have escaped from such institutions or facilities or who have broken the conditions of supervision. An employee of the department so designated shall have the police power to investigate, to apprehend such children, and to arrest any person physically interfering with the proper apprehension of such children. An employee of the department so designated in the investigative section of the department shall have the power to obtain a search warrant for the purpose of locating and apprehending such children. Additionally, such employee, while on the grounds or in the buildings of the department's institutions or facilities, shall have the same law enforcement powers, including the power of arrest, as a law enforcement officer of the local government with police jurisdiction over such institutions or facilities. Such employee shall be authorized to carry weapons, upon written approval of the commissioner, notwithstanding Code Sections 16-11-126 and 16-11-129. The commissioner shall also be authorized to designate any person or organization with whom the department contracts for services pertaining to the management, custody, care, and control of delinquent and unruly children detained by the person or organization as a law enforcement unit under paragraph (7) of Code Section 35-8-2. Any employee or person designated under this subsection shall be considered to be a peace officer within the meaning of Chapter 8 of Title 35 and must be certified under that chapter.

“(3) For the purposes of investigation of delinquent or unruly children who have escaped from institutions or facilities of the department or of delinquent or unruly children who are alleged to have broken the conditions of supervision, the department is empowered and authorized to request and receive from the Georgia Crime Information Center, established by Chapter 3 of Title 35, any information in the files of the Georgia Crime Information Center which will aid in the apprehension of such children.

“(4) An employee designated pursuant to paragraph (2) of this subsection may take a child into custody without a warrant upon personal knowledge or written

request of a person having knowledge of the escape or violation of conditions of supervision, or a child may be taken into custody pursuant to Code Section 15-11-45. When taking a child into custody pursuant to this paragraph, a designated employee of the department shall have the power to use all force reasonably necessary to take the child into custody.

“(5) The child shall be kept in custody in a suitable place designated by the department and there detained until such child may be returned to the custody of the department.

“(6) Such taking into custody shall not be termed an arrest; provided, however, that any person taking a child into custody pursuant to this subsection shall have the same immunity from civil and criminal liability as a peace officer making an arrest pursuant to a valid warrant.

“(j) The department shall ensure that each delinquent or unruly child it releases under supervision or otherwise has suitable clothing, transportation to his home or to the county in which a suitable home or employment has been found for him, and such an amount of money as the rules and regulations of the board may authorize. The expenditure for clothing and for transportation and the payment of money to a delinquent or unruly child released may be made from funds for support and maintenance appropriated by the General Assembly to the department or to the institution from which such child is released or from local funds.

“(k) Every child committed to the department as delinquent or unruly, if not already discharged, shall be discharged from custody of the department when he reaches his twenty-first birthday.

“(l) Commitment of a delinquent or unruly child to the custody of the department shall not operate to disqualify such child in any future examination, appointment, or application for public service under the government either of the state or of any political subdivision thereof.

“(m) A commitment to the department shall not be received in evidence or used in any way in any proceedings in any court, except in subsequent proceedings for delinquency or unruliness involving the same child and except in imposing sen-

tence in any criminal proceeding against the same person.

“(n) The department shall conduct a continuing inquiry into the effectiveness of treatment methods it employs in seeking the rehabilitation of maladjusted children. To this end, the department shall maintain a statistical record of arrests and commitments of its wards subsequent to their discharge from the jurisdiction and control of the department and shall tabulate, analyze, and publish in print or electronically annually these data so that they may be used to evaluate the relative merits of methods of treatment. The department shall cooperate with courts and public and private agencies in the collection of statistics and information regarding juvenile delinquency; arrests made; complaints, informations, and petitions filed; the disposition made thereof; and other information useful in determining the amount and causes of juvenile delinquency in this state. In order to facilitate the collection of such information, the department shall be authorized to inspect and copy all records of the court and law enforcement agencies pertaining to juveniles.

“(o) When a child who is committed to the department is under court order to make certain restitution as a part of his treatment by the court, the requirement that the restitution be paid in full shall not cease with the order of commitment. The provision of the order requiring restitution shall remain in force and effect during the period of commitment and the department is empowered to enforce said restitution requirement and to direct that payment of funds or notification of service completed be made to the clerk of the juvenile court or another employee of that court designated by the judge.”

OPINIONS OF THE ATTORNEY GENERAL

Responsibility for providing education. — When a student is committed to the department, the educational agency responsible for providing a free and appropriate public education under the federal Individuals with Disabilities Education Act (20 U.S.C. § 1400 et seq.) is either the department or the local school district in which the student resides. 1995 Op. Att'y Gen. No. 95-6.

All costs related to subsistence and detention, including emergency medical costs, incurred on behalf of juveniles held in Department of Juvenile Justice facilities prior to a formal commitment to the department are properly assessed to the counties. 2002 Op. Att'y Gen. No. 2002-6.

49-4A-9. (For effective date, see note.) Sentence of youthful offenders; modification of order; review; participation in programs.

(a) Any child who has previously been adjudged to have committed an act which is a felony if tried in a superior court and who, on a second or subsequent occasion, is convicted of a felony in a superior court may, in the discretion of the court, be sentenced into the custody of the department as otherwise provided by law or be committed as a youthful offender as authorized in Chapter 7 of Title 42; provided, further, that any child convicted of a felony punishable by death or by confinement for life shall only be sentenced into the custody of the Department of Corrections.

(b) (For effective date, see note.) Any final order of judgment by the court in the case of any such child shall be subject to such modification from time to time as the court may consider to be for the welfare of such child. No commitment of any child to any institution or other custodial agency shall deprive the court of jurisdiction to change the form of the commitment or transfer the custody of the child to some other institution or agency on such conditions as the court may see fit to impose, the duty being constant upon the court to give to all children subject to its jurisdiction such oversight and control in the premises as will be conducive to the welfare of the child and the best interests of the state; provided, however, that the release of any child committed to the

department for detention in any of its institutions under the terms of this chapter during the period of one year from the date of commitment shall be had only with the concurrence and recommendation of the commissioner or the commissioner's designated representative; provided, further, that upon releasing any child adjudicated for committing a delinquent act for the commission of a class A designated felony act or class B designated felony act as defined in Code Section 15-11-2 and committed to the department for detention in any of its institutions under the terms of this chapter, the department shall provide notice to any person who was the victim of the child's delinquent acts that the child is being released. So long as a good faith attempt to comply with the notice requirement of this subsection has been made, the department and employees of the department shall not be liable for damages incurred by reason of the department's failure to provide the notice required by this subsection.

(c) After the expiration of one year from the date of commitment, the committing court shall review the case and make such order with respect to the continued confinement or release of the child back to the committing court for further disposition as the court deems proper.

(d) In the event adequate facilities are not available, the department shall have the right to transfer youths committed to the department under this Code section to the Department of Corrections for incarceration in an appropriate facility designated by the Department of Corrections.

(e) (For effective date, see note.) Any child under 17 years of age who is sentenced in the superior court and committed to the department may be eligible to participate in all juvenile detention facility programs and services including community work programs, sheltered workshops, special state sponsored programs for evaluation and services under the Georgia Vocational Rehabilitation Agency and the Department of Behavioral Health and Developmental Disabilities, and under the general supervision of juvenile detention facility staff at special planned activities outside of the juvenile detention facility. When such a child sentenced in the superior court is approaching his or her seventeenth birthday, the department shall notify the court that a further disposition of the child is necessary. The department shall provide the court with information concerning the participation and progress of the child in programs described in this subsection. The court shall review the case and determine if the child, upon becoming 17 years of age, should be placed on probation, have his or her sentence reduced, be transferred to the Department of Corrections for the remainder of the original sentence, or be subject to any other determination authorized by law. The 2012 amendment, effective July 1, 2012, substituted “Georgia Vocational Rehabilitation Agency” for “Division of Rehabilitation Services of the Department of Labor” in the first sentence of subsection (e).

The 2013 amendment, effective January 1, 2014, in subsection (b), in the second sentence, deleted “or parole” preceding “of any child” in the first proviso, in the second proviso, deleted “or paroling” following “upon releasing”, substituted “for committing a delinquent act” for “delinquent”, inserted “class A designated felony act or class B”, substituted “Code Section 15-11-2” for “Code Section 15-11-63”, and deleted “or paroled” following “released” at the end, and, in the last sentence, substituted “So long as” for “As long as” at the beginning; and, in subsection (e), substituted “juvenile detention facility” for

49-5-2. Purpose of article.

The purpose of this article is to promote, safeguard, and protect the well-being and general welfare of children and youth of this state through a comprehensive and coordinated program of public child welfare and youth services, providing for:

- (1) Social services and facilities for children and youths who require care, control, protection, treatment, or rehabilitation and for the parents of such children;

(2) Setting of standards for social services and facilities for children and youths;

(3) Cooperation with public and voluntary agencies, organizations, and citizen groups in the development and coordination of programs and activities in behalf of children and youth; and

(4) Promotion of community conditions and resources that help parents to discharge their responsibilities for the care, development, and well-being of their children.

It is the further purpose of this article to provide for a qualified group of citizens and leading professionals who will identify and study the problems of youth, recommend and effect possible solutions, and work actively for state and local action to prevent children and youths from becoming inmates of our prisons, patients in our mental hospitals, and persons dependent upon public assistance programs. (Ga. L. 1963, p. 81, § 2.)

OPINIONS OF THE ATTORNEY GENERAL

Fire safety standards for day care centers. — Board of Human Resources had lawful authority to adopt the 1973 Life Safety Code (National Fire Protection Association standard 101), a comprehensive set of standards that deals with preventing and controlling losses from fire, as part of the rules and regulations for day care centers, and the Department of Human Resources has lawful authority to enforce compliance with code standards. 1976 Op. Att'y Gen. No. U76-6.

Contracting with private institution for provision of day care. — De-

partment may contract with a private institution for the purpose of providing day care and other specialized services for mentally retarded children, assign responsibility for the supervision of this contract to the Division for Children and Youth (now Department of Children and Youth Services) and use funds allocated from the Governor's Emergency Fund for these purposes, provided that the contracts do not create a continuing obligation for the state. 1970 Op. Att'y Gen. No. 70-96.

Such centers are designated sites that provide child placing services and nursing care, clinical support services, and therapies for short-term stays of one to 14 days and for longer stays of up to 90 days to facilitate transitions of children to homes or other appropriate settings. Extended stays of up to 12 months may be approved by the department by waiver.

The enactment of this Act shall not affect any prosecutions for acts occurring before January 1, 2014, and shall not act as an abatement of any such prosecutions.”

JUDICIAL DECISIONS

“Legal custody.” — Visitation rights of a parent of a child in the custody of the Department of Family and Children Ser-

vices are a residual “parental tie” which is not severed by the mere placement of the child in the temporary custody of the

department without a specific finding as to that right. In re K.B., 188 Ga. App. 199, 372 S.E.2d 476 (1988).

Once temporary legal custody of a child was placed in the department under a shelter care order, the sole right to determine where and with whom the child would live vested with the department; the direction of the trial court to remove the child from the father's home was not binding, and the trial court's later contempt finding based on this order was improper. In re Tidwell, 279 Ga. App. 734, 632 S.E.2d 690 (2006).

Impact of 2003 amendment to O.C.G.A. § 15-11-55. — Juvenile court erred in awarding legal custody of two children to the Department of Family and Children Services (DFACS) and then ordering that physical custody be given to the maternal grandparents as: (1) once legal custody of a deprived child has been granted to DFACS, the juvenile court cannot dictate physical custody; (2) nothing in O.C.G.A. § 15-11-55(a)(2) allowed any redefinition of legal custody as defined in O.C.G.A. § 49-5-3(12); (3) using the rules of construction, § 15-11-55(a)(2) followed the statutory and legal precedent that the grant of legal custody to DFACS included the right to determine physical custody; and (4) the 2003 amendment to § 15-11-55 did not reject the statutory definition of legal custody. In the Interest of A.N., 281 Ga. 58, 636 S.E.2d 496 (2006).

Nothing in O.C.G.A. § 15-11-55(a)(2) allows any redefinition of legal custody as defined in O.C.G.A. § 49-5-3(12). Instead, § 15-11-55(a)(2) follows the statutory and legal precedent that the grant of legal custody to the Department of Family and

Children Services includes the right to determine physical custody; the 2003 amendment to § 15-11-55 does not reject the statutory definition of legal custody. In the Interest of A.N., 281 Ga. 58, 636 S.E.2d 496 (2006).

Joint legal and physical custody. — Juvenile court exceeded the court's authority when the court awarded joint legal and physical custody of a deprived child jointly with the Department of Human Resources (DHR) and unrelated third parties when the DHR objected to such arrangement. In re J.N.T., 212 Ga. App. 498, 441 S.E.2d 918 (1994).

Authority to determine physical placement of children. — Trial court erred in ordering the Department of Family and Children's Services (DFACS) to remove a foster child from the care of the child's foster parent because the order improperly infringed upon the authority of DFACS to determine the physical placement of children within the department's custody; DFACS had legal custody of the child since the child was born, and DFACS, as legal custodian, stood in loco parentis and had all legal rights of a natural parent, including the benefit of a prima facie right to custody. In re Goudeau, 305 Ga. App. 718, 700 S.E.2d 688 (2010).

(b) The board shall establish rules and regulations for the government, operation, and maintenance of all training schools, facilities, and institutions now or hereafter under the jurisdiction and control of the department, bearing in mind at all times that the purpose for existence and operation of such schools, facilities, and institutions and all activities carried on therein shall be to carry out the rehabilitative program provided for by this article and to restore and build up the self-respect and self-reliance of children and youths lodged therein so as to qualify and equip them for good citizenship and honorable employment. OPINIONS OF THE ATTORNEY GENERAL

Authority over training schools, institutions, and detention centers. — Based upon the fact that O.C.G.A. § 49-5-5 expressly extends the rule-making power of the Board of Human Resources not only to the operation and

maintenance of training schools but also to any facility or institution under the jurisdiction and control of the Division for Children and Youth (now Division of Family and Children Services of the Department of Human Resources), the admission

procedures and policies pertaining to regional detention centers are likewise within the discretion of the department. 1971 Op. Att'y Gen. No. 71-161.

Acceptance of children from federal institutions and provision of services. — State Department of Family and Children Services (now Division of Family and Children Services of the Department of Human Resources) is authorized to enter into agreements to accept children and youth from the federal penal and corrective institutions and agencies and to provide the children and youth with the services extended by the facilities of the department to those children taken pursuant to Georgia court orders; the conditions and circumstances under which such agreements should be effectuated is a matter within the administrative powers of the board pursuant to this section and can be effectuated by the adoption of such appropriate rules and regulations as the board deems necessary. Adequate compensation for the costs thereof may be collected by the department from the agency transferring the children or youth to the Georgia facilities. 1968 Op. Att'y Gen. No. 68-191.

Fire safety standards for day care centers. — Board of Human Resources had lawful authority to adopt the 1973 Life Safety Code (National Fire Protection Association standard 101), a comprehensive

set of standards that deals with preventing and controlling losses from fire, as part of the rules and regulations for day care centers, and the department has lawful authority to enforce compliance with code standards. 1976 Op. Att'y Gen. No. U76-6.

Formula for determining allocation of funds to counties. — State Board for Children and Youth (now Board of Human Resources) has the authority to provide a formula for determining the funds to be allocated and distributed to the counties. 1968 Op. Att'y Gen. No. 68-419.

Limits on amount spent by counties for detention purposes. — State Board for Children and Youth (now Board of Human Resources) has the power to incorporate in a formula a provision that the funds disbursed for county-owned detention purposes will not exceed the total funds spent by the various counties for detention purposes during the fiscal year involved. 1968 Op. Att'y Gen. No. 68-419.

Imposition of limits on spending based on amount spent in preceding year. — State Board for Children and Youth (now Board of Human Resources) does not have the authority to provide in a formula that the funds allocated and distributed to a county in one fiscal year will not be in excess of the total funds spent by the county for detention purposes during the preceding year. 1968 Op. All other professional personnel and all other employees of the department under this article shall be employed and dismissed for cause by the commissioner in accordance with such rules and regulations as may be promulgated by the board in regard thereto. Employees of the department under this article shall in all instances be employed and dismissed in accordance with rules and regulations of the State Personnel Board.

(d) All personnel of the Division of Family and Children Services are authorized to be members of the Employees' Retirement System of Georgia, Chapter 2 of Title 47. All rights, credits, and funds in that retirement system which are possessed by state personnel transferred by provisions of this article to the division, or otherwise had by persons at the time of employment with the division, are continued and preserved, it being the intention of the General Assembly that such persons shall not lose any rights, credits, or funds to which they may be entitled prior to becoming employees of the division. (Ga. L. 1963, p. 81, § 8; Ga. L. 1992, p. 1983, § 26; Ga. L. 2009, p. 745, § 2/SB 97; Ga. L. 2012, p. 446, § 2-98/HB 642.)

The 2012 amendment, effective July 1, 2012, substituted "State Personnel Board" for "State Personnel Administration" at the end of subsection (c).

Editor's notes. — Ga. L. 2012, p. 446, § 3-1/HB 642, not codified by the General Assembly, provides that: "Personnel, equipment, and facilities that were assigned to the State Personnel Administration as of June 30, 2012, shall be trans-

ferred to the Department of Administrative Services on the effective date of this Act." This Act became effective July 1, 2012.

Ga. L. 2012, p. 446, § 3-2/HB 642, not codified by the General Assembly, provides that: "Appropriations for functions which are transferred by this Act may be transferred as provided in Code Section 45-12-90."

49-5-7. Development and administration of public child welfare and youth services.

(a) The department is designated the exclusive state agency:

(1) For development and administration of a comprehensive state plan and program providing public child welfare and youth services provided for in Title IV, Part B, of the federal Social Security Act;

(2) For administering, supervising, and discharging all duties required by any other act of Congress and any amendments thereto that may now or hereafter allot federal funds for public child welfare and youth services coming within the scope of this article;

(3) For administering and supervising local administration of public child welfare and youth services provided for in this article; and

(4) For receiving and expending on behalf of the state all funds which now or hereafter may become available or allotted to this state by virtue of any appropriation or act of Congress or regulation of the federal government, its agencies, and instrumentalities or be appropriated by the General Assembly for public child welfare and youth services to be administered by the department as provided for in this article. The department is authorized to use so much of funds as may be appropriated by the General Assembly for the purpose of matching federal grants for public child welfare and youth services provided for in this article as may be necessary to secure such grants, derive full advantage to the state of benefits contemplated under the terms of such grants, and comply with the terms of such grants.

(b) County or district departments are designated the local public agencies to administer locally the state plan and program for public child welfare and youth services to be developed in accordance with paragraph (1) of subsection (a) of this Code section and other public child welfare and youth services provided for in this article and shall administer them in accordance with rules and regulations to be established by the board. The department shall aid, assist, supervise, coordinate, and direct the administering of such public child welfare and youth services by county or district departments and enforce the rules and regulations of the board in regard thereto.

(c) The cost of all child welfare benefits and services and the cost of administration thereof, authorized by this article, shall be met from such funds as shall be made available therefor from federal and state appropriations. No county shall hereafter be required to participate in the cost of any child welfare benefit or service or in the cost of administration thereof. For the purpose of this subsection, "cost of administration" means salaries and traveling expenses of the county or district director and other employees of the staff of the county or district department engaged in the performance of child welfare and youth services provided for under this article.

(d) Public child welfare and youth services similar to those to be provided by the department under this article and pursuant to Title IV, Part B, of the federal Social Security Act shall, by cooperative agreement or contract by and between the Department of Human Services

and county or district departments of family and children services be made available to recipients of and persons who have been or are likely to become recipients of assistance under the temporary assistance for needy families program provided for in Article 5 of Chapter 4 of this title and related federal laws, to include foster home care and other child care referred to in Section 408 of Title IV of the federal Social Security Act. The department is designated the “state public welfare agency” referred to in Sections 408(a) and (f) and 421 of Title IV of the federal Social Security Act.

(e) The commissioner shall, in developing and administering the state plans and programs referred to in paragraph (1) of subsection (a) and in subsection (d) of this Code section, provide by cooperative agreement and contract where necessary for coordination of such plans and programs with a view toward providing welfare and related services on a comprehensive basis that will best promote the welfare of children and youths and their families and best effectuate and coordinate effective implementation and administration of both such plans and programs at the local level of administration.

(f) Nothing in this article is intended to conflict with any federal law or result in loss of eligibility of the department or any other department of state government to any federal funds. In case such a conflict or loss of federal funds should occur by virtue of enactment of any portion of this article, then such portion of this article in conflict with such federal law or otherwise causing loss of such funds is declared to be of no effect and void. The board is authorized and empowered in such event to take such action as may be necessary and to effect such changes within the department as may be necessary to prevent loss of such funds to the department or any other department of state government affected and to secure to the same the full benefit of the federal laws. OPINIONS OF THE ATTORNEY GENERAL

ANALYSIS

GENERAL CONSIDERATION

COURT JURISDICTION AND RESPONSIBILITIES

DEPARTMENT'S CUSTODY AND RESPONSIBILITIES

PAROLE ELIGIBILITY

LOSS OF CIVIL RIGHTS

General Consideration

Payment of travel expenses authorized. — Inasmuch as the creation of an advisory council was within the scope of Ga. L. 1937, p. 355 (see O.C.G.A. §§ 49-2-1, 49-2-7), it follows that the payment of the out-of-pocket travel expenses to enable the council to function efficiently and thus assist in the accomplishment of the department's express statutory duties as set forth in Ga. L. 1963, p. 81, §§ 9 and 24 (see O.C.G.A. §§ 49-2-6 and 49-5-7 et seq.) must also be an implied power, such disbursement being incidental to and reasonably necessary to the accomplishment of the department's purpose, duties, and responsibilities. 1963-65 Op. Att'y Gen. p. 320.

Effect on power of superior court. — Ga. L. 1972, p. 1251, § 11 (see O.C.G.A. § 49-5-7) sets apart a defined class of offenders and directs how those offenders shall be punished for the offense; in doing this, the power of any superior court to try an individual under the age of 17 for any given crime is in no way affected; that section is like, in this respect, Ga. L. 1972, p. 582, § 1 (see O.C.G.A. § 42-5-51) which provides that the commissioner of corrections and not the sentencing court designates the place of confinement of any individual within the court's jurisdiction.

1972 Op. Att'y Gen. No. 72-3.

Legislature dictates manner in which youthful convicts will be punished. — This section treats individuals who have already been convicted by a court of a particular crime and concerns only the manner in which these particular convicts shall be punished; as to the particular punishment which may be imposed following conviction of a crime, the matter is not within the province of the judiciary, rather the legislature has exclusive jurisdiction in the matter of dictating how crimes shall be punished. 1972 Op. Att'y Gen. No. 72-3.

Parole power of State Board of Pardons and Paroles. — Within the one-year period from the original date of commitment, the trial court has the authority, under former subparagraph (a)(5)(B) of this section, to modify the court's original sentence, but the State Board of Pardons and Paroles also has the authority, subject to the board's own guidelines, to parole persons incarcerated pursuant to former subparagraph (a)(5)(A) of this section. 1980 Op. Att'y Gen. No. 80-142.

State Board of Pardons and Paroles need not have the concurrence and recommendation of the director of the Division for Children and Youth before the board can consider persons incarcerated under

former subparagraph (a)(5)(A) of this section for parole. 1980 Op. Att'y Gen. No. 80-142.

Word "parole" in former subparagraph (a)(5)(B) of this section does not relate to performance by State Board of Pardons and Paroles of the board's duties but rather relates to the modification of the sentence by the committing court so as to "release or parole" those persons incarcerated pursuant to former subparagraph (a)(5)(A) of this section. 1980 Op. Att'y Gen. No. 80-142.

Court Jurisdiction and Responsibilities

Except in the case of capital crimes, juvenile courts generally have exclusive, original jurisdiction of children and may not transfer those children to other courts for criminal proceedings unless the child is 15 or older; a person will not come to the Department of Offender Rehabilitation (now Department of Corrections) under the exceptions of former subparagraph (a)(5)(A) of this section, unless the person is less than 17, and unless the person is at least 13 in the case of a capital crime or is at least 15 in the case of other crimes. 1974 Op. Att'y Gen. No. 74-88.

Commitment to the Department of Offender Rehabilitation (now Department of Corrections) is mandatory if the child is convicted of a capital crime under Ga. L. 1974, p. 1455, § 1 (see O.C.G.A. § 49-5-7); it is a discretionary decision for the court in the other two situations under which Ga. L. 1974, p. 1455, § 1 (see O.C.G.A. §§ 49-5-7 and former 49-5-11) authorize commitment to the department. 1974 Op. Att'y Gen. No. 74-88.

Determination of previous adjudications required under section is judicial function. — Different ages referred to in former subparagraph (a)(5)(A) of Ga. L. 1973, p. 563, § 1 and Ga. L. 1971, p. 709, § 1 (see O.C.G.A. §§ 49-5-7 and 15-11-39) are not in conflict with one another, and the determination of previous adjudications required in one aspect of former subparagraph (a)(5)(A) is a judicial function rather than an administrative function. 1974 Op. Att'y Gen. No. 74-88.

Department should notify committing court of court's responsibility for one-year case review. — Primary responsibility for a one-year case review under this section rests with the committing court; as a practical matter, the Division for Children and Youth (now Department of Children and Youth Services) should notify the committing court of this responsibility. 1970 Op. Att'y Gen. No. 70-65.

Department's Custody and Responsibilities

Custody provision not unconstitutional. — Former provision in this section providing for the custody of convicted misdemeanants and felons under the age of 17 was not unconstitutional. 1972 Op. Att'y Gen. No. 72-3.

Exclusive state agency for acceptance and incarceration of misdemeanants and noncapital felons under age 17. — As a general rule, the legislature has designated the Board of Offender Rehabilitation (now Department of Corrections) as the sole agency for the reception and assignment of all convicted misdemeanants and felons. A notable exception to this general provision provides that the Division for Children and Youth (now Department of Children and Youth Services) is designated the exclusive state agency for the acceptance and incarceration of all misdemeanants and felons under the age of 17 years; provided, however, that those felons convicted of a capital felony shall only be sentenced into the custody of the Department of Offender Rehabilitation (now Department of Corrections). 1972 Op. Att'y Gen. No. 72-3.

Responsibility for children convicted of noncapital crimes ends at age 17. — Department of Human Resources' (now Department of Children and Youth Services') legal responsibility for children under the age of 17 who have been convicted of noncapital crimes ends when the children reach the age of 17 at which time the children must either be released or transferred to the Department of Offender Rehabilitation (now Department of Corrections) in accordance with

Department's Custody and Responsibilities (Cont'd)

the court's order. 1974 Op. Att'y Gen. No. 74-139.

Notification of sentencing court prior to child's seventeenth birthday.

— Even if the child is committed to the Department of Human Resources (now Department of Children and Youth Services) before the child's seventeenth birthday, the department cannot confine the child beyond that date and the department's legal responsibility for the child terminates on that day; prior to a committed child's seventeenth birthday the department should notify the sentencing court that a further disposition or a release must be made. 1974 Op. Att'y Gen. No. 74-139.

Transfer of youth to Department of Corrections. — A 16-year old originally committed to the department may be transferred on the child's seventeenth birthday to the Department of Offender Rehabilitation (now Department of Corrections) by order of the committing court under the provisions of Ga. L. 1972, p. 592, § 1 (see O.C.G.A. Ch. 7, T. 42); the offender's term of custody should be computed from the date of original conviction. 1975 Op. Att'y Gen. No. 75-47.

Effect of criminal sentence imposed subsequent to unexpired commitment order. — Department of Offender Rehabilitation (now Department of Corrections) properly has custody of an individual under provisions of criminal sentence which was imposed subsequent to unexpired order of commitment; at the expiration of the criminal sentence, alternative arrangements for custody should be made for the remainder of the term of commitment. 1975 Op. Att'y Gen. No. 75-20.

Crimes by children punishable by life imprisonment or death. — Kidnaping, not being punishable by death or imprisonment for life, is not an offense which requires the offender under 17 years of age to be placed in the sole custody of the Department of Offender Rehabilitation (now Department of Corrections); when the offender under 17 years of age is convicted of kidnapping for

ransom or kidnapping in which the victim receives bodily injury, both being offenses punishable by life imprisonment or death, the offender shall be sentenced only into the custody of the Department of Offender Rehabilitation (now Department of Corrections). 1975 Op. Att'y Gen. No. 75-73.

Parole Eligibility

Youth's sentence begins to run when placed under custody of department. — When custody of a felon 16 years of age is transferred by court order from the department to the Department of Offender Rehabilitation (now Department of Corrections), the sentence begins to run when the youth is placed under the custody of the Department of Human Resources. 1975 Op. Att'y Gen. No. 75-78.

Parole eligibility includes time spent in custody of department. — Because a sentence begins running from the time of incarceration under the department, the prisoner must serve one-third of the time to which the prisoner has been sentenced, including the time the prisoner has spent in the custody of the department before becoming eligible for parole. 1975 Op. Att'y Gen. No. 75-78.

Good-time computations should not include time spent incarcerated under department. — Time spent by a felon incarcerated under the department is not to be considered by the Board of Corrections when computing good-time allowances; rather, good-time should be computed from the date the felon is received by an institution under the board's jurisdiction. 1975 Op. Att'y Gen. No. 75-78.

Loss of Civil Rights

Child convicted of crime involving moral turpitude. — Person convicted of a crime before reaching the age of 17 loses the right to vote if convicted of a crime involving moral turpitude even though the person is committed to the department, rather than sentenced to the Board of Corrections; the right to vote and other civil and political rights, however, may be restored by the Board of Pardons and Paroles. 1975 Op. Att'y Gen. No. 75-17.

Youth loses voting right if crime committed is punishable by impris-

onment. — When a youth has not been imprisoned in a penitentiary but has been committed to the department, the constitutional disqualification of the right to

vote attaches if the crime committed is punishable by imprisonment. 1975 Op. Att'y Gen. No. 75-17.

Editor’s notes. — Ga. L. 1993, p. 1969, contains two sections numbered as “1”. The language quoted below is from the first Section 1 of that Act.

Ga. L. 1993, p. 1969, § 1, not codified by the General Assembly, provides: “The General Assembly estimates that up to \$6 million will be saved on an annual basis

when the provisions of Code Sections 49-4-112, 49-4-113, and 49-4-115 are fully implemented for complete fiscal years. It is the intent of the General Assembly that such cost savings realized by the implementation of these three Code sections be redirected into the Aid to Families with Dependent Children program in the following priorities:

“(1) Extension of transitional Medicaid for up to 24 months provided a federal waiver is obtained;

“(2) Expansion of PEACH program slots; and

“(3) Child care assistance for low-income working families.”

Ga. L. 2013, p. 294, § 5-1/HB 242, not codified by the General Assembly, provides that: “This Act shall become effective on January 1, 2014, and shall apply to all offenses which occur and juvenile proceedings commenced on and after such date. Any offense occurring before January 1, 2014, shall be governed by the statute in effect at the time of such offense and shall be considered a prior adjudication for the purpose of imposing a disposition that provides for a different penalty for subsequent adjudications, of whatever class, pursuant to this Act. The enactment of this Act shall not affect any prosecutions for acts occurring before January 1, 2014, and shall not act as an abatement of any such prosecutions.”

OPINIONS OF THE ATTORNEY GENERAL

Payment of travel expenses authorized. — Inasmuch as the creation of an advisory council was within the scope of Ga. L. 1937, p. 355 (see O.C.G.A. §§ 49-2-1 and 49-2-7), it follows that the payment of the out-of-pocket travel expenses to enable the council to function efficiently and thus assist in the accomplishment of the department's express statutory duties as set forth in Ga. L. 1963, p. 81, §§ 9 and 24 (see O.C.G.A. §§ 49-2-6 and 49-5-7 et seq.) must also be an implied power, such disbursement being incidental to and reasonably necessary to the accomplishment of the department's purpose, duties, and responsibilities. 1963-65 Op. Att'y Gen. p. 320.

School official not liable for good faith involvement. — School official would not be held liable in a legal action founded upon the official's good faith reference of a child neglect, abuse, or abandonment situation to a county department of family and children services for investigation, or, upon the official's assistance in such investigation by permitting the child to be interviewed at the school or in the offices of the county department dur-

ing school hours. 1963-65 Op. Att'y Gen. p. 746.

Establishment of admission or discharge policies which negate court detention orders. — Department does not have the authority to establish policies for admission to or discharge from regional youth development centers which negate detention orders of the juvenile court or superior court; however, the department does have the authority to establish standards and policies supplementary to the detention orders. 1974 Op. Att'y Gen. No. 74-139.

County departments to provide medical services. — This section authorizing the Division for Children and Youth (now Division of Family and Children Services of the Department of Human Resources) to provide medical services, or the cost of such services, to children subject to the department's "supervision and control," would apply to children in the custody of county departments of family and children services. 1971 Op. Att'y Gen. No. 71-138.

"Supervision and control" over children committed to county departments. — Any child committed to the

Responsibility of department to transport juveniles to departmental facilities. — It is the responsibility, including the payment of the cost therefor, of the department to transport juveniles, which have been adjudged to be delinquent and committed to the department, from regional youth development centers to state centers inasmuch as both regional and state centers are part of the total facilities of the department which have been established for the care, treatment, and rehabilitation of juveniles committed to the custody of the department. 1969 Op. Att'y Gen. No. 69-360.

49-5-9. Use of public and private institutions and agencies; inspections; examination and control of children not in department's facilities.

(a) The department is authorized to make use of law enforcement detention, supervisory, medical, educational, and other public or private facilities, institutions, and agencies within the state for the purposes of this article; provided, however, that this shall not give the department authority to transfer any child or youth under its custody and control to any penal institution in the state without due process of law. When funds are available, the department may enter into agreements with appropriate private or public officials of private or public institutions and agencies for separate care and special treatment of children and youths subject to the control of the department.

(b) The department is given the right and is required to inspect periodically all public and private institutions and agencies whose facilities it is using. Every institution and agency, whether public or private, is required to afford the department reasonable opportunity to examine or consult with children and youths committed to the department who are for the time being in the custody of the institution or agency.

(c) Placement of a child or youth by the department in any institution or agency not operated by the department or the release of such child or youth from such an institution or agency shall not terminate the control of the department over such child or youth. No child or youth placed in such institution or under such an agency may be released by the institution or agency without the approval of the department. (Ga. L. 1963, p. 81, § 12.)

Payment of travel expenses authorized. — Inasmuch as the creation of an advisory council was within the scope of Ga. L. 1937, p. 355 (see O.C.G.A. §§ 49-2-1 and 49-2-7), it follows that the payment of the out-of-pocket travel expenses to enable the council to function efficiently and thus assist in the accomplishment of the department's express statutory duties as set forth in Ga. L.

49-5-12. Licensing and inspection of child welfare agencies; standards; revocation or refusal of license; penalties; violations.

(a) As used in this Code section, the term "child welfare agency" means any child-caring institution, child-placing agency, children's transition care center, or maternity home.

(b) All child welfare agencies, as defined in subsection (a) of this Code section, shall be licensed or commissioned annually by the department in accordance with procedures, standards, rules, and regulations to be established by the board. The board shall develop and publish in print or electronically rules and regulations for licensing or commissioning of child welfare agencies. Child welfare agencies electing to be commissioned rather than licensed shall operate in accordance with the same procedures, standards, rules, and regulations for licensing of child welfare agencies. A license issued to a child-placing agency shall be deemed approval of all foster family homes approved, supervised, and used by the licensed child-placing agency as a part of its work, subject to this article and rules and regulations of the board.

(c) The department shall assist applicants or licensees or persons holding commissions in meeting rules and regulations of the department for child welfare agencies and, if a licensee or person holding a commission is, for any reason, denied renewal of a license or commission or if a license or commission is revoked or if any applicant for a license or commission cannot meet department rules and regulations

for child welfare agencies, the department shall assist in planning the placement of children, if any, in the custody of such child welfare agency in some other licensed or commissioned child welfare agency or assist in returning them to their own homes or in making any other plans or provisions as may be necessary and advisable to meet the particular needs of the children involved.

(d) Application for a license or commission shall be made to the department upon forms furnished by the department. Upon receipt of an application for a license or commission and upon presentation by the applicant of evidence that the child welfare agency meets the rules and regulations prescribed by the department, the department shall issue such child welfare agency a license or commission for no more than one year.

(e) If the department finds that any child welfare agency applicant does not meet rules and regulations prescribed by the department but is attempting to meet such rules and regulations, the department may, in its discretion, issue a temporary license or commission to such child welfare agency, but such temporary license or commission shall not be issued for more than a one-year period. Upon presentation of satisfactory evidence that such agency is making progress toward meeting prescribed rules and regulations of the department, the department may, in its discretion, reissue such temporary license or commission for one additional period not to exceed one year. As an alternative to a temporary license or commission, the department, in its discretion, may issue a restricted license or commission which states the restrictions on its face.

(f) The department shall refuse a license or commission upon a showing of:

(1) Noncompliance with the rules and regulations for child welfare agencies as adopted by the Board of Human Services which are designated in writing to the facilities as being related to children's health and safety;

(2) Flagrant and continued operation of an unlicensed or uncommissioned facility in contravention of the law; or

(3) Prior license or commission denial or revocation within one year of application.

(g) All licensed or commissioned child welfare agencies shall prominently display the license or commission issued to such agency by the department at some point near the entrance of the premises of such agency that is open to view by the public.

(h) The department's action revoking or refusing to renew or issue a license or commission required by this Code section shall be preceded

by notice and opportunity for a hearing and shall constitute a contested case within the meaning of Chapter 13 of Title 50, the "Georgia Administrative Procedure Act," except that only 30 days' notice in writing from the commissioner's designee shall be required prior to license or commission revocation and except that hearings held relating to such action by the department may be closed to the public if the hearing officer determines that an open hearing would be detrimental to the physical or mental health of any child who will testify at that hearing.

(i) Child-caring institutions and child-placing agencies, when licensed in accordance with this Code section, may receive needy or dependent children from their parents, guardians, custodians, or persons serving in loco parentis for special, temporary, or continued care. Parents, guardians, custodians, or persons serving in loco parentis to such children may sign releases or agreements giving to such institutions or agencies custody and control over such children during the period of care. Children's transition care centers may receive medically fragile children from their parents, guardians, custodians, or persons serving in loco parentis for special, temporary, or continued care to facilitate transitions from a hospital or other facility to a home or other appropriate setting.

(i.1) A children's transition care center shall serve no more than six children per residence or 16 children per campus at a time. Children's transition care center services shall be available to all families in this state, including those whose care is paid for through the Department of Community Health or the Department of Human Services or by insurance companies that cover home health care services or private duty nursing care in the home. Each children's transition care center location shall be physically separate and apart from any other facility licensed by the Department of Human Services under this chapter and shall provide one or more of the following services: respite care, registered nursing or licensed practical nursing care, transitional care for the facilitation of transitions to a home or other appropriate setting and reunion of families, medical day care, weekend camps, and diagnostic studies typically done in the home setting.

(j) Child-placing agencies, in placing children in foster family homes, shall safeguard the welfare of such children by thoroughly investigating each such home and the character and reputation of the persons residing therein and shall adequately supervise each home during the period of care. All children placed in foster family homes shall, as far as is practicable, be placed with persons of the same religious faith as the children themselves or the children's parents.

(k) It shall be the duty of the department to inspect at regular intervals all licensed or commissioned child welfare agencies within the

state, including foster family homes used by such child-placing agencies. The department shall have right of entrance, privilege of inspection, and right of access to all children under the care and control of the licensee or commissionee.

(l) If any flagrant abuses, derelictions, or deficiencies are made known to the department or its duly authorized agents during their inspection of any child welfare agency or if, at any time, such are reported to the department, the department shall immediately investigate such matters and take such action as conditions may require.

(m) If abuses, derelictions, or deficiencies are found in the operation and management of any child welfare agency, they shall be brought immediately to the attention of the management of such agency; and if correctable, but not corrected within a reasonable time, the department shall revoke the license or commission of such agency in the manner prescribed in this Code section.

(n) The department may require periodic reports from child welfare agencies in such forms and at such times as the department may prescribe.

(o) Child welfare agencies and other facilities and institutions wherein children and youths are detained which are operated by any department or agency of state, county, or municipal government shall not be subject to licensure under this Code section, but the department may, through its authorized agents, make periodic inspections of such agencies, facilities, and institutions. Reports of such inspections shall be made privately to the proper authorities in charge of such agencies, facilities, or institutions. The department shall cooperate with such authorities in the development of standards that will adequately protect the health and well-being of all children and youths detained in such agencies, facilities, and institutions or provided care by them. The department may recommend changes in programs and policies and if, within a reasonable time, the standards established by the department and the recommendations of the department are not met, it shall be the duty of the commissioner to make public in the community in which such agency, facility, or institution is located the report of the above-mentioned inspection and the changes recommended by the department. If any serious abuses, derelictions, or deficiencies are found and are not corrected within a reasonable time, the commissioner shall report them in writing to the Governor.

(p) Any child welfare agency that shall operate without a license or commission issued by the department shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than \$50.00 nor more than \$200.00 for each such offense. Each day of operation without a license or commission shall constitute a separate offense.

(q) No person, official, agency, hospital, maternity home, or institution, public or private, in this state shall receive or accept a child under 17 years of age for placement or adoption or place such a child, either temporarily or permanently, in a home other than the home of the child's relatives without having been licensed or commissioned by the department. Notwithstanding the provisions of Code Section 49-5-12.1, violation of this subsection shall be punishable by a fine of not less than \$100.00 nor exceeding \$500.00 for each offense. Nothing in this Code section shall be construed to prohibit a properly licensed attorney at law from providing necessary legal services and counsel to parties engaged in or contemplating adoption proceedings. Nothing in this Code section shall be construed to prohibit an individual seeking to:

(1) Adopt a child or children from receiving or accepting a child or children in the individual's home in anticipation of filing a petition for adoption under Article 1 of Chapter 8 of Title 19; or

(2) Have that individual's child or children placed for adoption from placing that individual's child or children in the home of an individual who is not related to the child or children in anticipation of the individual's initiation of adoption proceedings pursuant to Article 1 of Chapter 8 of Title 19.

(r) The department may, without regard to the availability of other remedies, including administrative remedies, seek an injunction against the continued operation of a child welfare agency without a license or commission or the continued operation of a child welfare agency in willful violation of this article or of any regulation of the department or in violation of any order of the board.

(s) The term "licensed child welfare agency" shall include a commissioned child welfare agency and any references in this Code to a licensed child welfare agency, including criminal, administrative, and civil provisions applicable to licensed child welfare agencies, shall include and apply to commissioned child welfare agencies unless otherwise provided in this article. (Ga. L. 1963, p. 81, §§ 3, 14; Ga. L. 1967, p. 772, § 1; Ga. L. 1973, p. 560, § 1; Ga. L. 1982, p. 3, § 49; Ga. L. 1982, p. 706, §§ 1, 3, 9, 10; Ga. L. 1983, p. 3, § 38; Ga. L. 1984, p. 22, § 49; Ga. The 2013 amendment, effective July 1, 2013, deleted former subsection (t), which read: "The department shall recommend in writing to the owner of any facil-

ity operated as a day-care center, family day-care home, group day-care facility, or group day-care home or any child learning center licensed by the Department of Early Care and Learning that such facility carry liability insurance coverage sufficient to protect the facility's clients. Any such facility which after receiving such recommendation is not covered by liability insurance shall post that fact in a conspicuous place in the facility and shall notify the parent or guardian of each child under the care of the facility in writing. Such notice shall be in at least 1/2 inch letters. Each such parent or guardian must acknowledge receipt of such notice in writing and a copy of such acknowledgment shall be maintained on file at the facility at all times while the child attends the facility and for 12 months after the child's last date of attendance. Failure to do so may subject the owner of the facility to a civil fine of \$1,000.00 for each such infraction."

JUDICIAL DECISIONS

Department of Human Resources licensure of church-operated children's home. — Requirement that the Department of Human Resources license a church-operated children's home as a child caring institution pursuant to the Children and Youth Act, O.C.G.A. § 49-5-1 et seq., and department regulations governing child caring institutions does not violate the free exercise clause of the First Amendment, nor would the requirement violate the establishment clause of the First Amendment since such a requirement in no way aids, furthers, or confers a special benefit on any religious group. *Darrell Dorminey Children's Home v. Georgia Dep't of Human Resources*, 260 Ga. 25, 389 S.E.2d 211 (1990).

Foster children. — O.C.G.A. §§ 15-11-13, 15-11-58, 20-2-690.1 and 49-5-12 set out in clear detail the rights and services to which foster children are entitled. As a result, the federal statutory pro-

visions in question are not too vague and amorphous to be enforced by the judiciary and each of the state statutes at issue impose specific duties on the state defendants. Thus, the federal regulatory scheme embodied in the Child and Family Services Review process does not relieve the state defendants of the defendants' obligation to fulfill the defendants' statutory duties to plaintiff foster children, nor does the regulatory scheme provide a legal excuse for the defendants' failure to do so. *Kenny A. v. Perdue*, No. 1:02-cv-1686-MHS, 2004 U.S. Dist. LEXIS 27025 (N.D. Ga. Dec. 11, 2004).

Action for deprivation of civil rights. — Georgia statutory foster care scheme created in a two-year-old child a legitimate and sufficiently vested claim of entitlement such that deprivation of that entitlement without due process of law imposed on the child a grievous loss, supporting the child's action for injuries under the federal Civil Rights Act. *Taylor ex rel. Walker v. Ledbetter*, 818 F.2d 791

(11th Cir. 1987), cert. denied, 489 U.S. 1065, 109 S. Ct. 1337, 103 L. Ed. 2d 808 (1989).

Private cause of action. — Following factors are relevant in determining whether a private remedy is implicit in a statute not expressly providing one: first, whether the plaintiff is one of the class for whose special benefit the statute was enacted; second, whether there is any indication of legislative intent, explicit or implicit, either to create such a remedy or to deny one; third, whether it is consistent with the underlying purpose of the legislative scheme to imply such a remedy for

plaintiff. When foster children alleged that certain child services agencies and officials violated O.C.G.A. § 49-5-12(j), that subsection conferred upon the children a private cause of action. *Kenny A. v. Perdue*, 218 F.R.D. 277 (N.D. Ga. Aug. 18, 2003).

OPINIONS OF THE ATTORNEY GENERAL

After school care programs on county school premises. — Department of Human Resources may not license “latch key” or “after school” care programs operated by county school systems on the school’s premises. 1985 Op. Att’y Gen. No. 85-11.

After school care programs operated by outside organization. — Department of Human Resources licensing obligations would extend to a “latch-key” or “after-school” care program on the premises of county school systems if the program is operated by an outside organization rather than school authorities. 1988 Op. Att’y Gen. No. U88-6.

Board authorized to adopt and department to enforce fire safety standards. — Board of Human Resources has lawful authority to adopt the 1973 Life Safety Code (National Fire Protection Association standard 101), a comprehensive set of standards that deals with preventing and controlling losses from fire, as part of the rules and regulations for day-care centers, and the Department of

Human Resources has lawful authority to enforce compliance with code standards. 1976 Op. Att’y Gen. No. U76-6.

Board’s standards for juvenile detention facilities are inapplicable to jails. — Detention standards adopted by the Board of Human Resources for juvenile detention facilities do not apply to jails in which juveniles are confined. 1974 Op. Att’y Gen. No. 74-139.

Steps necessary to cease operation of unlicensed day-care center. — Division for Children and Youth (now Department of Children and Youth Services), in the absence of specific injunctive authority, must first try to obtain a misdemeanor warrant to stop the unlicensed operation of a day-care center, and, if this proves futile or inadequate, may bring an action for equitable injunction. 1970 Op. 49-5-12.1. Penalties for violation of child welfare agency laws and regulations.

(a) Unless otherwise provided in subsection (r) of Code Section 49-5-12, any person who violates the provisions of Code Section 49-5-12 or who hinders, obstructs, or otherwise interferes with any representative of the department in the discharge of that person's official duties in making inspections as provided in Code Section 49-5-12 or in investigating complaints as provided in Code Section 49-5-12 shall be guilty of a misdemeanor.

(b)(1) Any person who:

(A) Violates any licensing or registration provision of this chapter or any rule, regulation, or order issued under this chapter or any term, condition, or limitation of any license or registration certificate under this chapter thereby subjecting a child in care to injury or a life-threatening situation; or

(B) Commits any violation for which a license or registration certificate may be revoked under rules or regulations issued pursuant to this chapter

may be subject to a civil penalty, to be imposed by the department, not to exceed \$500.00. If any violation is a continuing one, each day of such violation shall constitute a separate violation for the purpose of computing the applicable civil penalty.

(2) Whenever the department proposes to subject a person to the imposition of a civil penalty under this subsection, it shall notify such person in writing:

(A) Setting forth the date, facts, and nature of each act or omission with which the person is charged;

(B) Specifically identifying the particular provision or provisions of the Code section, rule, regulation, order, license, or registration certificate involved in the violation; and

(C) Advising of each penalty which the department proposes to impose and its amount.

Such written notice shall be sent by registered or certified mail or statutory overnight delivery by the department to the last known address of such person. The person so notified shall be granted an opportunity to show in writing, within such reasonable period as the department shall by rule or regulation prescribe, why such penalty should not be imposed. The notice shall also advise such person that, upon failure to pay the civil penalty subsequently determined by the department, if any, the penalty may be collected by civil action. Any

person upon whom a civil penalty is imposed may appeal such action pursuant to Chapter 13 of Title 50, the “Georgia Administrative Procedure Act.”

(3) A civil penalty finally determined under this Code section may be collected by civil action in the event that such penalty is not paid as required. On the request of the department, the Attorney General is authorized to institute a civil action to collect a penalty imposed pursuant to this subsection. The Attorney General shall have the exclusive power to compromise, mitigate, or remit such civil penalties as are referred to the Attorney General for collection.

(4) All moneys collected from civil penalties shall be paid to the state for deposit in the general fund. (Code 1981, § 49-5-12.1, enacted by Ga. L. 1986, p. 1038, § 1; Ga. L. 2000, p. 1589, § 3.)

Editor’s notes. — Ga. L. 2000, p. 1589, § 16, not codified by the General Assembly, provides that the amendment to this Code section is applicable with respect to notices delivered on or after July 1, 2000.

49-5-15. Notice as to child brought into state for placement or adoption; bond; certificate as to foster home; reports.

No person shall bring or send into the state any child for the purpose of placing him or procuring his adoption without first filing notice with the department. He shall file with the department a bond payable to the state for each child he intends to send or bring, approved by the department, in the penal sum of \$1,000.00, conditioned that he will not send or bring into the state any child who is incorrigible or unsound in mind or body; that he will remove any such child who becomes a public charge or who, in the opinion of the department, becomes a menace to the community prior to his adoption or becoming of legal age; and that the person with whom the child is placed shall be responsible for his proper care and training. Before any child shall be brought or sent into the state for the purpose of placing him in a foster home, the person so bringing or sending such child shall first notify the department of his intention and shall obtain from the department a certificate stating that such home is, in the opinion of the department, a suitable home for the child. Such notification shall state the name, age, and personal description of the child; the name and address of the person with whom the child is to be placed; and such other information as may be required by the department. The person bringing or sending such child into the state shall report at least once each year and at such other times as the department shall direct as to the location and well-being of the child so long as such child shall remain within the state and until he shall have reached the age of 18 or shall have been legally adopted. Acceptance of children from federal institutions and provision of services in state facilities. — Department of Family and Children Services (now Division of Family and Children Services of the Department of Human Resources) is authorized to enter into agreements to accept children and youth from the federal penal and corrective institutions and agencies and to provide those institutions and agencies with the services extended by the facilities of the department to those children taken pursuant to Georgia court orders; the conditions and circumstances under which such agreements should be effectuated is a matter within the administrative powers of the board pursuant to Ga. L. 1963, p. 81, § 6 (see O.C.G.A. § 49-5-5) and can be effectuated by the adoption of such appropriate rules and regulations as the board deems necessary. Department may contract with a county to construct and equip a temporary care facility for youths, pending juvenile delinquency proceedings, provided that funds appropriated from the Governor's Emergency Fund do not create a continuing obligation for the state. 1970 Op. Att'y Gen. No. 70-119.

Board may contract to pay travel expenses of volunteers. — Board of Human Resources, through the board's specifically delegated contractual authority, may contract in writing to pay travel expenses to volunteer workers performing work properly authorized by the department. 1971 Op. Att'y Gen. No. 71-76.

49-5-18. Instituting or intervening in legal proceedings.

The commissioner is authorized to institute or to intervene in any legal proceedings necessary to the performance of duties and responsibilities of the department and to the enforcement of this article and provisions of policies, standards, rules, and regulations established by the board in conformity with this article as may be commensurate with the legal status of the department to a child or youth committed to the care, custody, or control of the department or as may otherwise be specifically provided for in this article. (Ga. L. 1963, p. 81, § 19.)

49-5-19. Annual report on children and youth services.

The commissioner shall prepare and publish in print or electronically an annual report on the operations of the department and of county departments of family and children services under this article and submit it to the Governor, the board, and all interested persons, officials, agencies, and groups, public or private. The report shall contain, in addition to information, statistics, and data required by other provisions of this article, a comprehensive analysis of performance of child welfare and youth services throughout the state; an analysis of goals to reduce by 1 percent each year, beginning with the fiscal year that starts October 1, 1983, the number of children who have been in family or institutional foster care for a period of 24 months or

longer, as provided by Public Law 96-272; and such other information and recommendations of the commissioner as may be suitable. (Ga. L. 1963, p. 81, § 20; Ga. L. 1982, p. 1120, §§ 1, 2; Ga. L. 2010, p. 838, § 10/SB 388.)

U.S. Code. — Public Law 96-272, the Welfare Act of 1980, is codified in numerous provisions of Title 42 of the U.S. Code.

49-5-20. Existing charters of charitable institutions.

Nothing in this article shall be deemed to revoke any charter of incorporation of any orphans' home or charitable or benevolent institution incorporated and established under the Act of the General Assembly approved December 18, 1894 (Ga. L. 1894, p. 80), as amended by the Act of the General Assembly approved December 16, 1898 (Ga. L. 1898, p. 104), notwithstanding the repeal of such Acts by Ga. L. 1963, p. 81, Section 24, or to impair or diminish the rights, powers, or privileges of such corporation as provided in its charter of incorporation. (Ga. L. 1963, p. 81, § 22; Ga. L. 1994, p. 97, § 49.)

49-5-21. Penalties for aiding, harboring, or encouraging escapees or hindering their apprehension.

(a) Any person who shall knowingly aid, assist, or encourage any child or youth under the lawful control or custody of the department or of any licensed child welfare agency or home or facility used by such agency, public or private, to escape or to attempt to escape its control or custody shall be guilty of a misdemeanor.

(b) Any person who shall knowingly harbor, shelter, entertain, or encourage any child or youth who has escaped the lawful custody or control of the department or of any licensed child welfare agency or home or facility used by such agency, public or private, shall be guilty of a misdemeanor.

(c) Any person who shall knowingly hinder the apprehension of any child under the lawful control or custody of the department who has been placed by the department in one of its institutions or facilities and who has escaped therefrom or who has been placed under supervision and is alleged to have broken the conditions thereof shall be guilty of a misdemeanor. (Ga. L. 1963, p. 81, § 16; Ga. L. 1976, p. 1066, § 2.)

49-5-22. Voluntary pre-kindergarten programs to provide toilet facilities screened for privacy.

(a) The General Assembly finds that just as gender separated toileting among nonrelatives is the norm among adults, children should

be allowed the same opportunity to practice modesty when independent toileting behavior is well established among the majority of their age group. Standardized adherence to this policy would provide privacy, injury control, and sanitation.

(b) Each public or private voluntary pre-kindergarten program in this state which receives state funding shall provide toilet facilities for the four-year-old pre-kindergarten age children which it serves which are suitably screened for privacy. Nothing contained in this Code section shall be construed to require a pre-kindergarten program to provide separately constructed toilet facilities.

(c) The provisions of subsection (b) of this Code section shall not apply to any voluntary pre-kindergarten program which provides separate and gender-specific toilet facilities for the children which it serves. (Code 1981, § 49-5-22, enacted by Ga. L. 1996, p. 991, § 1; Ga. L. 1997, p. 143, § 49.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1996, “four-year-old” was substituted for “four year old” in the first sentence of subsection (b).

49-5-23. Obtaining information on recall notices.

(a) Any agency, department, or office that regulates child welfare agencies shall make available to such child welfare agencies at the time of application for initial or renewal certification or licensure information concerning contacting the U.S. Consumer Product Safety Commission to obtain recall notices on unsafe child and infant products.

(b) Child welfare agencies shall post the phone number and website of the U.S. Consumer Product Safety Commission in a location visible to parents and visitors. The notice shall also advise such parents and visitors on how to obtain recall notices on unsafe child and infant products. (Code 1981, § 49-5-23, enacted by Ga. L. 2004, p. 333, § 1.)

49-5-40. Definitions; confidentiality of records; restricted access to records.

(a) As used in this article, the term:

- (1) "Abused" means subjected to child abuse.
- (2) "Child" means any person under 18 years of age.
- (3) "Child abuse" means:

(A) Physical injury or death inflicted upon a child by a parent or caretaker thereof by other than accidental means; provided, however, that physical forms of discipline may be used as long as there is no physical injury to the child;

(B) Neglect or exploitation of a child by a parent or caretaker thereof;

(C) Sexual abuse of a child; or

(D) Sexual exploitation of a child.

However, no child who in good faith is being treated solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination by a duly accredited practitioner thereof shall, for that reason alone, be considered to be an "abused" child.

(4) "Near fatality" means an act that places a child in serious or critical condition as certified by a physician.

(5) "Sexual abuse" means a person's employing, using, persuading, inducing, enticing, or coercing any minor who is not that person's spouse to engage in any act which involves:

(A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex;

(B) Bestiality;

(C) Masturbation;

(D) Lewd exhibition of the genitals or pubic area of any person;

(E) Flagellation or torture by or upon a person who is nude;

(F) Condition of being fettered, bound, or otherwise physically restrained on the part of a person who is nude;

(G) Physical contact in an act of apparent sexual stimulation or gratification with any person's clothed or unclothed genitals, pubic area, or buttocks or with a female's clothed or unclothed breasts;

(H) Defecation or urination for the purpose of sexual stimulation; or

(I) Penetration of the vagina or rectum by any object except when done as part of a recognized medical procedure.

“Sexual abuse” shall not include consensual sex acts involving persons of the opposite sex when the sex acts are between minors or between a minor and an adult who is not more than five years older than the minor. This provision shall not be deemed or construed to repeal any law concerning the age or capacity to consent.

(6) “Sexual exploitation” means conduct by any person who allows, permits, encourages, or requires that child to engage in:

(A) Prostitution, as defined in Code Section 16-6-9; or

(B) Sexually explicit conduct for the purpose of producing any visual or print medium depicting such conduct, as defined in Code Section 16-12-100.

(b) Each and every record concerning reports of child abuse and child controlled substance or marijuana abuse which is in the custody of the department or other state or local agency is declared to be confidential, and access thereto is prohibited except as provided in Code Section 49-5-41 and Code Section 49-5-41.1.

(c) Each and every record concerning child abuse or neglect which is received by the department from the child abuse and neglect registry of any other state shall not be disclosed or used outside the department for any other purpose other than conducting background checks to be used in foster care and adoptive placements. (Ga. L. 1975, p. 1135, § 1; Ga. L. 1987, p. 1000, § 2; Ga. L. 1990, p. 1778, § 1; Ga. L. 1993, p. 1712, § 1; Ga. L. 2007, p. 478, § 7/SB 128; Ga. L. 2009, p. 43, § 1/SB 79; Ga. JUDICIAL DECISIONS

Discovery of “scientific records.” — Former O.C.G.A. § 17-7-211 did not provide an independent statutory basis for discovery of “scientific records” of child abuse maintained by institutions listed in O.C.G.A. § 49-5-40. In the absence of obtaining a statutory exception by compliance with O.C.G.A. § 49-5-41 or O.C.G.A.

§ 49-5-41.1, as applicable, such child abuse records remain protected. *Horne v. State*, 192 Ga. App. 528, 385 S.E.2d 704 (1989), cert. denied, 494 U.S. 1006, 110 S. Ct. 1302, 108 L. Ed. 2d 749 (1990).

Failure to provide county child abuse records. — Trial court erred by failing to provide the defendant with the

county child abuse documents the defendant requested during the defendant's trial for child molestation, but the defendant was not denied due process since the defendant failed to show that the trial court withheld any material, exculpatory information. *Dodd v. State*, 293 Ga. App. 816, 668 S.E.2d 311 (2008).

Oral allegation of child abuse to Department of Family and Children Services was publication for purposes of slander claim. — Although under O.C.G.A. § 49-5-40(b), reports made to the Department of Family and Children Services (DFACS) are confidential, the law of defamation requires only that the statement be disseminated to any person other than the person slandered. Therefore, a landlord's oral allegations to a DFACS employee that a tenant committed child abuse amounted to "publication" for purposes of O.C.G.A. § 51-5-4. *Brown v. Rader*, 299 Ga. App. 606, 683 S.E.2d 16 (2009).

Criminal defendant not entitled to

MySpace.com and school records. — Trial court did not abuse the court's discretion in denying the defendant access to the incest victim's MySpace.com and school records because the defendant failed to show both the materiality and the favorable nature of the evidence sought. *Stephens v. State*, 305 Ga. App. 339, 699 S.E.2d 558 (2010).

Burden on defendant to show need for release of records. — Trial court did not err by failing to release documents showing earlier child abuse from a child's file which might have been critical to a defendant's case since the burden was on the defendant to show what documents in a child's sealed file were suppressed and how it was materially exculpatory and the defendant failed to make the showing. *Dunagan v. State*, 255 Ga. App. 309, 565 S.E.2d 526 (2002).

Cited in *Ray v. Department of Human Resources*, 155 Ga. App. 81, 270 S.E.2d 303 (1980).

OPINIONS OF THE ATTORNEY GENERAL

Release of records to Department of Education hearing officers. — Those portions of child protective service records releasable to parents and guardians under Social Services County Letter No. 86-1 promulgated pursuant to federal court order in *J.J. v. Ledbetter*, C.A. No. CV180-84, U.S.D.C., S.D. Ga. (1985), may likewise be released to Department of Education hearing officers conducting hearings under the Education of All Handicapped Act, 20 U.S.C. § 1401 et

seq., if, and only if, (1) the parents specifically request in writing that the Department of Human Resources forward the records to the hearing officer, or (2) the Department of Human Resources receives a written request for the records from the hearing officer personally and is subsequently able to secure the written permission of the parents to forward the records to the hearing officer. 1987 Op. Att'y Gen. No. 87-25.

49-5-41. (For effective date, see note.) Persons and agencies permitted access to records.

(a) Notwithstanding Code Section 49-5-40, the following persons or agencies shall have reasonable access to such records concerning reports of child abuse:

(1) Any federal, state, or local governmental entity, or any agency of any such entity, that has a need for information contained in such reports in order to carry out its legal responsibilities to protect children from abuse and neglect;

(2) A court, by subpoena, upon its finding that access to such records may be necessary for determination of an issue before such court; provided, however, that the court shall examine such record in camera, unless the court determines that public disclosure of the information contained therein is necessary for the resolution of an issue then before it and the record is otherwise admissible under the rules of evidence;

(3) A grand jury by subpoena upon its determination that access to such records is necessary in the conduct of its official business;

(4) The district attorney of any judicial circuit in this state, a solicitor-general, or any assistant district attorney or assistant solicitor-general who may seek such access in connection with official duty;

(5) Any adult who makes a report of suspected child abuse as required by Code Section 19-7-5, but such access shall include only notification regarding the child concerning whom the report was made, shall disclose only whether the investigation by the department or governmental child protective agency of the reported abuse is ongoing or completed and, if completed, whether child abuse was confirmed or unconfirmed, and shall only be disclosed if requested by the person making the report;

(6) Any adult requesting information regarding investigations by the department or a governmental child protective agency regarding the findings or information about the case of child abuse or neglect that results in a child fatality or near fatality, unless such disclosure of information would jeopardize a criminal investigation or proceeding, but such access shall be limited to a disclosure of the available facts and findings. Any identifying information, including but not limited to the child or caretaker's name, race, ethnicity, address, or telephone numbers and any other information that is privileged or confidential, shall be redacted to preserve the confidentiality of the child, other children in the household, and the child's parents, guardians, custodians, or caretakers.

(7) The State Personnel Board, by administrative subpoena, upon a finding by an administrative law judge appointed by the chief state administrative law judge pursuant to Article 2 of Chapter 13 of Title 50, that access to such records may be necessary for a determination of an issue involving departmental personnel and that issue involves the conduct of such personnel in child related employment activities, provided that only those parts of the record relevant to the child related employment activities shall be disclosed. The name of any complainant or client shall not be identified or entered into the record;

(7.1) A child advocacy center which is certified by the Child Abuse Protocol Committee of the county where the principal office of the center is located as participating in the Georgia Network of Children's Advocacy Centers or a similar accreditation organization and which is operated for the purpose of investigation of known or suspected child abuse and treatment of a child or a family which is the subject of a report of abuse, and which has been created and supported through one or more intracommunity compacts between such advocacy center and one or more police agencies, the office of the district attorney, a legally mandated public or private child protective agency, a mental health board, and a community health service board; provided, however, that any child advocacy center which is granted access to records concerning reports of child abuse shall be subject to the confidentiality provisions of subsection (b) of Code Section 49-5-40 and shall be subject to the penalties imposed by Code Section 49-5-44 for authorizing or permitting unauthorized access to or use of such records;

(8) Police or any other law enforcement agency of this state or any other state or any medical examiner or coroner investigating a report of known or suspected abuse or any child fatality review panel or child abuse protocol committee or subcommittee thereof created pursuant to Chapter 15 of Title 19, it being found by the General Assembly that the disclosure of such information is necessary in order for such entities to carry out their legal responsibilities to protect children from abuse and neglect, which protective actions include bringing criminal actions for such abuse or neglect, and that such disclosure is therefore permissible and encouraged under the 1992 amendments to Section 107(b)(4) of the Child Abuse Prevention and Treatment Act, 42 U.S.C. Section 5106(A)(b)(4); and

(9) The Governor, the Attorney General, the Lieutenant Governor, or the Speaker of the House of Representatives when such officer makes a written request to the commissioner of the department which specifies the name of the child for which such access is sought and which describes such officer's need to have access to such records

in order to determine whether the laws of this state are being complied with to protect children from abuse and neglect and whether such laws need to be changed to enhance such protection, for which purposes the General Assembly finds such disclosure is permissible and encouraged under the 1992 amendments to Section 107(b)(4) of the Child Abuse Prevention and Treatment Act, 42 U.S.C. Section 5106(A)(b)(4).

(b)(1) Notwithstanding Code Section 49-5-40, the juvenile court in the county in which are located any department or county board records concerning reports of child abuse, after application for inspection and a hearing on the issue, shall permit inspection of such records by or release of information from such records to individuals or entities who are engaged in legitimate research for educational, scientific, or public purposes and who comply with the provisions of this subsection. When those records are located in more than one county, the application may be made to the juvenile court of any one such county. A copy of any application authorized by this subsection shall be served on the nearest office of the department. In cases where the location of the records is unknown to the applicant, the application may be made to the Juvenile Court of Fulton County.

(2) The juvenile court to which an application is made pursuant to paragraph (1) of this subsection shall not grant the application unless:

(A) The application includes a description of the proposed research project, including a specific statement of the information required, the purpose for which the project requires that information, and a methodology to assure the information is not arbitrarily sought;

(B) The applicant carries the burden of showing the legitimacy of the research project; and

(C) Names and addresses of individuals, other than officials, employees, or agents of agencies receiving or investigating a report of abuse or treating a child or family which is the subject of a report, shall be deleted from any information released pursuant to this subsection unless the court determines that having the names and addresses open for review is essential to the research and the child, through his or her representative, gives permission to release the information.

(3) Notwithstanding the provisions of this subsection, access to the child abuse registry created pursuant to Article 8 of this chapter shall not be permitted except as allowed by Article 8 of this chapter.

(c) The department or a county or other state or local agency may permit access to records concerning reports of child abuse and may

release information from such records to the following persons or agencies when deemed appropriate by such department:

(1) A physician who has before him a child whom he reasonably suspects may be abused;

(2) A licensed child-placing agency, a licensed child-caring institution of this state which is assisting the Department of Human Services by locating or providing foster or adoptive homes for children in the custody of the department, or an investigator appointed by a court of competent jurisdiction of this state to investigate a pending petition for adoption;

(3) A person legally authorized to place a child in protective custody when such person has before him a child he reasonably suspects may be abused and such person requires the information in the record or report in order to determine whether to place the child in protective custody;

(4) An agency or person having the legal custody, responsibility, or authorization to care for, treat, or supervise the child who is the subject of a report or record;

(5) An agency, facility, or person having responsibility or authorization to assist in making a judicial determination for the child who is the subject of the report or record of child abuse, including but not limited to members of officially recognized citizen review panels, court appointed guardians ad litem, certified Court Appointed Special Advocate (CASA) volunteers who are appointed by a judge of a juvenile court to act as advocates for the best interest of a child in a juvenile proceeding, and members of a county child abuse protocol committee or task force;

(6) A legally mandated public child protective agency or law enforcement agency of another state bound by similar confidentiality provisions and requirements when, during or following the department's investigation of a report of child abuse, the alleged abuser has left this state;

(7) A child welfare agency, as defined in Code Section 49-5-12, or a school where the department has investigated allegations of child abuse made against any employee of such agency or school and any child remains at risk from exposure to that employee, except that such access or release shall protect the identity of:

(A) Any person reporting the child abuse; and

(B) Any other person whose life or safety has been determined by the department or agency likely to be endangered if the identity were not so protected;

(8) An employee of a school or employee of a child welfare agency, as defined in Code Section 49-5-12, against whom allegations of child abuse have been made, when the department has been unable to determine the extent of the employee's involvement in alleged child abuse against any child in the care of that school or agency. In those instances, upon receiving a request and signed release from the employee, the department may report its findings to the employer, except that such access or release shall protect the identity of:

(A) Any person reporting the child abuse; and

(B) Any other person whose life or safety has been determined by the department or agency likely to be endangered if the identity were not so protected;

(9) Any person who has an ongoing relationship with the child named in the record or report of child abuse any part of which is to be disclosed to such person but only if that person is required to report suspected abuse of that child pursuant to subsection (b) of Code Section 19-7-5, as that subsection existed on January 1, 1990;

(10) Any school principal or any school guidance counselor, school social worker, or school psychologist who is certified under Chapter 2 of Title 20 and who is counseling a student as a part of such counseling person's school employment duties, but those records shall remain confidential and information obtained therefrom by that counseling person may not be disclosed to any person, except that student, not authorized under this Code section to obtain those records, and such unauthorized disclosure shall be punishable as a misdemeanor;

(11) The Department of Early Care and Learning or the Department of Education; or

(12) An individual, at the time such individual is leaving foster care by reason of having attained the age of majority, but such access shall be limited to providing such individual with a free copy of his or her health and education records, including the most recent information available.

(d) Notwithstanding any other provision of law, any child-caring agency, child-placing agency, or identified foster parent shall have reasonable access to nonidentifying information from the placement or child protective services record compiled by any state department or agency having custody of a child with respect to any child who has been placed in the care or custody of such agency or foster parent or for whom foster care is being sought, excluding all documents obtained from outside sources which cannot be redisclosed under state or federal law. A department or agency shall respond to a request for access to a child's

record within 14 days of receipt of such written request. Any child-caring agency, child-placing agency, or identified foster parent who is granted access to a child's record shall be subject to the penalties imposed by Code Section 49-5-44 for unauthorized access to or use of such records. Such record shall include reports of abuse of such child and the social history of the child and the child's family, the medical history of such child, including psychological or psychiatric evaluations, or educational records as allowed by state or federal law and any plan of care or placement plan developed by the department, provided that no identifying information is disclosed regarding such child.

(e) (For effective date, see note.) Notwithstanding any other provisions of law, with the exception of medical and mental health records made confidential by other provisions of law, child abuse and dependency records applicable to a child who at the time of his or her fatality or near fatality was:

- (1) In the custody of a state department or agency or foster parent;

shall not be confidential and shall be subject to Article 4 of Chapter 18 of Title 50, relating to open records; provided, however, that any identifying information, including but not limited to the child or caretaker's name, race, ethnicity, address, or telephone numbers and any other information that is privileged or confidential, shall be redacted to preserve the confidentiality of the child, other children in the household, and the child's parents, guardians, custodians, or caretakers. Upon the release of documents pursuant to this subsection, the department may comment publicly on the case. (Ga. L. 1975, p. 1135, § 2; Ga. L. 1990, p. 1778, § 2; Ga. L. 1991, p. 1320, §§ 1-3; Ga. The 2013 amendment, effective Janu-

ary 1, 2014, in subsection (e), substituted "dependency records" for "deprivation records" in the introductory paragraph; substituted "Code Section 15-11-741" for "Code Section 15-11-171" in paragraph (e)(2); and substituted "Code Section

15-11-743" for "Code Section 15-11-173" in paragraph (e)(3). See editor's note for applicability.

JUDICIAL DECISIONS

If the juvenile court considers it necessary for resolution of an issue before the court, the court may order disclosure of information. *Ray v. Department of Human Resources*, 155 Ga. App. 81, 270 S.E.2d 303 (1980).

Procedure for obtaining records for child abuse investigation. — When the defendant assigned error to the trial court's failure to direct the Department of Human Resources to disclose any and all reports used by or prepared by the department in investigating an allegation of child abuse, since the records sought by defendant were confidential and access thereto was prohibited except as provided by O.C.G.A. Art. 2, Ch. 5, T. 49, the proper procedure for obtaining access was to petition the trial court to subpoena the records and conduct an in camera inspection as to whether the records were necessary for determination of an issue before the court and were otherwise admissible under the rules of evidence. Defendant's general Brady motion was inadequate to have properly raised this issue in the court below, and the assertion of error in this regard was meritless. *Davidson v. State*,

183 Ga. App. 557, 359 S.E.2d 372, cert. denied, 183 Ga. App. 905, 359 S.E.2d 372 (1987).

Criminal defendant not entitled to records. — In a prosecution for aggravated child molestation and related crimes, the trial court did not err in denying the defense request for the notes and work product of the social workers who testified at trial concerning the social workers' contact with the children involved. *Moss v. State*, 216 Ga. App. 711, 455 S.E.2d 411 (1995).

In a prosecution for child molestation, the trial court did not err in denying the defendant's request for a complete copy of files from the Department of Family and Children Services. *Honeycutt v. State*, 245 Ga. App. 819, 538 S.E.2d 870 (2000).

Given the fact that the defendant failed to request an in camera inspection of confidential records and files pertaining to allegations of sexual abuse allegedly committed by the defendant until appellate counsel did so in the second amended motion for new trial, the state was not obligated to produce the information and did not violate the defendant's due process

rights under Brady or Georgia's reciprocal discovery act by not providing the file earlier. Moreover, some of the information was known to the defendant, and no showing that the information could have been obtained with due diligence was made. *Ellis v. State*, 289 Ga. App. 452, 657 S.E.2d 562 (2008).

In a child molestation conviction, after the defendant determined during trial that the state had not informed the defendant of an additional interview conducted by the victim's counselor, the state did not violate the Georgia Reciprocal Discovery Act, O.C.G.A. § 17-16-4(a)(3)(a), by failing to provide this material because the defendant had not requested an in camera inspection of the confidential therapist's records as required by O.C.G.A. § 49-5-41. *Waters v. State*, 303 Ga. App. 187, 692 S.E.2d 802 (2010).

Defendant not entitled to MySpace.com records. — Trial court did not abuse the court's discretion in denying the defendant access to the incest victim's MySpace.com and school records because the defendant failed to show both the materiality and the favorable nature of the evidence sought. *Stephens v. State*, 305 Ga. App. 339, 699 S.E.2d 558 (2010).

Trial court did not err in failing to forward to the defendant the court's confidential file documents regarding two child molestation victims because the trial court's finding that the files contained no exculpatory evidence was alone sufficient, and the defendant made no showing that the material was exculpatory; a defendant who challenges a trial court's in camera inspection on appeal must show what information was suppressed and how that information was materially exculpatory. *Tidwell v. State*, 306 Ga. App. 307, 701 S.E.2d 920 (2010).

Criminal defendant should have received county child abuse documents. — Trial court erred by failing to provide the defendant with the county child abuse documents the defendant requested during the defendant's trial for child molestation, but the defendant was not denied due process since the defendant failed to show that the trial court withheld any material, exculpatory infor-

mation. *Dodd v. State*, 293 Ga. App. 816, 668 S.E.2d 311 (2008).

Burden on defendant to show need for release of records. — Trial court did not err by failing to release documents showing earlier child abuse from a child's file which might have been critical to a defendant's case since the burden was on the defendant to show what documents in a child's sealed file were suppressed and how those documents were materially exculpatory and the defendant failed to make the showing. *Dunagan v. State*, 255 Ga. App. 309, 565 S.E.2d 526 (2002).

Trial court may not delegate duty of reviewing records. — When a trial court subpoenas the records of the Georgia Department of Family and Children Services (DFACS) under the provisions of O.C.G.A. § 49-5-41 upon the court's finding that access to such records may be necessary, the court is required to undertake review of the records for potentially exculpatory material, and there is no statutory discretion enabling the trial court to relegate this duty to others because of their status as officers of the court; thus, after the trial court had subpoenaed the DFACS records under O.C.G.A. § 49-5-41 in the defendant's case, the trial court erred in failing to review the records in camera for exculpatory evidence and in having the prosecution undertake that review, but the error was harmless since the defendant acquiesced in the trial court's improper decision to delegate the court's duty of reviewing the records to the prosecution. *Pollard v. State*, 260 Ga. App. 540, 580 S.E.2d 337 (2003).

Nonprofit advocacy organization mandated under federal law to investigate incidents of abuse and neglect of individuals with mental illness should have been given reasonable access to confidential county and juvenile court records in connection with investigations relating to the organization's filing of a deprivation petition. *In re A.V.B.*, 222 Ga. App. 241, 474 S.E.2d 114 (1996).

OPINIONS OF THE ATTORNEY GENERAL

Release of records to Department of Education hearing officers. — Those portions of child protective service records otherwise releasable to parents and guardians under Social Services County Letter No. 86-1 promulgated pursuant to federal court order in *J.J. v. Ledbetter*, C.A. No. CV180-84, U.S.D.C., S.D. Ga. (1985), may likewise be released to Department of Education hearing officers conducting hearings under the Education of All Handicapped Act, 20 U.S.C. § 1401

et seq., if, and only if, (1) the parents specifically request in writing that the Department of Human Resources forward the records to the hearing officer, or (2) the Department of Human Resources receives a written request for the records from the hearing officer personally and is subsequently able to secure the written permission of the parents to forward the records to the hearing officer. 1987 Op. Att’y Gen. No. 87-25.

49-5-41.1. Inspection and retention of records of juvenile drug use.

(a) Notwithstanding Code Section 49-5-40, all reports, files, and records of child controlled substance or marijuana abuse shall be open to inspection only upon order of the juvenile court. As used in this Code section, the term “juvenile court” means the court exercising jurisdiction over juvenile matters, as defined under Code Section 15-11-2, in the county where the report was made.

(b) The juvenile court may permit authorized representatives of recognized organizations compiling statistics for proper purposes to inspect and make abstracts from official records under whatever conditions upon their use and distribution the judge may deem proper and may punish by contempt any violation of those conditions. The judge shall permit authorized representatives of the Department of Human Services and the Council of Juvenile Court Judges to inspect and extract data from child controlled substance and marijuana abuse records for the purpose of obtaining statistics on juveniles and to make copies pursuant to the order of the court.

(c) In no case shall records of child controlled substance or marijuana abuse be retained by the Department of Human Services beyond the 24 months from the date a report is first received pursuant to Code Section 19-7-6 by a child welfare agency providing protective services.

(d) On application of a person who is the subject of a child controlled substance or marijuana abuse report, and after a hearing, the juvenile court may order the sealing of such reports, files, and records of the Department of Human Services. Upon entry of the order, the Department of Human Services shall treat the report and related information as if the report had never occurred. All index references shall be deleted and the person, the court, and the Department of Human Services shall properly reply that no record exists with respect to the person upon inquiry in any matter. Inspection of the sealed files and records

thereafter may be permitted by an order of the juvenile court upon petition by the person who is the subject of the records and only by those persons named in the order. (Code 1981, § 49-5-41.1, enacted by Ga. L. 1987, p. 1000, § 3; Ga. L. 2009, p. 453, § 2-2/HB 228.)

49-5-42. Rules and regulations.

The board may adopt rules and regulations not inconsistent with this article. (Ga. L. 1975, p. 1135, § 4.)

49-5-43. Article not to conflict with federal law or lose federal funds; duty of board.

Nothing in this article is intended to conflict with any provision of federal law or to result in the loss or denial of federal funds. The board shall adopt rules and regulations necessary to prevent conflict with federal law or the loss of federal funds. (Ga. L. 1975, p. 1135, § 5.)

49-5-44. Penalties for unauthorized access to records; use of records in public and criminal proceedings.

(a) Any person who authorizes or permits any person or agency not listed in Code Section 49-5-41 to have access to such records concerning reports of child abuse declared confidential by Code Section 49-5-40 shall be guilty of a misdemeanor.

(b) Any person who knowingly and under false pretense obtains or attempts to obtain records or reports of child abuse declared confidential by Code Section 49-5-40 or information contained therein except as authorized in this article or Code Section 19-7-5 shall be guilty of a misdemeanor.

(c) Records made confidential by Code Section 49-5-40 and information obtained from such records may not be made a part of any record which is open to the public except that a district attorney may use and make public that record or information in the course of any criminal prosecution for any offense which constitutes or results from child abuse. (Ga. L. 1975, p. 1135, § 3; Ga. L. 1990, p. 1778, § 3.)

49-5-45. Penalty for allowing unauthorized access to juvenile drug use records.

Any person who authorizes or permits any person or agency not authorized by the juvenile court pursuant to Code Section 49-5-41.1 to have access to such records concerning reports of child controlled substance or marijuana abuse declared confidential by Code Section 49-5-40 shall be guilty of a misdemeanor. (Code 1981, § 49-5-45, enacted by Ga. L. 1987, p. 1000, § 4.)

49-5-46. Liability of department or agency.

The department or any agency and employees of either providing access to or disclosure of records or information as authorized by Code Section 49-5-41 shall have no civil or criminal liability therefor. (Code 1981, § 49-5-46, enacted by Ga. L. 1990, p. 1778, § 4.)

JUDICIAL DECISIONS

Supervisor of corporate child care institution was not foster parent. — Trial court erred in ruling that a supervisor of a corporate child care institution was a foster parent, and therefore a state employee for whose negligence the state

waived sovereign immunity under the Georgia Tort Claims Act, O.C.G.A. § 50-21-20 et seq., in a wrongful death suit when a juvenile that the Georgia Department of Human Resources and the Georgia Department of Juvenile Justice

placed in the corporate child care institution was accidentally killed. Ga. Dep't of Human Res. v. Johnson, 264 Ga. App. 730, 592 S.E.2d 124 (2003).

Cited in Johnson v. Ga. Dep't of Human Res., 278 Ga. 714, 606 S.E.2d 270 (2004); Coleman v. State, 308 Ga. App. 731, 708 S.E.2d 638 (2011).

49-5-61. Requirement of separate license and separate director for each new facility.

An applicant for a new license shall have a separate license for each new facility in this state owned or operated by that applicant and shall have a separate director for each such facility. (Code 1981, § 49-5-61, enacted by Ga. L. 1984, p. 1397, § 1; Ga. L. 1985, p. 963, § 1; Ga. L. 2004, p. 645, § 11.)

49-5-62. Records check application for director of new facility; preliminary records check for employees.

Accompanying any application for a new license for a facility, the applicant shall furnish to the department a records check application for the director and a satisfactory preliminary records check for each employee of such facility. In lieu of such records check applications, the applicant may submit evidence, satisfactory to the department, that within the immediately preceding 12 months the director received satisfactory state and national fingerprint records check determinations and each employee received a satisfactory preliminary records check determination, or that any employee other than the director whose preliminary records check revealed a criminal record of any kind has either subsequently received satisfactory state and national fingerprint records check determinations or has had the unsatisfactory determination reversed in accordance with Code Section 49-5-73. The department may either perform preliminary records checks under agreement with GCIC or contract with GCIC and appropriate law enforcement agencies which have access to GCIC information to have those agencies perform for the department a preliminary records check for each preliminary records check application submitted thereto by the department. Either the department or the appropriate law enforcement agencies may charge reasonable fees for performing preliminary records checks. (Code 1981, § 49-5-62, enacted by Ga. L. 1984, p. 1397, § 1; Ga. L. 1985, p. 963, § 1; Ga. L. 1999, p. 539, § 2; Ga. L. 1999, p. 574, § 4.)

49-5-63. Notice of determination; issue of license; effect of unsatisfactory determination.

After being furnished the required records check application under Code Section 49-5-62, the department shall notify in writing the license applicant as to each person for whom an application was received

regarding whether the department's determination as to that person's state fingerprint records check was satisfactory or unsatisfactory. If the preliminary records check determination was satisfactory as to each employee of an applicant's facility and the state fingerprint records check was satisfactory as to the director, that applicant may be issued a license for that facility if the applicant otherwise qualifies for a license under Article 1 of this chapter. If the state or national fingerprint records check determination was unsatisfactory as to the director of an applicant's facility, the applicant shall designate another director for that facility after receiving notification of the determination and proceed under Code Section 49-5-62 and this Code section to obtain state and national fingerprint records checks for that newly designated director. If the preliminary records check for any employee other than the director revealed a criminal record of any kind, such employee shall not be allowed to work in the center until he or she either has obtained satisfactory state and national fingerprint records check determinations or has had the unsatisfactory determination reversed in accordance with Code Section 49-5-73. If the determination was unsatisfactory as to any employee of an applicant's facility, the applicant shall, after receiving notification of that determination, take such steps as are necessary so that such person is no longer an employee. Any employee other than the director who receives a satisfactory preliminary records check shall not be required to obtain a fingerprint records check unless such an employee has been designated as a director or as permitted by the provisions of subsection (c) of Code Section 49-5-69. (Code 1981, § 49-5-63, enacted by Ga. L. 1984, p. 1397, § 1; Ga. L. 1985, p. 963, § 1; Ga. L. 1986, p. 10, § 49; Ga. L. 1987, p. 1416, § 2; Ga. L. 1999, p. 539, § 3; Ga. L. 1999, p. 574, § 5.)

49-5-64. Fingerprint records check.

The department shall transmit to GCIC both sets of fingerprints and the records search fee from each fingerprint records check application. Upon receipt thereof, GCIC shall promptly transmit one set of fingerprints to the Federal Bureau of Investigation for a search of bureau records and an appropriate report and shall retain the other set and promptly conduct a search of its records and records to which it has access. Within ten days after receiving fingerprints acceptable to GCIC, the application, and fee, GCIC shall notify the department in writing of any derogatory finding, including but not limited to any criminal record, of the state fingerprint records check or if there is no such finding. After a search of Federal Bureau of Investigation records and fingerprints and upon receipt of the bureau's report, the department shall make a national fingerprint records determination. (Code 1981, § 49-5-64, enacted by Ga. L. 1984, p. 1397, § 1; Ga. L. 1985, p. 963, § 1; Ga. L. 1987, p. 1416, § 3; Ga. L. 1999, p. 539, § 4; Ga. L. 1999, p. 574, § 6.)

49-5-65. Determination on the basis of fingerprint records check; revocation of license.

After receiving a Federal Bureau of Investigation report regarding a national fingerprint records check under Code Section 49-5-64, the department shall make a determination based thereon and notify in writing the license applicant as to whether that records check was satisfactory or unsatisfactory. If the national fingerprint records check determination was unsatisfactory as to the director of an applicant's facility, after receiving notification of that determination, that applicant shall designate another director for such facility for which director the applicant has not received or made an unsatisfactory preliminary or fingerprint records check determination and proceed under the requirements of Code Sections 49-5-62 through 49-5-64 and this Code section to obtain state and national fingerprint records check determinations for the newly designated director. The director may begin working upon the receipt of a satisfactory state fingerprint records check determination pending the receipt of the national fingerprint records check determination from the department. The department may revoke the license of that facility if the facility fails to comply with the requirements of this Code section and Code Section 49-5-63 to receive satisfactory state and national fingerprint determinations on the director or to comply with Code Section 49-5-63 regarding employees other than the director. (Code 1981, § 49-5-65, enacted by Ga. L. 1984, p. 1397, § 1; Ga. L. 1985, p. 963, § 1; Ga. L. 1987, p. 1416, § 4; Ga. L. 1999, p. 539, § 5; Ga. L. 1999, p. 574, § 7.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, in the second sentence "49-5-64 and this Code section" was substituted for "49-5-65".

49-5-65.1. Employment of persons who have entered plea of guilty or nolo contendere to specified offenses.

Repealed by Ga. L. 2004, p. 645, § 12, effective October 1, 2004.

Editor's notes. — This Code section was based on Code 1981, § 49-5-65.1, enacted by Ga. L. 1997, p. 713, § 2.

49-5-66. Separate license and center.

Each center shall be required to obtain a separate license and shall have a separate director for each center. (Code 1981, § 49-5-66, enacted by Ga. L. 1984, p. 1397, § 1; Ga. L. 1985, p. 963, § 1; Ga. L. 1987, p. 1416, § 5; Ga. L. 1999, p. 539, § 6; Ga. L. 1999, p. 574, § 8.)

49-5-67. Fingerprint records check application for director of existing facility; preliminary records check for employees; annual license.

As an alternative to the requirements set out in this article pertaining to obtaining preliminary criminal records check determinations through the department for employees, foster parents, and adults residing in a foster care home, but not including directors of centers, centers may obtain GCIC information through local law enforcement agencies. The center shall be responsible for reviewing the GCIC information obtained for the potential employee, or foster parent or other adult residing in the foster care home, and making a written determination that the individual does not have a criminal record as defined in this article. This written determination, together with all supporting documentation received from any law enforcement agency, must be maintained in the center's file and available for inspection by the department. This satisfactory determination must be made before the employee or foster parent begins any duties for the center. However, where there is an urgent need for an emergency temporary employee to work at a center's facility in order to avoid immediate noncompliance with staffing requirements, such center may utilize the applicant as an emergency temporary employee after applying for the preliminary records check through the local law enforcement agency and completing the affidavit. In such emergency situations, the director of the center must complete an affidavit, with all supporting documentation attached thereto, stating that the GCIC information has been requested through an identified local law enforcement agency and that the results were not immediately available to the center prior to assigning the employee to work with children at the center's facility in order to avoid immediate noncompliance with staffing ratios. The affidavit with supporting documentation must be maintained in the center's file on the individual and available to the department for inspection. The director shall review the GCIC information upon receipt, but in no case shall an emergency temporary employee be permitted to continue working for more than three days without having a satisfactory determination made by the director and entered into the center's file on the employee with all supporting documentation. The department shall promulgate rules and regulations limiting the extent to which centers are authorized to use emergency temporary employees in accordance with this Code section. Foster parents and adults residing in a foster care home utilized by child-placing agencies shall never be utilized as emergency temporary employees of the child-placing agency. Employees, emergency temporary employees, foster parents, and other adults required to have records checks who are utilized by centers are subject to all other requirements set forth in this article. Where the department has reason to question the validity of the GCIC information or the satisfac-

tory determination made by the center, the department may require the employee, emergency temporary employee, foster parent, or other adult to submit a preliminary criminal records check application through the department together with appropriate fees. (Code 1981, § 45-5-67, enacted by Ga. L. 1999, p. 539, § 7; Ga. L. 1999, p. 574, § 9; Ga. L. 2004, p. 333, § 3; Ga. L. 2004, p. 645, § 13.)

Editor's notes. — Former Code Section 49-5-67 (Ga. L. 1984, p. 1397, § 1 and Ga. L. 1985, p. 963, § 1), relating to fingerprint records check, was repealed by Ga. L. 1987, p. 1416, § 6, effective July 1, 1987.

49-5-68. Change of director.

(a) If the director of a facility which has been issued a license ceases to be the director of that facility, the licensee shall thereupon designate a new director. After such change, the licensee of that facility shall notify the department of such change and of any additional information the department may require regarding the newly designated director of that facility. Such information shall include but not be limited to any information the licensee may have regarding preliminary or any fingerprint records check determinations regarding that director. After receiving a change of director notification, the department shall make a written determination from the information furnished with such notification and the department's own records as to whether satisfactory or unsatisfactory preliminary or state and national fingerprint records check determinations have ever been made for the newly designated director. If the department determines that such director within 12 months prior thereto has had satisfactory state and national fingerprint records check determinations, such determinations shall be deemed to be satisfactory state and national fingerprint records check determinations as to that director. The license of that facility shall not be adversely affected by that change in director, and the licensee shall be so notified.

(b) If the department determines under subsection (a) of this Code section that there has ever been an unsatisfactory preliminary or state or national fingerprint records check determination of the newly designated director which has not been legally reversed, the center and that director shall be so notified. The license for that director's facility shall be indefinitely suspended or revoked unless the center designates another director for whom it has not received or made an unsatisfactory preliminary or state or national fingerprint records check determination and proceeds pursuant to the provisions of this Code section relating to a change of director.

(c) If the department determines under subsection (a) of this Code section that there have been no state and national fingerprint records check determinations regarding the newly designated director within

the immediately preceding 12 months, the department shall so notify the center. The center shall furnish to the department the fingerprint records check application of the newly designated director after the date the notification is sent by the department or the license of that facility shall be indefinitely suspended or revoked. If that fingerprint records check application is so received, unless the department has within the immediately preceding 12 months made a satisfactory state fingerprint records check determination regarding the newly designated director, the department shall perform a state fingerprint records check determination of the newly designated director; and the applicant and that director shall be so notified. If that determination is unsatisfactory, the provisions of subsection (b) of this Code section regarding procedures after notification shall apply. If that determination is satisfactory, the department shall perform a national fingerprint records check determination for that director as provided in Code Sections 49-5-64 and 49-5-65. The director may begin working upon the receipt of a satisfactory state fingerprint records check determination pending the receipt of the national fingerprint records check determination from the department. If that determination is satisfactory, the center and director for whom the determination was made shall be so notified after the department makes its determination, and the license for the facility at which that person is the newly designated director shall not be adversely affected by that change of director. If that determination is unsatisfactory, the provisions of subsection (b) of this Code section shall apply. (Code 1981, § 49-5-69, enacted by Ga. L. 1984, p. 1397, § 1; Code 1981, § 49-5-68, as redesignated by Ga. L. 1985, p. 963, § 1; Ga. L. 1987, p. 1416, § 7; Ga. L. 1999, p. 539, § 8; Ga. L. 1999, p. 574, § 10.)

Editor's notes. — Former Code Section 49-5-68, as enacted by Ga. L. 1984, p. 1397, § 1, relating to requirement that director of a facility not be subjected to more than one fingerprint check during

his tenure, was repealed by Ga. L. 1985, p. 963, § 1, effective July 1, 1985.

Ga. L. 1985, p. 963, § 1, also redesignated former Code Section 49-5-69 as this Code section.

49-5-69. Employment requirements; suspension or revocation of license or criminal penalty for violations.

(a) Before a person may become an employee other than a director of any center after that center has received a license, that center shall require that person to obtain a satisfactory preliminary records check. The center shall maintain documentation in the employee's personnel file, which is available to the department upon request, which reflects that a satisfactory preliminary criminal records check was received before the employee began working with children. If the preliminary records check for any potential employee other than the director reveals a criminal record of any kind, such potential employee shall not be

allowed to begin working until either such potential employee has obtained satisfactory state and national fingerprint records check determinations or has had the unsatisfactory preliminary or fingerprint records check determination reversed in accordance with Code Section 49-5-73. If either the preliminary or state or national fingerprint records determination is unsatisfactory, the center shall, after receiving notification of the determination, take such steps as are necessary so that such person is no longer an employee. Any potential employee other than the director who receives a satisfactory preliminary records check determination shall not be required to obtain a fingerprint records check determination except as permitted in accordance with subsection (c) of this Code section.

(b) A license is subject to suspension or revocation and the department may refuse to issue a license if a director or employee does not undergo the records and fingerprint checks applicable to that director or employee and receive satisfactory determinations.

(c) After the issuance of a license, the department may require a fingerprint records check on any director or employee to confirm identification for records search purposes, when the department has reason to believe the employee has a criminal record that renders the employee ineligible to have contact with children in the center, or during the course of a child abuse investigation involving the director or employee.

(d) No center may hire any person as an employee unless there is on file in the center an employment history and a satisfactory preliminary records check or, if the preliminary records check determination revealed a criminal record of any kind as to such person, either satisfactory state and satisfactory national records check determinations for that person or proof that an unsatisfactory determination has been reversed in accordance with Code Section 49-5-73.

(e) A director of a facility having an employee whom that director knows or should reasonably know to have a criminal record that renders the employee ineligible to have contact with children in the center shall be guilty of a misdemeanor. (Code 1981, § 49-5-70, enacted by Ga. L. 1984, p. 1397, § 1; Code 1981, § 49-5-69, as redesignated by Ga. L. 1985, p. 963, § 1; Ga. L. 1987, p. 1416, § 8; Ga. L. 1999, p. 539, § 9; Ga. L. 1999, p. 574, § 11; Ga. L. 2004, p. 645, § 14; Ga. L. 2006, p. 72, § 49/SB 465.)

Editor's notes. — Ga. L. 1985, p. 963, § 1, redesignated former Code Section 49-5-69 as Code Section 49-5-68.

Ga. L. 1985, p. 963, § 1, also redesignated former Code Section 49-5-70 as this Code section.

49-5-69.1. Fingerprint and preliminary records check for foster homes; notice of results; violations; foster parents known to have criminal records.

(a) No licensed child welfare agency, as defined in subsection (a) of Code Section 49-5-12, shall place a child in a foster care home unless the foster parent or parents of the home and other adult persons that reside in the home or provide care to children placed in the home have received a satisfactory preliminary records check determination. Additionally, no child shall continue to be placed in such foster care home unless the foster parent or parents also subsequently receive a satisfactory fingerprint records check determination. A child welfare agency or any applicant for a license for such an agency shall be required to submit to the department a preliminary records check application and a records check application for the foster parent or parents of any foster care home used by the agency and a preliminary records check application for any other adult persons that reside in the home or provide care to children placed in the home. In lieu of such applications, the agency or license applicant may submit evidence, satisfactory to the department, that within the immediately preceding 12 months such foster parent or parents or other adult persons have received a satisfactory fingerprint records check determination or a satisfactory preliminary records check determination.

(b) After receiving or obtaining the fingerprint records check determinations or the preliminary records check determinations, the department shall notify in writing the agency or license applicant as to each person for whom an application was received regarding whether the department's determinations were satisfactory or unsatisfactory. If any such determinations are unsatisfactory, such homes shall not be used by the child welfare agency as foster care homes.

(c) The department shall have the authority to take any of the actions enumerated in subsection (c) of Code Section 49-2-17 if a licensed child welfare agency or an applicant for such a license violates any provision of this Code section.

(d) An executive director of a child welfare agency that uses a foster care home with a foster parent or parents or other adult persons referenced in this Code section whom the executive director knows or should reasonably know to have a criminal record shall be guilty of a misdemeanor.

(e) In addition to any other requirement established by law, the submission of fingerprints shall be a prerequisite to the issuance of a license or authorization for the operation of a foster home or to serve as foster parents as provided in this article. Such fingerprints shall be used for the purposes of fingerprint checks by the Georgia Crime

Information Center and the Federal Bureau of Investigation. (Code 1981, § 49-5-69.1, enacted by Ga. L. 1993, p. 757, § 2; Ga. L. 1994, p. 409, § 2; Ga. L. 1999, p. 539, § 10; Ga. L. 2009, p. 453, § 2-24/HB 228.)

49-5-70. Required cooperation among state agencies; unauthorized use of criminal history record information.

(a) GCIC and law enforcement agencies which have access to GCIC information shall cooperate with the department in performing preliminary and fingerprint records checks required under this chapter and shall provide such information so required for such records checks notwithstanding any other law to the contrary and may charge reasonable fees therefor.

(b) Any person who knowingly and under false pretenses requests, obtains, or attempts to obtain GCIC information otherwise authorized to be obtained pursuant to this chapter, or who knowingly communicates or attempts to communicate such information obtained pursuant to this article to any person or entity except in accordance with this article, or who knowingly uses or attempts to use such information obtained pursuant to this article for any purpose other than as authorized by this article shall be fined not more than \$5,000.00, imprisoned for not more than two years, or both. (Code 1981, § 49-5-71, enacted by Ga. L. 1984, p. 1397, § 1; Code 1981, § 49-5-70, as redesignated by Ga. L. 1985, p. 963, § 1.)

Editor's notes. — Ga. L. 1985, p. 963, § 1, had the effect of redesignating former Code Section 49-5-70 as Code Section 49-5-69.

Ga. L. 1985, p. 963, § 1, also redesignated former Code Section 49-5-71 as this Code section.

49-5-71. Immunity from liability for centers, state agencies, and employees.

(a) Neither GCIC, the department, any law enforcement agency, nor the employees of any such entities shall be responsible for the accuracy of information nor have any liability for defamation, invasion of privacy, negligence, or any other claim in connection with any dissemination of information or determination based thereon pursuant to this article.

(b) A center or a child-placing agency, its director, and its employees shall have no liability for defamation, invasion of privacy, or any other claim based upon good faith action thereby pursuant to the requirements of this article. (Code 1981, § 49-5-72, enacted by Ga. L. 1984, p.

1397, § 1; Code 1981, § 49-5-71, as redesignated by Ga. L. 1985, p. 963, § 1; Ga. L. 1993, p. 757, § 3.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1993, a comma was inserted following “director” in subsection (b).

§ 1, redesignated former Code Section 49-5-71 as Code Section 49-5-70 and former Code Section 49-5-72 as this Code section.

49-5-72. Supplemental nature of article’s requirements.

The requirements of this article are supplemental to any requirements for a license imposed by Article 1 of this chapter. (Code 1981, § 49-5-73, enacted by Ga. L. 1984, p. 1397, § 1; Code 1981, § 49-5-72, as redesignated by Ga. L. 1985, p. 963, § 1.)

Editor’s notes. — Ga. L. 1985, p. 963, § 1, redesignated former Code Section 49-5-72 as Code Section 49-5-71 and for-

mer Code Section 49-5-73 as this Code section.

49-5-73. Applicability of “Georgia Administrative Procedure Act”; consideration of matters in mitigation of conviction.

A determination by the department regarding preliminary or fingerprint records checks under this article, or any action by the department revoking, suspending, or refusing to grant or renew a license based upon such determination, shall constitute a contested case for purposes of Chapter 13 of Title 50, the “Georgia Administrative Procedure Act,” except that any hearing required to be held pursuant thereto may be held reasonably expeditiously after such determination or action by the department. It is expressly provided that upon motion from any party, the hearing officer may, in his discretion, consider matters in mitigation of any conviction, provided the hearing officer examines the circumstances of the case and makes an independent finding that no physical harm was done to a victim and also examines the character and employment history since the conviction and determines that there is no propensity for cruel behavior or behavior involving moral turpitude on the part of the person making a motion for an exception to sanctions normally imposed. If the hearing officer deems a hearing to be appropriate, he will also notify at least 30 days prior to such hearing the office of the prosecuting attorney who initiated the prosecution of the case in question in order to allow the prosecutor to object to a possible determination that the conviction would not be a bar for the grant or continuation of a license or employment as contemplated within this title. If objections are made, the hearing officer will take such objections into consideration in considering the case. (Code 1981, § 49-5-74,

enacted by Ga. L. 1984, p. 1397, § 1; Code 1981, § 49-5-73, as redesignated by Ga. L. 1985, p. 963, § 1; Ga. L. 1988, p. 1605, § 2.)

Editor's notes. — Ga. L. 1985, p. 963, § 1, redesignated former Code Section 49-5-73 as Code Section 49-5-72 and former Code Section 49-5-74 as this Code section.

49-5-74. Administration of article.

The department is authorized to provide by regulation for the administration of this article. (Code 1981, § 49-5-74, enacted by Ga. L. 1985, p. 963, § 1.)

Editor's notes. — Former Code Section 49-5-74 was redesignated as Code Section 49-5-73 by Ga. L. 1985, p. 963, § 1.

Code Commission notes. — Ga. L. 1986, p. 662, § 1 and Ga. L. 1986, p. 669, § 1 both enacted an Article 4 of Chapter 5 of Title 49. Pursuant to Code Section 28-9-5, in 1986, the article enacted by the latter Act was redesignated as Article 5 of this chapter and the Code sections in that article, which were enacted as Code Sections 49-5-90 through 49-5-94, were redesignated as Code Sections 49-5-110 through 49-5-114, respectively.

49-5-91. Emergency orders; corrective orders; monitors.

(a) Emergency orders may be issued by the commissioner or his designee pursuant to findings by the department pursuant to surveys, inspections, or investigations, which are required or permitted by law, that departmental rules and regulations are being violated which threaten the health, safety, or welfare of children in care.

(b)(1)(A) The commissioner may order the emergency relocation of residents from a child-caring institution other than a day-care facility subject to licensure under this chapter when the commissioner has determined that the residents are subject to an imminent and substantial danger.

(B) When an order is issued under this subsection, the commissioner shall provide for:

(i) Notice to the resident, his next of kin or guardian, and, where appropriate, his physician, of the emergency relocation and the reasons therefor;

(ii) Relocation to the nearest appropriate child-caring institution; and

(iii) Other protection designed to ensure the welfare and, when possible, the desires of the resident and his next of kin or guardian.

(2)(A) The commissioner or his designee may order the emergency placement of a monitor or monitors in a facility upon a finding that department rules and regulations are being violated which threaten the health, safety, or welfare of children in care and when one or more of the following conditions are present:

- (i) The facility is operating without a permit;
- (ii) The department has denied application for permit or has initiated action to revoke the existing permit of the facility; or
- (iii) Children are suspected of being subjected to injury or life-threatening situations or the health or safety of the child or children is in danger.

(B) A monitor may be placed in a facility for no more than ten consecutive calendar days, during which time the monitor shall observe conditions and regulatory compliance with any recommended remedial action of the department. Upon expiration of the ten-day period, should the conditions warrant, the initial ten-day period may be extended for an additional ten-day period. The monitor shall report to the department. The monitor shall not assume any administrative responsibility within the facility, nor shall the monitor be liable for any actions of the facility. The salary and related costs and travel and subsistence allowance as defined by department policy of placing a monitor in a facility shall be reimbursed to the department by the facility, unless the order placing the monitor is determined to be invalid in a contested case or by final adjudication by a court of competent jurisdiction, in which event the cost shall be paid by the department.

(3)(A) The commissioner may order the emergency prohibition of admissions to a child-caring institution other than a day-care facility subject to licensure under this chapter when residents of an institution are in imminent and substantial danger or the institution has failed to correct a violation of departmental permit rules or regulations within a reasonable period of time, as specified in the department's corrective order, and the violation:

- (i) Could jeopardize the health and safety of the residents in the institution if allowed to remain uncorrected; or
- (ii) Is a repeat violation over a 12 month period.

(B) Admission to an institution may be suspended until the violation has been corrected or until the department has determined that the institution has undertaken the action necessary to effect correction of the violation.

(c) An emergency order shall contain the following:

- (1) The scope of the order;
- (2) The reasons for the issuance of the order;
- (3) The effective date of the order if other than the date the order is issued;

(4) The person to whom questions regarding the order are to be addressed; and

(5) Notice of the right to a preliminary hearing.

(d) Unless otherwise provided in the order, an emergency order shall become effective upon its service. Service of an emergency order may be made upon the owner of the facility, the director of the facility, or any other agent, employee, or person in charge of the facility at the time of the service of the order.

(e) Prior to issuing an emergency order to order the emergency relocation of residents, to prohibit admissions, or to require placement of a monitor in a facility which has been classified by the department as a child-caring institution or child welfare agency, the commissioner or his designee may consult with persons knowledgeable in the field of child care and a representative of the facility to determine if there is a potential for greater adverse effects on children in care as a result of the emergency order. (Code 1981, § 49-5-91, enacted by Ga. L. 1986, p. 662, § 1.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, “situa- tions” was substituted for “situation” in division (b)(2)(A)(iii).

ARTICLE 6
PROGRAMS AND PROTECTION FOR CHILDREN

PART 1

GOVERNOR'S OFFICE FOR CHILDREN AND FAMILIES

Editor's notes. — Ga. L. 2008, p. 568, § 9/HB 1054, effective July 1, 2008, repealed the Code sections formerly codified at this part and enacted the current part. The former part consisted of Code Sections 49-5-130 through 49-5-135, relating to general provisions regarding programs and protection for children, and was based on Ga. L. 1987, p. 1576, § 1; Ga. L. 1990, p. 1871, § 2; Ga. L. 1991, p. 435, §§ 2-7; Ga. L. 1992, p. 1983, § 32; Ga. L. 1997, p. 1453, § 1; Ga. L. 2000, p. 20, § 28; Ga. L. 2000, p. 1098, § 1; Ga. L. 2001, p. 312, § 1.

Ga. L. 2008, p. 568, § 1/HB 1054, not codified by the General Assembly, provides: "This Act may be cited as the 'Children and Family Services Strengthening Act of 2008.'"

Ga. L. 2008, p. 568, § 2/HB 1054, not codified by the General Assembly, provides: "The General Assembly finds that well-intentioned efforts over the years

have resulted in the creation of several agencies focused on preventing child abuse and juvenile delinquency, on serving at-risk families and troubled youth, and on promoting the improvement of our state's child welfare system. The General Assembly further finds that the work of some of these agencies overlaps, and that the at-risk families and troubled children of Georgia will be more efficiently and effectively served by consolidating the Children and Youth Coordinating Council with the Children's Trust Fund Commission, by placing the functions of the Georgia Child Fatality Review Panel under the supervision of the Child Advocate for the Protection of Children, and by encouraging these consolidated agencies to collaborate to create a consistent vision for serving the needs of our state's families in need."

Cross references. — Child abuse and neglect prevention, T. 19, C. 14.

49-5-130. Legislative findings and intent.

The General Assembly finds and declares:

(1) That the future of this state depends on our supporting and nurturing the creation and development of strong, safe, stable, and successful families. Therefore, the General Assembly is committed to ensuring the provision of appropriate services to children, youth, and families. The intent of this article is to provide for the effective coordination and communication between providers of prevention and early intervention services for children and youth and juvenile justice and child welfare systems at all levels of state government;

(2) That consolidating multiple child welfare and juvenile justice funding and policy agencies into a single agency with authority to address the needs of at-risk children from birth through adolescence will create a more unified, consistent approach to addressing the needs of our state's children and youth; and

(3) Its intent to reduce the number of children committed by the courts to institutions operated by the Department of Juvenile Justice

and the Department of Human Services or other state agencies and to provide a preventive, comprehensive plan for the development of community based alternatives so that children who have committed delinquent acts and children who are at risk of becoming dependents of state government and its institutions may not have to be committed to a state detention facility or other such facility. Additionally, it is the intent of this part to provide for noninstitutional disposition options in any case before the juvenile court where such disposition is deemed to be in the best interest of the child and of the community. (Code 1981, § 49-5-130, enacted by Ga. L. 2008, p. 568, § 9/HB 1054; Ga. L. 2009, p. 453, § 2-2/HB 228; Ga. L. 2013, p. 141, § 49/HB 79.)

U.S. Code. — The Juvenile Justice and Delinquency Prevention Act, referred to in paragraph (a)(6), is codified principally at 42 U.S.C. § 5601 et seq.

PART 2

DELINQUENCY PREVENTION AND COMMUNITY BASED SERVICES

Administrative rules and regulations. — Title V Prevention, Official Compilation of the Rules and Regulations of the State of Georgia, Grant Programs, Grants of Children and Youth Coordinating Council, § 96-1-.02.

Law reviews. — For note on 1991 amendment of this part, see 8 Ga. St. U.L. Rev. 21 (1992).

49-5-150. Legislative policy and intent.

The policy and intent of the General Assembly in delinquency and other child related problems and community based services can be summarized as follows:

(1) Such programs should be planned and organized at the community level within the state, and such planning efforts should include appropriate representation from local government, local agencies serving families and children, both public and private, local business leaders, citizens with an interest in youth problems, youth representatives, and others as may be appropriate in a particular community. The role of the state should be to provide technical assistance, access to funding, program information, and assistance to local leadership in appropriate planning;

(2) When a child is adjudicated to be within the jurisdiction of the juvenile court or other state agencies, such child should be carefully evaluated through the available community-level resources including

a comprehensive team of mental health providers, social services providers, public health and other available medical providers, public schools, and others, as appropriate, prior to the juvenile hearing dealing with disposition so that the disposition of the court may be made with an understanding of the needs of the child and after consideration of the resources available to meet those needs;

(3) It is contrary to the policy of the state for a court to separate a child from his or her own family or commit a child to an institution without a careful evaluation of the needs of the child;

(4) The General Assembly finds that state and local government should be responsive to the need for community based services which would provide an alternative to commitment to an institution. The General Assembly intends that state government should be responsive to this need through the council by helping public and private local groups to plan, develop, and fund community based programs, both residential and nonresidential;

(5) It is the intent of the General Assembly that the council develop a funding mechanism that will provide state support for programs that meet the standards developed under the provisions of this part. (Code 1981, § 49-5-150, enacted by Ga. L. 1987, p. 1576, § 1; Ga. L. 1991, p. 435, § 8.)

49-5-151. Implementation of part.

It shall be the duty of the council to arrange for the implementation of this part as follows:

(1) To assist local governments and private service agencies in the development of community based programs and to provide information on the availability of potential funding sources and to provide whatever assistance may be requested in making application for needed funding;

(2) To approve yearly program evaluations and to make recommendations to the General Assembly concerning continuation funding that might be supported by that evaluation;

(3) To approve program evaluation standards by which all programs developed under the provisions of this part may be objectively evaluated. Such standards as may be developed for the purpose of program evaluation shall be in addition to any current standards as may be applicable under the existing authority of the department. Minimum operating standards as well as program evaluation standards as may be needed for new program models designed to fulfill the intent of this part may be developed at the discretion of the council;

(4) To develop a formula for funding on a matching basis community based services as provided for in this part. This formula may be based upon a county's or counties' relative ability to fund community based programs for children and youth. Local governments receiving state matching funds for programs under the provisions of this part must maintain the same overall level of effort that existed at the time of the filing of the county assessment of youth needs with the council;

(5) To provide yearly program evaluation of the effectiveness of delinquency and other prevention programs and community based services developed or supported under provisions of this part;

(6) To develop a program to coordinate the resources of state government within the appropriate departments to provide technical assistance to local areas within the state to assist them in planning delinquency and other prevention programs and community based services for youth, including but not limited to the following:

(A) Study local youth needs;

(B) Gather data on children within the jurisdiction of the state systems;

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1988, a misspelling of “existed” was corrected near the end of paragraph (4).

49-5-152. Purchase of care or services from public or private agencies.

The council and any other appropriate state or local agency are authorized to purchase care or services from public or private agencies providing delinquency or other prevention programs or community based services, provided the program meets the state standards as authorized by Code Section 49-5-151. (Code 1981, § 49-5-152, enacted by Ga. L. 1987, p. 1576, § 1; Ga. L. 1991, p. 435, § 10.)

The advisory group shall appraise the council on the needs of children and youth in its community giving particular attention to the need for prevention programs and community based services, residential or nonresidential, which would provide an alternative to commitment to or placement or custody in the Department of Juvenile Justice or the Department of Human Services and placement in any juvenile detention facility as defined in Code Section 49-4A-1. Such appraisal shall be made annually and in writing. The governing authority of the

county may request technical assistance from the council in conducting such study. (Code 1981, § 49-5-154, enacted by Ga. L. 1987, p. 1576, § 1; Ga. L. 1990, p. 1871, § 3; Ga. The 2013 amendment, effective January 1, 2014, substituted “any juvenile detention facility as defined in Code Section 49-4A-1” for “a youth development center, foster home, or any other institution” at the end of the second sentence. See editor’s note for applicability.

Editor’s notes. — Ga. L. 2013, p. 294, § 5-1/HB 242, not codified by the General Assembly, provides that: “This Act shall

Editor’s notes. — Ga. L. 2008, p. 568, § 1/HB 1054, not codified by the General Assembly, provides: “This Act may be cited as the ‘Children and Family Services Strengthening Act of 2008.’”

Ga. L. 2008, p. 568, § 2, not codified by the General Assembly, provides: “The General Assembly finds that well-intentioned efforts over the years have resulted in the creation of several agencies focused on preventing child abuse and juvenile delinquency, on serving at-risk families and troubled youth, and on promoting the improvement of our

state’s child welfare system. The General Assembly further finds that the work of some of these agencies overlaps, and that the at-risk families and troubled children of Georgia will be more efficiently and effectively served by consolidating the Children and Youth Coordinating Council with the Children’s Trust Fund Commission, by placing the functions of the Georgia Child Fatality Review Panel under the supervision of the Child Advocate for the Protection of Children, and by encouraging these consolidated agencies to collaborate to create a consistent vision for

serving the needs of our state's families in need."

PART 3

MENTORING ACT OF 2000

49-5-156. Short title; legislative findings; development of program; awarding of grants; applications; recognition; reporting to General Assembly.

(a) This Code section shall be known and may be cited as the "Georgia Mentoring Act of 2000."

(b) The General Assembly finds that:

(1) Every child in this state is encouraged to have a caring adult who, along with parents and teachers, is able to offer support, friendship, encouragement, and motivation to help the child excel academically and lead a productive life;

(2) As a society, we look to a child's family to provide a supportive home environment and realize that the primary responsibility for child rearing must remain with the family. However, we are keenly aware of increases in child abuse and neglect, the escalation of drug and alcohol abuse, and that many children who could excel in school are not receiving all the help and support they need to succeed;

(3) Untapped human resources exist in local communities throughout the state that can provide many children with an additional caring, positive academic role model or mentor. These individuals will help those children progress in school and help direct and reinforce the many opportunities that will further enhance each child's life;

(4) The members of the private sector throughout this state should be commended for their generous financial support of public schools. Now there is another significant contribution they can and must make to Georgia's children and youth: the investment of human capital in our children's future as academic volunteers and mentors;

(5) Programs which provide encouragement and support to children through the use of mentors have resulted in significant increases in graduation rates at the secondary level and in much improved enrollment rates in postsecondary education for some of our most vulnerable youth;

(6) Local, regional, and state-wide resource referral systems must be established to link more efficiently children and potential academic volunteers and mentors with existing programs and organizations; and

(7) Volunteer and mentor service must be encouraged and appropriately recognized.

(c) In order to develop a state-wide strategy to provide academic support and guidance to each student who requires it, there is created the Georgia Mentoring Program, to be administered by the Governor's Office for Children and Families. Subject to appropriation by the General Assembly, the office shall:

(1) Develop a state-wide plan with the goal of matching every child who needs one with an academic mentor. For purposes of this Code section, the term "academic mentor" or "academic volunteer and mentor" means a volunteer who, as a participant in a local project funded under this Code section, supports the needs of the individual child with whom the volunteer is matched, including without limitation, strengthening the child's academic preparation and achievement;

(2) Develop standards for the operation of local projects for the provision of academic volunteer and mentor services;

(3) Develop criteria and procedures for funding local projects for the provision of academic volunteer and mentor services, based on local need. Such criteria shall include, but not be limited to, the following indicators: size of the school age population, school dropout rates, and student achievement;

(4) Develop and implement a state-wide public awareness and recruitment campaign for academic mentors; and

(5) Compile a state-wide resource directory of successful academic mentor programs and organizations.

(d) The Governor's Office for Children and Families shall award grants to local school systems to administer the academic volunteer and mentor service program within the local school district, subject to appropriation by the General Assembly. Funds awarded under this Code section shall be expended exclusively for the recruitment, screening, training, and placement of academic mentors in accordance with the purposes of this Code section and for evaluation of the program established by this Code section. Local school systems which receive grants shall contract with nonprofit organizations or local government agencies for program operations. In selecting the organization or agency with which to contract, the local school system shall consider the experience of the organization or agency with operating volunteer mentor projects. Each entity receiving funds under this Code section shall consult and cooperate with any teacher in whose classroom it is proposed that an academic mentor be placed. No displacement of any certified or classified school employee shall occur as a result of the use of any academic mentor pursuant to this Code section.

(e) Any local school system desiring a grant under this Code section shall submit an application to the Governor's Office for Children and Families. In addition to such other information as the office may require, each application shall include the following:

- (1) A description of activities for which assistance is requested;
- (2) A list of coapplicants, if any;
- (3) The number of children expected to be served;
- (4) A statement of the goals of the program to be supported by the grant;
- (5) A statement of the applicant's experience in the recruitment, placement, and training of volunteers and mentors;
- (6) A statement of how the applicant intends to recruit, screen, train, and place academic mentors;
- (7) A statement of how the applicant will ensure that (A) academic volunteers and mentors will be required to undergo a criminal background check and (B) no displacement of existing school employees will occur as a result of the use of academic volunteers and mentors;
- (8) A statement of the efforts the applicant will make to maximize the use of existing state, federal, and local funds from both public and private sources for the purposes of the project; and
- (9) A plan for integration of the applicant's efforts with other community based children's services.

(f) The General Assembly further finds that outstanding academic volunteer and mentor service should be encouraged and recognized. For that purpose, the Governor is authorized to provide an award to recognize outstanding academic volunteer or mentor service in the schools for each fiscal year in which funds are appropriated for the program established under this Code section. Local school systems may nominate an individual or individual program that has had a significant and positive impact upon the lives of children for the award.

(g) No later than one year following the date on which funding is provided for the purposes of this Code section, and annually thereafter in any fiscal year for which funds are appropriated for the purposes of this Code section, the Governor's Office for Children and Families shall submit to the General Assembly a report describing the progress and accomplishments of the Georgia Mentoring Program. The report shall also identify any barriers to the full achievement of the goals of the program and shall include any recommended legislative changes in that regard. (Code 1981, § 49-5-156, enacted by Ga. L. 2000, p. 1098, § 2; Ga. L. 2008, p. 568, §§ 12, 13/HB 1054.)

Editor's notes. — Ga. L. 2008, p. 568, § 1, not codified by the General Assembly, provides: "This Act may be cited as the 'Children and Family Services Strengthening Act of 2008.'"

Ga. L. 2008, p. 568, § 2, not codified by the General Assembly, provides: "The General Assembly finds that well-intentioned efforts over the years have resulted in the creation of several agencies focused on preventing child abuse and juvenile delinquency, on serving at-risk families and troubled youth, and on promoting the improvement of our state's child welfare system. The General

Assembly further finds that the work of some of these agencies overlaps, and that the at-risk families and troubled children of Georgia will be more efficiently and effectively served by consolidating the Children and Youth Coordinating Council with the Children's Trust Fund Commission, by placing the functions of the Georgia Child Fatality Review Panel under the supervision of the Child Advocate for the Protection of Children, and by encouraging these consolidated agencies to collaborate to create a consistent vision for serving the needs of our state's families in need."

Jackson*, 269 Ga. 308, 496 S.E.2d 912 (1998).

49-5-183.1. Notice to alleged child abuser of classification; procedures; notification to division; children under 16 years of age not required to testify.

(a) If a DFACS office, pursuant to Code Section 49-5-183, receives an abuse investigator's report naming a person as having committed an act of child abuse classified as "confirmed" or "unconfirmed" in the report and such person was at least 13 years of age at the time of the commission of such act, the person so named shall be deemed to be an alleged child abuser for purposes of this article.

(b) When a DFACS office receives an investigator's report pursuant to subsection (a) of this Code section naming an alleged child abuser, that office shall mail to each alleged child abuser so classified in such report a notice regarding such classification. It shall be a rebuttable presumption that any such notice is received five days after deposit in the United States mail with the current address of the alleged child abuser and proper postage affixed. The notice of classification shall further inform such alleged child abuser of such person's right to a hearing to appeal such classification. The notice of classification shall further inform such alleged child abuser of the procedures for obtaining the hearing, and that an opportunity shall be afforded all parties to be represented by legal counsel and to respond and present evidence on all issues involved.

(c) Any alleged child abuser who has not attained the age of majority set forth by Code Section 39-1-1 at the time of the hearing requested pursuant to subsection (e) of this Code section who is alleged to have committed an act of child abuse shall be entitled to representation at the hearing either by the alleged child abuser's parent or other legal guardian or by an attorney employed by such parent or guardian. In the event the administrative law judge conducting the hearing determines that any such alleged minor child abuser will not be so represented at the hearing, or that the interests of any such alleged minor child abuser may conflict with the interests of the alleged minor child abuser's parent or other legal guardian, the administrative law judge shall order the DFACS office which transmitted the hearing request to apply to the superior court of the county in which such DFACS office is located to have counsel appointed for the alleged minor child abuser. Payment for any such court appointed representation shall be made by the county in which such DFACS office is located.

(d) In order to exercise such right to a hearing, the alleged child abuser must file a written request for a hearing with the DFACS office which mailed the notice of classification within ten days after receipt of such notice. The written request shall contain the alleged child abuser's current residence address and, if the person has a telephone, a telephone number at which such person may be notified of the hearing.

(e) A DFACS office which receives a timely written request for a hearing under subsection (d) of this Code section shall transmit that request to the Office of State Administrative Hearings within ten days after such receipt. Notwithstanding any other provision of law, the Office of State Administrative Hearings shall conduct a hearing upon that request in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act," and the rules of the Office of State Administrative Hearings adopted pursuant thereto, except as otherwise provided in this article. The hearing shall be for the purpose of an administrative determination regarding whether there was sufficient credible evidence of child abuse by the alleged child abuser to justify the investigator's classification of such abuse as "confirmed" or "unconfirmed." The Office of State Administrative Hearings shall give notice of the time and place of the hearing to the alleged child abuser by first-class mail to the address specified in the written request for a hearing and to the DFACS office by first-class mail at least ten days prior to the date of the hearing. It shall be a rebuttable presumption that any such notice is received five days after deposit in the United States mail with the correct address of the alleged child abuser and the DFACS office, respectively, and proper postage affixed. Unless postponed by mutual consent of the parties and the administrative law judge or for good cause shown, that hearing shall be held within 30 business days following receipt by the Office of State Administrative Hearings of the request for a hearing, and a decision shall be rendered within five business days following such hearing. A motion for an expedited hearing may be filed in accordance with rules and regulations promulgated by the Office of State Administrative Hearings. The hearing may be continued as necessary to allow the appointment of counsel. A telephone hearing may be conducted concerning this matter in accordance with standards prescribed in paragraph (5) of Code Section 50-13-15. Upon the request of any party to the proceeding or the assigned administrative law judge, venue may be transferred to any location within the state if all parties and the administrative law judge consent to such a change of venue. Otherwise, the hearing shall be conducted in the county of the DFACS office which transmitted the hearing request to the Office of State Administrative Hearings. The doctrines of collateral estoppel and res judicata as applied in judicial proceedings are applicable to the administrative hearings held pursuant to this article.

(f) At the conclusion of the hearing under subsection (e) of this Code section, the administrative law judge shall order that the alleged child abuser's name not be included in the abuse registry upon a finding that there is no credible evidence that such individual committed the child abuse alleged; otherwise, the administrative law judge shall order listing of the alleged child abuser's name on the abuse registry as

confirmed if there is equal or greater credible evidence that such individual committed the child abuse alleged than such individual did not commit the child abuse alleged or as unconfirmed if there is some credible evidence that the alleged child abuser committed the alleged child abuse but not enough credible evidence to classify the individual as confirmed. The general public shall be excluded from hearings of the Office of State Administrative Hearings held pursuant to this article and the files and records relating thereto shall be confidential and not subject to public inspection.

(g) Notwithstanding any other provision of law, the decision of the administrative law judge under subsection (f) of this Code section shall constitute the final administrative decision. Any party shall have the right of judicial review of such decision in accordance with Chapter 13 of Title 50, except that the petition for review shall be filed within ten days after such decision and may only be filed with and the decision appealed to the superior court of the county where the hearing took place or, if the hearing was conducted by telephone, the Superior Court of Fulton County. The procedures for such appeal shall be substantially the same as those for judicial review of contested cases under Code Section 50-13-19 except that the filing of a petition for judicial review stays the listing of the petitioner's name upon the abuse registry and the superior court shall conduct the review and render its decision thereon within 30 days following the filing of the petition. The review and records thereof shall be closed to the public and not subject to public inspection. The decision of the superior court under this subsection shall not be subject to further appeal or review.

(h) The DFACS office which notifies a person of that person's classification as an alleged child abuser and of that person's right to a hearing regarding that classification shall transmit to the division the investigator's report so naming such person unless that office receives a written request for such hearing within the time for making such request under subsection (d) of this Code section. If a timely request for hearing is received, the administrative law judge shall transmit to the division his or her decision regarding the classification of the alleged child abuser and the investigator's report regarding such individual within ten days following that decision unless a petition for judicial review of that decision is filed within the permitted time period. If a timely petition for judicial review is filed within the permitted time period, the superior court shall transmit to the division its decision regarding the classification of the alleged child abuser and the investigator's report regarding such individual within ten days following that decision.

(i) No child younger than 16 years of age shall be compelled to appear to testify at any hearing held pursuant to this Code section. If a child

younger than 16 years of age testifies voluntarily, such testimony shall be given in compliance with procedures analogous to those contained in Code Section 17-8-55. Nothing in this article shall prohibit introducing a child's statement in a hearing held pursuant to this Code section if the statement meets the criteria of Code Section 24-8-820. (Code 1981, § 49-5-183.1, enacted by Ga. L. 1995, p. 937, § 2; Ga. L. 1996, p. 1143, § 3; Ga. L. 1998, p. 128, § 49; Ga. L. 2011, p. 99, § 93/HB 24; Ga. L. 2013, p. 222, § 20/HB 349.)

The 2011 amendment, effective January 1, 2013, substituted "Code Section 24-8-820" for "Code Section 24-3-16" at the end of the last sentence of subsection (i). See editor's note for applicability.

The 2013 amendment, effective July 1, 2013, substituted "younger than 16 years of age" for "under the age of 14" in the first and second sentences of subsection (i). See editor's note for applicability.

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1996, "first-class" was substituted for "first class" in the fourth sentence of subsection (e).

Editor's notes. — Ga. L. 2011, p. 99, § 101/HB 24, not codified by the General Assembly, provides that the amendment

of this Code section by that Act shall apply to any motion made or hearing or trial commenced on or after January 1, 2013.

Ga. L. 2013, p. 222, § 21/HB 349, not codified by the General Assembly, provides that: "This Act shall become effective on July 1, 2013, and shall apply to offenses which occur on or after that date. Any offense occurring before July 1, 2013, shall be governed by the statute in effect at the time of such offense."

49-5-184. Information to be included in abuse registry; hearing on expungement of name from registry; order; appeal.

(a) If the division receives an investigator's report, administrative law judge's decision, or superior court decision which finds credible evidence that an alleged child abuser has committed an act of child abuse which is confirmed or unconfirmed, the division shall include on the abuse registry the name and such classification of the alleged child abuser along with the investigator's report regarding such individual.

(b) All identifying information in the abuse registry of cases classified as unconfirmed shall be expunged from the abuse registry within two years after the case is so classified.

(c) Any person whose name appears in the abuse registry without a hearing having been held to determine whether or not there was sufficient credible evidence of child abuse by such person or a reasonable basis to justify such inclusion on the registry is entitled to a hearing for an administrative determination of whether or not expungement of such person's name should be ordered. In order to exercise such right, the person must file a written request for a hearing with the DFACS office of any county in which the investigation was conducted which resulted in such person's name being included in the abuse registry. The provisions of this subsection shall not apply to persons who have had a hearing pursuant to Code Section 49-5-183.1 or have waived their hearing after receipt of notice.

(d) A DFACS office which receives a written request for a hearing by a person entitled to a hearing pursuant to subsection (c) of this Code section shall transmit that request to the Office of State Administrative Hearings within ten days after such receipt. Notwithstanding any other provisions of law, the Office of State Administrative Hearings shall conduct a hearing as provided in this subsection. A hearing shall be conducted upon that request within 60 days following its receipt by the Office of State Administrative Hearings. The procedures and standards for such hearing shall be substantially the same as those for administrative hearings under Code Section 49-5-183.1. Upon a finding that there is no credible evidence that the person who requested the hearing committed the child abuse which was the basis for including such person's name on the abuse registry, the Office of State Administrative Hearings shall order the division to expunge that name from the registry; otherwise, the Office of State Administrative Hearings shall not take any action regarding the inclusion of such person's name on the registry unless the Office of State Administrative Hearings finds credible evidence of child abuse by such person which justifies a different classification of the named person than the classification shown on the registry, in which case the Office of State Administrative Hearings shall order the appropriate classification to be shown by the division on the registry. The general public shall be excluded from such hearings and the files and records relating thereto shall be confidential and not subject to public inspection.

(e) Notwithstanding any other provision of law, the decision of the Office of State Administrative Hearings under subsection (d) of this Code section shall constitute the final administrative decision. Any party shall have the right of judicial review of that decision in accordance with Chapter 13 of Title 50, except that the petition for

review shall be filed within 30 days after such decision and may only be filed with and the decision appealed to the superior court of the county where the hearing took place or, if the hearing was conducted by telephone, the Superior Court of Fulton County. The procedures for such appeal shall be the same as those for judicial review of contested cases under Code Section 50-13-19. The review and records thereof shall be closed to the public and not subject to public inspection. The decision of the superior court under this subsection shall not be subject to further appeal or review. (Code 1981, § 49-5-184, enacted by Ga. L. 1990, p. 1772, § 1; Ga. L. 1995, p. 937, § 2; Ga. L. 1996, p. 1143, § 4.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1996, “Office of State Administrative Hearings” was substituted for “State Office of Administrative Hearings” in the second sentence of subsection (d).

in which the investigation was conducted which resulted in such inclusion. (Code 1981, § 49-5-185, enacted by Ga. L. 1990, p. 1772, § 1; Ga. L. 1995, p. 937, § 2.)

49-5-186. Confidentiality of information in registry; penalties for unauthorized use of information.

(b)(1) Information obtained from the abuse registry may not be made a part of any record which is open to the public except as provided in paragraph (2) of this subsection and except that a district attorney may use in any court proceeding that information in the course of any criminal prosecution for any offense which constitutes or results from child abuse if such information is otherwise admissible.

(2) Notwithstanding any other provisions of law, information in the abuse registry applicable to a child who at the time of his or her death was in the custody of a state department or agency or foster parent which information relates to the child while in the custody of the state department or agency or foster parent whose custody the child was in at the time of the child's death shall not be confidential and shall be subject to Article 4 of Chapter 18 of Title 50, relating to open records.

(c) Any person who knowingly provides from the abuse registry any information to a person not authorized to be provided that information under this article shall be guilty of a misdemeanor.

(d) Any person who knowingly and under false pretense obtains or attempts to obtain information which was obtained from the abuse registry except as authorized in this article shall be guilty of a misdemeanor. (Code 1981, § 49-5-186, enacted by Ga. L. 1990, p. 1772, § 1; Ga. L. 1995, p. 937, § 2; Ga. L. 1998, p. 609, § 6.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1990, "this chapter" was substituted for "Chapter 5 of Title 49" in the second sentence of subsection (a).

Pursuant to Code Section 28-9-5, in 1995, a comma was deleted following "this article" in subsection (c).

49-5-187. Immunity from civil or criminal liability.

ARTICLE 10

CHILDREN AND ADOLESCENTS WITH SEVERE EMOTIONAL PROBLEMS

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1990, this article was renumbered as Article 10, and its sections renumbered as Code Sections 49-5-220 to 49-5-227, as another Article 8 was enacted in 1990.

49-5-220. Legislative findings and intent; State Plan for the Coordinated System of Care for severely emotionally disturbed children or adolescents.

(a) The General Assembly declares its intention and desire to:

(1) Ensure a comprehensive mental health program consisting of early identification, prevention, and early intervention for every child in Georgia;

(2) Preserve the sanctity of the family unit;

(3) Prevent the unnecessary removal of children and adolescents with a severe emotional disturbance from their homes;

(4) Prevent the unnecessary placement of these children out of state;

(5) Bring those children home who through use of public funds are inappropriately placed out of state; and

(6) Develop a coordinated system of care so that children and adolescents with a severe emotional disturbance and their families will receive appropriate educational, nonresidential and residential mental health services, and support services, as prescribed in an individualized plan.

(b) In recognition of the fact that services to these children are provided by several different agencies, each having a different philos-

ophy, a different mandate, and a different source of funding, the General Assembly intends that the Department of Behavioral Health and Developmental Disabilities shall have the primary responsibility for planning, developing, and implementing the coordinated system of care for severely emotionally disturbed children. Further, it recognizes that to enable severely emotionally disturbed children to develop appropriate behaviors and demonstrate academic and vocational skills, it is necessary that the Department of Education provide appropriate education in accordance with P.L. 94-142 and that the Department of Behavioral Health and Developmental Disabilities provide mental health treatment.

(c) Further, in recognition that only a portion of the children needing services are receiving them and in recognition that not all the services that comprise a coordinated system of care are currently in existence or do not exist in adequate numbers, the General Assembly intends that the Department of Behavioral Health and Developmental Disabilities and the Department of Education jointly develop and implement a State Plan for the Coordinated System of Care for severely or emotionally disturbed children or adolescents as defined in paragraph (10) of Code Section 49-5-221.

(d) The commissioner of behavioral health and developmental disabilities and the State School Superintendent shall be responsible for the development and implementation of the state plan.

(e) The commissioner of behavioral health and developmental disabilities shall be responsible for preparing this jointly developed state plan for print or electronic publication and dissemination. The commissioner of behavioral health and developmental disabilities shall also be responsible for preparing for print or electronic publication and dissemination the annual report.

(f) The receipt of services under this article is not intended to be conditioned upon placement of a child in the legal custody, protective supervision, or protection of the Department of Human Services. (Code 1981, § 49-5-220, enacted by Ga. L. 1990, p. 1798, § 1; Ga. L. 2002, p. 1324, § 1-23; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2009, p. 453, § 3-26/HB 228; Ga. L. 2010, p. 838, § 11/SB 388.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1990, “49-5-221” was substituted for “49-5-181” in subsection (c) to correspond to the renumbering of this article.

The amendment of this Code section by

Ga. L. 2009, p. 8, § 49, irreconcilably conflicted with and was treated as superseded by Ga. L. 2009, p. 453, § 3-2. See *County of Butts v. Strahan*, 151 Ga. 417 (1921).

L. 2008, p. 568, § 2/HB 1054, not codified by the General Assembly, provides: "The General Assembly finds that well-intentioned efforts over the years have resulted in the creation of several agencies focused on preventing child abuse and juvenile delinquency, on serving at-risk families and troubled youth, and on promoting the improvement of our state's child welfare system. The General Assembly further finds that the work of some of these agencies overlaps, and that the at-risk families and troubled children of Georgia will be more efficiently and effectively served by consolidating the Children and Youth Coordinating Council with the Children's Trust Fund Commis-

sion, by placing the functions of the Georgia Child Fatality Review Panel under the supervision of the Child Advocate for the Protection of Children, and by encouraging these consolidated agencies to collaborate to create a consistent vision for serving the needs of our state's families in need."

Ga. L. 2009, p. 303, § 20/HB 117, not codified by the General Assembly, provides that: "This Act is intended to reflect the current internal organization of the Georgia Senate and House of Representatives and is not otherwise intended to change substantive law. In the event of a conflict with any other Act of the 2009 General Assembly, such other Act shall control over this Act."

All children currently in out-of-state placement shall be brought home no later than July 1, 1995, but only after each child has been given an individual reintegration plan specifying in detail the services, both in terms of

human services and in fiscal resources, that shall be available and provided for that child and family. The services for each such child shall be provided from the funds appropriated, including funds now used for out-of-state placement of such child, and all such services shall be provided in the least restrictive environment.

(c) Fiscal incentives, such as flexible funding or decentralized funding, shall be developed for keeping children with their families and developing community based services.

(d) Nothing in this article shall prohibit or prevent a nonprofit agency from contracting with the state to provide any part of the continuum of services, provided that such services shall be provided in the least restrictive environment. (Code 1981, § 49-5-226, enacted by Ga. L. 1990, p. 1798, § 1.)

(2) Annually identify and recommend fiscal, policy, and program initiatives and revisions in the state coordinated system of care to the House and Senate Appropriations Committees, the House Education Committee, the Senate Education and Youth Committee, the House Health and Human Services Committee, the Senate Health and Human Services Committee, the Governor, the Department of Behavioral Health and Developmental Disabilities, and the Department of Education. § 1/HB 1054, not codified by the General Assembly, provides: "This Act may be cited as the 'Children and Family Services Strengthening Act of 2008.'"

Ga. L. 2008, p. 568, § 2/HB 1054, not codified by the General Assembly, pro-

vides: "The General Assembly finds that well-intentioned efforts over the years have resulted in the creation of several agencies focused on preventing child abuse and juvenile delinquency, on serving at-risk families and troubled youth, and on promoting the improvement of our state's child welfare system. The General Assembly further finds that the work of some of these agencies overlaps, and that the at-risk families and troubled children of Georgia will be more efficiently and effectively served by consolidating the Children and Youth Coordinating Council with the Children's Trust Fund Commission, by placing the functions of the Georgia Child Fatality Review Panel under the supervision of the Child Advocate for the

Protection of Children, and by encouraging these consolidated agencies to collaborate to create a consistent vision for serving the needs of our state's families in need."

Ga. L. 2009, p. 303, § 20/HB 117, not codified by the General Assembly, provides that: "This Act is intended to reflect the current internal organization of the Georgia Senate and House of Representatives and is not otherwise intended to change substantive law. In the event of a conflict with any other Act of the 2009 General Assembly, such other Act shall control over this Act."

49-5-270. Short title.

This article shall be known and may be cited as the “PeachCare for Kids Act.” (Code 1981, § 49-5-270, enacted by Ga. L. 1998, p. 623, § 1.)

49-5-271. Legislative findings.

The General Assembly finds and declares that a large proportion of school-aged children in Georgia do not currently have access to adequate medical treatment and, further, that this lack of access can hinder a child’s ability to reach his or her full physical and educational potential. The General Assembly further finds that federal funding made available to the states under Title XXI of the federal Social Security Act may be used to administer programs to provide such coverage. The General Assembly further finds the provision of adequate medical coverage for this population to be in the public interest and further declares the establishment of the program pursuant to this article to be a desirable and economical means of increasing access to such medical coverage. (Code 1981, § 49-5-271, enacted by Ga. L. 1998, p. 623, § 1.)

49-5-272. Definitions.

As used in this article, the term:

- (1) “Board” means the Board of Community Health.
- (2) “Department” means the Department of Community Health.
- (3) “Federal law” means Title XXI of the federal Social Security Act.
- (4) “Medicaid” means medical assistance provided under Article 7 of Chapter 4 of this title, the “Georgia Medical Assistance Act of 1977.”
- (5) “PeachCare” or “program” means the PeachCare for Kids Program created by Code Section 49-5-273. (Code 1981, § 49-5-272, enacted by Ga. L. 1998, p. 623, § 1; Ga. L. 1999, p. 296, § 24; Ga. L. 2005, p. 1438, § 4/SB 140.)

49-5-273. Creation of PeachCare; availability; eligibility; payment of premiums; enrollment; authorization to obtain income eligibility verification from the Department of Revenue.

(a) There is created the PeachCare for Kids Program to provide health care benefits for children in families with income below 235 percent of the federal poverty level. Children from birth through 18 years of age in families with family incomes below 235 percent of the federal poverty level and who are not eligible for medical assistance under Medicaid shall be eligible for the program, to be administered by the department pursuant to federal law and subject to availability of funding.

(b) No entitlement to benefits for the children covered under the program or this article shall be created by the program, nor shall this article or any rules or regulations adopted pursuant to this article be interpreted to entitle any person to receive any health services or insurance available under this program. The program shall be established subject to the availability of funds specifically appropriated by the General Assembly for this purpose and federal matching funds as set forth in federal law. The department shall operate the program consistent with administrative efficiency and the best interests of children.

(c) The program shall offer substantially the same health care services available to children under Georgia's Medicaid plan, but coverage for such services shall not be provided by an expansion of eligibility for medical assistance under Medicaid. However, the program shall exclude nonemergency transportation and targeted case management services. The department shall utilize appropriate medical management and utilization control procedures necessary to manage care effectively and shall prospectively limit enrollment in the program and modify the health care services benefits when the department has reason to believe the cost of such enrollment or services may exceed the availability of funding.

(d) The department may require copayments for services consistent with federal law; provided, however, that no copayment shall be charged for preventive services and no copayments or premiums shall be charged for any child under six years of age. Preventive services include but are not limited to medically necessary maintenance medication and monitoring for chronic conditions such as asthma and diabetes.

(e) The department shall require payment of premiums for participation in the program. The premiums shall not exceed the amounts permitted under Section 1916(b)(1) of the Social Security Act or federal law.

(f) The department may provide for presumptive eligibility for all applicant children as allowed by federal law and in a manner consistent with the provisions of this article.

(g) The department shall provide for outreach for the purpose of enrolling children in the program. Applications shall be accepted by mail or in person. All necessary and appropriate steps shall be taken to achieve administrative cost efficiency, reduce administrative barriers to application for and receipt of services under the program, verify eligibility for the program and enforce eligibility standards, and ensure that enrollment in the program does not substitute for coverage under a group health insurance plan.

(h) Any health care provider who is enrolled in the Medicaid program shall be deemed to be enrolled in the program.

(i) The department shall file a Title XXI plan to carry out the program with the United States Department of Health and Human Services Centers for Medicare and Medicaid Services. The department shall have the authority and flexibility to make such decisions as are necessary to secure approval of that plan consistent with this article. The department shall provide a copy of the plan to the General Assembly. The department shall operate this program consistent with federal law.

(j) The department shall publish in print or electronically an annual report, a copy of which shall be provided to the Governor, setting forth the number of participants in the program, the health services provided, the amount of money paid to providers, and other pertinent information with respect to the administration of the program. The department shall not be required to distribute copies of the annual report to the members of the General Assembly but shall notify the members of the availability of the report in the manner which it deems to be most effective and efficient.

(k) All state agencies shall cooperate with the department and its designated agents by providing requested information to assist in the administration of the program.

(l) The department, through the Department of Administrative Services or any other appropriate entity, may contract for any or all of the following: the collection of premiums, processing of applications, verification of eligibility, outreach, data services, and evaluation, if such contracting achieves administrative or service cost efficiency. The department, and other state agencies as appropriate, shall provide necessary information to any entity which has contracted with the department for services related to the administration of the program upon request. For purposes of compliance with Code Section 34-8-125, a request by any entity which has contracted with the department for

services related to the administration of the program shall be deemed to be a request by a responsible official of the department and considered to be a request by the department.

(m) Nothing in this article shall be interpreted in a manner so as to preclude the department from contracting with licensed health maintenance organizations (HMO) or provider sponsored health care corporations (PSHCC) for coverage of program services and eligible children; provided, however, that such contracts shall require payment of premiums and copayments in a manner consistent with this article. The department may require enrollment in a health maintenance organization (HMO) or provider sponsored health care corporation (PSHCC) as a condition of receiving coverage under the program.

(n) The Department of Education and local boards of education shall cooperate with and provide assistance to the department and its designated agents for the purposes of identifying and enrolling eligible children in the program.

(o) As necessary to enforce the provisions of this article, the department or its duly authorized agents may submit to the state revenue commissioner the names of applicants for health care benefits or payments provided under this article, as well as the relevant income threshold specified therein. If the department elects to contract with the state revenue commissioner for such purposes, the state revenue commissioner and his or her agents or employees shall notify the department whether or not each submitted applicant's income exceeds the relevant income threshold provided. The department shall pay the state revenue commissioner for all costs incurred by the Department of Revenue pursuant to this subsection. No information shall be provided by the Department of Revenue to the department without an executed cooperative agreement between the two departments. Any tax information secured from the federal government by the Department of Revenue pursuant to express provisions of Section 6103 of the Internal Revenue Code may not be disclosed by the Department of Revenue pursuant to this subsection. Any person receiving any tax information under the authority of this subsection is subject to the provisions of Code Section 48-7-60 and to all penalties provided under Code Section 48-7-61 for unlawful divulging of confidential tax information. (Code 1981, § 49-5-273, enacted by Ga. L. 1998, p. 623, § 1; Ga. L. 2000, p. 472, §§ 1, 2; Ga. L. 2002, p. 415, § 49; Ga. L. 2005, p. 1036, § 41/SB 49; Ga. L. 2005, p. 1438, § 5/SB 140; Ga. ALR. — Standing of foster parent to seek termination of rights of foster child’s natural parents, 21 ALR4th 535.

49-5-281. (For effective date, see note.) Bill of rights for foster parents; filing of grievance in event of violations.

(a) The General Assembly finds that foster parents providing care for children who are in the custody of the Department of Human Services play an integral, indispensable, and vital role in the state’s effort to care for dependent children displaced from their homes. The General Assembly further finds that it is in the best interest of Georgia’s child welfare system to acknowledge foster parents as active and participating members of this system and to support them through the following bill of rights for foster parents who care for children in the custody of the Department of Human Services through direct approval and placement by the department:

(1) The right to be treated by the Division of Family and Children Services of the Department of Human Services and other partners in the care of abused children with dignity, respect, and trust as a primary provider of foster care and a member of the professional team caring for foster children;

(2) The right not to be discriminated against on the basis of religion, race, color, creed, gender, marital status, national origin, age, or physical handicap;

(3) The right to continue with his or her own family values and beliefs, so long as the values and beliefs of the foster child and the birth family are not infringed upon and consideration is given to the special needs of children who have experienced trauma and separation from their families. This shall include the right to exercise parental authority within the limits of policies, procedures, and other

directions of the Division of Family and Children Services and within the limits of the laws of the State of Georgia;

(4) The right to receive both standardized pre-service training, including training in Division of Family and Children Services policies and procedures and appropriate ongoing training, by the Division of Family and Children Services or the placing agency at appropriate intervals to meet mutually assessed needs of the child and to improve foster parents' skills and to apprise foster parents of any changes in policies and procedures of the Division of Family and Children Services and any changes in applicable law;

(5) The right to be apprised of information, laws, and guidelines on the obligations, responsibilities, and opportunities of foster parenting and to be kept informed of any changes in laws, policies, and procedures regarding foster parenting by the Division of Family and Children Services in a timely manner and at least annually;

(6) The right to receive timely financial reimbursement according to the agreement between the foster parents and the Department of Human Services from funds appropriated by the General Assembly and to be notified of any costs or expenses for which the foster parent may be eligible for reimbursement;

(7) The right to receive information from the Division of Family and Children Services on how to receive services and reach personnel 24 hours per day, seven days per week;

(8) The right prior to the placement of a child to be notified of any issues relative to the child that may jeopardize the health and safety of the foster family or the child or alter the manner in which foster care should be administered;

(9) The right to discuss information regarding the child prior to placement. The Division of Family and Children Services will provide such information as it becomes available as allowable under state and federal laws;

(10) The right to refuse placement of a child in the foster home or to request, upon reasonable notice, the removal of a child from the foster home without fear of reprisal or any adverse effect on being assigned any future foster or adoptive placements;

(11) The right to receive any information through the Division of Family and Children Services regarding the number of times a foster child has been moved and the reasons therefor; and to receive the names and phone numbers of the previous foster parents if the previous foster parents have authorized such release and as allowable under state and federal law;

(12) The right, at any time during which a child is placed with the foster parent, to receive from the Division of Family and Children Services any and all additional pertinent information relevant to the care of the child;

(13) The right to be provided with a written copy of the individual treatment and service plan concerning the child in the foster parent's home and to discuss such plan with the case manager, as well as reasonable notification of any changes to that plan;

(14) The right to participate in the planning of visitation with the child and the child's biological family with the foster parents recognizing that visitation with his or her biological family is important to the child;

(15) (For effective date, see note.) The right to participate in the case planning and decision-making process with the Division of Family and Children Services regarding the child as provided in Code Section 15-11-201;

(16) The right to provide input concerning the plan of services for the child and to have that input considered by the department;

(17) The right to communicate for the purpose of participating in the case of the foster child with other professionals who work with such child within the context of the professional team, including, but not limited to, therapists, physicians, and teachers, as allowable under state and federal law;

(18) (For effective date, see note.) The right to be notified in advance, in writing, by the Division of Family and Children Services or the court of any hearing or review where the case plan or permanency of the child is an issue, including initial and periodic reviews held by the court in accordance with Code Section 15-11-216 or by the Judicial Citizen Review Panel in accordance with Code Section 15-11-217, hearings following revocation of the license of an agency which has permanent custody of a child in accordance with Code Section 31-2-6, and permanency plan hearings in accordance with Code Section 15-11-230;

(19) The right to be considered, where appropriate, as a preferential placement option when a child who was formerly placed with the foster parents has reentered the foster care system;

(20) The right to be considered, where appropriate, as the first choice as a permanent parent or parents for a child who, after 12 months of placement in the foster home, is released for adoption or permanent foster care;

(21) The right to be provided a fair and timely investigation of complaints concerning the operation of a foster home;

(22) The right to an explanation of a corrective action plan or policy violation relating to foster parents; and

(23) The right, to the extent allowed under state and federal law, to have an advocate present at all portions of investigations of abuse and neglect at which an accused foster parent is present. Child abuse and neglect investigations shall be investigated pursuant to Division of Family and Children Services policies and procedures, and any removal of a foster child shall be conducted pursuant to those policies and procedures. The Division of Family and Children Services will permit volunteers with the Adoptive and Foster Parent Association of Georgia to be educated concerning the procedures relevant to investigations of alleged abuse and neglect and the rights of accused foster parents. After such training, a volunteer will be permitted to serve as an advocate for an accused foster parent. All communication received by the advocate in this capacity shall be strictly confidential.

(b) This bill of rights shall be given full consideration when Division of Family and Children Services policies regarding foster care and adoptive placement are developed.

(c) Foster parents who care for children in the custody of the Department of Human Services through direct approval and placement by the department shall have the right to file a grievance in response to any violation of this article, which shall be such foster parents' exclusive administrative remedy for any violation of this article. The Division of Family and Children Services and the Office of the Child Advocate for the Protection of Children, along with an advisory committee comprised in part of representatives from the Adoptive and Foster Parent Association of Georgia, who provide private placements will develop a grievance procedure, including a mediation procedure, to be published in departmental policy manuals and the Foster Parent Handbook no later than July 1, 2005.

(d) The General Assembly further finds that it is also in the best interest of Georgia's child welfare system for the Division of Family and Children Services of the Department of Human Services to recognize the bill of rights, with reasonable modifications made to adapt the provisions as required to make them applicable to private agencies, by incorporating them into contracts with private agencies serving children in the custody of the Department of Human Services. The Department of Human Services shall, by contract, require that providers, with whom it contracts for the placement of children in its custody, give full consideration to the rights in subsection (a) of this Code section in developing their policies, practices, and procedures regarding foster care and adoptive placement. The department shall provide information needed by the contractors to meet the requirements of this subsection in a timely manner.

(e) The Department of Human Services, in consultation with the representatives of Georgia Association of Homes and Services for Children and other appropriate provider associations and the Adoptive and Foster Parent Association of Georgia, shall develop a grievance procedure for dealing with any grievances their foster parents have in response to any violation of this article, no later than July 1, 2007. The department shall enforce this provision through policies and procedures and through its contracts with providers. (Code 1981, § 49-5-281, enacted by Ga. L. 2004, p. 157, § 1; Ga. L. 2007, p. 646, § 1/SB 188; Ga. L. 2009, p. 453, § 2-2/HB 228; Ga. L. 2013, p. 294, § 4-61/HB 242.)

Delayed effective date. — Paragraphs (a)(15) and (a)(18), as set out above, become effective January 1, 2014. For versions of paragraphs (a)(15) and (a)(18) in effect until January 1, 2014, see the 2013 amendment note.

The 2013 amendment, effective January 1, 2014, substituted “Code Section 15-11-201” for “Code Section 15-11-58” in paragraph (a)(15); and, in paragraph (a)(18), inserted “initial and”, inserted “in accordance with Code Section 15-11-216”, inserted “in accordance with Code Section 15-11-217”, and substituted “in accordance with Code Section 31-2-6, and permanency plan hearings in accordance with Code Section 15-11-230” for “, permanency hearings, and motions to extend custody, in accordance with Code Section 15-11-58”. See editor’s note for applicability.

Cross references. — Counting attendance for student attending court proceedings on foster care, § 20-2-692.2.

Code Commission notes. — Pursuant

to Code Section 28-9-5, in 2004, “no later than July 1, 2005” was substituted for “within one year of the effective date of the article” at the end of subsection (c).

Pursuant to Code Section 28-9-5, in 2007, “effect” was substituted for “affect” in paragraph (a)(10).

Editor’s notes. — Ga. L. 2013, p. 294, § 5-1/HB 242, not codified by the General Assembly, provides that: “This Act shall become effective on January 1, 2014, and shall apply to all offenses which occur and juvenile proceedings commenced on and after such date. Any offense occurring before January 1, 2014, shall be governed by the statute in effect at the time of such offense and shall be considered a prior adjudication for the purpose of imposing a disposition that provides for a different penalty for subsequent adjudications, of whatever class, pursuant to this Act. The enactment of this Act shall not affect any prosecutions for acts occurring before January 1, 2014, and shall not act as an abatement of any such prosecutions.”

JUDICIAL DECISIONS

Protection of children. — Innocent foster children are entitled to greater protection than imprisoned criminals; thus, the professional judgment standard applies when determining issues of summary judgment. *Kenny A. v. Perdue*, No. 1:02-cv-1686-MHS, 2004 U.S. Dist. LEXIS 27025 (N.D. Ga. Dec. 11, 2004).

Duty of state. — Once state officials have removed a child from his or her home, the officials have a constitutional duty to protect the child from harm. This duty includes an obligation to fund and implement safe and appropriate place-

ments and services that do not substantially depart from accepted standards of professional judgment and do not unnecessarily interfere with the child’s rights of familial association. *Kenny A. v. Perdue*, No. 1:02-cv-1686-MHS, 2004 U.S. Dist. LEXIS 27025 (N.D. Ga. Dec. 11, 2004).

Statute does not grant adoption rights. — Foster parents did not have standing to pursue an adoption of a foster child that had been living happily with the child’s grandmother for three years because the biological parents did not surrender their rights in favor of the foster

parents, O.C.G.A. § 19-8-5, and the Foster Parent's Bill of Rights, O.C.G.A. § 49-5-281, did not grant adoption rights. *Owen v. Watts*, 303 Ga. App. 867, 695 S.E.2d 62, cert. denied, U.S. , 131 S. Ct. 156, 178 L. Ed. 2d 93 (2010).

Unmarried individuals may adopt.

— Trial court abused the court's discretion by denying a foster parent's petition to adopt the foster child on the ground that placing the child with the foster parent, who was not married to the individual with whom the foster parent lived, violated the state's public policy because all of the evidence showed that the adoption would be in the child's best interest, and the trial court failed to apply the law as

written and determine whether it was in the child's best interest to allow the adoption; all of the witnesses, including the guardian ad litem the trial court appointed to represent the child's interests and the Department of Family and Children's Services adoption specialist, testified that the adoption was in the child's best interest and that to remove the child from the only family the child had ever known would be devastating to the child, and O.C.G.A. § 19-8-3 clearly did not prohibit the adoption because the General Assembly did not prohibit unmarried couples from adopting. 49-6-60. Legislative intent.

The purpose of this article is to assist functionally impaired elderly persons in living dignified and reasonably independent lives in their own homes or in the homes of relatives or caregivers through the development, expansion, reorganization, and coordination of various community based services. In recognition of the desire of older Georgians to reside at home or with their families as long as possible, the General Assembly intends that a continuum of care be established so that functionally impaired elderly persons age 60 and older may be assured the least restrictive environment suitable to their needs. The General Assembly further intends to maximize the utilization of existing community social and health services in order to prevent unnecessary placement of individuals in long-term care facilities. The development of innovative approaches to program management, staff training, and service delivery that impact on cost avoidance, cost effectiveness, and program efficiency shall be encouraged. It is further the intent of the General Assembly that the Department of Human Resources (now known as the Department of Human Services) shall serve as the agency responsible for planning and implementing the provision of community based services to the elderly reimbursable under the “Georgia Medical Assistance Act of 1977.” (Code 1933, § 88-1901D, enacted by Ga. L. 1982, p. 2248, § 1; Code 1981, § 49-6-60, enacted by Ga. L. 1982, p. 2248, § 4; Ga. L. 1983, p. 3, § 38; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2009, p. 453, § 2-25/HB 228.)

49-6-61. Definitions.

(1) “Aging section” means the single organizational unit within the Department of Human Services responsible for the planning and administration of services under the Older Americans Act of 1965.

(2) “Department” means the Department of Human Services.

(3) “Functionally impaired elderly person” means any person 60 years of age or older with physical or mental limitations that restrict individual ability to perform the normal activities of daily living and which impede individual capacity to live independently.

(4) The “Georgia Medical Assistance Act of 1977” means Article 7 of Chapter 4 of this title.

(5) “Lead agency” means one or more agencies designated by the Department of Human Services to assess services needed by functionally impaired elderly persons, to coordinate and provide community care services to those persons, provide case management, and, where necessary, subcontract with providers of service. A lead agency shall be either a private nonprofit entity or any public entity, including but not limited to any organizational unit of the department.

(6) “Older Americans Act of 1965” means P.L. 92-258, as amended, on July 1, 1982. (Code 1933, § 88-1902D, enacted by Ga. L. 1982, p. 2248, § 1; Code 1981, § 49-6-61, enacted by Ga. L. 1982, p. 2248, § 4; Ga. L. 1983, p. 3, § 38; Ga. L. 1984, p. 22, § 49; Ga. L. 1985, p. 149, § 49; Ga. L. 2009, p. 453, § 2-2/HB 228.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, “this title” was substituted for “Title 49 of the Official Code of Georgia Annotated” in paragraph (4).

U.S. Code. — The federal Older Americans Act of 1965, referred to in subsection (a), is codified at 42 U.S.C. § 3001 et seq.

49-6-62. Establishment of community care unit; provision of services; annual service plan; implementation plan; annual progress report; fees and contributions; funding.

(a) The department shall establish a community care unit within the aging section. The community care unit shall plan and oversee implementation of a system of coordinated community care and support services for the elderly. The community care unit shall develop uniform assessment criteria that shall be used to determine an individual's functional impairment and to evaluate on a periodic basis the individual's need for community support services or institutionalized long-term care. The community care unit shall also define each community care service and establish standards for the delivery of community care services. Where appropriate, the community care unit shall utilize existing standards and definitions.

(b) The department shall designate specified geographic service areas which shall be defined in such a way as to ensure the efficient delivery of community care services.

(c) The department shall contract with a lead agency to coordinate and provide community care services within each specified geographic service area.

(d) Each lead agency shall annually submit to the community care unit for approval a service plan evaluating the community care needs of the functionally impaired elderly, identifying priority services and target client groups, and detailing the means by which community care services will be delivered for the service area of that agency. The plan shall also include projected program costs and fees to be charged for services. The lead agency may exclude from the service plan those individuals eligible for benefits under the "Georgia Medical Assistance Act of 1977," as amended, for whom there is a reasonable expectation that community based services would be more expensive than services the individual would otherwise receive which would have been reimbursable under the "Georgia Medical Assistance Act of 1977," as amended.

(e) The department shall develop a plan which shall provide for the implementation of a community care system in each of the specified geographic service areas by July 1, 1985. The three-year plan shall be developed concurrent with and integrated into the state plan on aging required under the Older Americans Act of 1965 and shall provide for coordination of all community based services for the elderly. The three-year plan shall include an inventory of existing services and an analysis comparing the cost of institutional long-term care and the cost of community care and other community based services for the elderly. The multiyear plan shall be presented to the Board of Human Services no later than July 31, 1983.

(f) At the end of the three-year implementation period an annual community care service plan shall be incorporated into the state plan on aging.

(g) The department shall submit on January 1 of each year, beginning in 1984, a progress report on the implementation of the plan required by subsection (e) of this Code section to the Speaker of the House of Representatives, the Senate Committee on Assignments, the chairman of the House Committee on Health and Human Services and the chairman of the Senate Health and Human Services Committee.

(h) In accordance with rules promulgated by the department, lead agencies may collect fees for community care case management and other services. Such fees shall be established on a sliding scale based upon income and economic need. Fees will not be charged those individuals for the mandatory assessment described in subsection (e) of Code Section 49-6-63. Lead agencies may accept contributions of money or contributions in kind from functionally impaired elderly persons,

members of their families, or other interested persons or organizations. Such contributions may not be a condition of services and shall only be used to further the provision of community care services.

(i) Funding for services under this article shall be in addition to and not in lieu of funding for existing community services for the elderly. The department and the lead agency shall ensure that all other funding sources available, including reimbursement under the “Georgia Medical Assistance Act of 1977” and the Older Americans Act of 1965, have been used prior to utilizing state funds for community care for the elderly. (Code 1933, § 88-1903D, enacted by Ga. L. 1982, p. 2248, § 1; Code 1981, § 49-6-62, enacted by Ga. L. 1982, p. 2248, § 4; Ga. L. 1983, p. 3, § 38; Ga. L. 1984, p. 22, § 49; Ga. L. 1985, p. 149, § 49; Ga. L. 1992, p. 6, § 49; Ga. L. 2005, p. 48, § 8/HB 309; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2009, p. 453, § 2-3/HB 228; Ga. L. 2013, p. 141, § 49/HB 79.)

The 2013 amendment, effective April 24, 2013, part of an Act to revise, modernize, and correct the Code, revised language in subsection (g).

U.S. Code. — The federal Older Americans Act of 1965, referred to throughout this Code section, is codified at 42 U.S.C. § 3001 et seq.

49-6-63. Establishment by lead agency of community care service system; certification for benefits; evaluation by assessment team; volunteers; insurance coverage.

(a) Each lead agency shall be responsible for the establishment of a community care service system which shall have as its primary purpose the prevention of unnecessary institutionalization of functionally impaired elderly persons through the provision of community based services. Each community care service system shall provide no fewer than six of the services listed in subsection (c) of this Code section, four of which shall include case management, assessment of functional impairment and needed community services, homemaker, and home health care services. Case management services shall be provided to each community care service recipient to ensure that arrangements are made for appropriate services. If independent living is no longer possible for a functionally impaired elderly person, the case manager shall assist the person in locating the most appropriate, least restrictive, and most cost beneficial alternative living arrangement.

(b) All existing community resources available to the functionally impaired elderly person shall be coordinated into the community care service system to provide a continuum of care to such persons. The lead agency shall establish agreements, policies, and procedures for service integration and referral mechanisms with such programs.

(c) Services to be coordinated by the lead agency shall include, without being limited to, the following:

- (1) Case management;
- (2) Assessment of functional impairment and needed community services;
- (3) Homemaker services;
- (4) Home health care services;
- (5) In-home personal care services;
- (6) Adult day health services;
- (7) Adult day care;
- (8) Habilitation services;
- (9) Respite care;
- (10) Older Americans Act services, including transportation, nutritional, social, and other services;
- (11) Title XX services;
- (12) Senior center services;
- (13) Protective services;
- (14) Financial assistance services, including, but not limited to, food stamps, Medicaid, medicare, and Supplemental Security Income;
- (15) Health maintenance services; and
- (16) Other community services.

(d) Priority in provision of community care services shall be given to those individuals who have been certified for skilled or intermediate institutional nursing care service benefits conferred by the "Georgia Medical Assistance Act of 1977" and who need home and community based services in order to avoid institutionalization. Services may be provided to other functionally impaired persons as resources allow, as determined by the department. Priority in provision of community care services to such other persons will be based on economic, social, and medical needs.

(e) All individuals seeking certification for benefits conferred by the "Georgia Medical Assistance Act of 1977," as amended, to be used to pay the cost of placement in a long-term care facility or individuals who would be eligible for such benefits within 180 days of nursing home admission, shall, as a precondition to that certification, undergo evaluation by an assessment team designated by the lead agency to determine if institutionalization can be avoided by provision of more cost-effective community based services. If the individual being evalu-

ated requires community based services which, over a 12 month period, would cost more than the cost of care in a long-term care facility, then such community based services shall not be deemed cost effective. Such cost-effective determination shall apply to each case management evaluation. The assessment team shall, at a minimum, consist of a physician, a registered nurse, and a social worker. Whenever possible, the assessment team shall be responsible for the precertification for nursing home placement and determination of the appropriate level of care, as required by the State Plan for Medical Assistance, as defined in the "Georgia Medical Assistance Act of 1977."

(f) The decision of the assessment team shall be forwarded to the agency designated in the State Plan for Medical Assistance, as defined in the "Georgia Medical Assistance Act of 1977," as responsible for the certification of benefits for individuals. If the assessment team and the case manager have determined that an individual could be better and more cost effectively served in the community, said agency shall not certify said individual for skilled or intermediate institutional nursing care service benefits until the lead agency has informed that individual of the availability of community based services within the lead agency's geographic service area and of the right of that individual to choose to receive those services as an alternative to placement in a long-term care facility. That individual shall advise the lead agency of that individual's choice of service alternatives. If that individual is otherwise eligible for those benefits for which certification is sought, the agency responsible for certification of benefits shall certify the individual either for placement in a long-term care facility or for receiving community based services, as the individual advised the lead agency. The evaluation and certification shall be completed in a timely manner.

(g) The lead agency shall seek to utilize volunteers to provide community services for functionally impaired elderly persons. The department may provide appropriate insurance coverage to protect volunteers from personal liability while acting within the scope of their volunteer assignments in the community care service system. Coverage may also include excess automobile liability protection. (Code 1933, § 88-1904D, enacted by Ga. L. 1982, p. 2248, § 1; Code 1981, § 49-6-63, enacted by Ga. L. 1982, p. 2248, § 4; Ga. L. 1983, p. 3, § 38; Ga. L. 2009, p. 8, § 49/SB 46.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2009, "community based" was substituted for "community-based" in the first sentences of subsections (a) and (d).

U.S. Code. — The federal Older Americans Act of 1965, referred to in paragraph

(c)(10), is codified at 42 U.S.C. § 3001 et seq.

Paragraph (c)(11) refers to grants to states for services under "Title XX," a reference to Title XX of the federal Social Security Act of 1935, which is codified at 42 U.S.C. § 1397 et seq.

49-6-64. Adoption of rules and regulations.

The department shall adopt rules and regulations necessary to implement the provisions of this article. (Code 1933, § 88-1905D, enacted by Ga. L. 1982, p. 2248, § 1; Code 1981, § 49-6-64, enacted by Ga. L. 1982, p. 2248, § 4; Ga. L. 1983, p. 3, § 38.)

A substantiated case of abuse, neglect, or exploitation, as defined in Chapter 5 of Title 30, the “Disabled Adults and Elder Persons Protection Act,” or pursuant to any other civil or criminal statute regarding an older adult, shall prohibit a primary caregiver from receiving benefits under this article unless authorized by the department to prevent further abuse.

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1994, “workers” was substituted for “worker’s” in the first sentence in paragraph (8).

Pursuant to Code Section 28-9-5, in 2006, “Disabled Adults and Elder Persons Protection Act” was substituted for “Dis-

abled Adults Protection Act” in the last sentence of paragraph (9).

Editor’s notes. — Ga. L. 2007, p. 133, § 1/HB 24, not codified by the General Assembly, provides: “(a) The General Assembly has long recognized the right of the individual to control all aspects of his or her personal care and medical treatment, including the right to insist upon medical treatment, decline medical treatment, or direct that medical treatment be

withdrawn. In order to secure these rights, the General Assembly has adopted and amended statutes recognizing the living will and health care agency and provided statutory forms for both documents.

“(b) The General Assembly has determined that the statutory forms for the living will and durable power of attorney for health care are confusing and inconsistent and that the statutes providing for the living will and health care agency contain conflicting concepts, inconsistent and out-of-date terminology, and confusing and inconsistent requirements for execution. In addition, there is a commendable trend among the states to combine the concepts of the living will and health care agency into a single legal document.

“(c) The General Assembly recognizes that a significant number of individuals representing the academic, medical, legislative, and legal communities, state officials, ethics scholars, and advocacy groups

worked together to develop the advance directive for health care contained in this Act, and the collective intent was to create a form that uses understandable and everyday language in order to encourage more citizens of this state to execute advance directives for health care.

“(d) The General Assembly finds that the clear expression of an individual's decisions regarding health care, whether made by the individual or an agent appointed by the individual, is of critical importance not only to citizens but also to the health care and legal communities, third parties, and families. In furtherance of these purposes, the General Assembly enacts a new Chapter 32 of Title 31, setting forth general principles governing the expression of decisions regarding health care and the appointment of a health care agent, as well as a form of advance directive for health care.”

The department shall be responsible for developing allowable cost ranges for services and supplies under paragraphs (1) and (2) of subsection (c) of Code Section 49-6-73, including the development of maximum amounts available per month to a caregiver, where necessary.

The 2011 amendment, effective July 1, 2011, in paragraphs (1) and (6), inserted “and health care practitioners”; added paragraph (2); redesignated former paragraphs (2) through (7) as present paragraphs (3) through (8), respectively; and inserted “and other health care practitioners” near the end of paragraph (7).

The 2012 amendment, effective May 1, 2012, part of an Act to revise, modernize, and correct the Code, substituted “To award service” for “Award service” at the beginning of paragraph (2).

49-10-4. Power to make contracts; authority to adopt rules and regulations.

The board shall have the power to contract with other state and federal agencies, persons, corporations, associations, institutions, and authorities in carrying out its responsibilities. (b) Each state agency is required to update annually all mailing lists of the agency.

(c) No state agency shall mail publications or materials to a previously elected state officer who is no longer in office except upon written request. (Ga. L. 1980, p. 526, § 1.)

50-1-2. Privileges and exemptions accorded the Taipei Economic and Cultural Representatives Office.

The Taipei Economic and Cultural Representatives Office in the United States, while it maintains an office in the State of Georgia, shall be accorded the same privileges and exemptions concerning taxation, the operation of motor vehicles, education, immunity, and any other privileges and exemptions as provided by the Taiwan Relations Act, 22 U.S.C. Section 3301, et seq. (Ga. L. 1980, p. 46; Ga. L. 2002, p. 415, § 50; Ga. L. 2005, p. 334, § 30-1/HB 501.)

50-1-3. Poet laureate.

(a) There is created the position of poet laureate of the State of Georgia.

(b) The poet laureate shall be appointed by the Governor from a list of three nominees submitted to him by the Georgia Council for the Arts.

(c) The council shall submit the list of three nominees to the Governor within 30 days after the Governor takes the oath of office for a full term. The Governor shall appoint the poet laureate within 30 days after receiving the list of nominees. The poet laureate shall be appointed to serve for a term of office concurrent with the term of office of the Governor or until a successor is appointed and qualified as provided in this Code section.

(d) In the event of a vacancy in the office of poet laureate, the vacancy shall be filled in the same manner as the original appointment, and the person so appointed shall serve until a successor is appointed and qualified as provided in this Code section.

(e) Any person serving on April 13, 1981, in the position of poet laureate as created by executive order shall continue in the position and no appointment shall be effective under this Code section until such time as the person serving as poet laureate on April 13, 1981, either vacates the office or a vacancy occurs in the office in any other manner.

(f) The poet laureate shall be an honorary position and the person appointed shall receive no remuneration. (Ga. L. 1981, p. 1394, § 1; Ga. L. 1986, p. 174, § 1.)

50-1-4. Employment position to remain open upon granting of involuntary separation benefits by state agency.

(a) As used in this Code section, the term "state agency" means any department, agency, board, commission, or authority of the state or any political subdivision thereof, any employees of which are members of the Employees' Retirement System of Georgia.

(b) Any time a state employee entitled to receive involuntary separation retirement benefits pursuant to Code Section 47-2-123 is involuntarily separated from employment and such employee is granted such involuntary separation benefits, the employment position such employee held within a state agency at the time of such involuntary separation from service shall remain open and unfilled permanently. In addition, an amount equal to the sum of such employee's salary at the time of such involuntary separation from service and the cost of such employee's retirement with involuntary separation benefits shall be deleted permanently from the employing state agency's annual appropriations budget.

(c) The provisions of this Code section shall not apply to an employee who is involuntarily separated from service because of a mandatory retirement age or as a direct result of an Act of the General Assembly

which abolishes such employee's position. (Code 1981, § 50-1-4, enacted by Ga. L. 1993, p. 1817, § 1.)

50-1-5. Meetings by teleconference or other similar means.

(a) Unless specifically prohibited by the laws relating to a particular board, body, or committee, any board, body, or committee of state government may meet by teleconference or other similar means. The methods of meeting permitted under this Code section shall include telephone conference calls, meetings held through two-way interactive closed circuit television or satellite television signal, or any other similar method which allows each member of the board or body participating in the meeting to hear and speak to each other member participating in the meeting.

(b) Nothing in this Code section shall eliminate any otherwise applicable requirement for giving notice of any meeting. Likewise, nothing in this Code section shall create a requirement for giving notice of any meeting where it does not otherwise exist. The notice shall list each location where any member of the board, body, or committee plans to participate in the meeting if the meeting is otherwise open to the public; provided, however, it shall not be grounds to contest any actions of the board, body, or committee as provided in Code Section 50-14-1 if a member participates from a location other than the location listed in the notice. At a minimum, the notice shall list one specific location where the public can participate in the meeting if the meeting is otherwise open to the public. The notice shall further conform with the notice provisions of Code Section 50-14-1. Any meeting which is otherwise required by law to be open to the public shall be open to the public at each location listed in the notice or where any member of the board, body, or committee participates in the meeting.

(c) The provisions of this Code section shall be broadly construed to cover any board, body, or committee of state government which is required or authorized to hold any meeting concerning state government affairs, regardless of the name by which any such entity may be known. The provisions of this Code section are specifically made applicable to the legislative and judicial branches of state government as well as the executive branch. With respect to the judicial branch, however, this Code section shall not apply to actual court sessions but shall apply to other administrative or judicial proceedings in the judicial branch. With respect to the legislative branch, this Code section shall not apply to actual sessions of the Senate or the House of Representatives but shall apply to committee meetings and other administrative proceedings. (Code 1981, § 50-1-5, enacted by Ga. L. 1996, p. 1300, § 1; Ga. L. 2012, p. 218, § 15/HB 397.)

The 2012 amendment, effective April 17, 2012, substituted “notice provisions of” for “provisions of ‘due notice’ as provided in” in the next-to-last sentence of subsection (b).

Law reviews. — For article on the 2012 amendment of this Code section, see 29 Ga. St. U.L. Rev. 139 (2012).

50-1-6. Credit card payments on amounts due state and local governments.

(a) Notwithstanding any other provision of general or local law to the contrary, any officer or unit of state or local government who or which is required or authorized to receive or collect any payments to state or local government is authorized but not required to accept credit card payment of such amounts.

(b) This Code section shall be broadly construed to authorize but not require acceptance of credit card payments by:

(1) All departments, agencies, boards, bureaus, commissions, authorities, and other units of state government, by whatever name called;

(2) All officers, officials, employees, and agents of the state and such units of state government, by whatever name called;

(3) All political subdivisions of the state, including counties, municipalities, school districts, and local authorities;

(4) All departments, agencies, boards, bureaus, commissions, authorities, and other units of such political subdivisions, by whatever name called; and

(5) All officers, officials, employees, and agents of such units of political subdivisions.

(c) This Code section shall be broadly construed to authorize but not require acceptance of credit card payments of all types of amounts payable, including but not limited to taxes, license and registration fees, fines, and penalties. For purposes of this Code section, the term “credit card” shall be deemed to include credit cards, charge cards, and debit cards.

(d) The decision as to whether to accept credit card payments for any particular type of payment shall be made by the officer or board or other body having general discretionary authority over the manner of acceptance of such type of payments. If credit card payments are to be accepted, such officer or board or other body shall be authorized to adopt reasonable policies, rules, or regulations not in conflict with this Code section governing the manner of acceptance of credit card payments. However, no credit card payments shall be accepted for local ad valorem taxes without the formal agreement of the governing authority of the

political subdivision for whose benefit such taxes are collected, and no credit card payments shall be accepted for any state taxes or fees without formal approval by the State Depository Board. The officer or board or other body having the general discretionary authority over the manner of acceptance of such payments shall be authorized to enter into appropriate agreements with credit card issuers or other appropriate parties as needed to facilitate the acceptance of credit card payments. Without limiting the generality of the foregoing, such agreements may provide for the acceptance of credit card payments at a discount from their face amount or the payment or withholding of administrative fees from the face amount of such payments. Such discount or administrative fees may be authorized when the officer or board or other body determines that any reduction of revenue resulting from such discount or fees will be in the best interest of state or local government. Factors which may be considered in making such a determination may include but are not necessarily limited to improved governmental cash flow, reduction of governmental overhead, improved governmental financial security, or a combination of one or more of the foregoing together with the benefit of increased public convenience. Any such agreement shall provide that it may be canceled at any time by the affected officer or unit of state or local government, but the agreement may include provisions for a reasonable brief period of notice for cancellation.

(e) An officer or board or other body authorizing acceptance of credit card payments shall be authorized but not required to impose a surcharge upon the person making a payment by credit card so as to wholly or partially offset the amount of any discount or administrative fees charged to state or local government. The surcharge will be applied only when allowed by the operating rules and regulations of the credit card involved. When a party elects to make a payment to state or local government by credit card and such a surcharge is imposed, the payment of such surcharge shall be deemed voluntary by such party and shall be in no case refundable.

(f) No person making any payment by credit card to state or local government shall be relieved from liability for the underlying obligation except to the extent that state or local government realizes final payment of the underlying obligation in cash or the equivalent. If final payment is not made by the credit card issuer or other guarantor of payment in the credit card transaction, then the underlying obligation shall survive and state or local government shall retain all remedies for enforcement which would have applied if the credit card transaction had not occurred. No contract may modify the provisions of this subsection. This subsection, however, shall not make the underlying obligor liable for any discount or administrative fees paid to a credit card issuer or other party by state or local government.

(g) A state or local government officer or employee who accepts a credit card payment in accordance with this Code section and any applicable policies, rules, or regulations of state or local government shall not thereby incur any personal liability for the final collection of such payments. (Code 1981, § 50-1-6, enacted by Ga. L. 1996, p. 1509, § 1.)

Code Commission notes. — Ga. L. 1996, p. 1300, § 1 and Ga. L. 1996, p. 1509, § 1 both enacted a Code Section 50-1-5. Pursuant to Code Section 28-9-5, in 1996, the Code Section 50-1-5 enacted by Ga. L. 1996, p. 1509, § 1 was redesignated as Code Section 50-1-6.

50-1-7. General Assembly findings; state authorized to administer programs.

(a) The General Assembly finds and determines that:

(1) Federal law now provides at 42 U.S.C.A. Section 604a, and may hereafter provide under other federal laws, that subject to certain limitations states may:

(A) Administer and provide services under certain federal programs through contracts with charitable, religious, or private organizations; and

(B) Provide beneficiaries of assistance under certain federal programs with certificates, vouchers, or other forms of disbursement which are redeemable with such organizations

but that such authority shall not preempt any provision of a state constitution or state statute that prohibits or restricts the expenditure of state funds in or by religious organizations;

(2) Article I, Section II, Paragraph VII of the Georgia Constitution provides that no money shall ever be taken from the public treasury, directly or indirectly, in aid of any church, sect, cult, or religious denomination or of any sectarian institution;

(3) Article III, Section VI, Paragraph II(a)(3) of the Georgia Constitution provides that the General Assembly may provide by law for participation by the state and political subdivisions and instrumentalities of the state in federal programs and the compliance with laws relating thereto;

(4) Article III, Section IX, Paragraph II(c) of the Georgia Constitution provides that the General Assembly shall by general law provide for the regulation and management of the finance and fiscal administration of the state; and

(5) The provisions of this Code section are authorized under a reasonable construction of such provisions of federal law and the Georgia Constitution.

(b) To the extent authorized and contemplated by federal law, the State of Georgia and its departments, agencies, instrumentalities, and political subdivisions may, in the course of participation in federal programs, administer programs and provide assistance in the manner contemplated by 42 U.S.C.A. Section 604a, and any other similar federal law, subject to the following conditions:

(1) State and local government funds may be expended for administrative purposes incidental to the administration of such programs but neither state funds nor local government funds shall be distributed to any church, sect, cult, religious denomination, or sectarian institution, except as otherwise authorized by law or the Constitution of the State of Georgia;

(2) If an individual objects to the religious character of an organization from which the individual receives, or would receive, program assistance or services, an alternative acceptable provider shall be made available to such individual;

(3) A religious organization providing program assistance or services shall not discriminate against an individual in rendering program assistance or services on the basis of religion, religious belief, or participation in or refusal to participate in a religious practice or rite;

(4) No funds provided to a religious organization to provide program assistance or services shall be expended for sectarian worship, instruction, proselytization, or promotion of any particular system of faith or worship; and

(5) Organizations receiving funds to provide program assistance or services shall either be organized under Section 501(c)(3) of the United States Internal Revenue Code or shall agree to be subject to audit of the use of state and local funds pursuant to appropriate rules and regulations promulgated by the Department of Audits and Accounts for the administration of the terms of this Code section. (Code 1981, § 50-1-7, enacted by Ga. L. 2002, p. 1147, § 1.)

Law reviews. — For note on the 2002 enactment of this Code section, see 19 Ga. St. U.L. Rev. 335 (2002).

50-1-8. Election to contractually provide to unmarried persons benefits, rights, or privileges provided to married persons.

(a) It is the policy of this state that any organization or person in this state may elect to, or elect not to, contractually provide to unmarried persons one or more benefits, rights, or privileges in the same manner

that such organization or person contractually provides benefits, rights, or privileges to married persons.

(b) State and local government shall not impose any penalty on or withhold any benefits, rights, or privileges from any organization or person on the basis of such organization's or person's election to or election not to contractually or otherwise provide to unmarried persons one or more benefits, rights, or privileges in the same manner that such organization or person contractually or otherwise provides benefits, rights, or privileges to married persons.

(c) Subsection (b) of this Code section shall apply to the state and any political subdivision of the state and to any department, agency, authority, commission, or other entity of the state or any political subdivision of the state.

(d) As used in this Code section, the term "organization" includes but is not limited to any corporation, association, nonprofit organization, limited liability company, partnership, group, authority, or other entity, including any political subdivision of this state. (Code 1981, § 50-1-8, enacted by Ga. L. 2005, p. 452, § 1/HB 67.)

Law reviews. — For article on 2005 enactment of this Code section, see 22 Ga. St. U.L. Rev. 205 (2005).

50-1-9. Natural disaster defined; replacement of licenses, state identification cards, and other documents.

(a) As used in this Code section, the term "natural disaster" shall mean a flood, tornado, hurricane, earthquake, or other occurrence for which the President of the United States has made a federal disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. Sections 5121-5206.

(b) Each state agency that issues permits, licenses, certificates, or identification cards to citizens of this state including, but not limited to, drivers' licenses, state identification cards, professional licenses, professional certifications, professional registrations, professional permits, and birth certificates, shall issue replacement permits, licenses, certificates, or identification cards without charge to citizens who apply for such replacement permits, licenses, certificates, or identification cards and who demonstrate that their original permits, licenses, certificates, or identification cards were lost or destroyed as the direct result of a natural disaster if such application is made within 60 days following a federal disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. Sections 5121-5206, and if

such citizen is a resident of the area included within such federal disaster declaration. (Code 1981, § 50-1-9, enacted by Ga. L. 2010, p. 336, § 1/HB 1019.)

50-2-1. Boundaries of the state generally.

The boundaries of Georgia, as deduced from the Constitution of Georgia, the Convention of Beaufort, the Articles of Cession and

Agreement with the United States of America entered into on April 24, 1802, the Resolution of the General Assembly dated December 8, 1826, and the adjudications and compromises affecting Alabama, Florida, and South Carolina are as follows:

From the sea, at the point where the northern edge of the navigable channel of the River Savannah intersects a point three geographical miles east of the ordinary low water mark, generally along the northern edge of the navigable channel up the River Savannah, along the northern edge of the sediment basin to the Tidegate, thence along the stream thereof to the fork or confluence made by the Rivers Keowee and Tugalo, and thence along said River Tugalo until the fork or confluence made by said Tugalo and the River Chattooga, and up and along the same to the point where it touches the northern boundary line of South Carolina, and the southern boundary line of North Carolina, which is at a point on the thirty-fifth parallel of north latitude, reserving all the islands in said Rivers Savannah, Tugalo, and Chattooga, except for the Barnwell Islands and Oyster Bed Island in the Savannah, to Georgia; thence on said line west, to a point where it merges into and becomes the northern boundary line of Alabama — it being the point fixed by the survey of the State of Georgia, and known as Nickajack; thence in a direct line to the great bend of the Chattahoochee River, called Miller's Bend — it being the line run and marked by said survey; and thence along and down the western bank of said Chattahoochee River, along the line or limit of high-water mark, to its junction with the Flint River; thence along a certain line of survey made by Gustavus J. Orr, a surveyor on the part of Georgia, and W. Whitner, a surveyor on the part of Florida, beginning at a fore-and-aft tree about four chains below the junction; thence along this line east, to a point designated '37 links north of Ellicott's Mound on the St. Marys River; thence along the middle of said river to the Atlantic Ocean, and extending therein three geographical miles from ordinary low water along those portions of the coast and coastal islands in direct contact with the open sea or three geographical miles from the line marking the seaward limit of inland waters; thence running in a northerly direction and following the direction of the Atlantic Coast to the point where the northern edge of the navigable channel of the River Savannah intersects a point three geographical miles east of the ordinary low water mark, the place of beginning; including all the lands, waters, islands, and jurisdictional rights within said limits; and also all the islands within three geographical miles of the seacoast. JUDICIAL DECISIONS

Grants made previous to settlement of boundary dispute between two states are void if those grants conflict with such settlement. *Coffee v. Groover*, 123 U.S. 1, 8 S. Ct. 1, 31 L. Ed. 51 (1887).

General rule where river is boundary. — General rule is that where a river is the boundary between two states, if the original property is in neither, and there is no convention respecting it, each state holds to the middle of the stream. *Georgia Ry. & Power v. Wright*, 146 Ga. 29, 90 S.E. 465 (1916).

Jurisdiction of state extends over river. — That part of the Savannah River which is broken by islands, located between an island and the Georgia mainland, is within the jurisdiction and sovereignty of this state by virtue of this section, and a dam constructed across the river from an island to the Georgia shore is subject to taxation in this state. *Georgia Ry. & Power v. Wright*, 146 Ga. 29, 90 S.E. 465 (1916).

Coastal boundaries. — Salt waters of this state extend from the mean low watermark of the foreshore three geographical miles offshore; except where a low tide elevation is situated within three nautical miles seaward of the low water line along the coast, the state's three mile boundary is measured from such low tide elevation. *Department of Natural Resources v. Joyner*, 241 Ga. 390, 245 S.E.2d 644 (1978).

Requirements for baselines. — Baselines shall not be drawn to and from low tide elevations unless lighthouses or similar permanently visible installations above sea level are built upon them. *Department of Natural Resources v. Joyner*, 143 Ga. App. 868, 240 S.E.2d 114 (1977), rev'd on other grounds, 241 Ga. 390, 245 S.E.2d 644 (1978).

Normal baseline for measuring territorial sea is low water line. *Department of Natural Resources v. Joyner*, 143 Ga. App. 868, 240 S.E.2d 114 (1977), rev'd

on other grounds, 241 Ga. 390, 245 S.E.2d 644 (1978).

State should be named in petition and served notice. — Whichever line is correct, low tide or high tide, as the dividing line between private property sought to be registered and the state's property, the state is still an adjoining landowner and should have been so named in the petition and served other than by the advertisement "to whom it may concern," and a land registration judgment, if granted, would not be binding upon an adjoining landowner who was not named and served. *State v. Bruce*, 231 Ga. 783, 204 S.E.2d 106 (1974).

South Carolina sovereignty over Barnwell Islands. — Islands that emerged in the Savannah River after the 1787 Treaty of Beaufort do not affect the boundary line between Georgia and South Carolina. *Georgia v. South Carolina*, 497 U.S. 376, 110 S. Ct. 2903, 111 L. Ed. 2d 309 (1990).

South Carolina established sovereignty over the Barnwell Islands in the Savannah River by prescription and acquiescence, since there was a record of almost-uniform taxation of property on the islands by South Carolina authorities, policing and prosecutorial activities by South Carolina authorities, and patrolling by South Carolina wildlife officers. *Georgia v. South Carolina*, 497 U.S. 376, 110 S. Ct. 2903, 111 L. Ed. 2d 309 (1990).

Lateral seaward boundary between Georgia and South Carolina. — Tybee Island is to be regarded as the "headland" for the south side of the mouth of the Savannah River, and the long-existing shoal forms the north side of the mouth in determining the lateral seaward boundary between Georgia and South Carolina. *Georgia v. South Carolina*, 497 U.S. 376, 110 S. Ct. 2903, 111 L. Ed. 2d 309 (1990).

OPINIONS OF THE ATTORNEY GENERAL

Phrase added to clarify treatment of coastal islands. — Addition of the

phrase "and coastal islands," in this section does not render the Georgia law in-

consistent with the Submerged Lands Act, but appears to be simply an attempt to clarify one question left unanswered by the Submerged Lands Act, but answered by the Supreme Court in *United States v. California*, 381 U.S. 139, 85 S. Ct. 1401, 14 L. Ed. 2d 296 (1965), that is, how are coastal islands to be treated in determining the seaward boundary. 1976 Op. Att'y Gen. No. 76-95 (see O.C.G.A 50-2-1).

Determining boundary of state's tidal or salt waters. — Seaward boundary of Georgia's tidal or salt waters should be determined using the rules set forth in the Convention on the Territorial Sea and Contiguous Zone. 1976 Op. Att'y Gen. No. 76-95.

Boundary between Georgia and Alabama along Chattahoochee River is west bank of that river. 1962 Op. Att'y Gen. p. 26.

Boundaries of state's property vary with considerations of state's position. — If the state is classed with all of the other owners of tidewater land, the boundaries of the state's property clearly extend to the low-water mark or encompass generally the entire tidewater bed; on the other hand, when the state's unique position as local political sovereign is taken into consideration, the state's rights of ownership extend far beyond this point for an additional three miles out to sea. 1965-66 Op. Att'y Gen. No. 66-49.

50-2-2. Boundary between Georgia and South Carolina.

The boundary between Georgia and South Carolina shall be the line described as running from the mouth of the River Savannah, up said river and the Rivers Tugalo and Chattooga, to the point where the last-named river intersects with the thirty-fifth parallel of north latitude, conforming as much as possible to the line agreed on by the commissioners of said states at Beaufort on April 28, 1787, except for the Barnwell Islands and the Oyster Bed Island in the River Savannah; provided, however, that the boundary along the lower reaches of the Savannah River, and the lateral seaward boundary, shall be more particularly described as being:

BEGINNING at a point 32 degrees 07 minutes 00 seconds North Latitude and 81 degrees 07 minutes 00 seconds West Longitude, located in the Savannah River, and proceeding in a southeasterly direction down the thread of the Savannah River equidistant between the banks of the River on Hutchinson Island and on the mainland of South Carolina, including the small downstream island southeast of the aforesaid point, at ordinary stage, until reaching the vicinity of Pennyworth Island;

Proceeding thence easterly down the thread of the northernmost channel of the Savannah River as it flows north of Pennyworth Island, making the transition to the said northernmost channel using the triequidistant method between Pennyworth Island, the Georgia bank on Hutchinson Island, and the South Carolina mainland bank,

thence to the thread of the said northernmost channel equidistant from the South Carolina mainland bank and Pennyworth Island at ordinary stage, around Pennyworth Island;

Proceeding thence southeasterly to the thread of the northern channel of the Savannah River equidistant from the Georgia bank on Hutchinson Island and the South Carolina mainland bank, making the transition utilizing the triequidistant method between Pennyworth Island, the Georgia bank on Hutchinson Island, and the South Carolina mainland bank;

Proceeding thence southeasterly down the thread of the Savannah River equidistant from the Hutchinson Island and South Carolina mainland banks of the river at ordinary stage, through the tide gates, until intersecting the northwestern (farthest upstream) boundary of the "Back River Sediment Basin," as defined in the "Annual Survey — 1992, Savannah Harbor, Georgia, U.S. Coastal Highway, No. 17 to the Sea," U.S. Army Corps of Engineers, Savannah District, as amended by the Examination Survey — 1992 charts for the Savannah Harbor Deepening Project, Drawings No. DSH 112/107, (hereinafter the "Channel Chart");

Proceeding thence along the said northwestern boundary to its intersection with the northern boundary of the Back River Sediment Basin, in a generally southeasterly direction until said boundary intersects the northern boundary of the main navigational channel as depicted on the Channel Chart at the point designated as SR-34 (Georgia State Grid, East Zone, 1927 NAD, coordinates $x=849479.546$, $y=759601.757$);

Proceeding thence toward the mouth of the Savannah River along the northern boundary of the main navigational channel at the new channel limit as depicted on the Channel Chart, via Oglethorpe Range through point SR-33 (coordinates $x=853126.849$, $y=761229.575$), Fort Jackson Range through point SR-32 (coordinates $x=854568.183$, $y=762555.255$), the Bight Channel through points SR-31 (coordinates $x=855854.367$, $y=765145.946$), SR-30 (coordinates $x=857363.583$, $y=766237.604$), SR-29 (coordinates $x=858471.561$, $y=766530.527$), SR-28 (coordinates $x=859881.928$, $y=766491.887$), and SR-27 (coordinates $x=861359.826$, $y=765804.794$), Upper Flats Range through point SR-26 (coordinates $x=863655.959$, $y=763821.629$), Lower Flats Range through points SR-25 (coordinates $x=865361.347$, $y=759910.744$), SR-24 (coordinates $x=866413.099$, $y=758260.171$), SR-23 (coordinates $x=867339.230$, $y=757647.194$), SR-22 (coordinates $x=870024.011$, $y=756511.390$), and SR-21 (coordinates $x=873855.646$, $y=755906.677$), Crossing Range through points SR-20 (coordinates $x=875581.821$, $y=754992.833$), and SR-19 (coordinates $x=884667.253$,

y=744780.789) and New Channel Range around the Rehandling Basin, and along the northern boundary of the Oyster Bed Island Turning Basin through point SR-16 (coordinates x=894907.977, y=742529.752), to the easternmost end of Oyster Bed Island at Navigational Buoy R "24";

Proceeding thence from Navigational Buoy R "24" easterly along the mean low water line of Oyster Bed Island to the point at which the mean low water line of Oyster Bed Island intersects the Oyster Bed Island Training Wall;

Proceeding thence along the southern edge of the Oyster Bed Island Training Wall until reaching the Jones Island Range line;

Proceeding thence southeasterly along the Jones Island Range line until reaching the northern boundary of the main navigational channel as depicted on the Channel Chart;

Proceeding thence southeasterly along the northern boundary of the main navigational channel as depicted on the Channel Chart to Navigational Buoy R "6," via Jones Island Range and Bloody Point Range; and finally

Proceeding thence in an easterly direction from Navigational Buoy R "6" in a straight line forming the seaward lateral boundary line to the seaward limit of Georgia as now or hereafter fixed by the Congress of the United States, said boundary line bearing approximately 104 degrees from magnetic north, the bearing of said line being more particularly described as being at right angles to the baseline from the southernmost point of Hilton Head Island and the northernmost point of Tybee Island, drawn by the Baseline Committee in 1970.

Provided, however, that the boundary shall be as more particularly shown by reference to the United States Department of Commerce, National Oceanic and Atmospheric Administration (NOAA) GPS coordinates on a map to be prepared by NOAA as a part of the survey commissioned by the States of Georgia and South Carolina in order to locate this boundary. In case of any conflict between the verbal description set forth hereinabove and the map locating the boundary with reference to GPS points, the location shown on the map shall prevail.

Provided, further, that nothing herein shall in any way be deemed to govern or affect in any way the division between the states of the remaining assimilative capacity, that is, the capacity to receive wastewater and other discharges without violating water quality standards, of the portion of the Savannah River described herein. JUDICIAL DECISIONS

Boundary line remains where originally established. — Boundary line between Georgia and South Carolina was not altered by the fact that the United States government, in the course of its work to improve the navigation of the Savannah River, changed the location of the main current or channel of the river; but the boundary remains where the main channel or current flowed naturally when the boundary line was originally fixed and established. *James v. State*, 10 Ga. App. 13, 72 S.E. 600 (1911).

Person determined within Georgia boundary. — Person in a boat on the Savannah River, within 30 yards of the Georgia side, at a point where the river is at least 175 yards wide, is *prima facie* in Georgia. *Simpson v. State*, 92 Ga. 41, 17 S.E. 984, 44 Am. St. R. 75, 22 L.R.A. 248 (1893).

South Carolina sovereignty over Barnwell Islands. — Islands that emerged in the Savannah River after the 1787 Treaty of Beaufort do not affect the

boundary line between Georgia and South Carolina. *Georgia v. South Carolina*, 497 U.S. 376, 110 S. Ct. 2903, 111 L. Ed. 2d 309 (1990).

ARTICLE 2

JURISDICTION

50-2-20. Extent of sovereignty and jurisdiction generally.

The sovereignty and jurisdiction of this state extend to all places within the limits of her boundaries except so far as she has voluntarily ceded her sovereignty and jurisdiction over particular localities to the United States or adjacent states. (Orig. Code 1863, § 22; Code 1868, § 20; Code 1873, § 20; Code 1882, § 20; Civil Code 1895, § 21; Civil Code 1910, § 21; Code 1933, § 15-201.)

OPINIONS OF THE ATTORNEY GENERAL

O.C.G.A. § 50-2-2 contemplates cession of jurisdiction by legislature and not Governor. — This section does not contemplate the cession of jurisdiction to the United States by the Governor but instead contemplates that such cession shall be granted exclusively by the General Assembly. 1950-51 Op. Att’y Gen. p. 75.

Policing power. — Although a reciprocal agreement is entered into, power of policing within the boundaries of Georgia cannot be delegated to another state nor can the policing power of this state be extended outside the territory of Georgia. 1957 Op. Att’y Gen. p. 147.

50-2-21. Jurisdiction extends to all persons within state limits; court’s option to decline jurisdiction.

(a) The jurisdiction of this state and its laws extend to all persons while within its limits, whether as citizens, denizens, or temporary sojourners.

(b) A court of this state may decline to exercise jurisdiction of any civil cause of action of a nonresident accruing outside this state if there

is another forum with jurisdiction of the parties in which the trial can be more appropriately held. In determining the appropriateness of this state or of another forum, the court shall take into account the following factors:

- (1) The place of accrual of the cause of action;
- (2) The location of witnesses;
- (3) The residence or residences of the parties;
- (4) Whether a litigant is attempting to circumvent the applicable statute of limitations of another state; and
- (5) The public factor of the convenience to and burden upon the court.

(c) Upon a motion filed not later than 90 days after the last day allowed for the filing of the moving party's answer and upon the party's showing that the existing forum constitutes an inconvenient forum based on the factors listed in subsection (b) of this Code section and where there is another forum which can assume jurisdiction, the court may dismiss the action without prejudice to its being filed in any appropriate jurisdiction on any condition or conditions that may be just. JUDICIAL DECISIONS

Lack of jurisdiction. — Court has no jurisdiction over a case in which neither of the parties is, or has ever been in the state, or a citizen, or a resident of the state, or the owner of property in the state. *House v. House*, 25 Ga. 473 (1858).

Extent of jurisdiction. — All persons found within the limits of a government

are to be deemed citizens thereof, so that the right of jurisdiction, civil and criminal, will attach to such persons. *Dearing v. Bank of Charleston*, 5 Ga. 497, 48 Am. Dec. 300 (1848); *Adams v. Lamar*, 8 Ga. 83 (1850); *Molyneux v. Seymour, Fanning & Co.*, 30 Ga. 440, 76 Am. Dec. 662 (1860).

Jurisdiction is to be so exercised as to

conclude by judgment none but those who are parties. *Dearing v. Bank of Charleston*, 5 Ga. 497, 48 Am. Dec. 300 (1848); *Adams v. Lamar*, 8 Ga. 83 (1850).

Jurisdiction extends only where it is not surrendered or restrained by the Constitution of the United States. *Johnston v. Riley*, 13 Ga. 97 (1853).

Jurisdiction of nonresidents. — Any court of any county of this state which can serve process on a nonresident, traveling through the state, acquires jurisdiction of that nonresident. *Campbell v. Campbell*, 67 Ga. 423 (1881).

Even though the allegations showed that the defendant was a resident of a foreign jurisdiction, yet when the defendant was personally served with process while sojourning within the state and the county in which the court was located, where the petitioner resided, the court acquired jurisdiction under former Code 1933, §§ 3-206 and 15-202 (see O.C.G.A. §§ 9-10-33 and 50-2-21). *Miller v. Miller*, 216 Ga. 535, 118 S.E.2d 85 (1961).

Persons passing through state. — Citizen of another state, passing through this state, may be sued in any county of this state in which the citizen may happen to be at the time when sued. *Murphy v. John S. Winter & Co.*, 18 Ga. 690 (1855).

Person not a citizen, and temporarily sojourning in this state, may be sued in any county thereof in which the person may be found at the time the person is sued, for the jurisdiction of this state extends to "citizens, denizens, or temporary sojourners." *Cheeley v. Fujino*, 131 Ga. App. 41, 205 S.E.2d 83 (1974).

Service on nonresident held proper. — Service of a petition for modification of child support upon a nonresident while the nonresident was visiting children in Georgia was proper. *Hutto v. Plagens*, 254 Ga. 512, 330 S.E.2d 341 (1985).

Foreign executors within limits of state. — Foreign executors or administrators coming within jurisdictional limits of the state are liable to be sued here by creditors, or to be brought to an account by legatees or distributees. *Johnson v. Jackson*, 56 Ga. 326, 21 Am. R. 285 (1876).

Concurrent jurisdiction of state and federal courts. — When the courts

of this state and the courts of the United States have concurrent jurisdiction over the subject matters and parties to a controversy, that tribunal which first actually takes the jurisdiction will retain jurisdiction. *Hines & Hobbs v. Rawson*, 40 Ga. 356, 2 Am. R. 581 (1869).

Jurisdiction of a state does not extend beyond the state's territorial limits; consequently, no personal judgment can be obtained against a nonresident unless the nonresident is served, so as to give the court jurisdiction, and that legal service cannot be perfected by forcing a nonresident defendant to come within the jurisdiction of the state in order to perfect personal service and thereby obtain jurisdiction. *Lomax v. Lomax*, 176 Ga. 605, 168 S.E. 863 (1933).

Presence of corporation makes it subject to jurisdiction. — Corporation is for some purposes a citizen, and, if present, is no less subject to the jurisdiction than any other citizen of another state. Besides, a corporation, though a citizen of but one state, may be a resident also of other states. *Louisville & N.R.R. v. Meredith*, 66 Ga. App. 488, 18 S.E.2d 51 (1941), *aff'd*, 194 Ga. 106, 21 S.E.2d 101 (1942).

Service on agent of defendant corporation. — Legal service may be perfected on a defendant railroad corporation which does business in this state, (i.e., has tracks in the state) by serving the corporation's soliciting freight agent who has an office in the county in which the suit is filed and service perfected, although the defendant does no business in the county other than that of the soliciting of freight. *Louisville & N.R.R. v. Meredith*, 66 Ga. App. 488, 18 S.E.2d 51 (1941), *aff'd*, 194 Ga. 106, 21 S.E.2d 101 (1942).

Jurisdiction of person or property. — If the court gets jurisdiction of the person or property of a nonresident, the court will retain jurisdiction to administer justice to the court's own citizens. *Callaway v. Jones & Quattlebum*, 19 Ga. 277 (1856).

Full justice afforded to nonresidents. — Nonresident invoking aid of court will be afforded as full justice as is consistent with the laws and policy of the state. *Reeves v. Southern Ry.*, 121 Ga. 561,

49 S.E. 674, 70 L.R.A. 513, 2 Ann. Cas. 207 (1905); *Seaboard Air-Line Ry. v. Burns*, 17 Ga. App. 1, 86 S.E. 270 (1915).

Jurisdiction over property of non-resident. — Courts have jurisdiction of a nonresident who owns property in a state, although the nonresident does not come within territorial limits. *Molyneux v. Seymour, Fanning & Co.*, 30 Ga. 440, 76 Am. Dec. 662 (1860).

Seizure of nonresident defendant's property. — Extent of available judicial relief in reference to alimony against a nonresident defendant, who is not personally served in this state, or does not acknowledge service, or who does not voluntarily submit to the jurisdiction of the court by appearing and pleading, is confined to the seizure and utilization of such property as the defendant may own, situated within the jurisdiction of the court. *Hicks v. Hicks*, 193 Ga. 446, 18 S.E.2d 754 (1942).

Jurisdiction properly denied. — Trial court properly dismissed a libel and slander action against a bank, an investment fund, and a supervisor as the supervisor gave the reference underlying the suit from a New York hotel room to an individual in the Netherlands, the law of the Netherlands controlled the case, most witnesses resided in the Netherlands, including the employee, and the supervisor had returned to the Netherlands at the time of the appeal; judicial notice was also taken of the deaths of the trial judge and the court reporter who had handled the case below, which, alone, satisfied O.C.G.A. § 50-2-21(b)(5). *Triguero v. ABN AMRO Bank N.V.*, 273 Ga. App. 92, 614 S.E.2d 209 (2005).

Exemption from service of civil process. — When there is pending in Florida a suit of A against B, and by stipulation of counsel for both parties, B comes into this state solely for the purpose of taking depositions, B is exempt from service of civil process while taking such depositions and during a reasonable time going and coming, even though the attorney for B testified that the purpose of taking the depositions was to make opposing counsel believe that B would not be present at the trial of the suit in Florida and there was no intention to use the

depositions. *Ewing v. Elliott*, 51 Ga. App. 565, 181 S.E. 123 (1935).

If a person is present in a county other than that of the person's residence, for the sole purpose of attending the taking of depositions therein in a case to which the person is a party, and advantage is taken of the person's presence to serve process on the person in another action, to compel the person to defend the action in a jurisdiction other than that of residence, the service of such process should be quashed. *Ewing v. Elliott*, 51 Ga. App. 565, 181 S.E. 123 (1935).

Nonresident witness or party exempt from service. — Nonresident witness or suitor in attendance upon the trial of any case in court is exempt from service of any writ or summons while so attending, and in going to, or returning from the court. *Ewing v. Elliott*, 51 Ga. App. 565, 181 S.E. 123 (1935).

Exemption from service extends to attendance at other tribunals. — Privilege of exemption from service is not only assured while a nonresident is attending upon strictly judicial proceedings, but upon any tribunal whose business has reference to or is intended to affect judicial proceedings. *Ewing v. Elliott*, 51 Ga. App. 565, 181 S.E. 123 (1935).

Rule of nonresident immunity from service embraces wide scope of tribunals. — Hearings before arbitrators, legislative committees, registers and commissioners in bankruptcy, and examiners and commissions to take depositions, are all embraced within the scope of application of the rule of nonresident immunity from service. *Ewing v. Elliott*, 51 Ga. App. 565, 181 S.E. 123 (1935).

Rule of nonresident immunity extends to every person who in good faith attends as a witness in any proceeding where testimony is to be taken according to the practice of the courts to be used in establishing the rights of a party in any judicial proceeding. *Ewing v. Elliott*, 51 Ga. App. 565, 181 S.E. 123 (1935).

Exemption where controlling purpose for entering state for depositions. — In order for a nonresident to be immune from process under the rule of exemption, the nonresident's main and controlling purpose in coming into this

state must be for the purpose of taking the depositions; this is the meaning of the term "good faith" when used in connection with this rule of exemption. *Ewing v. Elliott*, 51 Ga. App. 565, 181 S.E. 123 (1935).

Exemption from service must be claimed. — Service on garnishee temporarily sojourning here as suitor in court was voidable, yet when there was no objection made to the service and no answer filed at either return or second term, default judgment was valid. *Thornton v. American Writing Mach. Co.*, 83 Ga. 288, 9 S.E. 679, 20 Am. St. R. 320 (1889).

Question of jurisdiction not waived by appearance. — In case of a judgment void for want of personal service of process, the defendant does not waive the question of jurisdiction or validate the void judgment by an appearance after judgment in support of a motion to set the judgment aside. *Hicks v. Hicks*, 193 Ga. 446, 18 S.E.2d 754 (1942).

Voluntary attendance to answer for misdemeanor is not privileged. — Nonresident of the state, voluntarily attending a city court to answer to an accusation for a misdemeanor against the nonresident is not privileged from arrest under civil process nor exempt from service of civil process. *Rogers v. Rogers*, 138 Ga. 803, 76 S.E. 48 (1912).

Defendant in criminal case can be witness in own behalf. — Each of the cases in which service of civil process upon

a nonresident criminal defendant was upheld rested upon a rationale that under the law of this state then existing a defendant in a criminal case could not be a "witness" within the meaning of former Code 1933, § 38-1506 (see now O.C.G.A. § 24-13-1) because a witness could not take the stand and be sworn on own behalf. These cases were no longer applicable in view of the enactment of former Code 1933, §§ 26-401, 27-405, 38-415 and 38-416 (see now O.C.G.A. §§ 16-1-3(1) 17-7-28, and 24-5-506), which authorized a defendant to testify in a criminal case in this state. *White v. Henry*, 232 Ga. 64, 205 S.E.2d 206 (1974), commented on in 26 Mercer L. Rev. 317.

Immunity of nonresident defendant who appears voluntarily. — Immunity should be extended to the nonresident criminal defendant who voluntarily appears in court to answer a criminal charge in Georgia. *White v. Henry*, 232 Ga. 64, 205 S.E.2d 206 (1974), commented on in 26 Mercer L. Rev. 317.

50-2-22. State consent to acquisition by United States of lands for government purposes.

The consent of the state is given, in accordance with Article I, Section 8, Clause 17 of the Constitution of the United States, to the acquisition by the United States, by purchase, condemnation, or otherwise, of any lands in this state which have been or may be acquired for sites for customs houses, courthouses, post offices, or for the erection of forts, magazines, arsenals, dockyards, and other needful buildings. (Ga. L.

1906, p. 126, §§ 1, 2; Civil Code 1910, § 25; Ga. L. 1927, p. 352, § 1; Code 1933, § 15-301.)

JUDICIAL DECISIONS

Statutes attempting to waive state's right to tax. — To the extent that former Code 1933, §§ 15-301 through 15-303 (see O.C.G.A. §§ 50-2-22 through 50-2-24) attempted to waive the state's sovereign right to tax, the statutes were void. The petition, seeking to prevent taxation of private property located upon lands belonging to the United States, alleged no cause of action and it was not error for the court to dismiss the petition on demurrer (now motion to dismiss). *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

Cession of complete and general jurisdiction over United States' lands. — The 1927 Act of cession of jurisdiction (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) is not an act of repeal or amendment of prior Acts. It is a new and general statute by which this state makes a complete and general cession of jurisdiction to the federal government over all lands held by the United States for "purposes of government." Former Code 1933, § 15-301 (see O.C.G.A. § 50-2-22) was in no wise contrary to Ga. Const. 1877, Art. III, Sec. VII, Para. XVIII (see Ga. Const. 1983, Art. III, Sec. V, Para. IV). *Bowen v. United States*, 134 F.2d 845 (5th Cir.), cert. denied, 319 U.S. 764, 63 S. Ct. 1320, 87 L. Ed. 1714 (1943).

Counties have right to tax private property located upon federal lands. — Former Code 1933, §§ 15-301 through 15-303 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) offended Ga. Const. 1945, Art. VII, Sec. I, Para. II (see Ga. Const. 1983, Art. VII, Sec. I, Para. I) and were, to the extent that the statutes undertook to waive the sovereign right of Georgia to tax, absolutely void. The sole ground upon which the petition sought to defeat the county's attempt to tax the private property located upon lands belonging to the United States being the abortive attempt by the legislature to waive the state's right to tax, the petition alleged no cause of action, and the court did not err in sustaining the demurrers (now motion to

dismiss) and dismissing the petition. *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

State taxation must not interfere with business of United States. — Former Code 1933, §§ 15-301 through 15-303 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) must be construed in *pari materia* with Ga. Const. 1945, Art. VII, Sec. I, Para. II (see Ga. Const. 1983, Art. VII, Sec. I, Para. I). When thus construed, the statutes mean that the United States has no right to prevent taxation so long as such taxation in no wise interferes with the business of the United States. Taxing the private property could not conceivably interfere with the government's business. *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

Lands acquired by United States are free from certain state interference. — When lands are acquired in any other way by the United States within the limits of a state than by purchase with her consent, they will hold the lands subject to the qualification that if upon them forts, arsenals, or other public buildings are erected for the use of the general government, such buildings, with their appurtenances, as instrumentalities for the execution of its powers, will be free from any such interference and jurisdiction of the state as would destroy or impair their effective use for the purposes designed. *Brittain v. Reid*, 220 Ga. 794, 141 S.E.2d 903 (1965).

State possesses jurisdiction over robbery in post office. — When a robbery occurred in a United States post office, the defendant's contention that the federal government had exclusive jurisdiction over the offense since the robbery occurred on federal property was without merit. *Harris v. State*, 186 Ga. App. 756, 368 S.E.2d 527 (1988).

OPINIONS OF THE ATTORNEY GENERAL

No jurisdiction over national military park. — Game and Fish Commission (now Department of Natural Resources) of this state does not have jurisdiction over the premises of the Chickamauga-Chattanooga National Military Park for the purpose of checking fishing licenses and other violations of fishing and hunting laws which might occur on the premises of the park. 1945-47 Op. Att'y Gen. p. 51.

Exclusive criminal jurisdiction. — Although in earlier Acts consenting to acquisition and ceding jurisdiction over land for the park, criminal jurisdiction was specifically reserved by the State of Georgia, exclusive jurisdiction was ceded by this section. 1945-47 Op. Att'y Gen. p. 51.

Building safety council has no right or duty to inspect: (a) properties of the federal government such as military reservations; or (b) properties, such as military housing projects, owned by the government but leased to private persons for nongovernmental uses. 1948-49 Op. Att'y Gen. p. 394.

Juvenile court does not have jurisdiction on military base. — Fort Stewart remains in the exclusive jurisdiction of the federal government and the Juvenile Court of Liberty County does not have jurisdiction over juveniles who have allegedly committed delinquent acts on the military base. 1994 Op. Att'y Gen. No. U94-10.

50-2-23. Exclusive jurisdiction ceded over lands acquired by United States; exceptions.

Exclusive jurisdiction in and over any lands acquired by the United States as provided in Code Section 50-2-22 is ceded to the United States for all purposes except service upon such lands of all civil and criminal process of the courts of this state; but the jurisdiction so ceded shall continue no longer than the United States shall own such lands. The state retains its civil and criminal jurisdiction over persons and citizens in the ceded territory, as over other persons and citizens in this state, except as to any ceded territory owned by the United States and used by the Department of Defense and except as to any ceded territory owned by the United States and used by the Department of Justice for penal institutions, custodial institutions, or correctional institutions, but the state retains jurisdiction over the taxation of private property and the regulation of public utility services in any ceded territory. Nothing in this Code section shall interfere with the jurisdiction of the United States over any matter or subjects set out in the acts of Congress donating money for the erection of public buildings for the transaction

of its business in this state or with any laws, rules, or regulations that Congress may adopt for the preservation and protection of its property and rights in the ceded territory and the proper maintenance of good order therein. JUDICIAL DECISIONS

Statutes void when statutes attempt to waive state's right to tax. —

To the extent that former Code 1933, §§ 15-301 through 15-304 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) attempted to waive the state's sovereign right to tax, the statutes were void. The petition, seeking to prevent taxation of private property located upon lands belonging to the United States, alleged no cause of action, and it was not error for the court to dismiss the same on demurrer (now motion to dismiss). *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

Taxation of private property upon United States' lands. — Former Code 1933, §§ 15-301 through 15-304 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) offended Ga. Const. 1945, Art. VII, Sec. I, Para. II (see Ga. Const. 1983, Art. VII, Sec. I, Para. I) and were, to the extent that they undertook to waive the sovereign right of Georgia to tax, absolutely void. The sole ground upon which the petition seeks to defeat the county's attempt to tax the private property located upon lands belonging to the United States being the abortive attempt by the legislature to waive the state's right to tax, the petition alleged no cause of action, and the court did not err in sustaining the demurrers (now motion to dismiss) and dismissing the petition. *IBM Corp. v. State taxation must not interfere with business of United States. — Former Code 1933, §§ 15-301 through 15-304 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) must be construed in pari materia with Ga. Const. 1945, Art. VII, Sec. I, Para. II (see Ga. Const. 1983, Art. VII, Sec. I, Para. I). When thus construed, the statutes mean that the United States has no right to prevent taxation so long as such taxation in no wise interferes with

the business of the United States. Taxing the private property could not conceivably interfere with the government's business. *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

Cession of complete and general jurisdiction over United States lands. —

The 1927 Act of cession of jurisdiction (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) is not an Act of repeal or amendment of prior Acts. It is a new and general statute by which this state makes a complete and general cession of jurisdiction to the federal government over all lands held by the United States for "purposes of government." Former Code 1933, § 15-302 (see O.C.G.A. § 50-2-23) was in no wise contrary to Ga. Const. 1877, Art. III, Sec. VII, Para. XVII (see Ga. Const. 1983, Art. III, Sec. V, Para. IV). *Bowen v. United States*, 134 F.2d 845 (5th Cir.), cert. denied, 319 U.S. 764, 63 S. Ct. 1320, 87 L. Ed. 1714 (1943).

Former Code 1933, § 15-302 (see O.C.G.A. § 50-2-23) was a partial cession of jurisdiction; while former Code 1933, § 15-303 described the time of vesting. Neither purported to condition state consent upon federal acceptance. *DeKalb County v. Henry C. Beck Co.*, 382 F.2d 992 (5th Cir. 1967).

O.C.G.A. § 50-2-23 as offer to cede criminal jurisdiction to United States. — This section amounts to an offer to cede criminal jurisdiction to the United States which, to become effective, must be accepted in the proper manner by the United States, and the burden of showing such acceptance rests with the defendant in a criminal case who contends that the state court is without jurisdiction to try the defendant for an offense against state laws allegedly committed within the confines of the military installation. *Dob-*

bins v. State, 114 Ga. App. 403, 151 S.E.2d 549 (1966).

Requisite showing of federal acceptance of jurisdiction. — After a deputy sheriff arrested the defendant for driving under the influence and driving without a license in a park and, at the subsequent trial, the arresting officer testified that the park was federal property, managed by the U.S. Army Corp of Engineers, assuming that the park was federal property used by the Department of Defense, since the defendant failed to make the requisite showing of federal acceptance of criminal jurisdiction, the trial court properly declined to dismiss the prosecution. *Jackson v. State*, 183 Ga. App. 594, 359 S.E.2d 457 (1987).

Laws in federal territory derive their authority and force from United States. — Any law existing in territory over which the United States has “exclusive” sovereignty must derive its authority and force from the United States and is for that reason federal law, even though having its origin in the law of the state within the exterior boundaries of which the federal area is situated. *Mater v. Holley*, 200 F.2d 123 (5th Cir. 1952).

Lands acquired by United States free from certain state interference. — When lands are acquired in any other way by the United States within the limits of a state than by purchase with her consent, they will hold the lands subject to

the qualification that if upon them forts, arsenals, or other public buildings are erected for the use of the general government, such buildings, with their appurtenances, as instrumentalities for the execution of its powers, will be free from any such interference and jurisdiction of the state as would destroy or impair their effective use for the purposes designed. *Brittain v. Reid*, 220 Ga. 794, 141 S.E.2d 903 (1965).

State possesses jurisdiction over robbery in post office. — When a robbery occurred in a United States post office, the defendant’s contention that the federal government had exclusive jurisdiction over the offense since the robbery occurred on federal property was without merit. *Harris v. State*, 186 Ga. App. 756, 368 S.E.2d 527 (1988).

Arrest on Dobbins Air Force Base was lawful. — Trial court did not err in concluding that a defendant’s arrest on Dobbins Air Force Base was lawful based on evidence that the State of Georgia retained criminal jurisdiction over lands in the state used for federal military purposes, including a Department of the Army jurisdiction statement specifically for Dobbins recognizing the the United States did not have exclusive jurisdiction over the property. *Devega v. State*, 286 Ga. 448, 689 S.E.2d 293 (2010).

OPINIONS OF THE ATTORNEY GENERAL

Regulating public utilities in any ceded territory is not incompatible with the Georgia Constitution and former Code 1933, § 15-302 (see O.C.G.A. § 50-2-23) effectively ceded jurisdiction over lands used by the Department of Defense. 1952-53 Op. Att’y Gen. p. 8.

Taxation of property of public utilities on federal property. — State has jurisdiction, for purposes of taxation, of property of public utilities located on property in this state belonging to the federal government. 1952-53 Op. Att’y Gen. p. 186.

Board usually has no authority to regulate post-secondary educational institutions. — State Board of Education

is without authority to regulate post-secondary educational institutions which are operated on federal military bases, unless the authority to do so is granted by federal statute, regulation, or consent. 1978 Op. Att’y Gen. No. 78-67.

Coroner has no authority to sign death certificate of civilian employee of the United States army who committed suicide on a military reservation within the boundaries of a county of Georgia. 1975 Op. Att’y Gen. No. 75-97.

Building safety council has no right or duty to inspect: (a) properties of the federal government such as military reservations; or (b) properties, such as military housing projects, owned by the gov-

ernment but leased to private persons for nongovernmental uses. 1948-49 Op. Att'y Gen. p. 394.

Federal installations purchasing distilled spirits directly from distiller. — Military or naval installation which is located on property that has been ceded to the United States by this state has the right to buy distilled spirits directly from the distiller without the payment of Georgia tax or warehouse charges. 1948-49 Op. Att'y Gen. p. 591.

Juvenile court does not have jurisdiction on military base. — Fort Stewart remains in the exclusive jurisdiction of the federal government and the Juvenile Court of Liberty County does not have jurisdiction over juveniles who have allegedly committed delinquent acts on the military base. 1994 Op. (a) The consent of the State of Georgia is given to the cession of concurrent jurisdiction to the United States of America over lands within the boundaries of the State of Georgia that are owned by the United States of America or over which such jurisdiction is necessary for the effective administration and management of the lands owned by the United States.

(b) Whenever the United States of America desires to acquire concurrent jurisdiction over lands of the type described in subsection (a) of this Code section, application therefor shall be made to the Governor by the principal officer of the agency of the United States having administrative and legal control over the land and shall describe with specificity the lands for which concurrent jurisdiction is sought. For the purpose of this Code section, "legal control" shall include the authority to sell, convey, rent, lease, make covenants, alienate, or otherwise control by lawful means, any and all interests and rights in real property including but not limited to the right of possession to, use of, and travel upon or over relevant lands.

(c) Upon receipt of an application to acquire concurrent jurisdiction on behalf of the United States over lands of the type described in subsection (a) of this Code section, the Governor is authorized to cede concurrent jurisdiction over such lands to the United States.

(b) Such concurrent jurisdiction granted to the United States of America by this Code section shall be limited to the provision of law enforcement services, security, and fire protection; the enforcement of applicable laws, rules, regulations, and ordinances of the state, the United States, and Columbus, Georgia; the trial of offenses and ordinance violations in the courts the United States, the State of Georgia, and Columbus, Georgia; and to such additional matters as may be the subject of the written agreement provided for in subsection (c) of this Code section.

(c) Cession of concurrent jurisdiction shall be effected by means of negotiation and execution of an agreement between the Governor on behalf of the state, the commanding general of the United States Army Infantry Center at Fort Benning, the governing authority of Columbus, Georgia, and the governing board of the National Infantry Foundation or any successor owner or operator of the National Infantry Museum and the property on which it is located. Any jurisdiction not specifically ceded in any such agreement is reserved to the state. Cession of such concurrent jurisdiction as is ceded by the state in any such agreement shall become effective upon the acceptance by the United States indicated in writing upon the instrument of cession by the authorized official or officials of the United States.

(d) Nothing contained in this Code section or in any instrument executed pursuant to it shall be construed as consent either to the preemption of any of the laws and regulations of this state or to the exemption of any lands from regulation pursuant to the laws and regulations of this state to the extent such lands are subject thereto. No provision of this Code section or any instrument executed pursuant to this Code section shall be construed as a limitation or restriction upon the power, right, and authority of the General Assembly to enact laws and authorize the promulgation of regulations. (Code 1981, § 50-2-23.2, enacted by Ga. L. 2005, p. 559, § 1/HB 420.)

50-2-24. Vesting of jurisdiction; exemption from state, county, or municipal charges.

The jurisdiction ceded as provided in Code Section 50-2-23 shall not vest until the United States has acquired the title to the lands by purchase, condemnation, or otherwise. As long as the lands remain the property of the United States when acquired by purchase, condemnation, or otherwise, and no longer, the same shall be and continue to be exempt and exonerated from all state, county, and municipal assessment, or other charges which may be levied or imposed under authority of the state. (Ga. L. 1927, p. 352, § 3; Code 1933, § 15-303.)

JUDICIAL DECISIONS

Cession of complete and general jurisdiction over United States lands.

— The 1927 Act of cession of jurisdiction (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) is not an Act of repeal or amendment of prior Acts. It is a new and general statute by which this state makes a complete and general cession of jurisdiction to the federal government over all lands held by the United States for “purposes of government.” This section is in no wise contrary to Ga. Const. 1877, Art. III, Sec. VII, Para. XVIII (see Ga. Const. 1983, Art. III, Sec. V, Para. IV). *Bowen v. United States*, 134 F.2d 845 (5th Cir.), cert. denied, 319 U.S. 764, 63 S. Ct. 1320, 87 L. Ed. 1714 (1943).

Portion of O.C.G.A. § 50-2-24 exempting ceded lands from taxation was void. — That portion of this section purporting to exempt and exonerate from “all state, county, and municipal taxation” such ceded lands was in plain and direct violation of Ga. Const. 1945, Art. VII, Sec. I, Para. II (see Ga. Const. 1983, Art. VII, Sec. I, Para. I), and was void. *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

Statutes void when statutes attempt to waive state’s right to tax. — To the extent that former Code 1933, §§ 15-301 through 15-303 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) attempted to waive the state’s sovereign right to tax, the statutes were void. The petition, seeking to prevent taxation of private property located upon lands belonging to the United States, alleged no cause of action, and it was not error for the court to dismiss the cause on demurrer

(now motion to dismiss). *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

Counties have right to tax private property located upon United States’ lands. — Former Code 1933, §§ 15-301 through 15-303 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) offended Ga. Const. 1945, Art. VII, Sec. I, Para. II (see Ga. Const. 1983, Art. VII, Sec. I, Para. I), and were, to the extent that the statutes undertook to waive the sovereign right of Georgia to tax, absolutely void. The sole ground upon which the petition seeks to defeat the county’s attempt to tax the private property located upon lands belonging to the United States being the abortive attempt by the legislature to waive the state’s right to tax, the petition alleges no cause of action, and the court did not err in sustaining the demurrers (now motion to dismiss) and dismissing the petition. *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

State taxation must not interfere with business of United States. — Former Code 1933, §§ 15-301 through 15-303 (see O.C.G.A. §§ 50-2-22, 50-2-23, and 50-2-24) must be construed in *pari materia* with Ga. Const. 1945, Art. VII, Sec. I, Para. II (see Ga. Const. 1983, Art. VII, Sec. I, Para. I). When thus construed, the statutes mean that the United States has no right to prevent taxation so long as such taxation in no wise interferes with the business of the United States. Taxing the private property could not conceivably interfere with the government’s business. *IBM Corp. v. Evans*, 213 Ga. 333, 99 S.E.2d 220 (1957).

O.C.G.A. § 50-2-24 describes time of vesting of jurisdiction ceded in O.C.G.A. § 50-2-22. — Former Code 1933, § 15-301 (see O.C.G.A. § 50-2-22) was a partial cession of jurisdiction; while former Code 1933, § 15-303 (see O.C.G.A.

§ 50-2-24) described the time of vesting. Neither purported to condition state consent upon federal acceptance, *DeKalb County v. Henry C. Beck Co.*, 382 F.2d 992 (5th Cir. 1967).

50-2-25. State consent to acquisition by United States of lands for forest and wildlife purposes; concurrent jurisdiction.

The consent of the state is given to the acquisition by the United States by purchase, gift, exchange, or by condemnation according to law, of only such lands as may be contracted, proposed, or offered for sale in writing by the ostensible owner to the United States, in which writing the owner consents to such acquisition, of such lands in all those counties in the northern and central portions of the state south to and including the Counties of Stewart, Webster, Marion, Taylor, Upson, Monroe, Jones, Putnam, Greene, Taliaferro, Wilkes, Jasper, Elbert, Warren, Hancock, Oglethorpe, Dodge, Treutlen, Laurens, Butts, and Richmond, and in and around the Okefenokee Swamp as in the opinion of state and federal government officials may be needed for the establishment, consolidation, or extension of national forests, forest experiment stations, wildlife sanctuaries, or for rights of way and land on which to build roads, highways, and bridges in the Okefenokee Swamp or for rights of way and land on which to build roads, highways, and bridges to connect the swamp roads with other highways, or for any development purposes best suited on these lands to be acquired by the United States. The state shall retain concurrent jurisdiction with the United States in and over such lands in all cases insofar as civil process is concerned, and such criminal process as may issue under the authority of the state against any person charged with the commission of any crime outside or within the jurisdiction may be executed thereon in like manner as if this law had not been enacted. In all condemnation proceedings, the rights of the federal government shall be limited to the specific objects set forth by laws of the United States in regard to national forests or wildlife sanctuaries and rights of way on which to build roads, highways, and bridges. By resolution (Ga. L. 1986, p. 529), the General Assembly designated the English language as the official language of the State of Georgia. See also Code Section 50-3-100.

OPINIONS OF THE ATTORNEY GENERAL

Resolution (Ga. L. 1986, p. 529) adopting English as the official language of the State of Georgia has the

force and effect of law. 1995 Op. Att’y Gen. No. U95-16.

ARTICLE 1

STATE AND OTHER FLAGS

50-3-1. Description of state flag; militia to carry flag; defacing public monuments; obstruction of Stone Mountain.

(a) The flag of the State of Georgia shall consist of a square canton on a field of three horizontal bands of equal width. The top and bottom bands shall be scarlet and the center band white. The bottom band shall extend the entire length of the flag, while the center and top bands shall extend from the canton to the fly end of the flag. The canton of the flag shall consist of a square of blue the width of two of the bands, in the upper left of the hoist of the flag. In the center of the canton shall be placed a representation in gold of the coat of arms of Georgia as shown in the center of the obverse of the Great Seal of the State of Georgia adopted in 1799 and amended in 1914. Centered immediately beneath the coat of arms shall be the words “IN GOD WE TRUST” in capital letters. The coat of arms and wording “IN GOD WE TRUST” shall be encircled by 13 white five-pointed stars, representing Georgia and the 12 other original states that formed the United States of America. Official specifications of the flag, including color identification system, type sizes and fonts, and overall dimensions, shall be established by the Secretary of State, who pursuant to Code Section 50-3-4 serves as custodian of the state flag. Every force of the organized militia shall carry this flag while on parade or review.

(b)(1) It shall be unlawful for any person, firm, corporation, or other entity to mutilate, deface, defile, or abuse contemptuously any publicly owned monument, plaque, marker, or memorial which is dedicated to, honors, or recounts the military service of any past or present military personnel of this state, the United States of America or the several states thereof, or the Confederate States of America or the several states thereof, and no officer, body, or representative of state or local government or any department, agency, authority, or instrumentality thereof shall remove or conceal from display any such monument, plaque, marker, or memorial for the purpose of preventing the visible display of the same. A violation of this paragraph shall constitute a misdemeanor.

(2) No publicly owned monument or memorial erected, constructed, created, or maintained on the public property of this state or its agencies, departments, authorities, or instrumentalities in honor of the military service of any past or present military personnel of this state, the United States of America or the several states thereof, or the Confederate States of America or the several states thereof shall be relocated, removed, concealed, obscured, or altered in any fashion; provided, however, that appropriate measures for the preservation, protection, and interpretation of such monuments or memorials shall not be prohibited.

(3) Conduct prohibited by paragraphs (1) and (2) of this subsection shall be enjoined by the appropriate superior court upon proper application therefor.

(4) It shall be unlawful for any person, firm, corporation, or other entity acting without authority to mutilate, deface, defile, abuse contemptuously, relocate, remove, conceal, or obscure any privately owned monument, plaque, marker, or memorial which is dedicated to, honors, or recounts the military service of any past or present military personnel of this state, the United States of America or the several states thereof, or the Confederate States of America or the several states thereof. Any person or entity who suffers injury or damages as a result of a violation of this paragraph may bring an action individually or in a representative capacity against the person or persons committing such violations to seek injunctive relief and to recover general and exemplary damages sustained as a result of such person's or persons' unlawful actions.

(c) Any other provision of law notwithstanding, the memorial to the heroes of the Confederate States of America graven upon the face of Stone Mountain shall never be altered, removed, concealed, or obscured in any fashion and shall be preserved and protected for all time as a tribute to the bravery and heroism of the citizens of this state who suffered and died in their cause. JUDICIAL DECISIONS

Constitutionality of flag. — Georgia state flag, which incorporated the stars and bars of the Confederate flag, did not violate an African-American citizen's equal protection rights, even though a discriminatory purpose was a motivating factor in the passage of O.C.G.A. § 50-3-1 since the evidence failed to show a sufficiently concrete, present-day discriminatory impact on African-Americans. *Coleman v. Miller*, 885 F. Supp. 1561 (N.D. Ga. 1995), *aff'd*, 117 F.3d 527 (11th Cir. 1997), *cert. denied*, 523 U.S. 1011, 118 S. Ct. 1199, 140 L. Ed. 2d 328 (1998); *Coleman v. Miller*, 912 F. Supp. 522 (N.D. Ga. 1996), *aff'd*, 117 F.3d 527 (11th Cir. 1997), *cert. denied*, 523 U.S. 1011, 118 S. Ct. 1199, 140 L. Ed. 2d 328 (1998).

State flag, incorporating the stars and bars of the Confederate flag, did not violate the due process clause by depriving an African-American citizen of any fundamental privacy interest in associating with white people free from unwarranted government intrusion since the record did not support the claim. Moreover, the plaintiff's right to associate with white people in general is not the type of intimate relationship garnering constitutional protection under this theory. *Coleman v. Miller*, 885 F. Supp. 1561 (N.D. Ga. 1995), *aff'd*, 117 F.3d 527 (11th Cir. 1997), *cert. denied*, 523 U.S. 1011, 118 S. Ct. 1199, 140 L. Ed. 2d 328 (1998); *Coleman v. Miller*, 912 F. Supp. 522 (N.D. Ga. 1996), *aff'd*, 117 F.3d 527 (11th Cir. 1997), *cert. denied*, 523 U.S. 1011, 118 S. Ct. 1199, 140 L. Ed. 2d 328 (1998).

African-American citizen's argument that the state flag, incorporating the stars and bars of the Confederate flag, compelled the African-American citizen to be the courier of a morally objectionable ideological message failed because the flag on the flag's face does not promulgate a sufficiently clear message of discrimination and because the record contained no evidence that the citizen was forced to acknowledge the flag in any way. *Coleman v. Miller*, 885 F. Supp. 1561 (N.D. Ga. 1995), *aff'd*, 117 F.3d 527 (11th Cir. 1997), *cert. denied*, 523 U.S. 1011, 118 S. Ct. 1199, 140 L. Ed. 2d 328 (1998); *Coleman v. Miller*, 912 F. JUDICIAL DECISIONS

Editor's notes. — Many of these annotations were based on cases decided prior to the U.S. Supreme Court decisions as to burning of the flag of the United States (See *Texas v. Johnson*, 491 U.S. 397, 109 S. Ct. 2533, 105 L. Ed. 2d 342 (1989) and *United States v. Eichman*, 496 U.S. 310, 110 S. Ct. 2404, 110 L. Ed. 2d 287 (1990)).

In light of the similarity of the statutory provisions, decisions under former Code 1933, § 26-2803, which was subsequently repealed but was succeeded by provisions in this Code section, are included in the annotations for this Code section.

O.C.G.A. § 50-3-9 is not unconstitutional. — Language of this section making it unlawful to mutilate, deface, defile, or contemptuously abuse the flags by any act is not vague, uncertain, or indefinite, and this section is accordingly not unconstitutional. *Hinton v. State*, 223 Ga. 174, 154 S.E.2d 246 (1967), rev'd on other grounds sub nom. *Anderson v. Georgia*, 390 U.S. 206, 88 S. Ct. 902, 19 L. Ed. 2d 1039 (1968).

Freedom of speech not involved in prohibitions in O.C.G.A. § 50-3-9. —

Conduct sought to be prohibited by this section is conduct which shows open disrespect for the flag, and no question of freedom of speech is involved. *Hinton v. State*, 223 Ga. 174, 154 S.E.2d 246 (1967), rev'd on other grounds sub nom. *Anderson v. Georgia*, 390 U.S. 206, 88 S. Ct. 902, 19 L. Ed. 2d 1039 (1968); *Monroe v. State*, 250 Ga. 30, 295 S.E.2d 512 (1982).

Flag burning is not protected by the free speech provision of the First Amendment as the state's interest in protecting the physical integrity of the United States flag justifies regulation of both specific destructive conduct toward the flag and minor limitations on symbolic speech concomitant to that conduct. *Monroe v. State*, 250 Ga. 30, 295 S.E.2d 512 (1982).

Conviction for mutilating, defacing, and defiling a flag upheld. See *Bowles v. State*, 168 Ga. App. 763, 310 S.E.2d 250 (1983), cert. denied, 465 U.S. 1112, 104 S. Ct. 1619, 80 L. Ed. 2d 148 (1984).

Georgia on My Mind

Melodies bring memories
That linger in my heart
Make me think of Georgia
Why did we ever part?
Some sweet day when blossoms fall
And all the world's a song
I'll go back to Georgia
'Cause that's where I belong.
Georgia, Georgia, the whole day through
Just an old sweet song keeps Georgia on my mind.
Georgia, Georgia, a song of you
Comes as sweet and clear as moonlight through the pines.
Other arms reach out to me
Other eyes smile tenderly
Still in peaceful dreams I see
The road leads back to you.
Georgia, Georgia, no peace I find
Just an old sweet song keeps Georgia on my mind.

OPINIONS OF THE ATTORNEY GENERAL

Hiring and discharging employees. — State Board of Pardons and Paroles may hire and discharge employees required in performance of the board's quasi-judicial functions. 1975 Op. Att'y Gen. No. 75-35.

Department of Corrections without authority to assign staff to board. — Since the State Board of Pardons and Paroles has statutory authority to hire the board's own personnel to assist the board in carrying out the board's quasi-judicial functions, the Department of Offender Rehabilitation (now Corrections) is not authorized to assign staff to the State Board of Pardons and Paroles as pre-parole investigators. 1975 Op. Att'y Gen. No. 75-35.

Staff to be provided to Children's Trust Fund Commission. — Department of Human Resources is authorized to provide staff and existing departmental resources to the State Children's Trust Fund Commission whenever practicable. When it is not practicable for the department or other participating departments to provide staff or resources, then the

commission, with the approval of the Governor, is authorized to employ and discharge the commission's own personnel. 1990 Op. Att'y Gen. No. 90-35.

Transfer of advisory council on vocational education by Governor. — Governor may not transfer advisory council on vocational education from Department of Education for fiscal and administrative purposes to the Office of Planning and Budget. 1974 Op. Att'y Gen. No. U74-61.

Altering fiscal agent for advisory council. — Function of fiscal agent for the advisory council on vocational education is a responsibility accruing to the Department of Education and alterable only by action of the General Assembly. 1974 Op. Att'y Gen. No. U74-61.

Preparation of affirmative action programs. — Department of Public Safety is not responsible for preparing affirmative action programs for agencies assigned to the department for administrative purposes only. The essence of assignment is to benefit the assigned agency,

which is normally smaller than the agency to which it is assigned. The assigned agency gets the benefit of the larger agency's financial and administra-

tive staff, but does not lose any of the agency's independent authority or control with regard to carrying out the agency's duties. 1980 Op. Att'y Gen. No. 80-147.

A department head or the Governor may create advisory councils. Any other official or agency of the executive branch of state government may also create advisory councils but only if federal laws or regulations require that the official or agency create the advisory council as a condition to the receipt of federal funds. Advisory councils may be created only for the purpose of acting in an advisory capacity. Unless otherwise provided by law, any such advisory council shall have a definite termination date in the instrument creating it, such date not to extend beyond the term of the Governor holding office at the time of the creation of the council. Penalty assessable against department for failure to file timely injury

reports. — State Board of Workers' Compensation may legally assess a penalty against the Department of Administrative Services as the agent for other departments, instrumentalities, and authorities of the state if there is a refusal or willful neglect to file timely reports of injuries required by former Code 1933, § 114-716 (see O.C.G.A. § 34-9-12). 1980 Op. The Department of Administrative Services shall formulate and initiate a sound program of self-insurance for workers' compensation benefits for all employees of the state, including employees of authorities. In formulating the self-insurance program, the department is directed to establish a return to work program that promotes the return of an employee to employment by creating transitional employment prior to full recovery by providing temporary assignments for an employee that are meaningful and medically approved until the employee can return to his or her regularly assigned duties. If an agency or authority does not allow an employee to engage in transitional employment under the return to work program, the number of authorized positions in the budget for the agency or authority shall be decreased by the number of employees collecting workers' compensation not engaged in return to work employment for whom return to work plans have been developed. (Ga. L. 1969, p. 234, § 1; Ga. L. 1972, p. 1015, § 406; Ga. L. 2008, p. 245, § 5/SB 425.)

50-5-13. Extent, premiums, deductibles, benefit amounts, reserves, and excess coverage for self-insurance program; incentive programs authorized; deduction of unpaid amounts.

The department shall determine the amount and extent of self-insurance which the state can assume, the necessary reserves needed, the premiums to be charged and any deductibles to be paid by agencies and authorities, the amount of benefits to be paid within the scope of the workers' compensation statutes, and type of addition or excess insurance coverage that may be required. The department is further authorized to establish incentive programs including differential premium rates based on participation in loss control programs established by the department, increased or decreased deductibles based on participation in loss control programs established by the department, and the imposition of fines and penalties. If any premiums, deductibles, fines, or penalties are unpaid, the department is authorized to deduct any unpaid amounts from the nonpaying agency's or authority's continuation budget subject to the approval of the Office of Planning and Budget and deposit those funds into the workers' compensation trust fund provided for in Code Section 50-5-14. (Ga. L. 1969, p. 234, § 1; Ga. L. 1972, p. 1015, § 406; Ga. L. 1982, p. 3, § 50; Ga. L. 2008, p. 245, § 6/SB 425.)

50-5-14. Authorization for Workers' Compensation Trust Fund to retain moneys as reserve; procedures for use of investment moneys.

In order to finance the continuing liability established with other agencies of state government, the Workers' Compensation Trust Fund is authorized to retain all moneys paid into the fund as premiums on policies of insurance and all moneys received as interest and all moneys received from other sources as a reserve for the payment of such liability and the expenses necessary to the proper conduct of such insurance program administered by the fund. Any amounts held by the Workers' Compensation Trust Fund which are available for investment shall be paid over to the Office of the State Treasurer. The state treasurer shall deposit such funds in a trust account for credit only to the Workers' Compensation Trust Fund. The state treasurer shall invest such funds subject to the limitations of Code Section 50-5A-7 and Chapter 17 of this title. All income derived from such investments shall accrue to the Workers' Compensation Trust Fund. When moneys are paid over to the Office of the State Treasurer, as provided in this Code section, the commissioner shall submit an estimate of the date such funds shall no longer be available for investment. When the commissioner wishes to withdraw funds from the trust account provided for in

this Code section, he or she shall submit a request for such withdrawal, in writing, to the state treasurer. (Ga. L. 1972, p. 350, § 1; Ga. L. 2000, p. 1474, § 8; Ga. L. 2010, p. 863, §§ 2, 3/SB 296.)

50-5-15. Provision of administrative services to local political subdivisions.

Any other provision of this chapter notwithstanding, the Department of Administrative Services is authorized to provide any administrative service which it normally provides to the various departments, agencies, and institutions of the state under the authority of this chapter to any local political subdivision within the state. The provision of one or more such administrative services to any or all political subdivisions shall be at the sole discretion of the commissioner of administrative services and such services shall only be rendered after a request for such services from the governing body of the local political subdivision. (Code 1981, § 50-5-15, enacted by Ga. L. 1983, p. 673, § 1; Ga. L. 1988, p. 1944, § 1.)

50-5-16. Liability insurance and self-insurance for state authorities; how program funded; incentive programs; incentive programs authorized; deduction of unpaid amounts; reserves.

(a) The commissioner of administrative services may establish a program of liability insurance and self-insurance for state authorities.

(b) State funds may be appropriated for the program, but the commissioner shall charge such premiums, deductibles, and other payments as the commissioner determines necessary or useful. The commissioner is further authorized to establish incentive programs including differential premium rates based on participation in loss control programs established by the department, increased or decreased deductibles based on participation in loss control programs established by the department, and the imposition of fines and penalties. If any premiums, deductibles, fines, or penalties are unpaid, the department is authorized to deduct any unpaid amounts from the nonpaying agency's or authority's continuation budget subject to the approval of the Office of Planning and Budget and deposit those funds into the reserve fund provided for in this Code section. From the funds

available to the commissioner, the commissioner shall establish such reserves as the commissioner determines necessary, purchase commercial policies, employ consultants, and otherwise administer the program. Any amounts held by the liability insurance or self-insurance funds which are available for investment shall be paid over to the Office of the State Treasurer. The state treasurer shall deposit such funds in trust accounts for credit only to the liability insurance and self-insurance funds. The state treasurer shall invest the liability insurance and self-insurance funds subject to the limitations of Code Section 50-5A-7 and Chapter 17 of this title. All income derived from such investments shall accrue to the liability insurance and self-insurance funds. When moneys are paid over to the Office of the State Treasurer, as provided in this Code section, the commissioner shall submit an estimate of the date such funds shall no longer be available for investment. When the commissioner wishes to withdraw funds from the trust account provided for in this Code section, he or she shall submit a request for such withdrawal, in writing, to the state treasurer.

(c) The commissioner may generally provide for insurance or self-insurance under such terms and conditions as he determines, and he may provide for particular coverages and other terms and conditions of the unique exposures particular to one or more authorities. The commissioner may provide for endorsements for contract liability and, where necessary or convenient to the public functions of an authority, he may also provide for additional insureds.

(d) Where existing programs of insurance and self-insurance have been established among state authorities by contract, the commissioner may arrange with such authorities to replace the existing programs with such programs as he may establish. In doing so he may assume existing and potential liabilities of the established programs. To the extent that funds of the existing programs are not necessary for such purposes, the commissioner may agree to the refund of such funds.

(e) Nothing in this Code section or in any related act of the commissioner or the participating authorities shall be construed as waiving any immunity or privilege of any kind now or hereafter enjoyed by the state or the state authorities, including without limitation defenses under the Eleventh Amendment of the Constitution of the United States, sovereign immunity, or any other legal or factual defense, privilege, or immunity which the state or a participating authority may enjoy or assert. The intent of this authorization is to provide for protection only in the absence of such defenses.

(f) Similarly, nothing in this Code section or in any related act of the commissioner or participating authorities shall pledge or be deemed to pledge the credit of the state. No obligation shall arise beyond the limits

of liability established by the commissioner or beyond such other terms and conditions as he may establish, and no obligation shall be imposed or created upon other funds of the state or upon other funds of the participating authorities.

(g) Nothing in the program of insurance or self-insurance shall cause one authority to be liable for claims of another or otherwise expose the assets of one authority to claims of liability respecting another authority. (Code 1981, § 50-5-16, enacted by Ga. L. 1987, p. 176, § 1; Ga. L. 1993, p. 1402, § 18; Ga. L. 1994, p. 97, § 50; Ga. L. 2000, p. 1474, § 9; Ga. L. 2008, p. 245, § 7/SB 425; Ga. L. 2010, p. 863, §§ 2, 3/SB 296.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1993, “the Office” was substituted for “its Office” in the last sentence in subsection (b).

50-5-17. Revenue from sale of surplus state equipment.

The Department of Administrative Services is authorized to retain in a reserve fund moneys generated from the sale of any surplus personal property pursuant to Article 4 of this chapter. Such funds may be used to cover any cost associated with disposing of the state’s surplus personal property or such funds may, subject to the approval of the Office of Planning and Budget, be used to purchase personal property for the Department of Administrative Services or for any offices, agencies, departments, boards, bureaus, commissions, institutions, authorities, or other entities of the state government. (Code 1981, § 50-5-17, enacted by Ga. L. 1988, p. 1944, § 2; Ga. L. 2005, p. 117, § 25/HB 312.)

Editor's notes. — By resolution (Ga. L. 1983, p. 598), the General Assembly adopted the temporary plan of operation developed by the Department of Administrative Services to serve as a permanent plan for the operation of the Federal Surplus Property Program in Georgia. (See 40 U.S.C. § 484.)

JUDICIAL DECISIONS

Unilateral modification of existing contracts unlawful. — Contracting procedures for the State of Georgia are controlled by statute. There is no provision in the statute for any state employee to have the power to unilaterally modify existing contracts. Persons dealing with a public officer must take notice of the extent of the officer's powers. *State v. U.S. Oil Co.*, 194 Ga. App. 1, 389 S.E.2d 498 (1989), cert. denied, 194 Ga. App. 912, 389 S.E.2d 498 (1990).

Competitive bidding. — When there is no impediment to competitive bidding, the State Purchasing Act, O.C.G.A. Art. 3, Ch. 5, T. 50, and relevant rules mandate competitive bidding. The statutes and rules clearly mandate that procurers

award contracts to the lowest responsible bidder whenever possible. *Pataula Elec. Membership Corp. v. Whitworth*, 951 F.2d 1238 (11th Cir.), cert. denied, 506 U.S. 907, 113 S. Ct. 302, 121 L. Ed. 2d 225 (1992).

Low bidder's constitutionally protected property interest. — Any discretion to choose the lowest responsible bidder for a contract to provide electric service to a new prison did not preclude the lowest responsible bidder's claim to a constitutionally protected property interest in the award of the contract. *Pataula Elec. Membership Corp. v. Whitworth*, 951 F.2d 1238 (11th Cir.), cert. denied, 506 U.S. 907, 113 S. Ct. 302, 121 L. Ed. 2d 225 (1992).

PART 1

GENERAL AUTHORITY, DUTIES, AND PROCEDURE

50-5-50. Purposes and policies of part.

The underlying purposes and policies of this part are:

- (1) To permit the continued development of centralized procurement policies and practices;
- (2) To control and reduce the cost of purchasing, leasing, renting, or otherwise procuring supplies, materials, services, and equipment through the use of centralized purchasing;
- (3) To ensure openness and accessibility by all qualified vendors to the state's purchasing processes so as to achieve the lowest possible costs to the state through effective competition among such vendors;
- (4) To provide for timely, effective, and efficient service to using agencies and to vendors doing business with the state;

(5) To ensure the fair and equitable treatment of all persons who deal with the procurement system of the state;

(6) To provide for increased public confidence in the procedures followed in public procurement; and

(7) To provide safeguards for the maintenance of a procurement system of quality and integrity. (Ga. L. 1931, p. 7, § 2; Code 1933, § 40-1901; Ga. L. 1937, p. 503, § 1; Ga. L. 1939, p. 160, § 1; Ga. L. 1950, p. 280, § 1; Ga. L. 1955, p. 643, § 1; Ga. L. 1979, p. 659, § 1.)

Editor's notes. — Ga. L. 1937, p. 503, § 3, not codified by the General Assembly, provided that nothing contained in the Act would be construed to interfere with or change the law with regard to the printing of the reports of the Supreme Court and the Court of Appeals of Georgia as is set forth in Art. 2 of Ch. 18 of this title.

Ga. L. 1979, p. 659, § 7, not codified by the General Assembly, provided that nothing in Code Sections 50-5-51, 50-5-57, 50-5-58, 50-5-67, and this Code section would be construed to affect, repeal, or limit the operation of either an Act known

as the "Unemployment Compensation Law," approved March 29, 1937 (Code Section 34-8-1 et seq.), as amended, particularly by an Act approved March 31, 1976 (Code Section 34-8-153 et seq.), or an Act known as the "Executive Reorganization Act of 1972," approved April 6, 1972 (Ga. L. 1972, p. 1015).

Law reviews. — For article advocating the inclusion of state purchasing regulations under the Georgia Administrative Procedure Act (Ch. 13, T. 50), see 1 Ga. St. B.J. 269 (1965).

JUDICIAL DECISIONS

Applicability to county. — Long County is not subject to the competitive bidding provisions in O.C.G.A. § 50-5-50 et seq., setting forth the procurement policies and practices for the Department of Administrative Services. *Strykr v. Long County Bd. of Comm'rs*, 277 Ga. 624, 593 S.E.2d 348 (2004).

Rights of rejected bidder. — Even in competitive sealed proposals under O.C.G.A. § 50-5-67(a), a rejected bidder

who alleges the proposal was conducted in an arbitrary and unfair manner falls within the zone of interest to be protected by the procurement laws. *Amdahl Corp. v. Georgia Dep't of Admin. Serv.*, 260 Ga. 690, 398 S.E.2d 540 (1990).

50-5-51. Power, authority, and duty of department.

The Department of Administrative Services shall have the power and authority and it shall be the department's duty, subject to this part:

(1) To canvass all sources of supply and to contract for the lease, rental, purchase, or other acquisition of all supplies, materials, equipment, and services other than professional and personal employment services required by the state government or any of its offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of this state under competitive bidding in the manner and subject to the conditions provided for in this article;

(2) To establish and enforce standard specifications which shall apply to all supplies, materials, equipment, and services other than professional and personal employment services purchased or to be purchased for the use of the state government for any of its offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the state;

(3) To contract for all electric light power, postal, and any and all other contractual purchases and needs of the state government or any of its offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the state or in lieu of such contract to authorize any offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the state to purchase or contract for any or all such services;

(4) To have general supervision of all storerooms and stores operated by the state government or any of its offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the state; to provide for transfer or exchange to or between all state offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the state or to sell all supplies, materials, and equipment which are surplus, obsolete, or unused; and to maintain inventories of all fixed property and of all movable equipment, supplies, and materials belonging to the state government or any of its offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the state;

(5) To make provision for and to contract for all state printing, including all printing, binding, paper stock, and supplies or materials in connection with the same, except as provided in this part. For the purpose of obtaining bids on printing, it shall have the power to divide the printing into various classes and to provide stipulations and specifications therefor and advertise, receive bids, and contract separately for the various classes;

(6) To procure all fidelity bonds covering state officials and employees required by law or administrative directive to give such bonds; and, in order to provide the bonds at a minimum expense to the state, the bonds may be procured under a master policy or policies providing insurance agreements on a group or blanket coverage basis with or without deductibles or excess coverage over the state's retention as determined by the commissioner. Fidelity bonds covering state officials and employees which are procured pursuant to this paragraph shall expressly provide that all state officials and employees who are required by law to be bonded be named in the fidelity bond as insureds or beneficiaries under the terms of the fidelity bond. Inclusion of any state official, officer, or employee required by law or administrative directive to be specifically bonded in a master fidelity

bond under the terms of this part shall satisfy any statutory requirement that the official, officer, or employee be bonded. Fidelity bonds procured pursuant to this paragraph shall also expressly provide for indemnification, out of the proceeds of the fidelity bonds, of all state officials and employees for any liability or expense of any nature resulting from a claim on the state official's or employee's bonds which is due to or as a result of an act of a subordinate of the state official or employee. In order to finance the continuing liability established with other agencies of state government, the commissioner is authorized to retain all moneys paid to the department as premiums on policies of insurance, all moneys received as interest, and all moneys received from other sources to set up and maintain a reserve for the payment of such liability and the expenses necessary to administer properly the insurance program. The commissioner is further authorized to establish incentive programs including differential premium rates based on participation in loss control programs established by the department, increased or decreased deductibles based on participation in loss control programs established by the department, and the imposition of fines and penalties. If any premiums, deductibles, fines, or penalties are unpaid, the department is authorized to deduct any unpaid amounts from the nonpaying agency's or authority's continuation budget subject to the approval of the Office of Planning and Budget and deposit those funds into the reserve fund provided for in this Code section. The commissioner shall invest the moneys in the same manner as other such moneys in his or her possession;

(7) To establish and operate the state agency for surplus property for the purpose of distributing surplus properties made available by the federal government under Pub. L. 152, 81st Congress, as amended, to institutions, organizations, agencies, and others as may be eligible to receive such surplus properties pursuant to applicable provisions of federal law. The commissioner may enter into or authorize the aforesaid state agency for surplus property to enter into cooperative agreements with the federal government for the use of surplus properties by the state agency. The commissioner is authorized to enter into contracts with other state, local, or federal agencies, or with other persons with respect to the construction, operation, maintenance, leasing, or rental of a facility for use by the state agency. Further, the commissioner may acquire real or personal property for such purposes;

(8) To delegate, in the department's discretion, to medical facilities under the jurisdiction of the Board of Regents for the University System of Georgia the ability to purchase medical equipment and medical supplies necessary for medical teaching purposes;

(9) To enter into or authorize agreements with private nonprofit organizations or other states and their political subdivisions to effectuate the purposes and policies of this chapter;

(10) To collect, retain, and carry over from year to year in a reserve fund any moneys, rebates, or commissions payable to the state that are generated by supply contracts established pursuant to Code Section 50-5-57; and

(11) To conduct the procurement of all technology resource purchases not exempted from competitive bidding requirements in accordance with the technology standards and specifications established by the Georgia Technology Authority. (Ga. L. 1931, p. 7, § 3; Code 1933, § 40-1902; Ga. L. 1937, p. 503, § 2; Ga. L. 1943, p. 406, § 1; Ga. L. 1960, p. 78, § 1; Ga. L. 1960, p. 1098, § 1; Ga. L. 1962, p. 644, § 1; Ga. Code Commission notes. — Pursuant to Code Section 28-9-5, in 1996, “therefor” was substituted for “therefore” in the second sentence of paragraph (5).

Pursuant to Code Section 28-9-5, in 2005, a comma was inserted following “agencies” two times in paragraphs (3) and (4).

Editor’s notes. — Ga. L. 1996, p. 885, § 1, not codified by the General Assembly, provides: “This Act shall be known and may be cited as the ‘Purchasing Reform Act of 1996.’”

Ga. L. 1996, p. 885, § 2, not codified by the General Assembly, provides: “The General Assembly declares and finds that

many of the laws establishing guidelines and requirements for the purchasing of supplies, materials, and equipment by and for state departments and agencies were developed decades earlier and prior to the increase in available sources of supply and the expansion of technology. It is the intent of the General Assembly that these laws be amended to reflect these changes in order to provide greater flexibility for state agencies to make their purchases and to eliminate unnecessary bureaucracy which can result in purchase delays and increased administrative costs.”

U.S. Code. — Public Law 152, 81st Congress, referred to in paragraph (7) of this Code section, is codified as 40 U.S.C. § 471 et seq., 40 U.S.C. § 751 et seq., and 41 U.S.C. § 252 et seq.

OPINIONS OF THE ATTORNEY GENERAL

Authority to establish purchase specifications. — It was evident from former Code 1933, § 40-1902 and Ga. L. 1939, p. 160, § 7 (see O.C.G.A. §§ 50-5-51 and 50-5-56) that the department was authorized to establish certain specifications which should apply to purchases which were to be used by the various state

departments; however, it was a practical and physical impossibility to set up specifications for every one of the thousands of different articles which were used by the state departments. 1948-49 Op. Att’y Gen. p. 570.

Authority to enforce specifications. — Supervisor of purchases (now commis-

sioner of administrative services) may cancel purchase orders when the material fails to meet specifications. 1945-47 Op. Att'y Gen. p. 318.

Department has the authority to enforce specifications, and this would include the authority to cancel orders when items do not meet specifications. 1948-49 Op. Att'y Gen. p. 570.

Solicitation of bids for certain purchases. — With respect to purchases in excess of \$1,000.00, bids must be solicited or advertised for in some manner reasonably calculated to reach all reasonably available sources of supply. 1974 Op. Att'y Gen. No. 74-16.

Competent vendors. — Department is under duty to exclude no competent vendor from department's list, and also to seek out and discover, to the best of the department's ability, all sources of supply, giving all such vendors access to the established list. 1974 Op. Att'y Gen. No. 74-16.

Purchase of antique items. — If the supervisor of purchases (now commissioner) receives a requisition for a particular antique item and, after canvassing all available sources of supply can find only one dealer who can supply the requisitioned antique item, and is convinced that no other suitable substitute item can be used, the supervisor can receive the bid from the single dealer who can supply the antique item in question. 1968 Op. Att'y Gen. No. 68-143.

Georgia Residential Finance Authority may seek, but is not required to seek, assistance and approval of Department of Administrative Services, Division of Property and Space Management, regarding rental agreements for the authority's office space. 1982 Op. Att'y Gen. No. 82-24.

Absent clear authorization, the Department of Administrative Services to deal with the Georgia Residential Finance Authority as a "state agency" the latter does not come within that definition. 1982 Op. Att'y Gen. No. 82-24.

Georgia Correctional Industries Administration. — Georgia Correctional Industries Administration must utilize department in buying raw materials which will be used in the manufacture and

production of products for resale. 1967 Op. Att'y Gen. No. 67-316.

Area planning and development commissions. — Area planning and development commissions (now regional development centers) are authorized to use department to obtain best prices and terms available in marketplace; an alternative is for local political subdivisions to purchase the necessary equipment, material, or supplies through the department and then appropriate or loan the material, equipment, or supplies to the area planning and development commission in their area. 1970 Op. Att'y Gen. No. 70-202.

Commissioner vested with broad discretion. — O.C.G.A. § 50-5-51 establishes no guideposts or requirements governing the manner of consummating the sales authorized and, consequently, the supervisor of purchases (now commissioner) is vested with broad discretion in this matter. 1960-61 Op. Att'y Gen. p. 380.

Correction of clerical pricing error. — Commissioner may alter purchase order to correct clerical error regarding price. 1962 Op. Att'y Gen. p. 446.

Authority to operate self-service store. — Under the general powers and authority granted to the department, the commissioner may enter into an agreement with the General Services Administration to operate a self-service store which is located conveniently for state agencies and whose expenses are jointly shared. 1971 Op. Att'y Gen. No. 71-181.

Commissioner disposes of property. — Any forest commission property in the nature of supplies, materials, and equipment, in other words, those things that would not be fixtures and thereby part of the realty, is to be disposed of by the supervisor of purchasing (now commissioner). 1960-61 Op. Att'y Gen. p. 381.

Excess capacity or idle computer time. — Excess capacity or idle computer time available on a second-shift basis was not "unserviceable property" within the contemplation of former Code 1933, § 91-804 (see former O.C.G.A. § 50-16-144), nor was it "surplus, obsolete or unused" equipment which may be disposed of under former Code 1933, § 40-1902 (see O.C.G.A. § 50-5-51). 1963-65 Op. Att'y Gen. p. 419.

Transfer of equipment to county as gift under this section is not permitted. 1967 Op. Att'y Gen. No. 67-57.

State unobligated to pay franchise fee or tax. — While the state might not be required to pay a franchise fee or other tax directly to a city, in those situations when the state is paying money to a company, and that company is in turn remitting the money to the city as a franchise fee, it cannot be said that the state is the entity which is subject to the legal incidence of the tax so that it could successfully assert an exemption from such fees. 1976 Op. Att'y Gen. No. 76-42.

Payment for utilities at established rate. — Obligation of department to pay for utilities at established rate is not affected by the fact that the sums paid may include or reflect taxes paid by the provider of the services to a municipality. 1976 Op. Att'y Gen. No. 76-42.

Relocation of power lines is not contractual service as contemplated by paragraph (3) of this section; this would be a contract for service or construction which should properly be handled by the interested department. 1962 Op. Att'y Gen. p. 469.

ALR. — Act or default of employee

covered by fidelity bond or insurance, 43 ALR 977; 46 ALR 976; 62 ALR 412; 77 ALR 861; 98 ALR 1264.

Who is an employee within fidelity bond or insurance, 140 ALR 699.

Right of one covered by a fidelity bond to intervene in action by obligee against obligor, 157 ALR 159.

50-5-51.1. Purchase of commercial fidelity bonds for officials, officers, and employees of certain county boards and departments.

The commissioner of administrative services may, upon request, assist and coordinate with county departments of health, county departments of family and children services, and community service boards the purchase of commercial fidelity bonds for officials, officers, and employees of such boards and departments. The payment of the premium to the commercial fidelity carrier will be the responsibility of such county departments of health, county departments of family and children services, and community service boards. (Code 1981, § 50-5-51.1, enacted by Ga. L. 1994, p. 1717, § 7.)

50-5-52. Power to examine books, records, and papers; report of purchases.

The Department of Administrative Services or the state accounting officer shall have power to examine books, records, and papers of any office, agency, department, board, bureau, commission, institution, or other entity of the state government relative to purchases and to require those in control thereof to furnish the department with copies of

any and all records pertaining thereto. (Ga. L. 1931, p. 7, § 4; Code 1933, § 40-1905; Ga. L. 2005, p. 117, § 11/HB 312.)

50-5-53. Authorization to employ assistants, fix salaries, and make assignments.

Subject to applicable rules of the State Personnel Board, the Department of Administrative Services may appoint as many assistants and employees, and fix their salaries, as are essential to the state's interest in the execution of the terms and provisions of this part. Assignment of an assistant or assistants to any of the departments, institutions, or agencies of the state may be made by the Department of Administrative Services. It shall be unlawful for any other agency of the state to employ any person for the purposes set out in this part unless that person complies with the minimum requirements for purchasing personnel established by the Department of Administrative Services. (Ga. L. 1937, p. 503, § 17; Ga. L. 1939, p. 160, § 8; Ga. L. 2005, p. 117, § 12/HB 312; Ga. L. 2009, p. 745, § 2/SB 97; Ga. L. 2012, p. 446, § 2-99/HB 642.)

The 2012 amendment, effective July 1, 2012, substituted "State Personnel Board" for "State Personnel Administration" in the first sentence, and deleted "State Personnel Administration in conjunction with the" preceding "Department of Administrative Services" in the last sentence.

Editor's notes. — Ga. L. 2012, p. 446, § 3-1/HB 642, not codified by the General Assembly, provides that: "Personnel, equipment, and facilities that were as-

signed to the State Personnel Administration as of June 30, 2012, shall be transferred to the Department of Administrative Services on the effective date of this Act." This Act became effective July 1, 2012.

Ga. L. 2012, p. 446, § 3-2/HB 642, not codified by the General Assembly, provides that: "Appropriations for functions which are transferred by this Act may be transferred as provided in Code Section 45-12-90."

50-5-54. Rules and regulations to be made and published.

The commissioner of administrative services is authorized and empowered by this part to make all rules, regulations, and stipulations and to provide specifications to carry out the terms and provisions of this part as may be necessary for the purposes of this part. The rules and regulations as prescribed by the commissioner shall be published in pamphlet form and all the departments of the state government shall be furnished with copies of the same. (Ga. JUDICIAL DECISIONS

Manual set out procedures. — Legislature did not have to include an express exhaustion requirement in the Georgia's State Purchasing Act, O.C.G.A. § 50-5-50 et seq., because the Georgia Vendor Manual, promulgated pursuant to O.C.G.A. § 50-5-54, itself set forth the regulations, including mandatory protest procedures, that were necessary for carrying out the Act's purposes. *Diverse Power, Inc. v. Jackson*, 285 Ga. 340, 676 S.E.2d 204 (2009).

Timely bid protest. — There was nothing about the ten-day protest window of Dep't Admin. Serv. Ga. Vendor Manual § 3.8(2) that prevented a utility from filing a timely bid protest as the utility had not been required to obtain more information regarding any alleged wrongdoing by the awarding agency before filing an initial protest to the award of the contract to the utility's rival. *Diverse Power, Inc. v. Jackson*, 285 Ga. 340, 676 S.E.2d 204 (2009).

50-5-55. Specified purposes for rules and regulations.

The commissioner of administrative services may adopt, modify, or abrogate rules and regulations covering the following purposes, in addition to those authorized elsewhere in this part:

- (1) Requiring monthly reports by state departments, institutions, or agencies of stocks, supplies, materials, and equipment on hand and prescribing the form of such reports;
- (2) Prescribing the manner in which supplies, materials, and equipment shall be delivered, stored, and distributed;
- (3) Prescribing the manner of inspecting deliveries of supplies, material, and equipment and making chemical or physical tests of samples submitted with bids and samples of deliveries to determine whether deliveries have been made to the departments, institutions, or agencies in compliance with specifications;
- (4) Prescribing the manner in which purchases shall be made by the Department of Administrative Services in all emergencies as defined in Code Section 50-5-71; and

(5) Providing for such other matters as may be necessary to give effect to the foregoing rules and the provisions of this part. (Ga. L. 1937, p. 503, § 13; Ga. L. 1939, p. 160, § 6.)

OPINIONS OF THE ATTORNEY GENERAL

Purchases of drugs covered by federal patents. — Department has no authority under Ga. L. 1939, p. 160, § 6 (see O.C.G.A. § 50-5-55) either to authorize or prohibit purchases of foreign made drugs that, if made in this country, would be covered by United States patents; insofar as a rule sought to carry forth the intent of former Code 1933, § 40-1903 (see O.C.G.A. § 50-5-60), favoring of Georgia products, it would be perfectly within its power and authority. 1963-65 Op. Att'y Gen. p. 55.

Petroleum credit card purchases authorized. — Commissioner may legally approve and instigate a program of petroleum credit card purchases by state employees for state-owned automotive vehicles and promulgate reasonable rules and regulations for administering such a system of purchases, providing such purchases are emergency purchases. 1967 Op. Att'y Gen. No. 67-219.

50-5-56. Department to establish standard contract specifications.

It shall be the duty of the Department of Administrative Services to formulate, adopt, establish, and modify standard specifications applying to state contracts. In the formulation, adoption, and modification of any standard specifications, the Department of Administrative Services shall seek the advice, assistance, and cooperation of any state department, institution, or agency to ascertain its precise requirements in any given commodity. Each specification adopted for any commodity shall insofar as possible satisfy the requirements of a majority of the state departments, institutions, or agencies which use the same in common. After its adoption each standard specification shall until revised or rescinded apply alike in terms and effect to every state purchase of the commodity described in such specifications. In the preparation of any standard specifications, the Department of Administrative Services shall have power to make use of any state laboratory for chemical and physical tests in the determination of quality. (Ga. L. 1937, p. 503, § 14; Ga. L. 1939, p. 160, § 7.)

OPINIONS OF THE ATTORNEY GENERAL

Establishment of specifications applicable to purchases. — It is evident from Ga. L. 1937, §§ 2 and 14 (see O.C.G.A. §§ 50-5-51 and 50-5-56) that the department is authorized to establish certain specifications which shall apply to purchases which are to be used by the various state departments; however, it is a

practical and physical impossibility to set up specifications for every one of the thousands of different articles which are used by the state departments. 1948-49 Op. Att'y Gen. p. 570.

Responsibilities of department. — Ultimate responsibility for determining whether a product complies with a stan-

standard specification lies with department as does the responsibility for making all ultimate determinations as to acceptability

insofar as necessary to award a contract. 1974 Op. Att'y Gen. No. 74-16.

50-5-57. Duty of department to purchase all supplies, services, materials, and equipment; requisition by state agencies; unlawful purchases.

The Department of Administrative Services shall have the power and authority and it shall be the department's duty, subject to this part, to contract for the purchase, lease, or other mode of acquisition of all supplies, materials, services other than professional and personal employment services, and equipment required by the state. After sources of supply have been established by contract under competitive bidding and certified by the Department of Administrative Services to the different departments, institutions, and agencies of the state as provided for in this part, the institutions, agencies, or departments of the state shall make requisition on blanks to be approved by the Department of Administrative Services for such supplies, materials, and equipment required by them from the supply so certified and, except as otherwise provided for or unless the departments, institutions, and agencies of the state obtain written authority from the Department of Administrative Services to do so, it shall be unlawful for any of them to purchase any supplies, materials, or equipment from sources other than as certified to them by the Department of Administrative Services. One copy of the requisition shall be sent to the Department of Administrative Services when the same is issued. (Ga. L. 1950, p. 181, § 1; Ga. L. 1979, p. 659, § 3.)

OPINIONS OF THE ATTORNEY GENERAL

General Services Administration as certified supply source. — Department has the authority to establish the General Services Administration as a certified source of supply for the state agencies. 1971 Op. Att'y Gen. No. 71-114.

Liquified petroleum gas. — Liquified petroleum gas is a usable commodity within the term "supplies" as used in this section; it is the duty of the department to obtain competitive bids for the purchase of liquified petroleum gas for use and consumption by the state government. 1958-59 Op. Att'y Gen. p. 313.

Department not required to purchase certain signs. — Signs which are

the result of creative commercial art as practiced by a professional advertising firm are neither supplies, material, nor equipment, the purchase of which would be required of the department in accordance with this section. 1963-65 Op. Att'y Gen. p. 280.

Procurement of health insurance contracts. — State Personnel Board, and not the Department of Administrative Services, has the exclusive authority to contract with health maintenance organizations for health insurance benefits for state employees and public school teachers under the State Health Benefit Plan. 1987 Op. Att'y Gen. No. 87-32.

50-5-58. Cases where purchases through department not mandatory.

(a) Unless otherwise ordered by the Department of Administrative Services, the purchase of supplies, materials, equipment, and services, other than professional and personal employment services, through the Department of Administrative Services shall not be mandatory in the following cases:

(1) Technical instruments and supplies and technical books and other printed matter on technical subjects; also manuscripts, maps, books, pamphlets, and periodicals for the use of any library in the state supported by state funds; also services;

(2) Livestock for slaughter and perishable articles such as fresh vegetables, fresh meat, fish and oysters, butter, eggs, poultry, and milk. No other article shall be considered perishable within the meaning of this paragraph unless so classified by the Department of Administrative Services; and

(3) Emergency supplies of drugs, chemicals and sundries, dental supplies, and equipment.

(b) In the purchasing of emergency supplies under paragraph (3) of subsection (a) of this Code section, it shall be the duty of the department making such purchases to report the same to the Department of Administrative Services, giving the circumstances necessitating the purchases.

(c) Nothing in this part shall be construed to give the Department of Administrative Services any supervision over the selection or purchase of school textbooks, which is vested by law in the Department of Education. (Ga. L. 1937, p. 503, § 8; Ga. L. 1939, p. 160, § 4; Ga. L. 1970, p. 287, § 1; Ga. L. 1979, p. 659, § 6; Ga. L. 1996, p. 885, § 4; Ga. L. 2008, p. 267, § 7/SB 482; Ga. L. 2013, p. 141, § 50/HB 79.)

The 2013 amendment, effective April 24, 2013, part of an Act to revise, modernize, and correct the Code, substituted “of this paragraph” for “of this clause” in paragraph (a)(2) and substituted “to report the same” for “to report same” in subsection (b).

Editor’s notes. — Ga. L. 1996, p. 885, § 1, not codified by the General Assembly, provides: “This Act shall be known and may be cited as the ‘Purchasing Reform Act of 1996.’”

Ga. L. 1996, p. 885, § 2, not codified by the General Assembly, provides: “The

General Assembly declares and finds that many of the laws establishing guidelines and requirements for the purchasing of supplies, materials, and equipment by and for state departments and agencies were developed decades earlier and prior to the increase in available sources of supply and the expansion of technology. It

is the intent of the General Assembly that these laws be amended to reflect these changes in order to provide greater flexibility for state agencies to make their purchases and to eliminate unnecessary bureaucracy which can result in purchase delays and increased administrative costs."

OPINIONS OF THE ATTORNEY GENERAL

Skilled services contracts. — Contract for necessary skilled services in repairing and maintaining school equipment and installations does not come under Ga. L. 1931, p. 7 (see O.C.G.A. Art. 3, Ch. 5, T. 50) requiring a competitive bid through the office of the supervisor of purchases (now commissioner), but may be negotiated or let by competitive bid by the State Board of Education as may be deemed necessary and advisable under the particular circumstances. 1960-61 Op. Att'y Gen. p. 179.

Educational sound film as "technical supply." — Inasmuch as educational sound film is "one of a kind" and available from only one source, it could legally be treated as a "technical supply," especially in view of a rather strong indication in

this section of a legislative intent that library materials of the same general nature not be included among those items which must be purchased through the department. 1963-65 Op. Att'y Gen. p. 612.

Term "textbook" does not have such broad definition as would include "sound film." 1963-65 Op. Att'y Gen. p. 612.

Petroleum credit card purchases authorized. — Commissioner may legally approve and instigate program of petroleum credit card purchases by state employees for state-owned automotive vehicles and promulgate reasonable rules and regulations for administering such a system of purchases, providing such purchases are emergency purchases. 1967 Op. 50-5-59. State agencies to furnish department estimates and inventories.

It shall be the duty of all departments, institutions, or agencies of the state government to furnish to the Department of Administrative Services when requested and on blanks to be approved by it tabulated estimates of all supplies, materials, and equipment needed and required by the department, institution, or agency for such periods in advance as may be directed by the Department of Administrative Services; and it shall further be the duty of all departments, institu-

tions, or agencies to furnish the Department of Administrative Services inventories from time to time of supplies, materials, or equipment on hand when requested by the Department of Administrative Services. (Ga. L. 1937, p. 503, § 5.)

50-5-60. Preference to supplies, equipment, materials, and agricultural products produced in Georgia generally; determination as to reasonableness of preference.

(a) The state and any department, agency, or commission thereof, when contracting for or purchasing supplies, materials, equipment, or agricultural products, excluding beverages for immediate consumption, shall give preference as far as may be reasonable and practicable to such supplies, materials, equipment, and agricultural products as may be manufactured or produced in this state. Such preference shall not sacrifice quality.

(b) Vendors resident in the State of Georgia are to be granted the same preference over vendors resident in another state in the same manner, on the same basis, and to the same extent that preference is granted in awarding bids for the same goods or services by such other state, or by any local government of such state, to vendors resident therein over vendors resident in the State of Georgia.

(c) In determining whether such a preference is reasonable in any case where the value of a contract for or purchase of such supplies, materials, equipment, or agricultural products exceeds \$100,000.00, the state or its department, agency, or commission shall consider, among other factors, information submitted by the bidder which may include the bidder's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of a bid or offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Any such estimates shall be in writing. The state or its department, agency, or commission shall not divide a contract or purchase which exceeds \$100,000.00 for the purpose of avoiding the requirements of this subsection.

(d) Nothing in this Code section shall negate the requirements of Code Section 50-5-73. (Ga. L. 1933, p. 1178; Code 1933, § 40-1903; Ga. L. 1937, p. 503, § 11; Ga. L. 1990, p. 1466, § 1; Ga. L. 2009, p. 204, § 3/SB 44; Ga. L. 2012, p. 1098, § 1/SB 358.)

Applicability of laws. — Laws applicable to the Department of Administrative Services are not applicable to the General

Assembly. *Harrison Co. v. Code Revision Comm'n*, 244 Ga. 325, 260 S.E.2d 30 (1979).

Contracting with foreign corporations. — This section does not prohibit the department from contracting with foreign corporations where the state will benefit as a result of such arrangement. 1948-49 Op. Att'y Gen. p. 568.

Purchases of drugs covered by federal patents. — The department has no authority under Ga. L. 1939, p. 160, § 6

(see O.C.G.A. § 50-5-55) either to authorize or prohibit purchases of foreign made drugs that, if made in this country, would be covered by United States patents; insofar as a rule sought to carry forth the intent of that section, favoring of Georgia products, it would be perfectly within its power and authority. 1963-65 Op. 50-5-60.1. Use of recycled paper products.

Reserved. Repealed by Ga. L. 1991, p. 606, § 2, effective July 1, 1996.

Editor's notes. — This Code section was based on Code 1981, § 50-5-60.1, enacted by Ga. L. 1991, p. 606, § 1.

50-5-60.2. Use of recycled content paper products.

(a) As used in this Code section, the term:

(1) "Mill broke" means any paper waste generated in a paper mill prior to the completion of the paper-making process up to and including the cutting and trimming of the paper machine reel into small rolls or rough sheets.

(2) "Printing and writing paper" means high-grade office paper including but not limited to copier paper, bond paper, forms, stationery, envelopes, text and cover stock, as well as offset printing paper.

(3) “Recycled content paper” means any paper having recycled fiber content.

(4) “Recycled fiber content” means those materials and by-products that have been recovered or diverted from the solid waste stream. Such term does not include sawdust, wood chips, wood slabs, or the virgin content of mill broke.

(b) At least 95 percent of moneys spent on printing and writing paper purchased by state agencies, commissions, and authorities shall be spent upon recycled content paper which meets or exceeds Environmental Protection Agency guidelines for minimum recycled content; provided, however, the provisions of this subsection shall not apply if the price of recycled content paper required by this Code section exceeds 8 percent of the price paid by the Department of Administrative Services for 100 percent virgin paper products or if the recycled content paper required by this Code section does not meet the standards, quality level, and specifications established by the Department of Administrative Services.

(c) It shall be the responsibility of each agency, commission, and authority to monitor, document, and report its use of recycled content paper. Any state agency, institution, commission, and authority that documents and reports attainment of the 95 percent requirement set forth in subsection (b) of this Code section for two consecutive fiscal years shall still be required to monitor and document its use of recycled content paper but shall no longer be required to submit a report upon written confirmation from the Department of Administrative Services that the 95 percent requirement set forth in subsection (b) of this Code section has been satisfied for two consecutive fiscal years by that particular agency, commission, institution, or authority; provided, however, that the Department of Administrative Services shall conduct periodic audits, and any state agency, institution, commission, and authority exempted from the reporting requirement pursuant to this subsection that is not satisfying the 95 percent requirement set forth in subsection (b) of this Code section may be directed by the Department of Administrative Services to resume reporting until reattainment of the 95 percent requirement set forth in subsection (b) of this Code section is confirmed for two additional consecutive fiscal years.

(d) The Department of Administrative Services shall maintain and continue to develop and implement reporting procedures and educational programs to assist agencies, commissions, institutions, and authorities in meeting the requirements of this Code section to maximize both purchasing power and the use of recycled products by each such agency, commission, institution, and authority. (Code 1981, § 50-5-60.2, enacted by Ga. L. 1991, p. 606, § 1; Ga. L. 1993, p. 531, § 2; Ga. L. 1998, p. 261, § 1; Ga. L. 2006, p. 72, § 50/SB 465.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1998, “confirmation” was substituted for “conformation” in the second sentence of subsection (c).

Editor’s notes. — Ga. L. 1993, p. 531, § 1, not codified by the General Assembly, provides: “It is declared to be the policy of the State of Georgia, in furtherance of its responsibility to protect and enhance the quality of its environment, to institute and maintain a comprehensive program for the procurement of products that con-

tain recovered materials. The General Assembly finds that it is in the public interest for the state to create incentives that increase the demand for products manufactured with recovered materials. The purchasing power of the state government can be used to stimulate demand for products manufactured with recovered materials. By increasing the demand for such products, landfill space will be saved and pollution will be reduced.”

50-5-60.3. Use of retreaded tires.

All state agencies, departments, and authorities shall replace original truck tires of over 16 inch rim size used on nonsteering axles with retreaded tires or subscribe to a retread service as replacement is necessary and as stockpiled tires are depleted; provided, however, that nothing in this Code section shall be construed so as to discourage the use of retreaded tires on other size rims or other types of vehicles if an agency, department, or authority deems such use to be economical, feasible, and desirable. (Code 1981, § 50-5-60.3, enacted by Ga. L. 1993, p. 531, § 3; Ga. L. 2010, p. 105, § 1-2/HB 981.)

Editor’s notes. — Ga. L. 2010, p. 105, § 3-1/HB 981, not codified by the General Assembly, provided for the repeal of the 2010 amendment by that Act, effective June 30, 2013.

Ga. L. 1993, p. 531, § 1, not codified by the General Assembly, provides: “It is declared to be the policy of the State of Georgia, in furtherance of its responsibility to protect and enhance the quality of its environment, to institute and maintain a comprehensive program for the procure-

ment of products that contain recovered materials. The General Assembly finds that it is in the public interest for the state to create incentives that increase the demand for products manufactured with recovered materials. The purchasing power of state government can be used to stimulate demand for products manufactured with recovered materials. By increasing the demand for such products, landfill space will be saved and pollution will be reduced.”

50-5-60.4. Use of compost and mulch in road building, land maintenance, and land development activities; preference to be given Georgia compost and mulch.

(a) All state agencies, departments, and authorities responsible for the maintenance of public lands shall give preference to the use of compost and mulch in all road building, land maintenance, and land development activities. Preference shall be given to compost and mulch made in the State of Georgia from organics which are source separated from the state’s nonhazardous solid waste stream.

(b) The Department of Agriculture shall develop and publish in print or electronically standards for the compost and mulch required by

subsection (a) of this Code section by January 1, 1994. (Code 1981, § 50-5-60.4, enacted by Ga. L. 1993, p. 531, § 3; Ga. L. 2010, p. 838, § 10/SB 388.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1993, “State of Georgia” was substituted for “state of Georgia” in subsection (a).

Editor’s notes. — Ga. L. 1993, p. 531, § 1, not codified by the General Assembly, provides: “It is declared to be the policy of the State of Georgia, in furtherance of its responsibility to protect and enhance the quality of its environment, to institute and maintain a comprehensive program for the procurement of products that con-

tain recovered materials. The General Assembly finds that it is in the public interest for the state to create incentives that increase the demand for products manufactured with recovered materials. The purchasing power of state government can be used to stimulate demand for products manufactured with recovered materials. By increasing the demand for such products, landfill space will be saved and pollution will be reduced.”

50-5-60.5. Implementation of policies requiring reduction and reuse of materials generated by state agencies.

In addition to recycling, each state agency, department, and authority shall take action to implement policies which require reduction and reuse of materials generated by state agencies. These policies shall include, but not be limited to, double-sided printing and copying, refilling and reusing laser printer cartridges, the purchase of source reduced products, and where feasible discontinuing the use of 8 1/2" x 14" paper. Replacement copier machines should include double-sided copying capability and shall be compatible with the use of paper containing recycled content. (Code 1981, § 50-5-60.5, enacted by Ga. L. 1993, p. 531, § 3.)

Editor’s notes. — Ga. L. 1993, p. 531, § 1, not codified by the General Assembly, provides: “It is declared to be the policy of the State of Georgia, in furtherance of its responsibility to protect and enhance the quality of its environment, to institute and maintain a comprehensive program for the procurement of products that contain recovered materials. The General Assembly finds that it is in the public inter-

est for the state to create incentives that increase the demand for products manufactured with recovered materials. The purchasing power of state government can be used to stimulate demand for products manufactured with recovered materials. By increasing the demand for such products, landfill space will be saved and pollution will be reduced.”

50-5-61. State and local authorities to give preference to supplies, materials, and agricultural products produced in Georgia; determination as to reasonableness of preference.

(a) State and local authorities created by law, in the purchase of and contracting for any supplies, materials, equipment, and agricultural products, excluding beverages for immediate consumption, shall give

preference as far as may be reasonable and practicable to such supplies, materials, equipment, and agricultural products as may be manufactured or produced in this state. Such preference shall not sacrifice quality.

(b) In determining whether such a preference is reasonable in any case where the value of a contract for or purchase of such supplies, materials, equipment, or agricultural products exceeds \$100,000.00, the state or local authority shall consider, among other factors, information submitted by the bidder which may include the bidder's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of a bid or offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Any such estimates shall be in writing. No state or local authority shall divide a contract or purchase which exceeds \$100,000.00 for the purpose of avoiding the requirements of this subsection.

(c) Nothing in this Code section shall negate the requirements of Code Section 50-5-73. (Ga. L. 1976, p. 181, § 1; Ga. L. 2009, p. 204, § 4/SB 44.)

Editor's notes. — Ga. L. 2009, p. 204, § 6/SB 44, not codified by the General Assembly, provides that: "This Act shall not be applied to impair an obligation of

any contract entered into prior to the date this Act becomes effective." This Act became effective July 1, 2009.

(a) No contract for the construction of, addition to, or repair of any facility, the cost of which is borne by the state or any department, agency, commission, authority, or political subdivision thereof, shall be let unless the contract contains a stipulation therein providing that the contractor or any subcontractor shall use exclusively Georgia forest products in the construction thereof, when forest products are to be used in such construction, addition, or repair, and if Georgia forest products are available.

50-5-64. Multiyear contracts authorized; standard form provisions; what funds obligated; interest.

(a) The Department of Administrative Services shall be authorized to execute on behalf of all state agencies subject to this part multiyear lease, purchase, or lease purchase contracts of all kinds for the acquisition of goods, materials, services, and supplies, provided that any such contract shall be executed only on a standard form developed by the department for such use; and provided, further, that the standard form contract shall contain provisions for the following:

(1) The contract shall terminate absolutely and without further obligation on the part of the user agency or the department at the close of the fiscal year in which it was executed and at the close of each succeeding fiscal year for which it may be renewed as provided in this Code section;

(2) The contract may be renewed only by a positive action taken by the user agency or by the department on behalf of the user agency, and the nature of such action shall be determined by the department and specified in its standard contract;

(3) The contract shall terminate immediately and absolutely at such time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of the user agency under the contract. The determination of the occurrence of such unavail-

ability of funds shall be made by the user agency in its sole discretion and shall be conclusive;

(4) The contract shall state the total obligation of the user agency for the fiscal year of execution and shall further state the total obligation which will be incurred in each fiscal year renewal term, if renewed; and

(5) The contract shall provide that title to any supplies, materials, or equipment shall remain in the vendor until fully paid for by the user agency.

(b) Any standard contract developed hereunder containing the provisions enumerated in subsection (a) of this Code section shall be deemed to obligate the user agency only for those sums payable during the fiscal year of execution or, in the event of a renewal by the user agency, for those sums payable in the individual fiscal year renewal term.

(c) No contract developed and executed pursuant to this Code section shall be deemed to create a debt of the state for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.

(d) Any such contract may provide for the payment by the user agency of interest or the allocation of a portion of the contract payment to interest, provided that the contract is in compliance with this Code section. (Ga. L. 1979, p. 352, § 1.)

50-5-65. Transfer of personal property titles to effectuate lease purchases; authority; form.

(a) The Department of Administrative Services is authorized to make transfers of title to personal property titled in the name of any department, agency, or institution of the state to private individuals, corporations, or firms for the purpose of effectuating lease purchases of such property between the owning department, agency, or institution and the private individuals, corporations, or firms. Transfers of title shall be made only in conjunction with the execution of a lease purchase agreement between an agency, department, or institution of the state and the transferee acquiring title; and the agreement shall be consummated on the standard agreement form developed pursuant to Code Section 50-5-64.

(b) The departments, agencies, and institutions of the state are authorized to accept the title to property, subject to a contract for lease purchase or installment purchase, upon execution of the aforementioned standard agreement by the Department of Administrative Services; and the department is authorized to transfer title back to the vendor in the name of the department, agency, or institution in the event that the agreement is not fully consummated. (Ga. L. 1980, p. 90, § 1.)

50-5-66. Department to compile and consolidate all estimates.

The Department of Administrative Services shall compile and consolidate all estimates of supplies, materials, and equipment needed and required by all state departments, institutions, and agencies to determine the total requirements of any given commodity. (Ga. L. 1937, p. 503, § 6; Ga. L. 1939, p. 160, § 3.)

50-5-67. Competitive bidding procedure; method of soliciting bids; required conditions for competitive sealed proposals; clarification; contract awards; negotiation of contracts; certificate of independent price determination; receiving electronic bids.

(a) Except as otherwise provided in this Code section, contracts exceeding \$100,000.00 shall be awarded by competitive sealed bidding. If the total requirement of any given commodity will involve an expenditure in excess of \$250,000.00, sealed bids shall be solicited by advertisement in the Georgia Procurement Registry established under subsection (b) of Code Section 50-5-69 and in addition may be solicited by advertisement in a newspaper of state-wide circulation at least once and at least 15 calendar days, except for construction projects which shall have 30 calendar days allowed, prior to the date fixed for opening of the bids and awarding of the contract. Other methods of advertisement, however, may be adopted by the Department of Administrative Services when such other methods are deemed more advantageous for the particular item to be purchased. In any event, it shall be the duty of the Department of Administrative Services to solicit sealed bids from reputable owners of supplies in all cases where the total requirement will exceed \$100,000.00. When it appears that the use of competitive sealed bidding is either not justified or not advantageous to the state, a contract may be entered into by competitive sealed proposals, subject to the following conditions:

(1) This method of solicitation shall only be used after a written determination by the Department of Administrative Services that the use of competitive sealed bidding is not justified or is not advantageous to the state;

(2) Proposals shall be solicited through a request for proposals;

(3) Adequate public notice of the request for proposals shall be given in the same manner as provided for competitive sealed bidding;

(4) A register of proposals shall be prepared and made available for public inspection;

(5) The request for proposals shall state the relative importance of price and other evaluation factors;

(6) As provided in the request for proposals and under regulations to be developed by the Department of Administrative Services, discussions may be conducted with qualified offerors who submit proposals determined to be reasonably susceptible of being selected for award, for the purpose of clarification to assure full understanding of and responsiveness to the solicitation requirements. Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussion and clarification of proposals. After such clarifications, revisions may be permitted to technical proposals and price proposals prior to award for the purpose of obtaining best and final offers. The Department of Administrative Services is authorized to solicit multiple revisions to price proposals for the purpose of obtaining the most advantageous proposal to the state. In conducting discussions or soliciting any revisions, there shall be no disclosure of any information contained in proposals submitted by competing offerors. However, this prohibition on disclosure of information shall not prohibit the Department of Administrative Services from disclosing to competing offerors any preliminary rankings and scores of competing offerors' proposals during the course of any negotiations or revisions of proposals other than with respect to the procurement of construction contracts; and

(7) The award shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the state, taking into consideration price and the evaluation factors set forth in the request for proposals. No other factors or criteria shall be used in the evaluation. The contract file shall contain the basis on which the award is made.

(b)(1) Except as otherwise provided for in this part, all contracts for the purchases of supplies, materials, equipment, or services other than professional and personal employment services made under this part shall, wherever possible, be based upon competitive bids and shall be awarded to the lowest responsible bidder, taking into consideration the quality of the articles to be supplied and conformity with the specifications which have been established and prescribed, the purposes for which the articles are required, the discount allowed for prompt payment, the transportation charges, and the date or

dates of delivery specified in the bid and any other cost affecting the total cost of ownership during the life cycle of the supplies, materials, equipment, or services as specified in the solicitation document. Competitive bids on such contracts shall be received in accordance with rules and regulations to be adopted by the commissioner of administrative services which shall prescribe, among other things, the manner, time, and places for proper advertisement for the bids, indicating the time and place when the bids will be received; the article for which the bid shall be submitted and the specification prescribed for the article; the amount or number of the articles desired and for which the bids are to be made; and the amount, if any, of bonds or certified checks to accompany the bids. Any and all bids so received may be rejected.

(2)(A) As used in this paragraph, the term:

(i) "Commercial use applications" means self-propelled, self-powered, or pull-type equipment and machinery, including diesel engines. The term shall not include motor vehicles requiring registration and certificate of title or equipment that is considered consumer goods, as that term is defined in Code Section 11-9-102.

(ii) "Multiple award schedule contract" means a contract that allows multiple vendors to be awarded a state contract for goods or services by providing catalogues of equipment and attachments to eligible purchasers including state agencies, departments, institutions, public school districts, and political subdivisions. Multiple award schedule contract bids shall be evaluated based upon a variety of factors, including but not limited to discounts, total life costs, service, warranty, machine performance and durability, resale value, product support, and past vendor performance. Multiple award schedule contracts shall allow multiple vendors to bid and be awarded a contract based upon the value of their products and demonstrated results in competitive pricing, product updates, transparency, administrative savings, expedited procurement, and flexibility for state purchasers.

(B) When the commissioner of administrative services determines it to be in the best interest of the state, a multiple award schedule contract may be let for the purchase of equipment used for commercial use applications. All bidders for contracts for the purchase of equipment for commercial use applications shall be required to submit a complete bid package and be the authorized dealer or vendor for a leading manufacturer of equipment used for commercial use applications. Bidders may add additional equipment with a guaranteed minimum discount off the manufacturer's

suggested consumer list price in the bid in order to increase the options available to the state.

(C) Nothing in this paragraph shall limit multiple award schedule contracts to commercial use applications.

(c)(1)(A) When bids received pursuant to this part are unreasonable or unacceptable as to terms and conditions, are noncompetitive, or the lowest responsible bid exceeds available funds and it is determined in writing by the Department of Administrative Services that time or other circumstances will not permit or justify the delay required to resolicit competitive bids, a contract may be negotiated pursuant to this Code section, provided that each responsible bidder who submitted such a bid under the original solicitation is notified of the determination and is given a reasonable opportunity to negotiate. In cases where the bids received are noncompetitive or the lowest responsible bid exceeds available funds, the negotiated price shall be lower than the lowest rejected bid of any responsible bidder under the original solicitation.

(B) With respect to procurement for construction contracts, if the bid from the lowest responsible and responsive bidder exceeds the funds budgeted for the contract, a contract may be negotiated with such apparent low bidder to obtain a contract price within the budgeted amount. Such negotiations may include changes in the scope of work and other bid requirements.

(2) When proposals received pursuant to this part are unreasonable or unacceptable as to terms and conditions, are noncompetitive, or the lowest responsible proposal exceeds available funds and it is determined in writing by the Department of Administrative Services that time or other circumstances will not permit or justify the delay required to resolicit competitive proposals, a contract may be negotiated pursuant to this Code section, provided that each responsible offeror who submitted such a proposal under the original solicitation is notified of the determination and is given a reasonable opportunity to negotiate. In cases where the proposals received are noncompetitive or the lowest responsible proposal exceeds available funds, any contract award made pursuant to this paragraph shall be made to the offeror whose negotiated proposal is most advantageous to the state according to the evaluation criteria in the request for proposals rather than to the offeror whose negotiated proposal offers the lowest price, provided that the negotiated price of the most advantageous proposal is lower than the price of the rejected responsible proposal with the lowest price under the original solicitation.

(d)(1) Except as otherwise provided for in this part, the Department of Administrative Services shall publish in print or electronically,

prior to award or letting of the contracts, notice of its intent to award a contract to the successful bidder or offeror on public display in a conspicuous place in the department's office, on the Georgia Procurement Registry, or both so that it may be easily seen by the public. The public notice on public display shall also state the price or the amount for which the contract may be awarded, the commodities or services to be covered by the contract which may be awarded, and the names of all persons whose bids, offers, or proposals were rejected by the department, together with a statement giving the reasons for the rejection.

(2) Every bid or proposal conforming to the terms of the advertisement provided for in this Code section, together with the name of the bidder, shall be recorded, and all such records with the name of the successful bidder or offeror indicated thereon shall, within one day after the issuance of the department's public notice of intent to award to the successful bidder or offeror, be subject to public inspection upon request.

(3) The Department of Administrative Services shall also, within one day after the award or letting of the contract, publish the name of the successful bidder or offeror on public display in a conspicuous place in the department's office or on the Georgia Procurement Registry so that it may be easily seen by the public. The public notice on public display shall also show the price or the amount for which the contract was let and the commodities covered by the contract. The Department of Administrative Services shall also, within one day after the award or letting of the contract, publish on public display the names of all persons whose bids, offers, or proposals were rejected by it, together with a statement giving the reasons for such rejection.

(4) The Department of Administrative Services shall canvass the bids, offers, or proposals and award the contract according to the terms of this part. The Department of Administrative Services shall prepare a register of bids, offers, or proposals which will become available for public inspection upon request within one day after the issuance of the department's public notice of intent to award to the successful bidder or offeror. The bids, offers, or proposals shall not be subject to public disclosure until after the issuance of the public notice of intent to award a contract to the successful bidder or offeror except that audited financial statements not otherwise publicly available but required to be submitted in the bid, offer, or proposal shall not be subject to public disclosure.

(5) Records related to the competitive bidding and proposal process which, if disclosed prior to the issuance of the public notice of intent to award would undermine the public purpose of obtaining the best value for this state, shall not be subject to public disclosure until

after the department's issuance of its public notice of intent to award a contract to the successful bidder or offeror. Such records include but are not limited to cost estimates, bids, proposals, evaluation criteria, vendor evaluations, negotiation documents, offers and counter-offers, and records revealing preparation for the procurement.

(6) A proper bond for the faithful performance of any contract shall be required of the successful bidder or offeror in the discretion of the Department of Administrative Services. After the contracts have been awarded, the Department of Administrative Services shall certify to the offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the state the sources of the supplies and the contract price of the various supplies, materials, services, and equipment so contracted for.

(e) On all bids or proposals received or solicited by the Department of Administrative Services, by any office, agency, department, board, bureau, commission, institution, or other entity of the state or by any person in behalf of any office, agency, department, board, bureau, commission, institution, or other entity of the state except in cases provided for in Code Section 50-5-58, the following certificate of independent price determination shall be used:

"I certify that this bid, offer, or proposal is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid, offer, or proposal for the same materials, supplies, services, or equipment and is in all respects fair and without collusion or fraud. I understand collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards. I agree to abide by all conditions of this bid, offer, or proposal and certify that I am authorized to sign this bid, offer, or proposal for the bidder or offeror."

(f) Notwithstanding any other provision of this article, the commissioner of administrative services is authorized to promulgate rules and regulations to govern auctions conducted by state agencies in which vendors' prices are made public during the bidding process to enable the state agency or agencies to seek a lower price. This auction bidding process will continue until the lowest price is obtained within the auction's time limit. This auction bidding process shall not be used to procure construction services or for any contract for goods or services valued at less than \$100,000.00.

(g) Any reference in this article to sealed bids or sealed proposals shall not preclude the Department of Administrative Services from receiving bids and proposals by way of the Internet or other electronic means or authorizing state agencies from receiving bids and proposals by way of the Internet or other electronic means; provided, however,

any bids or proposals received by any state agency by way of any electronic means must comply with security standards established by the Georgia Technology Authority. (Ga. L. 1937, p. 503, § 6; Ga. The 2012 amendments. — The first 2012 amendment, effective July 1, 2012, designated the existing provisions of subsection (b) as present paragraph (b)(1); substituted “services which shall” for “services, which rules and regulations shall” in the next-to-last sentence of paragraph (b)(1); and added paragraph (b)(2). The second 2012 amendment, effective July 1, 2012, made identical changes.

It is the intent of the General Assembly that these laws be amended to reflect these changes in order to provide greater flexibility for state agencies to make their purchases and to eliminate unnecessary bureaucracy which can result in purchase delays and increased administrative costs.”

JUDICIAL DECISIONS

“Materials, supplies, or equipment.” — Publishing services are not “materials, supplies, or equipment” within the meaning of this section. *Harrison Co. v. Code Revision Comm’n*, 244 Ga. 325, 260 S.E.2d 30 (1979).

Rights of rejected bidder. — Even in competitive sealed proposals under O.C.G.A. § 50-5-67(a), a rejected bidder

who alleges the proposal was conducted in an arbitrary and unfair manner falls within the zone of interest to be protected by the procurement laws. *Amdahl Corp. v. Georgia Dep’t of Admin. Serv.*, 260 Ga. 690, 398 S.E.2d 540 (1990).

OPINIONS OF THE ATTORNEY GENERAL

Duty to award to lowest bidder. — Once department has considered all relevant factors, the department must award

the contract to the lowest bidder meeting the department’s standards; the department may not award a contract to a higher

bidder if the products are equal in view of all relevant factors. 1974 Op. Att'y Gen. No. 74-16.

Phrase "lowest responsible bidder" has been almost unanimously construed by other jurisdictions to mean not merely "financially solvent," but also "responsible" with respect to the bidder's overall ability to respond in quality and fitness to the particular requirements of the contract in question. 1974 Op. Att'y Gen. No. 74-16.

When department can in good faith point to some demonstrable or real factor which justifies the department's conclusion that a higher dollar bid is nevertheless the "lowest responsible" bid, the department has properly exercised the department's discretionary power. 1974 Op. Att'y Gen. No. 74-16.

Discretion to consider factors other than price. — This section clearly vests considerable discretion in department to consider factors other than price and, in fact, directs the department to consider these factors. 1974 Op. Att'y Gen. No. 74-16.

Specifications not to arbitrarily exclude potential vendors. — Proper execution of the duties of the department demands that the department determine to the best of the department's ability that specifications (either those suggested by the requisitioning agency or those developed by the department) do not arbitrarily exclude potential vendors, and that no

other vendor can in fact meet all applicable and reasonable specifications; only when these duties are properly executed do the exceptions relating to available sources become operative so as to allow the department to forego the requirement of bid solicitation. 1974 Op. Att'y Gen. No. 74-16.

When only one product can meet applicable specifications, there is no necessity to solicit bids from other suppliers of such products since this would be a useless act. 1974 Op. Att'y Gen. No. 74-16.

When product is available from one source only, there is no necessity to solicit bids from other suppliers. 1974 Op. Att'y Gen. No. 74-16.

Requiring that bidder be member of private organization. — State may not require that bidder be member of private organization, but it may require that bidder be properly licensed and insured. 1958-59 Op. Att'y Gen. p. 310.

Public works contracts subject to provisions. — Contract entered into by the environmental protection division for reclamation and rehabilitation of land subjected to surface mining constitutes a public works contract, and is subject to the provisions of Ga. L. 1939, p. 160, § 3 and Ga. L. 1964, p. 693, § 1, (see O.C.G.A. §§ 50-5-67 and 50-5-72). 1976 Op. Att'y Gen. No. 76-98.

Georgia State Financing and Investment Commission is not required to obtain bids on construction contracts. 1975 Op. Att'y Gen. No. 75-58.

50-5-68. Prequalification of prospective suppliers.

Prospective suppliers may be prequalified for particular types of supplies, services, goods, materials, and equipment at the discretion of the Department of Administrative Services. Solicitation mailing lists of potential contractors shall include, but shall not be limited to, such prequalified suppliers. The award of contracts, however, may be conditioned upon prequalification. (Ga. L. 1980, p. 90, § 3.)

50-5-69. (Effective until July 1, 2015) Purchases without competitive bidding; central bid registry; procurement cards; rules and regulations; applicability to emergency purchases; Purchasing Advisory Council.

(a) (For effective date, see note.) If the needed supplies, materials, equipment, or service can reasonably be expected to be acquired for less than \$25,000.00 and is not available on state contracts or through statutorily required sources, the purchase may be effectuated without competitive bidding. The commissioner of administrative services may by rule and regulation authorize the various offices, agencies, departments, boards, bureaus, commissions, institutions, authorities, or other entities of the state to make purchases in their own behalf and may provide the circumstances and conditions under which such purchases may be effected. In order to assist and advise the commissioner of administrative services in making determinations to allow offices, agencies, departments, boards, bureaus, commissions, institutions, authorities, or other entities of the state to make purchases in their own behalf, there is created a Purchasing Advisory Council consisting of the executive director of the Georgia Technology Authority or his or her designee; the director of the Office of Planning and Budget or his or her designee; the chancellor of the University System of Georgia or his or her designee; the commissioner of the Technical College System of Georgia or his or her designee; the commissioner of transportation or his or her designee; the Secretary of State or his or her designee; the commissioner of human services or his or her designee; the commissioner of community health or his or her designee; the commissioner of public health or his or her designee; the commissioner of behavioral health and developmental disabilities or his or her designee; and one member to be appointed by the Governor. The commissioner of administrative services shall promulgate the necessary rules and regulations

governing meetings of such council and the method and manner in which such council will assist and advise the commissioner of administrative services.

(b) The department shall establish a central bid registry to advertise the various procurement and bid opportunities of state government. Such central bid registry shall be entitled the Georgia Procurement Registry and shall operate in accordance with appropriate rules and regulations applicable to the department's responsibility to manage the state's procurement system. It shall be the responsibility of each agency, department, board, commission, authority, and council to report to the department its bid opportunities in a manner prescribed by the Department of Administrative Services. The commissioner of administrative services is authorized and directed to promulgate rules and regulations to carry out this responsibility and shall determine the most economical method to conduct public notification of such bid opportunities.

(c) The Department of Administrative Services is authorized to permit departments, institutions, and agencies of state government to utilize a procurement card that will electronically pay and monitor payments by state institutions pursuant to subsection (a) of this Code section subject to approval of the State Depository Board pursuant to the State Depository Board's authority to prescribe cash management policies and procedures for state agencies under Code Section 50-17-51. All purchases made through procurement cards shall be included on a monthly summary report to be prepared by each state department, institution, and agency in a form to be approved by the Department of Administrative Services.

(d) The commissioner of administrative services shall promulgate rules and regulations necessary to carry out the intent of this Code section.

The commissioner of administrative services is authorized and directed to promulgate rules and regulations to carry out this responsibility and shall determine the most economical method to conduct public notification of such bid opportunities.

50-5-77. Multiyear lease, purchase, or lease purchase contracts; required provisions for contracts; calculation and application of savings or enhanced revenues; external oversight committee; annual report.

(a) As used in this Code section, the term:

(1) "Agency" means every state department, agency, board, bureau, and commission including without limitation the Board of Regents of the University System of Georgia.

(2) "Authority" means the Georgia Environmental Finance Authority.

(3) “Benefits based funding project” means any governmental improvement project in which payments to vendors depend upon the realization of specified savings or revenue gains attributable solely to the improvements, provided that each benefits based funding project is structured as follows:

(A) The vendor guarantees that the improvements will generate actual and quantifiable savings or enhanced revenues;

(B) The agency develops a measurement tool for calculating the savings or enhanced revenues realized from the project; and

(C) The funding for the project shall be attributable solely to its successful implementation for the period specified in the contract, or, where applicable, from sums remitted by the vendor or surety to remedy a deficit in guaranteed savings or revenue gains.

(4) “External oversight committee” means a committee composed of the executive director of the Georgia Technology Authority, the commissioner of administrative services, the director of the Office of Planning and Budget, the state auditor, the state accounting officer, the Governor’s designee, the chairperson of the House Committee on Appropriations, and the chairperson of the Senate Committee on Appropriations.

(5) “Measurement tool” means the formula used to measure the actual savings or enhanced revenues and includes a means for distinguishing enhanced revenue or savings from normal activities, including the possibility of no savings or revenue growth or an increased expenditure or decline in revenue. Baseline parameters must be defined based on historical costs or revenues for a minimum of one year. The measurement tool shall use the baseline parameters to forecast savings or enhanced revenues and to determine the overall benefits and fiscal feasibility of the proposed project.

(6) “Special dedicated fund” means any fund established pursuant to this Code section from which the vendor or vendors are compensated as part of a benefits based funding project. The moneys in the special dedicated fund shall be deemed contractually obligated and shall not lapse at the end of each fiscal year.

(b) An agency shall be authorized to enter into multiyear lease, purchase, or lease purchase contracts of all kinds for the acquisition of equipment, goods, materials, personal property, improvements to real property, services, construction services, renovation services, and supplies as benefits based funding projects; provided, however, that a condition precedent to the award of the contract is a competitive solicitation in compliance with any applicable purchasing laws now or hereafter enacted, including without limitation the provisions of this

chapter and Chapter 25 of this title; and provided, further, that the contract shall contain provisions for the following:

(1) The contract shall terminate absolutely and without further obligation on the part of the agency at the close of the fiscal year in which it was executed and at the close of each succeeding fiscal year for which it may be renewed;

(2) The contract may be renewed only by a positive action taken by the agency;

(3) In addition to any other remedies available to the agency, the contract shall provide that at such time as the agency determines that actual savings or incremental revenue gains are not being generated to satisfy the obligations under the contract, the vendor shall be required to remedy the deficit in actual savings or incremental revenue gains by remitting to the state an amount equal to the deficit. The vendor shall also be required to provide at contract execution and upon execution of any contract renewals an energy savings guarantee bond, a bank letter of credit, escrowed funds, a corporate guarantee from a corporation with an investment grade credit rating, or other surety instrument acceptable to the agency equal to the value of the project's annual savings or revenue gains;

(4) The contract shall state the total obligation of the agency for repayment for the fiscal year of execution and shall state the total obligation for repayment which will be incurred in each fiscal year renewal term, if renewed; and

(5) The term of the contract, including any renewal periods, may not extend past the date that is ten years from the date of the completion of the project that is the subject of the contract.

(c) Any contract developed under this Code section containing the provisions enumerated in subsection (b) of this Code section shall be deemed to obligate the agency only for those sums payable during the fiscal year of execution or, in the event of a renewal by the agency, for those sums payable in the individual fiscal year renewal term and only to the extent that savings or enhanced revenues are attributable to the benefits based funding project calculated using the measurement tool and, where applicable, sums remitted by the vendor or surety to remedy a deficit in guaranteed savings or revenue gains.

(d) No contract developed and executed pursuant to this Code section shall be deemed to create a debt of the state for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.

(e) Any such contract may provide for the payment by the agency of interest or the allocation of a portion of the contract payment to

interest, provided that the contract is in compliance with this Code section.

(f) During the term of the contract, including any renewal periods, the agency shall, using the measurement tool, periodically calculate the total amount of the savings or enhanced revenues attributable to the implementation of the benefits based funding project. To the extent that savings or enhanced revenues are realized, the agency shall transfer from its budget into the special dedicated fund an amount up to but not to exceed the amount owed on the contract for the then current fiscal year term's obligation to provide for payments, or, where applicable, sums remitted by the vendor or surety to remedy a deficit in guaranteed savings or revenue gains may be transferred to the special dedicated fund by the agency.

(g) During the term of the contract, including any renewal periods, the agency shall, using the measurement tool, calculate the total amount of the savings or enhanced revenues attributable to the implementation of the benefits based funding project during the then current fiscal year at least 30 days prior to the end of the then current fiscal year. If the agency renews the contract and to the extent that savings or enhanced revenues are realized in excess of the amount due on the contract in the then current fiscal year term, the agency shall transfer prior to the end of the then current fiscal year from its budget into the special dedicated fund an amount up to but not to exceed the next fiscal year's obligation to provide for future payments.

(h) Promptly upon nonrenewal, termination, or expiration of the contract, any moneys remaining in the special dedicated fund shall be deposited in the general fund of the state.

(i) Each agency is authorized to accept title to property subject to the benefits based funding contract and is authorized to transfer title back to the vendor in the event the contract is not fully consummated.

(j) Payments to which a vendor is entitled under the contract may not be assigned without the approval of the agency. In its discretion, the agency may agree that the vendor may assign the payments to which it is entitled under the benefits based funding contract to a third party, provided that the agency will be made party to the assignment agreement and that any such assignment agreement will not alter the obligations of the agency under the contract, specifically including, but not limited to, the provisions required by subsection (b) of this Code section; and provided that the vendor, at the time of the request that the agency agree to an assignment of payments, must provide to the agency an energy savings guarantee bond, a bank letter of credit, escrowed funds, a corporate guarantee from a corporation with an investment grade credit rating, or other surety instrument acceptable to the agency

equal to the guaranteed savings for the total project duration including any anticipated renewal periods and the energy savings guarantee bond, bank letter of credit, escrowed funds, corporate guarantee from a corporation with an investment grade credit rating, or other surety instrument acceptable to the agency must remain in force for the entire project duration including any renewal periods. As savings are realized and verified by the measurement tool during the term of the contract including renewal periods, the value of the energy savings guarantee bond, bank letter of credit, escrowed funds, corporate guarantee from a corporation with an investment grade credit rating, or other surety instrument acceptable to the agency may decrease proportionately.

(k) The external oversight committee shall have the responsibility to direct the authority to perform reviews and to recommend approval of all benefits based funding projects advising:

- (1) The overall feasibility of the benefits based funding project;
- (2) The measurement tool;
- (3) The projected savings or enhanced revenues; and
- (4) The dollars to be set aside for vendor payments.

(l) At the recommendation of the authority, each benefits based funding project and the proposed contract shall be approved by the external oversight committee prior to execution of the contract and shall be subject to further review by the authority or the external oversight committee at any time.

(m) Each agency shall prepare and certify an annual report on all contracts entered into pursuant to this Code section, describing the benefits based funding projects, the progress of the projects, the consolidated savings or enhanced revenues of such projects, and such other information as may be relevant. This annual report shall be sent to the authority on behalf of the external oversight committee at a date determined by the authority. The authority shall review and consolidate all agency reports and submit a consolidated report to the Governor, the General Assembly, and the external oversight committee. (Code 1981, § 50-5-77, enacted by Ga. L. 2003, p. 439, § 1; Ga. L. 2010, p. 1091, § 1/SB 194.)

(f) The General Assembly shall periodically review this Code section and determine if any of the following events have occurred which should be construed and deemed to be a basis for repealing this Code section:

(1) The Congress or President of the United States declares the Darfur genocide has been halted for at least 12 months;

(2) The United States revokes all sanctions imposed against the Government of Sudan;

(3) The President of the United States has certified to Congress that the Government of Sudan has honored its commitments to do all of the following:

(A) Abide by United Nations Security Council Resolution 1769 (2007);

(B) Cease attacks on civilians;

(C) Demobilize and demilitarize the Janjaweed and associated militias;

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2009, “, the company shall be subject to” was deleted from the end of the introductory language of subsection (e).

Editor’s notes. — Ga. L. 2009, p. 247, § 1/SB 170, not codified by the General

Assembly, provides that: “The General Assembly finds that:

“(1) Since 1993, the United States Secretary of State has determined Sudan is a country whose government has repeatedly provided support for acts of international terrorism, thereby restricting United

States assistance, defense exports and sales, and financial and other transactions with the Government of Sudan.

"(2) On September 21, 2004, in addressing the United Nations General Assembly, President George W. Bush affirmed the Secretary of State's finding and stated, 'At this hour, the world is witnessing terrible suffering and horrible crimes in the Darfur region of Sudan, crimes my government has concluded are genocide.'

"(3) The federal government has imposed sanctions against the Government of Sudan since 1997. These sanctions are monitored through the United States Treasury Department's Office of Foreign Assets Control (OFAC).

"(4) On December 31, 2007, President George W. Bush signed the Sudan Accountability and Divestment Act (Public Law 110-174). The legislation was passed by the Senate and the House of Representatives unanimously. That act authorizes state and local governments to adopt policies to divest from and prohibit contracts with problematic companies operating in Sudan's oil, power, mineral, and military sectors. That act also prohibits the federal government from contracting with these companies."

Ga. L. 2009, p. 247, § 3/SB 170, not codified by the General Assembly, provides for severability.

50-5-122. Legislative intent.

The legislative intent of this part is declared to be as follows: The most important element of the American economic system of private enterprise is free and vigorous competition. Only through the existence of free and vigorous competition can free entry into business and opportunities for personal initiative and individual achievement be assured. The preservation and expansion of such competition is essential for our economic well-being. In order to encourage such competition it is the declared policy of the state to ensure that a fair proportion of the total purchases and contracts or subcontracts for property, commodities, and services for the state be placed with small businesses so long as the commodities and services of small businesses are competitive as to price and quality. (Ga. L. 1975, p. 1619, § 2.)

50-5-123. Creation of advisory council; membership; meetings; chairman; executive director.

There is created an advisory council to the department to be composed of representatives of designated small business enterprises to be named as follows: five by the Governor, two each by the President of the Senate and the Speaker of the House of Representatives, and one by the commissioner of administrative services to serve ex officio as chairman of the council. The members of the council shall serve without compensation. The council shall meet at least once monthly, or more often when necessary, at the call of the chairman in consultation with the commissioner of administrative services or his designee who shall also serve without additional compensation as executive director of the council. PART 4

MINORITY BUSINESS ENTERPRISE DEVELOPMENT

50-5-130. Purpose.

The General Assembly recognizes that the preservation and expansion of the American economic system of private enterprise is through free competition, but it also recognizes that the security and well-being brought about by such competition cannot be realized unless the actual and potential capacity of minority business enterprises is encouraged and developed. Therefore, it is the intent of the General Assembly that the state define a "minority business enterprise" for purposes of representation in the area of procurement of state contracts for construction, services, equipment, and goods. Any person adversely affected by an order of the Department of Administrative Services denying certification as a minority business enterprise may appeal as provided in the regulations of the Department of Administrative Services. (Code 1981, § 50-5-132, enacted by Ga. L. 1991, p. 1380, § 3.)

50-5-133. Fraud in certification process; penalty; effect of multiple violations.

(a) It shall be unlawful for a person to:

(1) Knowingly and with intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a minority business enterprise for the purposes of this part;

(c) All successors shall be appointed in the same manner as original appointments. Vacancies in office shall be filled in the same manner as

50-5-136. Powers and authority of council.

(a) The State Use Council shall have the authority authorized in this part concerning the procurement of certain services provided and goods, wares, and merchandise produced by community based rehabilitation programs and training centers and purchased by the Department of Administrative Services. All services provided or goods, wares, or merchandise produced wholly or in part by the community based rehabilitation programs and training centers operated by or under contract with the Department of Human Services and needed by the departments, institutions, and agencies of the state and its political subdivisions supported wholly or in part by public funds shall be obtained from community based rehabilitation programs and training centers where availability of such services, goods, wares, or merchandise has been certified in writing by the council.

(b) The State Use Council shall have the following powers and authority:

(1) To designate a central nonprofit agency to represent community based rehabilitation programs and training centers in the state and to facilitate the distribution of orders of the State of Georgia for goods, wares, merchandise, and services on the procurement list among certified community based rehabilitation programs and training centers. As used in this part, the term "central nonprofit agency" means an agency organized under the laws of Georgia and operated

in the interest of persons with disabilities in Georgia, the net income of which does not inure in whole or in part to the benefit of any shareholder or individual. The central nonprofit agency shall be selected using criteria established by the council and shall be selected for a period not to exceed two years, provided that an agency may succeed itself as the central nonprofit agency. The central nonprofit agency will be responsible for selecting the community based rehabilitation program and training center to perform a specific contract for work ordered by the state. Consideration will be given to the strengths of the particular organization, prior work history, and the ability to produce within time and budgetary parameters. Only programs and centers which have been certified by the council will be eligible for state use contracts. Once the community based rehabilitation program and training center has been selected and a subcontract has been established between that community based rehabilitation program and training center and the central nonprofit agency, the central nonprofit agency shall provide management and quality control assistance in the administration of the project. This may be in the form of quality assurance procedures, time and date deadlines, technical assistance in assembly, or a variety of other activities concerning the project at hand. Other than on a specific contract basis, the central nonprofit agency will offer training programs, certification workshops, quality control workshops, and other technical, management, marketing, and general assistance programs to participating programs and centers in the state. These programs may not be mandatory in all cases; however, they will be offered to help the various programs and centers become more productive and efficient in their handling of state use contracts and other work as well. The central nonprofit agency shall maintain the necessary records and data concerning contracts with certified community based rehabilitation programs and training centers and shall maintain communication with community based rehabilitation programs and training centers during the conduct of a contract which has been let with the program and center for various program services as necessary and appropriate;

(2) To develop, in conjunction with the Department of Administrative Services, a list of goods, wares, merchandise, and services which shall be set aside for purchase from community based rehabilitation programs and training centers. This list shall be reviewed annually and goods, wares, merchandise, and services may be added or deleted as necessary and appropriate;

(3) To establish fair market prices for commodities or services on the selected procurement list and to consider recommendations from the procuring agencies, the central nonprofit agency, and other relevant sources. The central nonprofit agency shall analyze the data

and submit a recommended fair market price to the council along with detailed justification necessary to support the recommended prices. Pricing guidelines shall be established by the council in association with standard methodology for determining fair market value. However, the fair market prices shall not exceed the prices normally paid by state agencies for such commodities or services;

(4) To oversee and assist in the development of guidelines for the certification of community based rehabilitation programs and training centers in the State of Georgia. The intent of these guidelines shall be to evaluate the qualifications and capabilities of community based rehabilitation programs and training centers interested in certification; to determine criteria for quality, efficiency, timeliness, and cost effectiveness in the production of goods, wares, merchandise, and services to be procured under the state use plan and purchased by the State of Georgia; and to establish a certification process which shall enable community based rehabilitation programs and training centers qualified under this process to compete in procurement activities provided for by this part. All community based rehabilitation programs and training centers which are certified by the commissioner of human resources (now known as the commissioner of human services for these purposes) as of February 8, 1994, shall not have to undergo the certification evaluation and approval process until 24 months from February 8, 1994;

(5) With respect to the certification process and the designated community based rehabilitation programs and training centers which may enter into contracts under this part, to establish criteria for determining what constitutes a substantial disability to employment that prevents the individual under the disability from currently engaging in normal competitive employment. In establishing the criteria, the council shall consult with appropriate entities of government and take into account the views of nongovernmental entities representing the severely disabled. The council shall give weight to the criteria established by the federal committee for purchase of products and services of the blind and other severely disabled persons, pursuant to the federal Wagner-O'Day Act (41 U.S.C. Sections 46-48b), as amended; and

(6) To make an annual report to the Governor and the General Assembly concerning its activities under this part and the activities and contracts provided by the central nonprofit agency. The State Use Council shall not be required to distribute copies of the annual report to the members of the General Assembly but shall notify the members of the availability of the report in the manner which it deems to be most effective and efficient. The 2013 amendment, effective April 24, 2013, part of an Act to revise, modernize, and correct the Code, revised punctuation in the next to last sentence of paragraph (b)(1).

Code Commission notes. — Pursuant

to Code Section 28-9-5, in 1994, “as of February 8, 1994,” and “February 8, 1994” were substituted for “at the time of the effective date of this part” and “said effective date”, respectively, in the last sentence in paragraph (b)(4).

OPINIONS OF THE ATTORNEY GENERAL

Product or service as mandatory source. — Goods and services placed jointly on the set aside list by the Commissioner of Administrative Services and the State Use Council and purchased by the Department of Administrative Services are mandatory sources for the state, subject to the further provisions of the State Use Law. 2007 Op. Att’y Gen. No. 2007-6.

Price determination. — Determination of the “price normally paid by state agencies” is within the purview of the Commissioner of Administrative Services, in that the Commissioner has the general oversight of state purchasing and the Commissioner is empowered to cancel or modify a contract under State Use Law for “noncompetitive pricing reasons.” 2007 Op. Att’y Gen. No. 2007-6.

Service and pricing specifications. — Specifications and parameters for par-

ticular goods and services recommended by agencies should be considered by the State Use Council in certifying availability under O.C.G.A. § 50-5-136(a) and by the Commissioner of Administrative Services and Council in creating the set aside list under O.C.G.A. § 50-5-136(b)(2). 2007 Op. Att’y Gen. No. 2007-6.

Time limit to contracts. — There is no statutory time limit to contracts made under the state use program; however, the Commissioner of Administrative Services and the State Use Council “annually” review the goods and services to be placed on the set aside list, and the contracts are subject to cancellation or modification at any time by the Commissioner for reasons of nonperformance or noncompetitive price. 2007 Op. Att’y Gen. No. 2007-6.

50-5-137. Participation of certified community based rehabilitation programs.

Notwithstanding any other provisions of law to the contrary, certified community based rehabilitation programs and training centers conducting contract work under the state use plan and under the auspices of the central nonprofit agency shall not be required to have prior experience in providing the goods, wares, merchandise, or services in a given contract in order to participate in these contracts. (Code 1981, § 50-5-137, enacted by Ga. L. 1993, p. 1736, § 2.)

50-5-138. Procurement of contracts with central nonprofit agencies; fees; cancellation or modification; existing contracts grandfathered.

(a) The Department of Administrative Services shall contract with the central nonprofit agency to pay a fee to such agency on the basis of

contracts procured from the state. This fee shall be not less than 5 percent nor more than 8 percent of the total contract fee awarded for a particular project. The fees will be added to the fair market price paid by the state agencies and political subdivisions or will be paid from assessments received from the state agencies and political subdivisions by the Department of Administrative Services. The timeliness and methodology of collection of these fees will be decided upon between the Department of Administrative Services and the central nonprofit agency and shall be incorporated into such contract.

(b) The commissioner of administrative services retains the right to cancel or modify contracts which have been selected for procurement under this part for nonperformance and noncompetitive pricing reasons.

(c) All contracts which presently exist between the State of Georgia and community based rehabilitation programs and training centers in Georgia, including the State of Georgia administered Georgia Industries for the Blind, shall be grandfathered in perpetuity, excepting for nonperformance reasons according to the policies, regulations, and determination of the Department of Administrative Services. (Code 1981, § 50-5-138, enacted by Ga. L. 1993, p. 1736, § 2.)

OPINIONS OF THE ATTORNEY GENERAL

Cancellation of contracts. — Under O.C.G.A. § 50-5-138(b), the Commissioner of Administrative Services is empowered to cancel or modify contracts when either nonperformance or noncompetitive pricing is present. 2007 Op. Att’y Gen. No. 2007-6.

Establishment of source and fee. — Commissioner of Administrative Services

and the central nonprofit agency must contract with one another in order to establish the mandatory source and to establish the amount, timing, and method of the statutory fee to be paid to the central nonprofit agency by state agencies within statutory parameters. 2007 Op. Att’y Gen. No. 2007-6.

These requests may be made by the Department of Administrative Services as often as it deems necessary. (Ga. L. 1968, p. 1148, § 1.)

OPINIONS OF THE ATTORNEY GENERAL

Disposal of surplus airplane. — Airplane that has been declared surplus property may be disposed of in accordance with Ga. L. 1964, p. 1148, §§ 1 and 5 (see O.C.G.A. §§ 50-5-140 and 50-5-145). 1970 Op. Att'y Gen. No. 70-67.

Transportation for disposal. 1970 Op. Att'y Gen. No. 70-67.

Disposal of surplus property by Legislative Services Committee. — There is likely no legal impediment to the Legislative Services Committee transferring the surplus property in the committee's custody to the custody of the Department of Administrative Services (DOAS) for disposition pursuant to the DOAS authority. 1994 Op. Att'y Gen. No. U94-3.

50-5-141. Transfer, sale, trade, or destruction authorized; prohibition of certain employee purchases.

(a) The Department of Administrative Services is authorized and it shall be its duty to dispose of surplus property by one of the following means:

(3) Sell by fixed price; provided, however, that surplus property sold by fixed price shall have been originally purchased by the state for an amount of \$5,000.00 or less;

(4) Trade in such surplus property on the purchase of new equipment if the Department of Administrative Services shall determine that such action is for the best interest of the state; or

(5) Where the Department of Administrative Services shall determine that the surplus property has no value or that the cost of maintaining and selling the surplus property exceeds the anticipated proceeds from the sale of the surplus property, by destruction and disposal and order of removal from the inventory of the department, institution, or agency with such action noted thereon.

(b) No employee of the Department of Administrative Services or such employee's immediate family member shall purchase surplus property sold by fixed price or negotiated sale; nor shall any person purchase surplus property by fixed price or negotiated sale for the direct or indirect benefit of any such employee or employee's immediate family member. OPINIONS OF THE ATTORNEY GENERAL

Rules and regulations must be within limitations. — Although both the Office of Planning and Budget and the Department of Administrative Services have the authority to promulgate rules and regulations, they can only do so via

the narrowly defined limitations imposed by the General Assembly for to do otherwise would be an improper delegation of legislative authority. 1972 Op. Att’y Gen. No. 72-73.

(a) As used in this Code section, the term “political subdivision” means any county or municipality of this state or any county or independent board of education of this state.

(c) When any surplus property is transferred to a political subdivision, pursuant to subsection (b) of this Code section, such transfer shall be subject to the following conditions:

(1) The property shall not be resold by any such political subdivision within one year after the transfer without the written consent of the Department of Administrative Services; and

(c) When any surplus property is sold to a charitable institution or to a public corporation pursuant to subsection (b) of this Code section, the sale shall be subject to the following conditions:

(1) The property shall not be resold by the purchaser within one year after the sale without the written consent of the Department of Administrative Services; and

(Ga. L. 1968, p. 1148, § 5; Ga. L. 1972, p. 838, § 3.)

The state treasurer and securities shall have only those defenses allowed tax collectors against executions issued against them by the state revenue commissioner. (Ga. L. 1876, p. 126, § 14; Code 1882, § 97b; Civil Code 1895, § 195; Civil Code 1910, § 224; Code 1933, § 40-1005; Ga. L. 1972, p. 1015, §§ 408, 408B, 2102, 2104; Code 1981, § 50-5-7; Code 1981, § 50-5A-6, as redesignated by Ga. L. 1993, p. 1402, § 2; Ga. L. 1994, p. 97, § 50; Ga. L. 2010, p. 863, § 1/SB 296.)

JUDICIAL DECISIONS

Words “those defenses” does not apply to an appeal to the Governor but to those allowed to tax collectors and taxpayers under the prohibition of judicial interference; for example: (1) an unconstitutional exaction; (2) where the law does not impose or authorize the tax; and (3) where the defendants do not occupy the official positions alleged. *Mayo v. Renfroe*, 66 Ga. 408 (1881).

Enforcement of bond. — Bond of a state depository is enforced in the same manner as the treasurer’s bond. *Colquitt v. Simpson & Ledbetter*, 72 Ga. 501 (1884).

Summary remedy not applicable to O.C.G.A. § 45-4-20. — Summary remedy

of Ga. L. 1876, p. 126, § 14 (see O.C.G.A. § 50-5A-6) was not in the contemplation of the legislature when the General Assembly enacted former Code 1873, § 167 (see O.C.G.A. § 45-4-20) declaring what bonds valid though not in conformity with the law. Consequently, this remedy has no application to former Code 1873, § 167. *Mayo v. Renfroe*, 66 Ga. 408 (1881).

Resolution of General Assembly fixing director’s (now treasurer’s) amount of liability is unconstitutional. *Mayo v. Renfroe*, 66 Ga. 408 (1881).

JUDICIAL DECISIONS

Use of interest on state funds. — So much of the opinion in *Renfroe v. Colquitt*, 74 Ga. 618 (1885), which states that the treasurer's earning of interest on state money was not receiving money by virtue of treasurer's office was obiter as being entirely unnecessary to the opinion in that case. *Puckett v. O.C.G.A. § 50-5A-7 as exclusive remedy. — This section provided an exclusive remedy when enacted, and when a statute creates a new offense and announces the penalty, or gives a new right and declares the remedy, the punishment or the remedy can be only that which the statute prescribes. *Puckett v. Chambers*, 66 Ga. App. 513, 18 S.E.2d 20 (1941), *aff'd sub nom. Puckett v. Walker*, 194 Ga. 401, 21 S.E.2d 713 (1942).

Warrants properly executed and presented paid. — State treasurer is

authorized to pay out funds of the state in the treasurer's hands only upon warrants signed by the Governor and countersigned by the Comptroller General, or upon drafts signed by the President of the Senate, and the Speaker of the House of Representatives for sums due to the members and officers of their respective bodies; and a petition seeking a writ of mandamus directing the state treasurer to honor and pay, when and if presented, a warrant which the petition failed to show had been executed as required by law, so that there was no failure of the treasurer to perform the treasurer's official duty in paying a warrant properly executed and presented to the treasurer, alleged no cause of action, and was properly dismissed. *Barwick v. Roberts*, 188 Ga. 655, 4 S.E.2d 664 (1939) (decided prior to Executive Reorganization Act of 1972).

OPINIONS OF THE ATTORNEY GENERAL

Treasurer authorized but not required to make advance payments. — State treasurer is not required to make payment under this section but is "authorized" to make payment under the statute; further, if payments are made semi-monthly, the mid-month payment should not exceed the 75 percent limitation. 1971 Op. 50-6-6. Audit of school and university systems; local boards of education authorized to employ accountants; generally accepted accounting standards; audit report contents'.

(a) It shall be the duty of the Department of Audits and Accounts thoroughly to audit and check the books and accounts of the county superintendents of schools and treasurers of local school systems, of municipal systems, of the several units of the University System of Georgia, and of all other schools receiving state aid and making regular and annual reports to the State School Superintendent, showing the amount received, for what purpose received, and for what purposes

expended. All such funds held by officials must be kept in banks separate from their individual bank accounts.

(b) Notwithstanding any other provisions of this chapter, the local boards of education of the several county, independent, and area public school systems of this state shall be authorized to have an additional audit made of the books, records, and accounts of the public school system over which any such board has jurisdiction. The local boards of education shall be authorized to employ certified public accountants of this state to make the audits and to expend funds for the audits which are received by any such board for educational purposes.

(c) All audits of such public school systems shall be conducted in conformity with generally accepted standards and principles of governmental accounting and auditing and shall be subject to the standards, rules, and ethics promulgated by the Georgia Society of Certified Public Accountants and the American Institute of Certified Public Accountants. The audit report shall include the auditor's unqualified opinion upon the presentation of the financial position and the results of the operations of the public school system which is audited. If the auditor is unable to express an unqualified opinion, he shall so state and shall further detail the reasons for qualification or disclaimer of opinion including recommendations necessary to make possible future unqualified opinions. (Ga. L. 1919, p. 288, § 65; Ga. L. 1931, p. 7, § 96; Code 1933, § 40-1812; Ga. L. 1965, p. 668, § 1; Ga. L. 1994, p. 97, § 50.)

JUDICIAL DECISIONS

Effect of local Act providing for independent audit. — O.C.G.A. § 50-6-6(a) imposes a duty upon the Department of Audits and Accounts to conduct an audit of all schools receiving state aid. O.C.G.A. § 50-6-6(b) authorizes local boards of education to have an additional audit. Thus, a local Act which provides for an independent audit does not conflict with the general Act but simply requires the county board to do that which the general Act says it may do. *Glynn County Bd. of Educ. v. Lane*, 261 Ga. 544, 407 S.E.2d 754 (1991).

Separate bank accounts. — Provision of this section that all public funds held by officials must be kept in banks separate from their individual accounts can be understood not as requiring officials to deposit public money in a bank, but as meaning that if the officials so deposit the account must be separate from their individual accounts. It is unlikely

that the legislature by these brief words intended to make all banks public depositories and relieve the officials of responsibility, with no provision for selecting proper banks or taking security from them. *Whipple v. American Sur. Co.*, 92 F.2d 673 (5th Cir. 1937).

Agenda of school board is discretionary. — Citizen was not entitled to a writ of mandamus directing a school board to place the citizen on the board's agenda because setting the agenda was a discretionary act that was not subject to mandamus and none of the statutes cited by the citizen, O.C.G.A. §§ 20-2-1160(a), 45-10-1, and 50-6-6(b), imposed a duty on the board to place the citizen on the board's agenda. *James v. Montgomery County Bd. of Educ.*, 283 Ga. 517, 661 S.E.2d 535 (2008).

Cited in *Landrum v. Thomas*, 52 Ga. App. 257, 183 S.E. 140 (1935); *Mathew v. Ellis*, 214 Ga. 665, 107 S.E.2d 181 (1959).

OPINIONS OF THE ATTORNEY GENERAL

This statute on the statute's face is constitutional. 1963-65 Op. Att'y Gen. p. 731.

Audit of noneducational funds. — Language “books, records, and accounts of the public school system over which any such board has jurisdiction” is broad enough to lead a school board to conclude that the board could utilize public school funds to procure a private audit not only of educational funds, but also of all non-educational funds under the board's jurisdiction; however, such use would be unconstitutional by Ga. Const. 1976, Art. IX, Sec. V, Para. I (see Ga. Const. 1983, Art. IX, Sec. IV, Para. II). 1963-65 Op. Att'y Gen. p. 731.

Expenditure of common school funds by local school boards. — Local school boards may expend common school funds to employ certified public accountants to audit the records and accounts of the school system the boards administer. 1976 Op. Att'y Gen. No. 76-72.

Department as part of executive branch. — Department of Audits and Accounts is part of executive branch of state government because the duties of the department are similar to the traditional duties of a state department of audits and relate closely to the executive branch of the government. 1970 Op. Att'y Gen. No. 70-37.

50-6-8. Chapter does not affect Department of Banking and Finance.

This chapter shall in no way affect the rights, powers, and duties of the Department of Banking and Finance. (Ga. L. 1923, Ex. Sess., p. 7, § 9; Code 1933, § 40-1810.)

50-6-9. Inspection of work papers and preliminary drafts of state auditor.

(a) Work papers and preliminary drafts of reports created in the course of the discharge of duties and powers of the Department of Audits and Accounts and the state auditor shall not be subject to inspection as public records until an audit or special examination is concluded and a report pertaining to those work papers or preliminary drafts is released as a public record, if a report is to be done. If a public request to inspect such documents has been pending for at least six months, the state auditor’s decision not to disclose the documents shall be subject to judicial review in the Superior Court of Fulton County. On judicial review, the state auditor shall have the burden of establishing that the state’s interest in nondisclosure outweighs the public interest in access to the records.

(b) If in performing a vulnerability assessment or review the state auditor determines in his or her discretion that a vulnerability or security deficiency may exist, such findings and related work papers shall not be disclosed publicly or otherwise except as determined by the state auditor. The findings shall not be considered a public record until the state auditor determines no material risk is present from disclosure. Those parts of findings and work papers which identify the methods of the state auditor or which may cause or perpetuate vulnerability shall remain confidential and protected from disclosure until the state auditor otherwise directs. A decision of the state auditor not to disclose documents pursuant to this subsection shall be subject to judicial review in the Superior Court of Fulton County, provided a public request to inspect such documents has been pending for at least six months. The state auditor shall have the burden of establishing that the state’s interest in nondisclosure outweighs the public interest in access to the records. (Code 1981, § 50-6-9, enacted by Ga. L. 2002, p. 524, § 2.)

The state auditor shall be paid a salary which may be recommended by the Governor and shall be fixed by the Legislative Services Committee created under Code Section 28-4-1 and shall also be reimbursed for all actual and necessary expenses incurred by the state auditor in carrying out his or her official duties. Until the first action of the Legislative Services Committee to fix the salary of the state auditor, the compensation of the state auditor shall continue unchanged. The state auditor shall devote his or her entire time to the performance of the duties of the office of state auditor and shall give bond, to be filed with and approved by the comptroller general, in the sum of \$10,000.00, payable to the Governor and the Governor's successors in office, conditioned that the state auditor shall truly and faithfully perform the duties of the office of state auditor and shall account for all public funds coming into the state auditor's hands or under the state auditor's control, the premium on which bond shall be paid by the state. (Ga. L. 1923, Ex. Sess., p. 7, § 2; Ga. L. 1925, p. 256, § 1; Code 1933, § 40-1802; Ga. L. 1943, p. 361, § 2; Ga. L. 1947, p. 670, § 1; Ga. L. 1999, p. 910, § 7; Ga. L. 2001, p. 783, § 2; Ga. The duties and powers of the state auditor shall be as follows:

(1) Reserved;

(2) To examine thoroughly all financial transactions of all the state departments, institutions, agencies, commissions, bureaus, authorities, and officers and to keep such accounting records as are necessary to provide and maintain a current check upon the fiscal affairs and transactions of all state departments, institutions, agencies, etc.;

(3) To examine and audit thoroughly, at least once a year and more frequently if possible, each and all of the books, records, accounts, vouchers, warrants, bills, and all other papers and records of each and every department, institution, agency, commission, bureau, authority, and officer of the state which or who receives funds from the state or which is maintained in whole or in part by public funds, fees, or commissions. Upon the completion of each audit the state auditor shall prepare a complete report of the same in triplicate, one copy of which shall be filed with the official in charge of the department, institution, etc., so examined, one copy of which shall be transmitted to the Governor, and the third copy of which shall be filed in the office of the state auditor as a permanent record and for the use of the press

(4) To prepare annual and, whenever required, special reports to the Governor and the General Assembly showing the general financial operation and management of each state department, institution, agency, commission, authority, and bureau; showing whether or not the same is being handled in an efficient and economical manner; and calling special attention to any excessive cost of operation or maintenance, any excessive expense, and any excessive price paid for goods, supplies, or labor by any such department, institution, agency, etc.; and

OPINIONS OF THE ATTORNEY GENERAL

State auditor on departmental irregularities. — State auditor must list and call special attention to all irregularities found in examination of department of the state government and to make available for the information of the public, through the press, such transactions and for the further information of the public officials of the state charged with the responsibility of instituting legal action for a violation of the laws of this state. 1950-51 Op. Att'y Gen. p. 358.

Funds derived from extracurricular school activities. — County board of

education cannot expend county education funds for private audit of funds derived from extracurricular school activities; such an expenditure of education funds is not an expenditure for an "educational purpose" within the meaning of such term. 1962 Op. Att'y Gen. p. 155.

Maintaining custody and control of funds in their custody is a proper matter for regulation by local boards of education, and the regulation, supervision, and control of extracurricular activities to include the maintenance of records pertaining thereto and the audit of funds derived

therefrom is a responsibility of the local board of education; should a local board of education desire a private audit of such funds, the expense of obtaining such audit must be paid out of funds derived from such activities. 1962 Op. Att'y Gen. p. 155.

50-6-25. Maintenance of statistics on architectural and engineering firms doing business with the state; ineligibility of firms.

(a)(1) The state auditor shall maintain statistics on all architectural and engineering firms doing business with the various departments, agencies, authorities, and public corporations of the state, except the Department of Transportation which shall be governed by paragraph (2) of this subsection. The statistics shall show the percentage of the total state business done by each such firm and shall be made available to the General Assembly and all departments, agencies, authorities, and public corporations of the state using architectural and engineering services. The state auditor shall compile the statistics and shall maintain the statistics current on a monthly basis.

(2) The state auditor shall include in the statistics provided for in paragraph (1) of this subsection all architectural and engineering firms doing business with the Department of Transportation. The Department of Transportation shall report its architectural and engineering contracts to the state auditor in two divisions. In the first division, such department shall report those contracts which are under a gross value of \$1 million at the time of execution by the total contract amount without accounting for any subcontracts. In the second division, such department shall report those contracts with a gross value in excess of \$1 million at the time of execution and shall report all subcontracts thereunder which are in excess of \$25,000.00 as further provided for in this Code section. The statistics shall show the total percentage of state business done by each such firm and shall be made available to the General Assembly and the Department of Transportation. The state auditor shall compile the statistics and shall maintain the statistics current on a monthly basis. With respect

to any contract of the Department of Transportation in excess of \$1 million with an architectural or engineering firm which awards a portion of the business in an amount in excess of \$25,000.00 under such contract to one or more subcontractors or joint-venture partners, such department shall report to the state auditor the amount of each subcontractor or joint-venture partner with that portion of the business awarded to such subcontractor or joint-venture partner, and such amounts shall not be listed or included as business of the Department of Transportation awarded to the architectural or engineering firm receiving the state contract. The architectural or engineering firm shall report to the Department of Transportation, as part of its preaward audit conducted by such department, the amount of business in excess of \$25,000.00 under an anticipated contract which the contractor intends to award to any subcontractor or joint-venture partner, and, after verification that the information reported is correct, the Department of Transportation shall furnish such information to the state auditor. The state auditor shall revise the statistics with respect to architectural and engineering firms currently doing business with the Department of Transportation with respect to contracts outstanding on April 19, 1995, under which all services have not been performed by such architectural and engineering firms in satisfaction of the contract. Such revised statistics shall be computed in accordance with the provisions of this subsection crediting subcontractors and joint-venture partners with business awarded to them and providing that such amounts credited shall not be listed or included as business of the state awarded to the architectural or engineering firm receiving the state contract. Such revised statistics shall be provided by the contractor within 60 days of April 19, 1995, and, after such time, the state auditor shall not be required to revise such statistics.

(b) Any architectural or engineering firm which has received more than 10 percent of the total awarded for such services by the departments, agencies, authorities, and public corporations of the state during any period of 36 months, as calculated pursuant to the provisions of subsection (a) of this Code section and shown by the statistics of the state auditor, shall be ineligible to contract with any department, agency, authority, or public corporation of the state until the firm, during any period of 36 months, has been awarded less than 10 percent of the total awarded for such services; provided, however, that any architectural or engineering firm may contract with the Department of Transportation for not more than 30 percent of the total awarded for such services, 10 percent for transportation purposes, and 20 percent for tollway purposes. (Ga. L. 1970, p. 420; Ga. L. 1971, p. 811, § 1; Ga. L. 1973, p. 640, § 1; Ga. L. 1995, p. 912, § 1; Ga. L. 2008, p. 522, § 4/SB 300.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1995, “April 19, 1995,” was substituted for “the effective

date of this Code section” in two places in paragraph (a)(2).

OPINIONS OF THE ATTORNEY GENERAL

Legislation required to allow Department of Transportation to exceed limitations on professional services contracts. — While the provisions of former O.C.G.A. § 32-7-73 did not apply to contracts for professional services which were governed by O.C.G.A. § 50-22-1 et seq., legislation is required to allow the Department of Transportation to exceed the limitations on such professional services contracts found in O.C.G.A. § 50-6-25(b). 1994 Op. Att’y Gen. No. U94-14.

Interaction between 10% threshold and 30% limit. — Architectural or engineering firm which is awarded fees for such services from the state is ineligible for further state-general

contracts when it exceeds the 10% threshold, but may still contract with the Department of Transportation (DOT) for a maximum of 30% of the total amount awarded, with maximum limits of 10% for DOT-Transportation and 20% for DOT-Tollway. 1992 Op. Att’y Gen. No. 92-35.

Architectural or engineering firms may be considered single firm. — In applying the eligibility requirements for doing business with the state contained in O.C.G.A. § 50-6-25, architectural or engineering firms with a commonality of interest may, under certain circumstances, be considered as a single “firm.” 1992 Op. Att’y Gen. No. 92-30.

50-6-26. Preparation and publication of forms; duty to use.

Reserved. Repealed by Ga. L. 2005, p. 694, § 7/HB 293, effective July 1, 2005.

Editor’s notes. — This Code section 1933, § 40-1813; Ga. L. 1984, p. 1004, was based on Ga. L. 1931, p. 7, § 7; Code § 1.

50-6-27. Annual personnel report; copies for General Assembly; public inspection.

The state auditor shall prepare each year a report showing the entire personnel of every office, institution, board, department, and commission in the executive department of the state government, of every state authority, of every university or college in the University System of Georgia, and of every local board of education. The report shall list the name, title or functional area, salary, and travel expense incurred by each such individual, which information shall be allocated to the respective office, institution, board, department, commission, authority, university, college, or local board of education affected. The report shall be kept in the state auditor’s office and shall be available for public inspection during regular business hours. Copies of the report or portions of the report shall be made available on request and posted online in a searchable data base. Each office, institution, board, department, commission, authority, university, college, and local board of education is required and directed to submit to the state auditor, in

a format prescribed by the state auditor, a listing of all personnel of such office, institution, board, department, commission, authority, university, college, or local board of education showing name, title or functional area, salary, and travel expense for each individual. The state auditor shall furnish each member of the General Assembly a card or form so that a copy of such report may be requested by any member who desires one. (Ga. L. 1931, p. 7, § 8; Code 1933, § 40-1814; Ga. L. 1978, p. 220, § 1; Ga. L. 1985, p. 668, § 1; Ga. L. 1995, p. 363, § 1; Ga. L. 2008, p. 522, § 5/SB 300.)

50-6-28. Investigatory duties generally.

It shall be the duty of the state auditor to make an investigation as a part of his audit of each and every department of the state government. When there are facts, records, circumstances, or information that indicate mismanagement or misconduct on the part of any official or employee of any department of the state government during either a past or present administration, it shall be the duty of the state auditor to make the full investigation, as provided in Code Section 50-6-29, of the department, official, or employee. 50-6-29. Power to compel production of evidence.

For the purpose of more completely discharging the duties resting upon him or her and to discover the truth and to make his or her reports truthful in all matters handled by him or her, the state auditor is empowered to conduct hearings, to summon witnesses, to administer oaths, to take the testimony of such witnesses, and to compel the production, inspection, and copying of documentary evidence, including without limitation evidence in electronic form and documentary evidence that is confidential or not available to the general public, at such time and place as he or she may designate for the purpose of investigating and determining the conduct and record of the employees and officials of any department of the state government. Notwithstanding any other provision of law, the state auditor shall have access to inspect, compel production of, and copy confidential information in any form unless the law making such information confidential expressly refers to

this Code section and qualifies or supersedes it in that particular instance. When the audit or special examination of the state auditor is concluded, the Department of Audits and Accounts shall redact, destroy, or return to the custodial agency all confidential information except that information which the state auditor determines is necessary to retain for audit purposes or to disclose for other public purposes. For audit purposes, the state auditor may retain such confidential information in working papers as is minimally necessary to support findings and to comply with generally accepted governmental auditing standards. The state auditor may also disclose confidential information to other officers independently entitled to its receipt, such as for law enforcement purposes. Except as stated above in this Code section, confidential information in the hands of the state auditor shall have the same confidential status as it does in the hands of the custodial entity, and the state auditor shall protect its confidentiality with at least the care and procedures by which it is protected by the custodial agency or substantially equivalent care and procedures. 50-6-31. Procedure for contempt of court where summons not obeyed.

documentary evidence, which judge shall issue immediately an order to the party commanding him to appear immediately before the state auditor for the purpose of giving testimony or producing documentary evidence as directed in the notice or summons given by the state auditor. In the event of failure to respond to the summons of the court, the party shall be guilty of contempt of that court and shall be dealt with by the court accordingly. OPINIONS OF THE ATTORNEY GENERAL

Continuation of former offices and positions under merit system. — All of the offices and positions of employment within the former Department of Commerce which were brought under the merit system continued under the merit system under its successor, the Department of Industry and Trade (now the Department of Industry, Trade, and Tour-

ism); with the exception of the director and the members of the Board of Commissioners, the board must hire and terminate all personnel subject to the rules and regulations of the State Personnel Board. 1967 Op. Att'y Gen. No. 67-151 (opinion rendered prior to Executive Reorganization Act of 1972 and its progeny).

50-7-2. Commissioner as head of department; appointment and compensation; assistant commissioner; travel expenses.

There is created the office of commissioner of economic development, who shall be executive officer and administrative head of the department. The commissioner shall be appointed by and serve at the pleasure of the Board of Economic Development. The compensation of the commissioner shall be fixed by the board. The commissioner shall

assist the board in the performance of its duties, powers, authority, and jurisdiction as the board shall provide. The commissioner shall receive expenses, including mileage, as do other state officials and employees. The board is authorized to designate an assistant commissioner and such other employees as are necessary to carry out and effectuate this chapter. The commissioner is further authorized and empowered to reimburse authorized personnel of the department for the actual cost incurred in the pursuit of official business for all meals, taxis, parking, and the rental of automobiles when the use of such vehicles is less expensive or more efficient than other commercial transportation. (c) The first members appointed under this Code section shall be appointed for terms which begin July 1, 1999. The members of the

Board of Economic Development serving on April 1, 1999, shall remain in office until their successors are appointed and qualified.

(d) In addition to all other powers granted to the Board of Economic Development under this chapter, the board may authorize the Department of Economic Development to enter into and carry out intergovernmental contracts and agreements for the purpose of providing financial and other assistance in carrying out projects or undertakings which will further the public purposes of development of trade, commerce, industry, and employment opportunities at the state and local levels. The board may authorize such contracts and agreements between the department and other departments, agencies, and entities of state government and may also authorize such contracts and agreements between the department and local development authorities. Any such contracts and agreements shall be awarded pursuant to criteria and procedures developed by the board. Such criteria and procedures shall be designed to effectuate those proposed contracts and agreements which will be most effective in furthering the public purpose of development of trade, commerce, industry, and employment opportunities at the state and local levels. Department is authorized to conduct labor availability study for a city and may do so with money the department receives from the Governor's emergency fund. 1969 Op. Att'y Gen. No. 69-389.

Limits on assistance in acquisition of industrial park. — While the Department of Community Development (now Department of Industry, Trade, and Tourism) is authorized to "coordinate, counsel and advise" with local governmental agencies as well as other public or private organizations in their promotional and planning activities, the department is unauthorized to spend state funds to assist a county development authority to acquire property for an industrial park. 1974 Op. Const. 1976, Art. III, Sec. VIII, Para. XII (see Ga. Const. 1983, Art. III, Sec. VI, Para. VI) since the elements of

gratuity are merely incidental to their dominant function of advertising and promotion. 1963-65 Op. Att'y Gen. p. 558.

50-7-8. Additional duties and powers of board.

The board shall also have the following duties and powers:

50-8-3.1. Power and duty of department.

(a) The department shall have the power and duty to investigate fraud and abuse in the federal Section 8 Housing Choice Voucher Program administered by the department pursuant to 42 U.S.C. Section 1437, et seq.

(b) When cases of criminal fraud or abuse are discovered or detected, the department shall refer such cases where warranted to the district attorney of the county in which the fraud or abuse occurred for prosecution. Such cases shall be prosecuted as violations of Code Section 16-8-3, relating to theft by deception; Code Section 16-10-20, relating to making false statements or writings; Code Section 16-10-71, relating to false swearing; or any other such criminal provision as the district attorney may deem appropriate under the facts and circumstances of the case.

(c) When a case of fraud or abuse is discovered or detected that is not criminal in nature or when a prosecutor declines to prosecute a case referred by the department under this Code section, the department shall have the authority to settle such case on such terms and conditions as the department finds suitable under the facts and circumstances of the case. In addition, the department shall be authorized to initiate and prosecute civil actions to recoup overpayments or improper payments. The department shall also have the authority to settle such civil cases on such terms and conditions as the department finds suitable under the facts and circumstances of the cases.

(d)(1) Prior to the filing of an accusation or the return of an indictment alleging fraud or abuse in the federal Section 8 Housing Choice Voucher Program administered by the department, a prosecuting attorney may defer further prosecution of such accusation or indictment and shall have the authority to enter into a consent agreement with the individual in which such individual admits to any overpayment, consents to disqualification for such period of time as is or may hereafter be provided by law or by the rules and regulations of the department, and agrees to repay, as restitution, such overpayment. Such agreement may provide for a lump sum repayment, installment payments, formula reduction of benefits, or any combination thereof. Such agreement shall toll the running of the statute of limitations for such offense for the period of the agreement. Prior to entering into such consent agreement with an individual, the prosecuting attorney or his or her designee shall advise such person that he or she may consult with an attorney prior to signing such consent agreement. If the individual so requests, he or she shall be afforded a reasonable amount of time, not to exceed 15 days, to engage or consult an attorney. A consent agreement entered into in

accordance with this subsection shall not constitute a criminal charge.

(2) Any such agreement shall be filed in the criminal docket of the court having jurisdiction over the violation without the necessity of the state filing an accusation or an indictment being returned by a grand jury. The clerk shall enter upon the docket "CONSENT AGREEMENT NOT A CRIMINAL CHARGE."

(3) Upon successful completion of the terms and conditions of the consent agreement, criminal prosecution of the individual for such offense shall be barred; provided, however, that nothing in this paragraph shall prohibit the state from introducing evidence of such offense as a similar transaction in any subsequent prosecution or for the purpose of impeachment. The successful completion of the terms and conditions of the agreement shall not be considered a criminal conviction.

(4) If the individual fails to comply with the terms of such consent agreement, the state may proceed with a criminal prosecution. (Code 1981, § 50-8-3.1, enacted by Ga. L. 2006, p. 694, § 1/HB 1162.)

50-8-4. Board of Community Affairs.

(a) The Board of Community Affairs, as it existed immediately prior to July 1, 1996, shall be abolished effective July 1, 1996, and the Board of Community Affairs, from and after July 1, 1996, is established in accordance with this Code section. The board shall establish policy and direction for the department and shall perform such other functions as may be provided or authorized by law.

(b) Membership on the board shall be determined as follows:

(1) The terms of all members of the Board of Community Affairs serving immediately prior to July 1, 1996, shall expire effective July 1, 1996. The Governor shall appoint the initial members of the board for terms beginning on July 1, 1996, or the date on which the Governor makes the appointment, whichever is later. The terms of initial members of the board shall expire on a staggered basis, as follows: the terms of four of the members shall expire on July 1, 1997, and the terms of three other members shall expire on each July 1 thereafter through July 1, 2001, when the terms of all initial members of the board shall have expired. The Governor shall specify, when he appoints each initial member of the board, the expiration date of that member's term. Upon expiration of the term of each initial member of the board, the Governor shall appoint all successor members of the board for terms of five years. The terms of initial members and subsequent members of the board shall extend beyond

the date of expiration and until their successors are appointed and qualified;

(2) The board shall be composed of one member from each United States congressional district in the state and five additional members from the state at large. Members of the board shall include elected officials of either counties or municipalities, individuals who have an interest or expertise in community or economic development, environmental issues, housing development, or finance, or other citizens who in the judgment and discretion of the Governor would enhance the board by their membership;

(3) The term of a member shall expire when it ends or shall terminate earlier immediately upon:

(A) Resignation by a member;

(B) Death of a member or inability to serve as a member due to medical infirmity or other incapacity; or

(C) Any change in local elective office or residence of a member which would cause the composition of the board not to comply with the requirements of paragraph (2) of this subsection;

(4) The Governor shall appoint a new member within 60 days after the expiration or termination of a member's term. The Governor may reappoint members of the board to consecutive terms unless such reappointment would cause the composition of the board not to comply with the requirements of paragraph (2) of this subsection; and

(5) Membership on the board does not constitute public office to the extent that a member of the board is precluded from holding other public office.

(c) Officers of the board shall be elected and shall serve as follows:

(1) The officers of the board serving immediately prior to July 1, 1996, shall cease to serve the respective terms for which they were elected, effective July 1, 1996;

(2) Thereafter the members of the board shall elect a chairman, a vice chairman, and a secretary from among the members of the board;

(3) The board shall elect officers at each July meeting or, if there is no July meeting, at the next monthly meeting;

(4) Officers shall serve for a term of one year, beginning with their election and qualification and ending with the election and qualification of their respective successors; and

(5) No person shall hold the same office on the board for more than one term consecutively.

(d) The board shall hold meetings as often as it determines to do so. The board may establish a regular meeting schedule and a procedure for calling special meetings. Unless the board establishes another procedure, the chairman or any five members of the board may call special meetings upon adequate written, personal, telephone, or facsimile notice to members of the board. A majority of the members in office shall constitute a quorum for conducting business, and a majority of those present at any meeting shall be required to approve any action taken by the board. A member must be present at a meeting to count for purposes of determining whether a quorum exists and to vote or otherwise act on matters which come before that meeting. No member may vote or otherwise act through a proxy, designee, or delegate. The board may establish such additional rules and procedures as it deems appropriate for conducting its business from time to time. These rules and procedures may be established in bylaws or in such other form as the board deems appropriate.

(e) Each member of the board shall receive the same per diem expense allowance as that received by members of the General Assembly for each day a board member is in attendance at a meeting of the board or a committee meeting of the board, plus reimbursement for actual transportation expenses incurred while traveling by public carrier or the mileage allowance authorized for state officials and employees for the use of a personal automobile in connection with such attendance. This per diem and reimbursement for transportation expenses shall be paid in lieu of any other per diem, allowance, remuneration, or compensation.

(f)(1) The initial territorial boundaries for the operation of the regional commissions shall be as follows: Region 1 shall be made up of Bartow, Catoosa, Chattooga, Dade, Fannin, Floyd, Gilmer, Gordon, Haralson, Murray, Paulding, Pickens, Polk, Walker, and Whitfield; Region 2 shall be made up of Banks, Dawson, Forsyth, Franklin, Habersham, Hall, Hart, Lumpkin, Rabun, Stephens, Towns, Union, and White; Region 3 shall be made up of Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Fulton, Gwinnett, Henry, and Rockdale; Region 4 shall be made up of Butts, Carroll, Coweta, Heard, Lamar, Meriwether, Pike, Spalding, Troup, and Upson; Region 5 shall be made up of Barrow, Clarke, Elbert, Greene, Jackson, Jasper, Madison, Morgan, Newton, Oconee, Oglethorpe, and Walton; Region 6 shall be made up of Baldwin, Bibb, Crawford, Houston, Jones, Monroe, Peach, Pulaski, Putnam, Twiggs, and Wilkinson; Region 7 shall be made up of Burke, Columbia, Glascock, Hancock, Jefferson, Jenkins, Lincoln, McDuffie, Richmond, Taliaferro, Warren, Washington, and Wilkes; Region 8 shall be made up of Chattahoochee, Clay, Crisp, Dooly, Harris, Macon, Marion, Muscogee, Quitman, Randolph, Schley, Stewart, Sumter, Talbot, Taylor, and Webster; Region 9 shall

The board for each regional commission shall ratify the boundaries provided for in this paragraph. If a regional commission fails to ratify such boundaries, such commission shall continue to operate under the existing boundaries for such commission prior to June 30, 2009. The provisions of Article 2 of this chapter shall apply to a regional commission failing to ratify the boundaries provided for in this Code section; provided, however, that such commission shall not be eligible to receive funding pursuant to Code Section 50-8-33.

(2) Notwithstanding the territorial boundaries established pursuant to paragraph (1) of this subsection, the board shall determine and establish, from time to time, the territorial boundaries for the region of operation by each regional commission as well as the total number of the regions; provided, however, that any action of the board altering the boundaries of a regional commission or changing the total number of the regions shall not be effective until approved by the General Assembly at the next regular session following such action by the board by means of the adoption of a joint resolution ratifying such action. Each county shall be wholly within the region of one regional commission, and no county shall be divided among more than one region. Without limiting the generality of the foregoing, the board shall establish the boundaries of any region for which a metropolitan area planning and development commission, created pursuant to Article 4 of this chapter, also serves as the regional commission.

(2) The department shall establish minimum standards and procedures which shall be used by local governments in developing, preparing, and implementing their comprehensive plans. The department shall incorporate the minimum standards and procedures with respect to natural resources, the environment, and vital areas of the state established and administered by the Department of Natural Resources pursuant to Code Section 12-2-8. In establishing such minimum standards and procedures, the department shall be authorized to differentiate among local governments and among regions based upon factors which the department determines merit differentiation, such as total population, density of population, geographic features, the size of tax base, the type and character of services furnished by local governments, the size of budget, and other factors;

(3) The department shall develop planning procedures with respect to regionally important resources, for planning with respect to

developments of regional impact, and for encouraging interjurisdictional cooperation among local governments. The department shall determine, in its judgment and for each region, what shall constitute developments of regional impact. Such determinations by the department shall be made for each region after receiving any necessary information from the regional commission for the region, from local governments within the region, and from others within the region. The department's determinations shall be publicly promulgated, using such means as the commissioner may determine, so that all local governments within a region will receive notice of the department's determinations affecting that region; and

(4) The department shall establish and shall promulgate procedures for obtaining input from, and participation by, local governments and the public in establishing, amending, and updating from time to time the minimum standards and procedures.

which would, based upon guidelines which the department may establish, affect regionally important resources or further any development of regional impact. Any such proposed action by a local government (other than a regional commission) shall be submitted for review to the local government's regional commission. A report shall be prepared and submitted to the regional commission council, including potential impacts of the proposed development of regional impact. The report shall be made available to the local governments in the region and on the website of the regional commission. Any such proposed action by a regional commission shall be submitted for review to the department. Review shall be in accordance with rules and procedures established by the department;

(4) Any conflict which remains after review pursuant to the procedures established under paragraph (3) of this subsection shall be submitted to mediation or such other form of resolving conflicts as the commissioner may deem necessary; and

(5) The department may decline to certify a local government as a qualified local government or may take or recommend action which would reduce state or other funding for a regional commission if such local government or regional commission, as the case may be, is a party to a conflict but fails to participate in the department's mediation or other means of resolving conflicts in a manner which, in the judgment of the department and a majority of the Board of Community Affairs, reflects a good faith effort to resolve the conflict. (Code 1981, § 50-8-7.1, enacted by Ga. L. 1989, p. 1317, § 2.1; Ga. L. 2008, p. 181, § 4/HB 1216; Ga. L. 2013, p. 1104, § 1/SB 104.)

The 2013 amendment, effective July 1, 2013, in paragraph (b)(1), substituted a semicolon for a period at the end, and deleted the former second sentence, which read: "These elements shall include, but shall not be limited to, housing, human services, natural resources, the environment, vital areas, historic and cultural resources, infrastructure, land use other than zoning, recreation, transportation, and economic development;"; and, in paragraph (d)(3), added the third and fourth sentences, substituted a semicolon for a period at the end, and deleted the former last sentence, which read: "The review shall result in a public finding by the regional commission or the department, as the case may be, that the action will be in the best interest of the region and state or that it will not be in the best interest of the region and state;".

50-8-8. Grants, loans, and other disbursements of funds; state community development program.

(a) The department shall perform the duties, responsibilities, and functions and may exercise the power and authority described in this Code section. The department shall make grants or loans to eligible recipients or qualified local governments, which grants or loans are specified by amount, recipient, and purpose in an appropriation to the department; provided, however, that the department shall not make such a grant to any county or independent board of education for the construction or operation of athletic facilities during the fiscal year following the receipt by the department of certification by the State Board of Education that the county or independent board of education is not in compliance with the requirements of Code Section 20-2-315. The department shall also grant to any school district the proceeds of any general obligation debt for educational facilities for which the department is named user agency and the school district is named recipient in an appropriation authorizing the debt. The department may make grants or loans to eligible recipients or qualified local governments from appropriations made to the department generally for

grant or loan purposes, without appropriations language specifying amounts, recipients, and purposes. The department:

(1) Shall disburse such grants or loans on the basis of criteria which include consideration of matters such as legislative intent; local, regional, or state-wide impact or benefit; public exigencies or emergencies; enhancement of community and economic development opportunities; improvement or expansion of government operations or services; community health, safety, and economic well-being; coordinated and comprehensive planning in accordance with minimum standards and procedures; and any other similar criteria that may from time to time be established by the department; and

(2) May condition the award of any such grants or loans to a county or municipality upon the county or municipality, as the case may be, being a qualified local government.

(b) The department shall direct the distribution of any appropriations or other funds available for coordinated and comprehensive planning in accordance with the Act of the General Assembly providing for such appropriations. No grant or loan by the department to any eligible recipient or qualified local government shall adversely affect any grant, loan, or service to the eligible recipient or qualified local government by any other unit or instrumentality of state government. Without limiting the foregoing, the Department of Education, the Department of Transportation, the Georgia Environmental Finance Authority, and the state treasurer shall not diminish or fail to award any funds, loans, or service to any recipient under any state or federal program in whole or in part on account of a grant or loan by the department. Grants or loans by the department are and shall be deemed to be of a special nature and in addition to all such other grants, loans, or awards. The following provisions shall apply to making such funds available to eligible recipients or qualified local governments:

(1) The department may make available funds by grant or loan to an eligible recipient or qualified local government, by direct payments on behalf of an eligible recipient or qualified local government, or by any other lawful means. In the event the department determines that, in its judgment, a regional commission has failed to comply with its duties as provided by law or with the terms of a contract between such regional commission and a local government, the department shall be authorized to make payments, which it otherwise would have made to the regional commission, directly to the local government or as the department otherwise determines in order to carry out the duties of the regional commission under the law or such contract;

(2) The department may accept, use, and disburse gifts and grants made to it on terms consistent with its legal powers, from any public or private source;

(3) The department shall specify the terms under which it makes any funds available to an eligible recipient or qualified local government. The terms shall be those established or otherwise required by the government or other source which makes the funds available to the department. If such government or other source does not establish or otherwise require any such terms, the department may establish the terms;

(4) The department shall set forth in writing the terms under which the department makes funds available to a qualified local government or eligible recipient. The terms may be set forth in a contract. The department may execute any such contract on behalf of the state, and any eligible recipient which is a qualified local government, school district, state agency, or state authority is authorized to execute any such contract. Any such writing or contract may incorporate other terms or laws by reference to such terms or laws;

(5) The department shall manage and administer all funds made available pursuant to this Code section; and

(6) The department may make funds available for any purpose for which the eligible recipient or qualified local government may lawfully use such funds. Unless precluded by general law, these purposes may include, but shall not be limited to, assisting in or furthering any of the purposes, duties, responsibilities, functions, power, or authority of local governments or the department. These purposes may also include, but shall not be limited to, establishing, developing, constructing, improving, maintaining, restoring, or protecting local government projects or purposes of any nature, such as:

- (A) Construction projects;
- (B) Capital outlay projects;
- (C) Infrastructure projects;
- (D) Planning services;
- (E) Technical assistance;
- (F) Coordinated and comprehensive planning;
- (G) Marketing and promotional projects to encourage tourism and to develop, promote, and retain trade, commerce, industry, and employment opportunities, agriculture, and agribusiness;
- (H) Purchase or lease of equipment;
- (I) Operating expenses;
- (J) Housing projects;
- (K) Any project for the purposes of acquiring, constructing, equipping, maintaining, and operating regional commerce and

trade center facilities suitable for housing conventions and trade shows as well as cultural, political, musical, educational, athletic, and other events, in order to provide for the establishment, development, and maintenance of commerce and trade;

(L) Any project or purpose described in or permitted under any appropriations to the department;

(M) Any project or purpose described in or permitted under any grant made to, or to be made by or through, the department;

(N) Any project or purpose provided for in the federal Housing and Community Development Act of 1974, as amended, or any successor to the Housing and Community Development Act of 1974;

(O) Any project or purpose provided for in the federal Public Works and Economic Development Act of 1965, as amended, or any successor to the Public Works and Economic Development Act of 1965;

(P) Any project or purpose authorized by federal or state law; or

(Q) Any other project or purpose consistent with the duties, responsibilities, functions, power, and authority of the department.

(c) The department may apply for, receive, administer, and use any grant, other financial assistance, or other funds made available to the department from any government or other source for furthering the purposes of the department. The department's actions in this respect may be taken for itself or on behalf of qualified local governments or other eligible recipients. The department's power and authority under this subsection includes, but shall not be limited to, the following:

(1) The department may apply on behalf of qualified local governments or other eligible recipients for receipt of state appropriated funds from the Governor's emergency fund as provided by Code Section 45-12-77. If such an application is approved, or if state appropriated funds from the Governor's emergency fund as provided by Code Section 45-12-77 are otherwise made available to the department, the department may be authorized by the Governor to disburse such emergency funds to the local government or other eligible recipient; and

(2) The department may accept on behalf of qualified local governments or other eligible recipients funds provided to the department by an executive order of the Governor and may disburse such funds to such local governments or other eligible recipients. The eligible recipient and the terms under which such funds are made available for use by the eligible recipient shall be specified in the executive order and shall be made a part of any writing or contract between the department and the eligible recipient.

(d) The department is authorized and shall have all powers necessary to participate in federal programs and to comply with laws relating thereto.

(e) The governing authority of any county, municipality, or combination thereof may expend public funds received from the department to perform any public service or public function as authorized under the terms specified by the department or, in the absence of any such terms, as otherwise authorized by the Constitution or by law or to perform any other service or function as authorized by the Constitution.

(f) The department shall make available to any state agency or authority assigned to the department for administrative purposes all funds made available to the department for the use of any such state authority or agency. The department may make available funds to such state agencies or authorities for any lawful purposes of any such state agencies or authorities.

(g) The power and authority of the department under this Code section to make available to local governments or any other eligible recipient any funds shall be limited by the Constitution and laws of the state, and as specified in this Code section, but shall not otherwise be limited.

(h) Pursuant to Article VII, Section III, Paragraph III of the Constitution and as otherwise may be authorized, all grants and other disbursements of funds made by the department or from the emergency fund through the department prior to July 1, 1989, are approved, ratified, and confirmed.

(i) There is established within the department a state community development program. Funds may be appropriated to such a program by line item reference in any appropriations Act. Using such funds as may be appropriated the department may provide assistance to eligible local governments that are qualified to participate in the state administered federal community development block grant program, in the form of grants, loans, loan guarantees, or any combination thereof. Nothing contained in this subsection shall be construed to limit any other powers of the department. (Code 1981, § 50-8-8, enacted by Ga. L. 1988, p. 38, § 1; Ga. L. 1989, p. 1317, § 2.1; Ga. OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the statutory provisions, opinions under Ga. L. 1967, pp. 252 and 258, which were subsequently repealed but were succeeded by provisions in this Code section, are included in the annotations for this Code section.

Use of funds by planning and development commissioners. — Department of Community Development (now Department of Community Affairs) is not legally responsible for the manner in which the area planning and development commissions utilize funds made available to the commissions by the General Assembly through the department; those commissions are basically self-governing entities, not state agencies or political subdivisions. 1974 Op. Att'y Gen. No. 74-73 (decided under Ga. L. 1967, pp. 252 and 258).

Independent determination of grant eligibility. — State agency making grants to local governments must independently exercise the agency's statutory discretion in determining eligible applicants and may not limit eligibility solely on the basis of an administrative document of the General Assembly. 1993 Op. Att'y Gen. No. 93-19.

Eligibility of area planning and development commissions. — Department of Community Affairs has responsibility for determining eligibility of area planning and development commissions for funds. 1981 Op. Att'y Gen. No. 81-15 (decided under Ga. L. 1967, pp. 252 and 258).

Identification of recipients. — Since authority under this former section was merely to "make available such funds as may be appropriated by the General Assembly," the Department of Community Affairs should not have to identify any particular recipients. The legislature will itself identify recipients. 1981 Op. Att'y Gen. No. 81-15 (decided under Ga. L. 1967, pp. 252 and 258).

Housing assistance programs. — When the funds are not sought to create a planning service or to provide technical assistance, information, or advice in accordance with the purposes of Title II of the Housing and Community Development Act of 1974 (42 U.S.C. § 1437 et seq.), the department does not have the requisite statutory authority to apply for, receive, or administer federal grants under the section 8 housing assistance payments program for existing units established pursuant to such Act. 1976 Op. Att'y Gen. No. 76-15 (decided under Ga. L. 1967, pp. 252 and 258).

No discretion in disbursement of funds made available. — Department of Community Affairs has responsibility to disburse funds to area planning and development commissions. However, this disbursement cannot be contingent on the department's views of either the use made of moneys or adequacy of record-keeping procedures. In short, the department has no discretion in that disbursement. 1981 Op. Att'y Gen. No. 81-15 (decided under Ga. L. 1967, pp. 252 and 258).

50-8-9. Contracts with public and private entities or individuals.

(a) The department shall perform the duties, responsibilities, and functions and may exercise the power and authority described in this Code section. The department shall have the power to enter into contracts with local governments, school districts, state agencies, state authorities, and other public and private entities or individuals for any purpose necessary or incidental to carrying out or performing the duties, responsibilities, or functions of the department or exercising the power and authority of the department. No such contract shall constitute a donation or gratuity or the forgiveness of any debt or obligation owing to the public. No such contract shall constitute or be intended to constitute security for bonds or other obligations issued by any public agency, public corporation, or authority. No such contract shall constitute a pledge or loan of the credit of the state to any individual, company, corporation, or association, and the state, through the department, shall not become a joint owner or stockholder in or with any individual, company, association, or corporation.

(b) The power and authority of the department under this Code section to enter into contracts shall be limited to entering into contracts permitted under the Constitution and laws of the state and as specified in this Code section but shall not otherwise be limited.

(c) The department shall have the power to enter into contracts with the Georgia Housing and Finance Authority for any purpose necessary or incidental in assisting the Georgia Housing and Finance Authority in carrying out or performing its duties, responsibilities, and functions; provided, however, all such assistance shall be performed on behalf of and pursuant to the lawful purposes of the Georgia Housing and Finance Authority and not on behalf of the department; and provided, further, such assistance shall not include the authorization of the issuance of any bonds or other indebtedness of the authority. The department may undertake joint or complementary programs with the Georgia Housing and Finance Authority, including the provision for joint or complementary services, within the scope of their respective powers.

(d) Reserved.

(e) The department shall have the power to enter into contracts with the OneGeorgia Authority for any purpose necessary or incidental in assisting the OneGeorgia Authority in carrying out or performing its duties, responsibilities, and functions; provided, however, that all such assistance shall be performed on behalf of and pursuant to the lawful purposes of the OneGeorgia Authority and not on behalf of the department; and provided, further, that such assistance shall not include the

authorization of the issuance of any bonds or other indebtedness of the authority. The department may undertake joint or complementary programs with the OneGeorgia Authority, including the provision for joint or complementary services, within the scope of their respective powers. (Code 1981, § 50-8-9, enacted by Ga. L. 1988, p. 38, § 1; Ga. L. 1989, p. 1317, § 2.1; Ga. L. 1996, p. 872, § 7; Ga. L. 1997, p. 143, § 50; Ga. L. 1998, p. 1386, § 5; Ga. L. 2002, p. 1059, § 2; Ga. 50-8-10. Coordination of policies, programs, and actions of governments; research center on intergovernmental relations; leadership and community development programs.

(a) The department shall perform the duties, responsibilities, and functions and may exercise the power and authority described in this Code section. The department shall undertake and carry out such activities as may be necessary to coordinate policies, programs, and actions of governments in local government affairs and as may be specified by law. Such activities may include, but shall not be limited to, the following:

(1) The department may take such action as the commissioner may deem necessary, to the extent feasible and practicable as determined by the commissioner, to make the programs and policies including, but not limited to, comprehensive plans of all levels of government consistent and to minimize duplicated or inconsistent programs and policies including, but not limited to, comprehensive plans within the state government and among local governments;

(2) The department may review, on a continuous basis, the programs and policies including, but not limited to, comprehensive plans of all governments acting within the state to determine their consistency with long-range programs and policies of the state; and

(3) The department may consult with, meet with, confer with, and cooperate with the executive or legislative authorities of other states, with representatives of municipalities and counties of other states, with other representatives of governments, with representatives of private entities, and with others for the purpose of furthering the coordination of programs and policies affecting local government affairs within this state.

(b) The department shall serve as the state's clearing-house and research center on intergovernmental relations, including relationships

among federal, state, and local levels of government and, to this end, the department shall:

(1) Monitor, review, analyze, and communicate with and to others with respect to actions and developments in the United States Congress, in the federal agencies, and in other states which affect local governments or which may affect relations between the state and any local governments; and

(2) Coordinate its activities with the office of the Governor, other state agencies and authorities, and the state's members of the United States Congress.

(c) The department may provide, supervise, or coordinate leadership and community development programs for local governments and other programs with respect to local government affairs. The department may develop pilot programs or projects designed to address the problems and needs of local government. (Code 1981, § 50-8-10, enacted by Ga. L. 1988, p. 38, § 1; Ga. L. 1989, p. 1317, § 2.1.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1988, “and,” was substituted for “ , and ” following “levels of government” near the end of the introductory language of subsection (b).

50-8-11. Power to take action for furtherance of purposes of department; disposition of revenues.

(a) The department shall have the duty, responsibility, power, and authority to take all action necessary to further the purposes of the department, without regard for whether any such duty, responsibility, power, or authority is specifically mentioned in this article or otherwise specifically granted by law. Without limiting the general nature of this Code section:

(1) The department shall have all duties, responsibilities, power, and authority granted or specified under or pursuant to any other laws of the state and any executive orders issued by the Governor prior to July 1, 1989. ferred to the Department of Administrative Services on the effective date of this Act.” This Act became effective July 1, 2012.

50-8-18. Energy efficient construction of major state-funded facility projects; short title; legislative findings; “major facility project” defined.

(a) This Code section shall be known and may be cited as the “Energy Efficiency and Sustainable Construction Act of 2008.”

(b) The General Assembly finds that the welfare of this state is enhanced by the promotion of effective energy and environmental standards for construction, rehabilitation, and maintenance of state-funded facilities and that such standards in turn improve this state’s capacity to design, build, and operate high-performance buildings, contributing to economic growth, promoting job development, and increasing energy conservation.

(c) For purposes of this Code section, “major facility project” means a state-funded:

(1) New construction building project of a building exceeding 10,000 square feet;

(2) A renovation project that is more than 50 percent of the replacement value, as determined by the Department of Administrative Services Risk Management Division, of the facility, a change in occupancy, or any roof replacement project exceeding 10,000 square feet; or

(3) A commercial interior tenant fit-out project exceeding 10,000 square feet of leasable area where the state is intended to be the lessor of such property.

A major facility project shall not include a building, regardless of size, that does not have conditioned space as defined by the American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE) and shall not include a state owned building that is on the historical registry or any local, county, or municipal building.

(d) Consistent with the intent of this Code section, the department, in consultation with the Georgia State Finance and Investment Com-

mission, shall adopt policies and procedures as recommended standards for all buildings owned or managed by this state that:

- (1) Optimize the energy performance;
- (2) Increase the demand for construction materials and furnishings produced in Georgia;
- (3) Improve the environmental quality in this state by decreasing the discharge of pollutants from such state buildings;
- (4) Conserve energy and utilize local and renewable energy sources;
- (5) Protect and restore this state's natural resources by avoiding the development of inappropriate building sites;
- (6) Reduce the burden on municipal water supply and treatment by reducing potable water consumption;
- (7) Establish life cycle assessments as the appropriate and most efficient analysis to determine a building project's environmental performance level; and
- (8) Encourage obtaining Energy Star designation from the United States Environmental Protection Agency to further demonstrate a building project's energy independence.

(e) All major facility projects may be designed, constructed, and commissioned or modeled to exceed the standards set forth in ASHRAE 90.1.2004 by 30 percent where it is determined by the department that such 30 percent efficiency is cost effective based on a life cycle cost analysis with a payback at no more than ten years. Commissioning or modeling must be performed by a professional engineer, design professional, or commissioning agent using software methodology approved by the Internal Revenue Service, the Department of Energy, current ASHRAE standards, or other similar methodology. For all major renovation projects, such requirements shall apply to the specific building assemblies, envelope components, and equipment involved in the project.

(f) All major facility projects shall be designed, constructed, and commissioned or modeled to achieve a 15 percent reduction in water use when compared to water use based on plumbing fixture selection in accordance with the Energy Policy Act of 1992.

(g) To achieve sustainable building standards, construction projects may utilize a nationally recognized high performance energy modeling and environmental building rating system; provided, however, that any such rating system that uses a material or product based credit system that operates to the detriment of materials or products manufactured or

produced in Georgia shall not be utilized. The department shall designate rating systems that meet these criteria and is authorized to establish its own alternative rating system. All major facility projects shall include Georgia products such that not less than 10 percent of all building materials used in a project are harvested, extracted, or manufactured in the State of Georgia where such products are commercially available in a manner consistent with the purposes of this Code section.

(h) A professional engineer, design professional, or commissioning agent shall certify that the building project's systems for heating, ventilating, air conditioning, energy conservation, and water conservation are installed and working properly to ensure that each building project performs according to the building's overall environmental design intent and operational objectives. (Code 1981, § 50-8-18, enacted by Ga. L. 2008, p. 224, § 4/SB 130.)

Editor's notes. — Ga. L. 2008, p. 224, § 7/SB 130, not codified by the General Assembly, provides that this Code section shall apply to design agreements for major facilities projects entered into on or after July 1, 2010.

U.S. Code. — The Energy Policy Act of 1992, referred to in subsection (f), is codified at 42 U.S.C. § 13201 et seq.

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the statutory provisions, opinions under former O.C.G.A. § 50-8-31, which was subsequently repealed but was succeeded by provisions in this Code section, are included in the annotations for this Code section.

Authority to loan or borrow funds. — Expanded duty and authority given Regional Development Centers under

O.C.G.A. § 50-8-35(e) would authorize a Regional Development Center to loan funds to the extent necessary in administering any federal or state programs; however, it would not authorize a Regional Development Center to borrow money from private lenders. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-31).

50-8-32. Creation of regional commissions.

Regional commissions are created and established as public agencies and instrumentalities of their members which shall facilitate coordinated and comprehensive planning in conformity with minimum standards and procedures established pursuant to law. Regional commissions shall function as the regional planning entity for land use, environmental, transportation, and historic preservation planning in each designated region of the state. Each such agency and instrumentality shall be known as a regional commission and shall be designated, by name for all purposes, with such identifying words before the term "regional commission" as the Board of Community Affairs may, from time to time in accordance with the provisions of subsection (f) of Code Section 50-8-4, choose and designate by official action. The number of regional commissions and the region within which each regional commission shall operate shall initially be established and subsequently may be changed from time to time by the Board of Community Affairs pursuant to Code Section 50-8-4. Each county shall be wholly within the region of one regional commission, and no county shall be divided among more than one region. Without limiting the generality of the foregoing, the Board of Community Affairs shall establish the boundaries of any region for which a metropolitan area planning and development commission, created pursuant to Article 4 of this chapter, also serves as the regional commission. (Code 1981, § 50-8-32, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the statutory provisions, opinions under former O.C.G.A. § 50-8-32, which was subsequently repealed but was succeeded by provisions in this Code section, are included in the annotations for this Code section.

No authority to create nonprofit corporation. — Because a Regional De-

velopment Center is a public agency and an instrumentality of the municipalities and counties in its region, it is not an entity authorized by law to create a nonprofit corporation. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-32).

Participation of county or municipality as member of Atlanta Regional

Commission. — County or municipality may participate as a member of the Atlanta Regional Commission for the limited purposes of federal laws and regulations governing metropolitan planning organizations while remaining a member of a regional development center other than the Atlanta Regional Commission so long as statutory processes and approvals are obtained. 2004 Op. Att’y Gen. No. 2004-1 (decided under former O.C.G.A. § 50-8-32).

50-8-33. Municipal and county membership; annual dues; distribution of state funds.

(a) Each municipality and county in the state shall automatically be a member of the regional commission for the region which includes the municipality or county, as the case may be.

(b)(1) Each county and municipality in the state shall pay the annual dues for membership in its regional commission. Each county and the municipalities within such county shall continue to use the arrangement for the payment of dues which was in effect on June 30, 2009, for the payment of dues to the regional development centers which preceded the regional commissions created by this article until a revised arrangement for the amount, apportionment, and payment of annual dues is established by the county and the municipalities within such county. If an arrangement for the payment of such dues is structured so that a county pays dues only on behalf of residents of the unincorporated areas of the county, then the annual dues paid by such county shall come solely from revenues derived from the unincorporated areas of the county.

(2) State funds appropriated to the department and available for the purpose of assisting regional commissions shall be distributed in accordance with this paragraph. The department shall establish a minimum funding amount for regional commissions, conditioned upon the amount of state funds appropriated, and a supplemental funding formula to be used for the distribution of available state funds in excess of the minimum funding amount. While each regional commission must assess and collect annual dues in the amount of 25¢ for each resident of each county within the regional commission, based upon the most recent estimate of population approved by the department for this purpose, to be eligible for any minimum funding from state appropriated funds, each regional commission must assess and collect annual dues in the aggregate averaging a minimum amount of \$1.00 for each resident of each county within the regional commission, based upon the most recent estimate of population approved by the department for this purpose. To be eligible for any supplemental funding, each regional commission shall apply to the department in a manner established by the department to determine eligibility for funds distributed pursuant to the supplemental funding formula.

(3) The initial supplemental funding formula established by the department to be used for the distribution of available state funds in excess of the minimum funding amount shall be promulgated by the department in accordance with the procedures of Code Section 50-8-7.2. (Code 1981, § 50-8-33, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-34. Councils of regional commissions; membership; terms of membership; voting; officers; powers.

(a) The council of each regional commission shall establish policy and direction for the regional commission and shall perform such other functions as may be provided or authorized by law.

(b) The manner of selecting such regional commission council members shall be as prescribed by its bylaws and membership on the council shall be determined as follows:

(1) The council shall include the chief elected official of each county governing body in the region for a period of time concurrent with each such elected official's term of elected office. If the chief elected official for a county is unable to serve on the council, he or she shall appoint another elected county official. In the case of a consolidated government where there is not another municipality located within the boundaries of the county, a second member of such consolidated government shall be appointed to the board;

(2) The council shall include one elected official from one municipality in each county in the region for a period of time concurrent with each such elected official's term of elected office;

(3) The council shall include three residents of the region appointed by the Governor, each for a term of two years. One of such three appointees shall be a member of a school board located within the region or a superintendent of schools within the region, and two of such three appointees shall be nonpublic council members;

(4) The council shall include one nonpublic council member appointed by the Lieutenant Governor for a term of two years and one nonpublic council member appointed by the Speaker of the House of Representatives for a term of two years; and

(5) The council may include any additional members determined necessary by the commissioner for purposes of complying with laws or regulations, or otherwise. Any such additional members shall be selected by the council and shall serve for a term of one year.

(c) The term of a member shall terminate immediately upon:

(1) Resignation by a member;

(2) Death of a member or inability to serve as a member due to medical infirmity or other incapacity; or

(3) Any change in local elective office or residence of a member which would cause the composition of the council not to comply with the requirements of subsection (b) of this Code section.

(d) Each member of the council shall have one vote. Establishment of a quorum for purposes of the conduct of business shall be determined by the bylaws of the regional commission.

(e) Each regional commission council shall elect from among its council members a chairperson, vice chairperson, and secretary or treasurer who shall serve for a term of two years and until their successors are elected and qualified. Such elections shall be held biennially at a meeting designated for that purpose in the regional commission's bylaws.

(f) Each council shall exercise the following powers:

(1) The powers, duties, responsibilities, and functions enumerated in Code Section 50-8-35;

(2) The appointment and removal of a full-time executive director for the regional commission;

(3) The establishment of such committees as the council shall deem appropriate;

(4) The adoption of an annual work program for the regional commission;

(5) The adoption of an annual budget to support the annual work program; and

(6) The determination of the policies and programs to be implemented and operated by the regional commission as may be provided or authorized by law. (Code 1981, § 50-8-34, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-34.1. Executive director of commission; performance standards and annual performance review.

(a) Each regional commission shall have an executive director who shall serve at the pleasure of the council and who shall be subject to appointment and removal by a majority vote of the members of the council. The executive director shall perform such duties as assigned by the council.

(b) Each regional commission council shall require performance standards for measurement of the activities of the regional commission.

The council shall conduct an annual performance review of the executive director of the regional commission measured by standards developed by the council. (Code 1981, § 50-8-34.1, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-35. General powers.

(a) Each regional commission, as authorized by the council of such regional commission and consistent with federal and state law, shall perform the duties, responsibilities, and functions and may exercise the power and authority described in this Code section. Each commission may exercise the following power and authority:

(1) Each commission may adopt bylaws and make rules and regulations for the conduct of its affairs;

(2) Each commission may make and enter into all contracts necessary or incidental to the performance of its duties and functions so long as the chairperson of the commission's council and the executive director of the commission jointly execute any such contracts between a regional commission and state or federal agencies, or any other such contracts as determined by the bylaws or the council. Neither a commission, nor any nonprofit corporation established or controlled by that commission, may enter into any contract obligating that regional commission or nonprofit corporation to perform services for any political subdivision, individual, or business entity located wholly outside the boundaries of that commission's region, except that one commission, on its own behalf and not on behalf or for the direct benefit of any political subdivision, individual, or business entity within that commission's boundaries, may contract with another commission to provide services for the benefit of one or both commissions. A commission may contract with any state agency for coordinated and comprehensive planning covering areas not within the territorial boundary of the commission, provided that any such contract is made with the approval of the regional commission's council;

(3) Each commission may acquire and dispose of real and personal property;

(4) Each commission may utilize the services of the Department of Administrative Services;

(5) Each commission may prepare studies of the area's resources as they affect existing and emerging problems of industry, commerce, transportation, population, housing, agriculture, public services, local governments, and any other matters relating to area planning and development;

(6) Each commission may collect, process, and analyze, at regular intervals, the social and economic statistics for the region, which statistics are necessary to planning studies, and make the results available to the general public;

(7) Each commission may participate with local, state, or federal governmental agencies, educational institutions, and public and private organizations in the coordination and implementation of research and development activities;

(8) Each commission may cooperate with all units of local government and planning and development agencies within the commission's region and coordinate area planning and development activities with those of the state and of the units of local government within the commission's region as well as neighboring regions and with the programs of federal departments, agencies, and regional commissions; and provide such technical assistance, including data processing and grant administration services for local governments, as may be requested of it by a unit or units of local government within the commission's region; and such technical assistance shall not be limited to planning and development activities but may include technical assistance of any nature requested by a unit or units of local government within the commission's region;

(9) Each commission may carry out such other programs as its council or the department shall require from time to time;

(10) Each commission may, when appropriate, administer funds involving more than one political subdivision;

(11) Each commission may, upon the signed resolution of its council and written approval by each unit of local government affected, initiate, continue, or renew arrangements with the United States government, an adjoining state, this state, a unit of local government, any agency or instrumentality of the foregoing, or a public or private organization for the management, administration, or operation of human service programs by such regional commission. The commission shall be permitted to enter into contracts to provide, or to provide directly with the council's approval, governmental services on behalf of the local governments. Direct services shall be provided to a municipality or county only after such municipality or county has passed a resolution requesting such services and the council has approved the municipality's or county's resolution. Contracts for direct services pursuant to this paragraph shall be for one year, subject to renewal. Direct services shall not include human service programs. Contracts for government services may specifically authorize governmental services other than human service programs in writing from time to time and for any specified period of time.

Services provided by human services programs may be provided if the regional commission enters into contracts with other authorized entities, including units of local government, for the delivery of goods or services to individual consumers. A commission providing direct services pursuant to this paragraph shall not provide such services on a for profit basis. Regional commissions shall be authorized to provide technical assistance to units of local government in areas of governmental services; and

(12) Each commission may provide the following benefits to its employees, their dependents, and survivors, in addition to any compensation or other benefits provided to such persons:

(A) Retirement, pension, disability, medical, and hospitalization benefits, through the purchase of insurance or otherwise;

(B) Life insurance coverage and coverage under federal old age and survivors' insurance programs;

(C) Sick leave, annual leave, military leave, and holiday leave; and

(D) Any other similar benefits including, but not limited to, death benefits.

(b) Each commission shall adopt personnel policies and practices with specific reference to job descriptions and qualifications. Minimum qualifications for the professional personnel of each regional commission shall be established by the council of the regional commission.

(c) Each commission shall undertake and carry out such planning and technical assistance activities as its council or the department may deem necessary for the development, preparation, and implementation of comprehensive plans for the commission's region and for municipalities and counties within the commission's region and such planning and technical assistance activities as its council or the department may deem necessary for coordinated and comprehensive planning within the commission's region. Such planning and technical assistance activities may include, but shall not be limited to, the following:

(1) A commission may coordinate and assist local governments in preparing local plans for submission to the regional commission;

(2) A commission may provide technical planning assistance to local governments;

(3) A commission may develop and prepare a local plan for a county or municipality if the county or municipality enters into a contract with a commission for that purpose;

(4) A commission may require that comprehensive plans within its region include elements in addition to those established by the

department as minimum standards and procedures but, before imposing any such requirement, the commission shall have received the department's approval of any additional elements to be included in such comprehensive plans;

(5) A commission may establish within its comprehensive plan goals, objectives, policies, and recommendations consistent with those established by the Governor's Development Council or by the department, for its region; and

(6) Each commission shall prepare and adopt a regional plan and submit the regional plan to the department. The regional plan shall take into consideration issues and opportunities facing the region, the commissioner's recommendations to address such issues, and local plans within the region. The regional plan may be prepared but shall not be adopted by the council until after a proposed regional plan has been made public, reviewed, and approved as meeting the minimum requirements of the department; and after the council has held, or caused to be held by a designated hearing officer, a public hearing on the regional plan, in accordance with such procedures as the department may establish.

(d) Each commission shall participate in compiling a Georgia data base and network, coordinated by the department, to serve as a comprehensive source of public information available, in an accessible form, to local governments, state agencies, and members of the General Assembly.

(e) A commission shall serve as liaison with other governments, including federal government agencies and state agencies. In this capacity, a commission may administer programs within the state upon the request of its council and may administer federal or state government programs upon designation by the federal or state government. Each commission shall be designated as the official planning agency for all state and federal programs to be carried out in the region if such designation is required and if the department concurs in such designation. A commission may take all action and shall have all power and authority necessary to carry out its responsibilities, duties, and functions under any such state or federal programs.

(f)(1)(A) In order to accomplish the intent of subsection (e) of this Code section, each regional commission is authorized to create nonprofit corporations to administer federal or state revolving loan programs or loan packaging programs, and to administer federal or state housing and development programs and funds available only to nonprofit corporations. Each such nonprofit corporation must be authorized by the commission's council and each unit of local government affected.

(B) Any nonprofit corporation which, prior to April 1, 1994, has been created by a commission or its predecessor and has had articles of incorporation which are regular on their face accepted for filing by the Secretary of State shall be recognized as and have legal status as a validly created nonprofit corporation under the laws of this state for all purposes, notwithstanding the requirements of subparagraph (A) of this paragraph and notwithstanding any lack of express statutory authority on the part of the commission to carry out such incorporation at the time of filing of the articles of incorporation. Nothing in this subparagraph, however, shall excuse such a nonprofit corporation from complying on and after April 1, 1994, with any and all requirements imposed by law for continuation of its corporate existence in the same manner as other nonprofit corporations created under this paragraph are required to comply with legal requirements for their continued existence.

(2) Employees and any other authorized representatives of a nonprofit corporation created pursuant to paragraph (1) of this subsection are authorized to expend nonpublic funds of such corporation for the business meals and incidental expenses of bona fide industrial prospects and other persons who attend any meeting at the request of the nonprofit corporation to discuss the location or development of new business, industry, or tourism within the commission's region. All such expenditures shall be verified by vouchers showing date, place, purpose, and persons for whom such expenditures were made. All receipts of nonpublic funds shall be evidenced by vouchers showing the date, amount, and source of each receipt. A schedule shall be included in each annual audit which reports the beginning balance of unexpended nonpublic funds; the date, amount, and source of all receipts of nonpublic funds; the date, place, purpose, and persons for whom expenditures were made for all such expenditures of nonpublic funds; and the ending balance of unexpended nonpublic funds. The auditor shall verify and test such beginning balances, receipts, expenditures, and ending balances sufficient to express an opinion thereon in accordance with generally accepted government auditing standards.

(3) A nonprofit corporation shall keep books of account reflecting all funds received, expended, and administered by the nonprofit corporation which shall be independently audited at least once in each fiscal year during which a nonprofit corporation functions. Such audit shall be conducted in accordance with generally accepted government auditing standards. The state auditor shall promulgate policies and procedures for procurement of such audit of the financial affairs of a nonprofit corporation and shall annually review the audit procurement process to determine compliance with established poli-

cies and procedures. The nonprofit corporation shall be responsible for the costs associated with such audit. The auditor's report shall be presented to the commissioner, who shall make such report available to each council member within the region and to the Board of Community Affairs. The books of account shall be kept in a standard, uniform format to be determined by the state auditor and the commissioner. Each nonprofit corporation shall update its books of account on a quarterly basis and shall present the quarterly update to the commissioner.

(4) Each nonprofit corporation shall submit to the department copies of all filings made to federal, state, or local taxing authorities, including filings related to tax exemptions simultaneous with such filings.

(5)(A) Each annual audit report of a nonprofit corporation shall be completed and a copy of the report forwarded to the state auditor within 180 days after the close of the nonprofit corporation's fiscal year. In addition to the audit report, the nonprofit corporation shall forward to the state auditor, within 30 days after the audit report due date, written comments on the findings and recommendations in the report, including a plan for corrective action taken or planned and comments on the status of corrective action taken on prior findings. If corrective action is not necessary, the written comments should include a statement describing the reason it is not.

(B) The state auditor shall review the audit report and written comments submitted to his or her office to ensure that they meet the requirements for audits provided for in paragraph (3) of this subsection. If the state auditor finds the requirements for audits have not been complied with, the state auditor shall, within 60 days of his or her receipt of the audit or written comments, notify the nonprofit corporation and the auditor who performed the audit and shall submit to them a list of the deficiencies to be corrected. A copy of this notification shall also be sent by the state auditor to the commission related to the nonprofit corporation, the chief elected official of each county and municipality within the commission's region, and to each member of the General Assembly whose senatorial or representative district includes any part of the commission's region.

(C) If the state auditor has not received any required audit or written comments by the date specified in subparagraph (A) of this paragraph, the state auditor shall within 30 days of such date notify the nonprofit corporation that the audit has not been received as required by law. A copy of this notification shall also be sent by the state auditor to the commission related to the nonprofit

corporation, the chief elected official of each county and municipality within the related commission's region, and to each member of the General Assembly whose senatorial or representative district includes any part of the related commission's region.

(D) The state auditor, for good cause shown by those nonprofit corporations in which an audit is in the process of being conducted or will promptly be conducted, may waive the requirement for completion of the audit within 180 days. Such waiver shall be for an additional period of not more than 180 days and no such waiver shall be granted for more than two successive years to the same nonprofit corporation.

(6) A copy of the report and of any comments made by the state auditor pursuant to subparagraph (B) of paragraph (5) of this subsection shall be maintained as a public record for public inspection during the regular working hours at the principal office of the nonprofit corporation and the related commission.

(7) Upon a failure, refusal, or neglect to have an annual audit made or a failure to file a copy of the annual audit report with the state auditor or a failure to correct auditing deficiencies noted by the state auditor, the state auditor shall cause a prominent notice to be published in the legal organ of and any other newspapers of general circulation within each county and municipality within the related commission's region. Such notice shall be a prominently displayed advertisement or news article and shall not be placed in that section of the newspaper where legal notices appear. Such notice shall be published once a week for two consecutive weeks and shall state that the nonprofit corporation has failed or refused to file an audit report or to correct auditing deficiencies, as the case may be, for the fiscal year or years in question. Such notice shall further state that such failure or refusal is in violation of state law.

(8) The state auditor may waive the requirement of correction of auditing deficiencies for a period of one year from the required audit filing date, provided that evidence is presented that substantial progress is being made toward removing the cause of the need for the waiver. No such waiver for the same set of deficiencies shall be granted for more than two successive years to the same nonprofit corporation.

(g) A commission shall be prohibited from either creating or controlling or causing to be created any nonprofit corporation, except as authorized in paragraph (1) of subsection (f) of this Code section.

(h) Neither a commission nor a nonprofit corporation either created or controlled or caused to be created by the commission shall administer any federal program which prohibits the state auditor from conducting a performance audit relative to such program.

(i) In any case where a commission contracts with a state agency, the contract shall include a provision requiring cancellation of the contract if the department determines that the commission or a nonprofit corporation either created or controlled or caused to be created by the commission is not fully cooperating with a performance audit conducted by the department.

(j) Each commission shall develop a department approved continuing education program for professional staff members of such commissions. (Code 1981, § 50-8-35, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the statutory provisions, decisions under former O.C.G.A. § 50-8-35, which was subsequently repealed but was succeeded by provisions in this Code section, are included in the annotations for this Code section.

Performance audits of regional development centers and nonprofit corporations. — Department of Community Affairs had statutory authority to conduct

performance audits of all nonprofit corporations created by regional development centers and the audits necessarily included authorized access to all of the books and records of the regional development centers and nonprofit corporations created by such centers. *Coastal Ga. Regional Dev. Ctr. v. Higdon*, 263 Ga. 827, 439 S.E.2d 902 (1994) (decided under former O.C.G.A. § 50-8-35).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the statutory provisions, opinions under former O.C.G.A. §§ 50-8-34 and 50-8-35, which were subsequently repealed but were succeeded by provisions in this Code section, are included in the annotations for this Code section.

Public accountability. — Regional development center is not subject to the minimum budget and auditing requirements set forth in O.C.G.A. § 36-81-1 et seq.; however, a center is subject to public accountability under other provisions of state law. 1990 Op. Att'y Gen. No. 90-37 (decided under former O.C.G.A. § 50-8-35).

Regional development center lacks authority to abrogate the center's duty to be accountable for the nonprofit corporations the center is authorized to create. 1996 Op. Att'y Gen. No. 96-8 (decided under former O.C.G.A. § 50-8-35).

Administration of Job Training Partnership Program by Private Industry Council. — Regional development center is authorized to contract with

a Private Industry Council to administer the Job Training Partnership Program within the council's service delivery area as long as the council's service delivery area overlaps the territorial boundary of the regional development center. 1990 Op. Att'y Gen. No. 90-27 (decided under former O.C.G.A. § 50-8-35).

Use of grant funds. — Regional Development Center cannot accept grant funds for a purpose which is either specifically prohibited or which the center lacks authority to perform, except that, upon the signed resolution of the center's board and written approval by each unit of local government affected, a Regional Development Center may enter into contracts with other authorized entities for the delivery of human service programs; provided, the service delivery area overlaps the territorial boundaries of the Regional Development Center. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-35).

Delivery of goods and services. — Regional Development Center would not

be prohibited from performing eligibility certification under the Job Training Partnership Act, 29 U.S.C. § 1501 et seq., inasmuch as the "intake" process merely involves screening applicants for appropriate referral to the organization which will actually conduct the training or delivery of services. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-35).

Authority to loan or borrow funds.

— Expanded duty and authority given Regional Development Centers under former O.C.G.A. § 50-8-35(e) would authorize a Regional Development Center to loan funds to the extent necessary in administering any federal or state programs; however, it would not authorize a Regional Development Center to borrow money from private lenders. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-35).

No authority to create nonprofit corporation. — Because a Regional Development Center is a public agency and an instrumentality of the municipalities and counties in its region, it is not an entity authorized by law to create a nonprofit corporation. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-35).

No authority to pay entertainment expenses. — Regional Development Centers, as public agencies and instrumental-

ities of the municipalities and counties in its region, are subject to the Georgia Constitution's gratuities clause. Absent any specific authorizing statute, the payment of entertainment expenses would be unauthorized. Indeed, such an expenditure would constitute a gratuity in violation of the Georgia Constitution. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-35).

Membership in contracting corporation precluded. — Regional Development Center (RDC) board member may not also serve as a board member of a non-profit corporation created by the RDC, pursuant to former O.C.G.A. § 50-8-35(f)(1), during the period that a contract exists between the two entities. 1993 Op. Att'y Gen. No. 93-1 (decided under former O.C.G.A. § 50-8-35).

Scope of authority. — Regional Development Center has only such powers as are conferred upon it by the legislature, either expressly or by necessary implication. 1992 Op. Att'y Gen. No. 92-1 (decided under former O.C.G.A. § 50-8-34).

Election of nonpublic board members, presence required. — Regional Development Center board member's right to vote for a nonpublic board member is limited to those board members who are actually present at the time the vote is taken in a legal meeting. 1994 Op. Att'y Gen. No. 94-17 (decided under former O.C.G.A. § 50-8-34).

50-8-36. Review, comment, and recommendation regarding local plans; public meetings and hearings.

(a) Each local plan shall be submitted for review, comment, and recommendation to the appropriate regional commission and shall become effective in accordance with this Code section. Each municipality and county within a region shall submit its local plan to the regional commission for that region for review, comment, and recommendation by the regional commission. The commission shall maintain all local plans which it receives in this manner in files available for inspection by the public.

(b) Within ten days after receipt of a local plan, the regional commission shall notify each municipality or county within its region which may be affected by the local plan of the general nature of the plan, the date of its submission, and the identity of the submitting municipality or county. In addition, any local governments contiguous

to, or operating within, the submitting municipality or county shall be notified by the regional commission in the same manner.

(c) Within 15 days after the regional commission gives the notice required by subsection (b) of this Code section, any local government within the region and any other local government which received notice from the regional commission may present, to the regional commission, its views on the local plan in a public meeting or hearing which shall be held in accordance with rules established by the regional commission with prior approval of the department.

(d) The regional commission shall determine whether the adoption or implementation of the local plan would present any conflict. The regional commission may recommend a modification of the local plan in such a manner as to eliminate any conflict or alleviate any problem or difficulty which such conflict may create. The regional commission's determination shall be in writing, shall be made public, and shall be communicated by written notice given to the municipality or county which submitted the local plan within 15 days after the date of the public meeting or hearing.

(e) The municipality or county which submitted the local plan may request reconsideration of any recommendation by a regional commission within ten days after the regional commission's recommendation is made public. For purposes of such reconsideration, the regional commission shall schedule, announce, and hold a public hearing within 15 days after receipt of the request for reconsideration. Notice of the time and place of any such public hearing shall be given by the regional commission to all members of the regional commission, in accordance with such procedures as the regional commission may establish, subject to the prior approval of the department. The regional commission shall also give such notice to all affected municipalities and counties and appropriate state regulatory boards and agencies.

(f) Within ten days after the public hearing, the regional commission shall either continue its recommendations or modify the recommendations. In either case, the regional commission shall make public its determination and shall give written notice of its determination to the municipality or county which submitted the local plan. (Code 1981, § 50-8-36, enacted by Ga. L. 2008, p. 181, § 5/HB 1216; Ga. L. 2013, p. 1104, § 2/SB 104.)

The 2013 amendment, effective July 1, 2013, deleted former subsection (g), which read: "No municipality or county shall take any action to adopt any local plan, or to put into effect any local plan, until 60 days after the date when the

municipality or county, as the case may be, submitted its complete local plan to the regional commission for review, comment, and recommendation, except that any request for reconsideration of any recommendation by a regional commis-

sion pursuant to subsection (e) of this Code section shall automatically operate to extend the 60 day period to 90 days.”

50-8-37. Review by commission of applications submitted to United States or state or agency thereof.

A regional commission shall review all applications of municipalities, counties, authorities, commissions, boards, or agencies within the area for a loan or grant from the United States, the state, or any agency thereof if review by a region-wide agency or body is required by federal or state law, rule, or regulation. In each case requiring review, the municipality, county, authority, commission, board, or agency shall, prior to submitting its application to the United States or state or agency thereof, transmit the same to the regional commission for its review. The comments of the regional commission shall then become a part of the application, to be appended thereto when finally submitted for the consideration of the United States, the state, or any agency thereof. (Code 1981, § 50-8-37, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-38. Accounting of funds by commission; disclosure; access to documents.

(a) A regional commission shall keep books of account reflecting all funds received, expended, and administered by the regional commission which shall be independently audited at least once in each fiscal year during which a regional commission functions. Such audit shall be conducted in accordance with generally accepted government auditing standards. The state auditor shall promulgate policies and procedures for procurement of such audit of the financial affairs of a regional commission and shall annually review the audit procurement process to determine compliance with established policies and procedures. The regional commission shall be responsible for the costs associated with such audit. The auditor’s report shall be presented to the governing body of each member within the region and to the department. Beginning July 1, 1990, the books of account shall be kept in a standard, uniform format to be determined by the state auditor and the commissioner. Each regional commission shall update its books of account on a quarterly basis and shall present the quarterly update to the commissioner. The state auditor shall conduct at least triennially a performance audit of all state funds received by each regional commission and the department shall provide funds for such audits. The state auditor shall provide copies of a performance audit of a regional commission to the chief elected official of each county and municipality within the regional commission’s region.

(b) In conducting a performance audit of a regional commission, the state auditor shall be allowed access to all books, records, and documents of the regional commission and all books, records, and documents of any nonprofit corporations either created or controlled or caused to be created by the regional commission, to the extent the state auditor deems necessary.

(c)(1) Each annual audit report of a regional commission shall be completed and a copy of the report forwarded to the state auditor within 180 days after the close of the regional commission's fiscal year. In addition to the audit report, the regional commission shall forward to the state auditor, within 30 days after the audit report due date, written comments on the findings and recommendations in the report, including a plan for corrective action taken or planned and comments on the status of corrective action taken on prior findings. If corrective action is not necessary, the written comments should include a statement describing the reason it is not.

(2) The state auditor shall review the audit report and written comments submitted to his or her office to ensure that they meet the requirements for audits provided for in subsection (a) of this Code section. If the state auditor finds the requirements for audits have not been complied with, the state auditor shall, within 60 days of his or her receipt of the audit or the written comments, notify the regional commission and the auditor who performed the audit and shall submit to them a list of deficiencies to be corrected. A copy of this notification shall also be sent by the state auditor to the chief elected official of each county and municipality within the regional commission's region and to each member of the General Assembly whose senatorial or representative district includes any part of the regional commission's region.

(3) If the state auditor has not received any required audit or written comments by the date specified in paragraph (1) of this subsection, the state auditor shall within 30 days of such date notify the regional commission that the audit has not been received as required by law. A copy of this notification shall also be sent by the state auditor to the chief elected official of each county and municipality within the regional commission's region and to each member of the General Assembly whose senatorial or representative district includes any part of the regional commission's region.

(4) The state auditor, for good cause shown by those regional commissions in which an audit is in the process of being conducted or will promptly be conducted, may waive the requirement for completion of the audit within 180 days. Such waiver shall be for an additional period of not more than 180 days and no such waiver shall be granted for more than two successive years to the same regional commission.

(d) A copy of the report and of any comments made by the state auditor pursuant to paragraph (2) of subsection (c) of this Code section shall be maintained as a public record for public inspection during the regular working hours at the principal office of the regional commission.

(e) Upon a failure, refusal, or neglect to have an annual audit made or a failure to file a copy of the annual audit report with the state auditor or a failure to correct auditing deficiencies noted by the state auditor, the state auditor shall cause a prominent notice to be published in the legal organ of and any other newspapers of general circulation within each county and municipality within the regional commission's region. Such notice shall be a prominently displayed advertisement or news article and shall not be placed in that section of the newspaper where legal notices appear. Such notice shall be published once a week for two consecutive weeks and shall state that the regional commission has failed or refused to file an audit report or to correct auditing deficiencies, as the case may be, for the fiscal year or years in question. Such notice shall further state that such failure or refusal is in violation of state law.

(f) The state auditor may waive the requirement of correction of auditing deficiencies for a period of one year from the required audit filing date, provided that evidence is presented that substantial progress is being made toward removing the cause of the need for the waiver. No such waiver for the same set of deficiencies shall be granted for more than two successive years to the same regional commission.

(g) Any other provision of this chapter to the contrary notwithstanding, nothing in this chapter shall be construed to require public disclosure of or access to any documents or information relating to loans made by or assigned to the United States Small Business Administration which are exempt from disclosure based upon the federal Privacy Act of 1974, the federal Freedom of Information Act, or the Code of Federal Regulations.

(h) Notwithstanding any other provision of this chapter, the state auditor shall not be authorized or required to conduct financial or performance audits of any records or documents relating to loans made by or assigned to the United States Business Administration or any other entity or agency of the United States government if said agency's administrator certifies in writing to the state auditor that said records or documents may not be disclosed to state auditors under applicable federal regulations. (Code 1981, § 50-8-38, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-39. Appointment of receiver of assets for protecton of creditors upon center's ceasing of operations.

Upon a regional commission's ceasing operations, the local government members of the regional commission shall, within 30 days of cessation of the regional commission's operations, appoint a receiver of the assets of the regional commission for the protection of creditors. The receiver shall be authorized to marshal, sell, or transfer assets, pay liabilities, and assess counties and municipalities which were members of the regional commission. After the completion of such liquidation, a distribution shall be made to the local government members on a pro rata basis according to the amount of contributions such members made to the regional commission. 50-8-40. Notice of intent to designate area-wide or multicounty agency.

When federal or state law or regulations require the designation of an area-wide or multicounty public or private corporation, organization, or agency for multicounty delivery of human service programs, the state agency administering such programs shall send a notice of intent to designate such area-wide or multicounty corporation, organization, or agency to units of local government and the regional commissions in the area to be affected. The notice shall discuss in general the details of the program and, when applicable, possible local government involvement. (Code 1981, § 50-8-40, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-41. Regional development centers succeeded by regional commissions.

Each regional development center in existence as of June 30, 2009, shall automatically be succeeded by the regional commission for the same region as of July 1, 2009, and each such regional commission shall be governed, from and after July 1, 2009, by this article. All contractual obligations, obligations to employees, other duties, rights, and benefits of such regional development center shall automatically become duties, obligations, rights, and benefits of their respective successor regional commissions. 50-8-42. Remaining powers of metropolitan area planning and development commissions.

Any metropolitan area planning and development commission, created pursuant to Article 4 of this chapter, shall also serve as the regional commission for the area covered by such metropolitan area planning and development commission. The duties, responsibilities, and functions and the power and authority granted the metropolitan area planning and development commission by law are, and shall be construed to be, cumulative with, and in addition to, the duties, responsibilities, and functions and the power and authority granted regional commissions by law. In the event of any conflict between the provisions of law governing metropolitan planning and development commissions and those governing regional commissions, however, the laws governing metropolitan area planning and development commissions shall control and shall govern the metropolitan area planning and development commission. For example, but without intending to limit the generality of the foregoing statement, the provisions of Code Sections 50-8-84 through 50-8-87, regarding membership of a metropolitan area planning and development commission, terms of officers, quorums, and elections of officers, would govern a metropolitan area planning and development commission instead of the provisions covering the same subject matter under this article. (Code 1981, § 50-8-42, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-43. Appropriation or loan of funds, facilities, supplies, and equipment by local government entities.

The governing authorities of the local governmental entities within each regional commission may appropriate or loan their funds, facilities, equipment, and supplies to the regional commission. (Code 1981, § 50-8-43, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-44. Exemption from taxes.

Each regional commission exists for nonprofit and public purposes; and it is found and declared that the carrying out of the purposes of each regional commission is exclusively for public benefit and its property is public property. Thus, no regional commission shall be required to pay any state or local ad valorem, sales, use, or income taxes. (Code 1981, § 50-8-44, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-45. Authorized purchases by Department of Administrative Services; commissioner of administrative services to prescribe regulations and standards.

(a) The following provisions apply to all regional commissions. The Department of Administrative Services is authorized to permit regional commissions, on an optional basis, to purchase their motor vehicles, material, equipment, services, and supplies through the state and to issue purchase orders for regional commissions for motor vehicles, material, equipment, services, and supplies.

(b) The regional commissions of this state are authorized to purchase stock from the state's central supply system operated by the Department of Administrative Services.

(c) The regional commissions of this state are authorized to purchase under state-wide term contracts and price agreements established by the Department of Administrative Services.

(d) The regional commissions of this state are authorized to receive directly from the Department of Administrative Services personal property declared surplus by the state.

(e) The commissioner of administrative services shall prescribe regulations necessary for implementation of this Code section and is authorized to establish minimum standards and uniform standard specifications and procedures for the purchase and distribution and disposition of motor vehicles, material, equipment, services, and supplies for the regional commissions of this state. (Code 1981, § 50-8-45, enacted by Ga. L. 2008, p. 181, § 5/HB 1216.)

50-8-47. Transfer of outstanding assets, liabilities, contracts, staff, records, or debts.

The outstanding assets, liabilities, contracts, staff, records, or debts of any regional development center not existing after July 1, 2009, shall thereafter be transferred or disposed of by the commission the boundaries of which contain the boundaries of any former regional development district. The chairman of the county commission of the most populous county in an area so having a population of more than 1,000,000 shall, within ten days after July 1, 1971, or within 30 days after the publication of the first United States decennial census which reports that an area has a population of more than 1,000,000, as the case may be, activate the commission to serve that area by convening a

(a) The members of a commission for an area shall consist of:

(1) The chairman of the board of commissioners of each county within the area;

(2) The mayor of the most populous municipality within the area;

(3) From each county within the area, except the most populous county within the area, the mayor of a municipality within such county, to be designated by majority vote of the mayors (except the mayor of the most populous municipality within the area) of all municipalities lying within such county, provided that if the mayors of the municipalities eligible to vote on such matter fail to designate one of their number within 45 days after a vacancy exists, one of their number shall be selected by a majority vote of the county commission of the applicable county;

(4) From the most populous county within the area, the mayor of a municipality located within the northern half of such county elected by majority vote of the mayors of all municipalities located within the

northern half of such county and the mayor of a municipality located within the southern half of such county elected by a majority vote of the mayors of all municipalities located within the southern half of such county, provided that if the mayors of the municipalities eligible to vote on such matter fail to designate one of their number within 45 days after a vacancy exists, one of their number shall be selected by a majority vote of the county commission of the most populous county in the area;

(5) A member of the legislative body of the most populous municipality lying within the area chosen by majority vote of the members of that legislative body; and

(6) Fifteen at-large members not holding elective or appointed public office and not employed by any of the political subdivisions of the area, who shall be elected as follows:

(A) Within ten days after a commission has been activated pursuant to Code Section 50-8-82 and within 90 days after the publication of a subsequent United States decennial census, the members of the General Assembly whose representative or senatorial districts lie wholly or partially within an area shall meet upon call by the Speaker of the House of Representatives and the President of the Senate and shall divide the area into 15 districts. Each district shall contain approximately the same population; shall consist of combinations of contiguous census tracts from the latest available United States decennial census; but may cross the boundary lines of political subdivisions; and

(B) Within ten days after the area has been so divided into districts, the public members of a commission shall meet upon call of the chairman of the county commission of the most populous county within its area and elect one resident of each district as a member of the commission.

(b) Any other provision of this article to the contrary notwithstanding, the General Assembly shall be authorized by local Act to remove any county within an area from the provisions of this article upon the recommendation of a majority of the full membership of the board of commissioners of any such county.

(c) Within 90 days after any area, county, or municipality is added to or removed from the jurisdiction of an existing commission under the provisions of paragraph (1) of Code Section 50-8-80 or subsection (b) of this Code section, the resulting area shall be redistricted and the 15 members at large shall be elected in accordance with paragraph (6) of subsection (a) of this Code section relative to redistricting after a United States decennial census. 50-8-85. Terms of office; removal from office; filling of vacancies.

(a) The public members of a commission shall have terms of office concurrent with their respective terms of public office. Members at large of a commission shall serve for a term of four years, except that one-half (or if an odd number of members at large are elected to a commission, a majority of such members at large) shall serve an initial term (either upon activation of a commission or after a redistricting of a commission) of two years as designated by the public members at the time of election; provided, however, that the terms of all members at large shall terminate at the end of any calendar year during which redistricting of the area has occurred.

(b) The full terms of the members at large shall commence on January 1 of the year following the year in which they are elected except that the first members at large of a newly created commission shall have added to their term the period of time commencing with their election until the first January thereafter.

(c) Any member at large who moves his residence outside a district shall be removed from office by the commission. A commission may remove from office any member at large who has failed to attend the last three or more consecutive regular meetings of the commission. A member at large may be elected to two or more successive terms on a commission. If a member of the commission dies, resigns, is removed from office, or for any other reason ceases to be a member of the commission, his unexpired term shall be filled by the same persons and in the same manner as such member was originally elected to the commission pursuant to Code Section 50-8-84.

(d)(1) Except as provided in paragraph (2) of this subsection, upon the expiration of the term of office of a mayor of a municipality who has been designated by a majority vote of the mayors of all municipalities lying within a county in an area, the chairman of the board of commissioners of such county shall call a meeting of the mayors of all municipalities lying within such county, and such mayors shall designate a mayor from their number as a successor member of the commission, provided that nothing herein shall prevent an incumbent mayor who has been elected to another term of public office from being redesignated as a member of the commission; provided, further, that if the mayors of the municipalities eligible to vote on such matter fail to designate one of their number as a successor member within 45 days after a vacancy exists, one of their number shall be selected by a majority vote of the county commission of the applicable county.

(2) Upon the expiration of the term of office of the mayor of a municipality located within the northern half of the most populous county within an area, the chairman of the board of commissioners

shall call a meeting of the mayors of all the municipalities located within the northern half of such county and such mayors shall designate a mayor from their number as a successor member of the commission. Upon the expiration of the term of office of the mayor of a municipality located within the southern half of the most populous county within an area, the chairman of the board of commissioners of such county shall call a meeting of the mayors of all municipalities located within the southern half of such county and such mayors shall designate a mayor from their number as a successor member of the commission. Nothing in this paragraph shall prevent an incumbent mayor who has been elected to another term of office as mayor from being redesignated as a member of the commission. In the event the mayors of the municipalities eligible to vote on such matter fail to designate one of their number as a successor member within 45 days after a vacancy exists, one of their number shall be selected by a majority vote of the county commission of the most populous county in the area. (Code 1981, § 50-8-85, enacted by Ga. L. 1982, p. 2107, § 51; Ga. L. 1984, p. 653, § 2; Ga. L. 1997, p. 442, § 4.)

50-8-86. Quorum; votes equally weighted.

A quorum for taking action at a meeting of a commission may be set in such manner as the bylaws of the commission shall provide, but it shall not consist of less than one-half of the total number of authorized members of the commission. The vote of any member of the commission shall be equal to the vote of any other member in considering or acting upon any question, proposal, or other matter before the commission. (Code 1981, § 50-8-86, enacted by Ga. L. 1982, p. 2107, § 51.)

50-8-87. Chairman; election; powers and duties; salary and expense allowances; removal.

(a) The chairman of a commission shall be elected by the commission from among its members for a two-year term, but no person shall serve as chairman if, after his election to office, he ceases to be a member of the commission. A chairman may succeed himself.

(b) The chairman of a commission shall preside at all meetings of the commission. The chairman shall appoint all officers and committees of the commission, subject to the approval of the commission, and be responsible for carrying out all policy decisions of the commission. The chairman's salary and expense allowances shall be fixed by the commission.

(c) A chairman may be removed from office by the commission. (Code 1981, § 50-8-87, enacted by Ga. L. 1982, p. 2107, § 51.)

50-8-88. Election of officers; compensation of officers and members.

A commission shall elect such officers as it deems necessary for the conduct of its affairs, including a secretary and treasurer, who need not be members of the commission, and shall be compensated as determined by the commission. Based on such population estimates, the governing body of each county in the area and of the said most populous municipality lying wholly or partially within the area shall, during the calendar year next following the year in which the population estimates were made, provide the commission with operating funds in the amount of \$5,000.00 or in the amount provided for each such political subdivision in the following schedule, whichever amount is greater:

ARTICLE 7

GRANTS PROMOTING E-85 GASOLINE

Code Commission notes. — Three 1988 Acts added new articles to this chapter. Pursuant to Code Section 28-9-5 and the standard numbering system for the O.C.G.A., the Article 6 enacted by Ga.L. 1988, p. 291 has retained the Article 6 designation but the Code sections originally designated as Code Sections 50-8-130 through 50-8-140 have been redesignated as Code Sections 50-8-140 through 50-8-150. Article 6 as enacted by Ga. L. 1988, p. 1829 has been redesignated as Article 7 and the Code sections

have been redesignated accordingly. Article 6 as enacted by Ga. L. 1988, p. 1913 has been redesignated as Article 8 and the Code sections have been redesignated accordingly.

Editor's notes. — Ga. L. 1992, p. 2829, § 1, effective July 1, 1992, repealed the Code sections formerly codified at this article. The former article consisted of Code Sections 50-8-170 through 50-8-176, relating to community education and development, and was based on Ga. L. 1988, p. 1829, § 1.

(b) The General Assembly finds and declares that facilitating E-85 projects through a program established by the department would return a substantial benefit to the state by promoting investment of private capital to provide improved air quality in this state through reduction of combustion of gasoline in motor vehicles; aid compliance with federal air quality standards; promote the use of alternative domestic fuels that reduce dependence on foreign petroleum supplies; and enable increased availability of motor fuels crucial to the state's economy, welfare, and public safety, which may be especially critical in times of natural disaster or international crisis.

(c) The department shall establish a grant program to fund the costs of E-85 projects, subject to availability of funds. The department shall enter into an intergovernmental contract with the Georgia Environmental Finance Authority for purposes of developing, implementing, and administering such program and disbursing any grant moneys thereunder, and the authority is authorized to and shall develop, implement, and administer such program and disburse any grant moneys subject to the following minimum criteria:

REGIONAL ECONOMIC ASSISTANCE PROJECTS

Code Commission notes. — Three 1988 Acts added new articles to this chapter. Pursuant to Code Section 28-9-5 and the standard numbering system for the O.C.G.A., the Article 6 enacted by Ga. L. 1988, p. 291 has retained the Article 6 designation but the Code sections originally designated as Code Sections 50-8-130 through 50-8-140 have been redesignated as Code Sections 50-8-140 through 50-8-150. Article 6 as enacted by Ga. L. 1988, p. 1829 has been redesignated as Article 7 and the Code sections have been redesignated accordingly. Article 6 as enacted by Ga. L. 1988, p. 1913 has been redesignated as Article 8 and the Code sections have been redesignated accordingly.

Editor's notes. — The former article consisted of Code Sections 50-8-190 through 50-8-194 and was based on Code 1981, §§ 50-8-190 through 50-8-194, enacted by Ga. L. 1988, p. 1913, § 1; Ga. L. 1989, p. 1317, §§ 6.27, 6.28, and was repealed by Ga. L. 1988, p. 1913, § 1.

Ga. L. 1999, p. 1206, § 1, not codified by

the General Assembly, provides: "The General Assembly finds that large scale projects with multiple uses offer a unique opportunity for local government, state government, and the private sector to cooperate in producing growth and development in rural areas resulting in additional local tax revenue and providing employment opportunities of high caliber in tourism and hospitality, industries which are environmentally friendly and promote increased recreational opportunities and an enhanced quality of life for all Georgians. The General Assembly further finds that successful cooperation can provide benefits to the state through the overall economic impact of the project, improved local land use management, and strategic infrastructure investment and benefits to the private sector developer through the predictability of certain types of licenses and services. The General Assembly further finds that the location of these projects in rural areas could substantially advance efforts to improve the economic well-being of rural Georgia."

ARTICLE 9

RURAL FACILITIES ECONOMIC DEVELOPMENT

50-8-210. Short title.

This article shall be known and may be cited as the "Rural Facilities Economic Development Act." (Code 1981, § 50-8-210, enacted by Ga. L. 1991, p. 1712, § 1.)

50-8-211. Legislative findings.

The General Assembly finds that in recent years rural Georgia has undergone a severe economic recession. It is evident that an investment in the economic situation of the state's most distressed counties would result not only in an improvement in the quality of life for the citizens of those counties but also in the economic health of the entire state by increasing the state's total economic growth. There is a serious need in

those less developed counties for jobs and for many fundamental community facilities which are essential to an improved quality of life and an equal opportunity for economic development. The facilities needs of each less developed county are individually specific and the citizens of each such community will as a part of the growth strategies program determine which needs are of most importance and worth to their community. Those economically distressed counties in many cases have exhausted all available funding resources in an attempt to help themselves but still do not have the economic ability to supply their facilities needs without substantial assistance from the state. It is therefore essential that the General Assembly provide funding assistance to make possible the construction of such facilities as each county may determine necessary, based on need, priorities, merit, and planning, to improve the quality of life and economic development in the most economically distressed counties of this state. (Code 1981, § 50-8-211, enacted by Ga. L. 1991, p. 1712, § 1.)

Such local plan may be amended from time to time pursuant to procedures established pursuant to subsection (b) of Code Section 50-8-215 to change the priorities or add new facilities. No facility shall be added to a local plan unless it has previously been made a part of the comprehensive plan of either the less developed county or a municipality lying therein pursuant to Article 2 of this chapter.

The commissioner shall submit such criteria to the General Assembly at the next regular session following July 1, 1991, and such criteria shall become effective only when ratified by joint resolution of the General Assembly. The power of the commissioner to promulgate such criteria shall be deemed to be dependent upon such ratification. (Code 1981, § 50-8-218, enacted by Ga. L. 1991, p. 1712, § 1.)

ARTICLE 1

GENERAL PROVISIONS

50-9-1. Short title.

This article and Article 2 of this chapter may be cited as the "Georgia Building Authority Act." (Ga. L. 1951, p. 699, § 1; Ga. L. 1967, p. 856, § 1.)

50-9-2. Definitions.

As used in this article and Article 2 of this chapter, the term:

(1) "Authority" means the Georgia Building Authority, the same being formerly known as the "State Office Building Authority." The change in the name of the authority shall not affect the rights, powers, privileges, or liabilities of the authority or of any person under the provisions of this article and Article 2 of this chapter.

(2) "Bonds" or "revenue bonds" means any bonds issued by the authority under this article and Article 2 of this chapter including refunding bonds.

(3) "Cost of the project" means the cost of construction; the cost of all lands, properties, rights and easements, and franchises acquired; the cost of all machinery and equipment; financing charges; interest

prior to and during construction and for one year after completion of construction; cost of engineering, architectural, and legal expenses and of plans and specifications and other expenses necessary or incident to determining the feasibility or practicability of the project; administrative expense and such other expenses as may be necessary or incident to the financing herein authorized, the construction of any project, the placing of the same in operation, and the condemnation of property necessary for such construction and operation. Any obligation or expense incurred for any of the foregoing purposes shall be regarded as a part of the cost of the project and may be paid or reimbursed as such out of the proceeds of revenue bonds issued under Article 2 of this chapter for such project.

(4) "Project" means and includes one or a combination of two or more of the following: buildings and facilities intended for use as offices and related uses and all structures, including electric, gas, steam, and water utilities and facilities of every kind and character deemed by the authority necessary or convenient for the efficient operation of any department, board, commission, or agency of the state. Without limiting the foregoing and without further determination of necessity or convenience, the word "project" also means and includes public parks and public parking facilities adjacent to the state capitol other than the facilities within or connected to state owned or state leased buildings; a parking facility on the "Old Incinerator" site acquired in 1983 by the State of Georgia from the City of Atlanta in Fulton County, Georgia; an executive mansion and buildings, structures, and facilities of every kind and character for use in conjunction with the mansion regardless of whether the buildings, structures, and facilities are physically connected with such mansion; and a Department of Transportation laboratory and buildings, structures, and facilities of every kind and character for use in conjunction with the laboratory, regardless of whether the buildings, structures, and facilities are physically connected with the laboratory, provided that the buildings, structures, and facilities are built and constructed on property owned by the Department of Transportation at Forest Park, Georgia.

(5) "Self-liquidating project" means any project or combination of projects if, in the judgment of the authority, the revenues to be derived by the authority from rentals of the project or projects will be sufficient to pay the cost of maintaining, repairing, and operating the project and to pay the principal and interest of revenue bonds which may be issued for the cost of the project, projects, or combination projects. (Ga. L. 1951, p. 699, § 3; Ga. L. 1953, Jan.-Feb. Sess., p. 355, § 1; Ga. L. 1961, p. 587, §§ 1, 2; Ga. L. 1962, p. 660, § 1; Ga. L. 1964, p. 108, § 1; Ga. L. 1966, p. 205, § 1; Ga. Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, in paragraph (4), in the first sentence a comma was inserted following “steam”, and in the second sentence hyphens were deleted between “state” and “owned” and between “state” and “leased” and a comma was inserted preceding “provided that”.

The proceeds of the bonds shall be used solely for the payment of the cost of the project or combined project and shall be disbursed upon requisition or order of the chairman of the authority under such restrictions, if any, as the resolution authorizing the issuance of the bonds or the trust indenture may provide. If the proceeds of the bonds, by error of calculation or otherwise, shall be less than the cost of the project or combined project, unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture, additional bonds may in like manner be issued to provide the amount of the deficit, which unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose. If the proceeds of the bonds of any issue shall exceed the amount required for the purpose for which such bonds are issued, the surplus shall be paid into the fund provided in Code Section 50-9-42 for the payment of principal and interest of such bonds. 50-9-38. No other conditions precedent; issuance for combination of projects authorized; passage and effective date of resolution.

The revenue bonds may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, and things which are specified or required by this article or Article 1 of this chapter. In the discretion of the authority, revenue bonds of a single issue may be issued for the purpose of paying the cost of any one or more, including a combination of, projects at any one institution or any number of institutions. Any resolution providing for the issuance of revenue bonds under this article or Article 1 of this chapter shall become effective immediately upon its passage and need not be published or posted, and any such resolution may be passed at any regular, special, or adjourned meeting of the authority by a majority of its members. (Ga. L. 1951, p. 699, § 13; Ga. L. 1982, p. 3, § 50.)

50-9-39. Not debt or pledge of credit of state; bonds to contain recital of provisions.

Revenue bonds issued under this article and Article 1 of this chapter shall not be deemed to constitute a debt of the state or a pledge of the

faith and credit of the state, but the bonds shall be payable solely from the fund provided for in Code Section 50-9-42; and the issuance of the revenue bonds shall not directly, indirectly, or contingently obligate the state to levy or to pledge any form of taxation whatever therefor or to make any appropriation for the payment. All such bonds shall contain recitals on their face covering substantially the foregoing provisions of this Code section; provided, however, that such funds as may be received from state appropriations or from any other source are declared to be available to any department, board, commission, or agency of the state and may be used for the performance of any lease contract entered into by such department, board, commission, or agency of the state. 50-9-40. Trust indentures as security; provisions.

In the discretion of the authority, any issue of the revenue bonds may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside the state. The trust indenture may pledge or assign rents, revenues, and earnings to be received by the authority. Either the resolution providing for the issuance of revenue bonds or the trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority in relation to the acquisition of property; the construction of the project; the maintenance, operation, repair, and insurance of the project; and the custody, safeguarding, and application of all moneys and may also provide that any project shall be constructed and paid for under the supervision and approval of consulting engineers or architects employed or designated by the authority and satisfactory to the original purchasers of the bonds issued therefor. The resolution or the trust indenture may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or other moneys be satisfactory to such purchasers and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds may be issued. It shall be lawful for any bank or trust company incorporated under the laws of this state to act as such depository and to furnish such indemnifying bonds or pledge such securities as may be required by the authority. The indenture may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action of bondholders as is custom-

ary in trust indentures securing bonds and debentures of corporations. In addition to the foregoing, the trust indenture may contain such other provisions as the authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the trust indenture may be treated as a part of the cost of maintenance, operation, and repair of the project affected by the indenture. (Ga. L. 1951, p. 699, § 15.)

50-9-42. Sinking fund; pledge and allocation of funds to pay principal and interest.

The revenues, rents, and earnings derived from any particular project or combined project or any and all funds from any source received by any department, board, commission, or agency of the state and pledged and allocated by it to the authority as security for the performance of any lease or leases or any and all revenues, rents, and earnings received by the authority, regardless of whether or not such rents, earnings, and revenues were produced by a particular project for which bonds have been issued unless otherwise pledged and allocated, may be pledged and allocated by the authority to the payment of the principal and interest on revenue bonds of the authority as the resolution authorizing the issuance of the bonds or in the trust instrument may provide; and such funds so pledged from whatever source received, which pledge may include funds received from one or more or all sources, shall be set aside at regular intervals as may be provided in the resolution or trust indenture into a sinking fund, which sinking fund shall be pledged to and charged with the payment of:

- (1) The interest upon the revenue bonds as the interest falls due;
- (2) The principal of the bonds as the same falls due;
- (3) The necessary charges of paying agents for paying principal and interest; and
- (4) Any premium upon bonds retired by call or purchase as hereinabove provided.

The use and disposition of the sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture, but, except as may otherwise be provided in the resolution or trust indenture, such sinking fund shall be a fund for the benefit of all revenue bonds without distinction or priority of one over another. Subject to the resolution authorizing the issuance of the bonds or in the trust indenture, surplus moneys in the sinking fund may be applied to the purchasing or redemption of bonds; and any such bonds so purchased or redeemed shall immediately be canceled and shall not again be issued. 50-9-43. Rights and remedies of bondholders.

Any holder of revenue bonds or interest coupons issued under this article, any receiver for such holders, or indenture trustee, if there is any, except to the extent the rights herein given may be restricted by resolution passed before the issuance of the bonds or by the trust indenture, may either at law or in equity, by action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the state or granted hereunder or under such resolution or trust indenture and may enforce and compel performance of all duties required by this article or Article 1 of this chapter or by resolution or trust indenture, to be performed by the authority, or any officer thereof, including the fixing, charging, and collecting of revenues, rents, and other charges for the use of the project or projects. In the event of default of the authority upon the principal and interest obligations of any revenue bond issue, any such holder, receiver, or indenture trustee shall be subrogated to each and every right, specifically including the contract rights of collecting rental, which the authority may possess against the state or any department, agency, or institution of the state and, in the pursuit of its remedies as subrogee, may proceed either at law or in equity by action, mandamus, or other proceedings to collect

any sums by such proceedings due and owing to the authority and pledged or partially pledged directly or indirectly to the benefit of the revenue bond issue of which the individual, receiver, or trustee is representative. No holder of any such bond or receiver or indenture trustee thereof shall have the right to compel any exercise of the taxing power of the state to pay any such bond or the interest thereon or to enforce the payment thereof against any property of the state, nor shall any such bond constitute a charge, lien, or encumbrance, legal or equitable, upon the property of the state; provided, however, any provision of this article or Article 1 of this chapter or any other law to the contrary notwithstanding, any such bondholder or receiver or indenture trustee shall have the right by appropriate legal or equitable proceedings, including, without being limited to, mandamus, to enforce compliance by the appropriate public officials of Article VII, Section IV of the Constitution of this state; and permission is given for the institution of any such proceedings to compel the payment of lease obligations. The issuance of such revenue refunding bonds, the maturities and all other details thereof, the rights of the holders thereof, and the duties of the authority in respect to the same shall be governed by this article and Article 1 of this chapter insofar as the same may be applicable. The bonds are also made securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and municipal subdivisions for any purpose for which the deposit of the bonds or other obligations of this state may be authorized. (Ga. L. 1951, p. 699, § 20.)

50-9-46. Validation; parties defendant to action; judgment final and conclusive.

Bonds of the authority shall be confirmed and validated in accordance with the procedure of Article 3 of Chapter 82 of Title 36, the "Revenue Bond Law." The petition for validation shall also make party defendant to such action any authority, subdivision, instrumentality, or agency of the state which has contracted with the authority for the use of any building, structure, or facilities for which bonds have been issued and sought to be validated; and such authority, subdivision, instrumentality, or agency shall be required to show cause, if any, why such contract or contracts and the terms and conditions thereof should not be inquired into by the court and the validity of the terms thereof determined and the contract adjudicated as security for the payment of any such bonds of the authority. The bonds when validated and the judgment of validation shall be final and conclusive with respect to such bonds and against the authority issuing the same and any authority, subdivision, instrumentality, or agency contracting with the authority. While any of the bonds issued by the authority remain outstanding, the powers, duties, or existence of the authority or of its officers, employees, or agents or of any department, board, commission, or agency of the state shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such

bonds; and no other entity, department, agency, or authority will be created which will compete with the authority to such an extent as to affect adversely the interests and rights of the holders of the bonds, nor will the state itself so compete with the authority. This article and Article 1 of this chapter shall be for the benefit of the state, the authority, and the holders of any such bonds and, upon the issuance of bonds under the provisions hereof, shall constitute a contract with the holders of the bonds. (Ga. L. 1951, p. 699, § 24.)

50-9-63. Employment and compensation of personnel.

The committee may employ and fix the compensation of researchers, writers, curators, and other such consultants and professional personnel as it may deem necessary to assist in the exercise and performance of its duties. (Ga. L. 1975, p. 212, § 1.)

50-9-64. State agencies authorized to cooperate with committee.

All departments, commissions, boards, agencies, officers, and institutions of the state or any political subdivisions thereof are authorized

The personal property may be sold or exchanged by the committee as agent for the state, notwithstanding any other provision of law concerning the sale or exchange of personal property of the state, provided that nothing contained in this Code section shall be construed to permit the committee to make a gift of any such personal property. (Ga. L. 1975, p. 212, § 1; Ga. L. 1982, p. 3, § 50.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, “article” was substituted for “Article” in the first sentence.

(a) The committee shall maintain and account for funds received by it for its purposes separately from the funds of the Georgia Building Authority.

(b) To the extent otherwise provided by law, the Georgia Building Authority may make its funds available to the committee for the purposes of the committee and shall be empowered to provide such other assistance to the committee as the committee and the authority deem appropriate.

(c) The committee, as a division and arm of the Georgia Building Authority, shall hold the status of the authority as a public body corporate and politic and an instrumentality of the state, but neither the committee nor its members shall be amenable to any action of any kind or nature arising out of the discharge of its powers and responsibilities under this article. The committee shall otherwise have and enjoy the sovereign immunity of the state. (Ga. L. 1975, p. 212, § 1.)

50-10-1. Short title.

This chapter may be cited as the “Georgia Development Authority Act.” (Ga. L. 1953, Jan.-Feb. Sess., p. 337, § 1; Ga. L. 1960, p. 764, § 3.)

OPINIONS OF THE ATTORNEY GENERAL

Exemption from intangible property tax. — Georgia Development Authority is exempt from intangible tax on the authority's property including the authority's direct long term mortgage notes; of course, the holder of long term mort-

gage notes is not exempt from paying intangible taxes on property when the Georgia Development Authority merely guarantees or insures payment. 1963-65 Op. Att'y Gen. p. 31.

50-10-2. Legislative intent.

(a) It is the purpose and intent of this chapter to provide an instrumentality to assist agricultural and industrial interests in their

effort to commence, expand, or diversify their operations by providing credit and servicing functions to better enable the farmers and businessmen within this state to obtain needed capital funds and to encourage and secure financial institutions in the lending of money for such purposes.

(b) It is the purpose of this chapter to clothe the authority with corporate power to operate and to administer the funds held and received by it and to possess and operate under licenses or permits granted it by the United States or this state. (Ga. L. 1957, p. 210, § 1; Ga. L. 1960, p. 764, § 1; Ga. L. 1983, p. 1026, § 1; Ga. L. 1986, p. 705, § 1.)

50-10-3. Creation of authority; administration by agriculture department.

(a) There is created a body corporate and politic to be known as the Georgia Development Authority which shall be deemed an instrumentality of the state and a public corporation; and by that name, style, and title such body may contract and be contracted with and bring and defend actions in all courts of this state. The authority shall consist of seven members: the Commissioner of Agriculture, ex officio, who shall be chairperson of the authority; the state auditor, ex officio; the commissioner of economic development, ex officio; two members of the public appointed by the Governor; and two members representing the interests of agriculture appointed by the Governor. Appointed members shall serve for terms of office of four years and until their successors are appointed and qualified. The authority shall be deemed to be the successor in law and interest to the Georgia Development Authority created by the General Assembly in Ga. L. 1960, p. 764, as amended by Ga. L. 1983, p. 1026.

(b) A majority of the members of the authority shall constitute a quorum. No vacancy on the authority shall impair the right of a majority of the appointed members from exercising all rights and performing all duties of the authority. The members of the authority shall be entitled to and shall be reimbursed for their actual travel and expenses necessarily incurred in the performance of their duties and shall receive the same per diem as do members of the General Assembly. The authority shall make rules and regulations for its own government. The authority shall have perpetual existence. Any change in the name or composition of the authority shall in no way affect the vested rights of any person under this chapter or impair the obligations of any contracts existing under this chapter. The Attorney General shall provide legal services for the authority and in connection therewith Code Sections 45-15-13 through 45-15-16 shall be fully applicable.

(c) The members of the authority shall be accountable in all respects as trustees. The authority shall keep suitable books and records of all

actions and transactions and shall submit such books together with a statement of the authority's financial position to an independent auditing firm selected by the authority on or about the close of the state's fiscal year for the purpose of obtaining a certified audit of the authority's finances.

(d) All assets received by the authority under the terms of Public Law 499, Eighty-first Congress, Second Session, and all assets of the authority derived therefrom, shall be administered by the authority under the terms of such law, and the authority shall be authorized to employ agents to accomplish such administration. The authority shall not at any time commingle assets provided to the authority under the terms of Public Law 499, Eighty-first Congress, Second Session, with other assets of the authority. The authority shall maintain a separate accounting of such assets and shall maintain suitable books and records of such assets which shall be audited as are the books and records of the authority for other assets.

(e) The authority is assigned to the Department of Agriculture for administrative purposes only. (Ga. L. 1953, Jan.-Feb. Sess., p. 337, § 2; Ga. L. 1960, p. 764, § 4; Ga. L. 1983, p. 1026, § 2; Ga. L. 1984, p. 22, § 50; Ga. L. 1984, p. 420, § 1; Ga. L. 1985, p. 149, § 50; Ga. L. 1986, p. 705, §§ 2, 3; Ga. L. 1989, p. 1641, § 15; Ga. L. 2004, p. 690, § 41.)

Editor's notes. — Ga. L. 1989, p. 1641, which amended this Code section, provides in § 18, not codified by the General Assembly: "In the event of any substantive conflict between this Act and any other Act of the 1989 General Assembly, such other Act shall control over this Act."

U.S. Code. — Public Law 499, Eighty-first Congress, Second Session, referred to in this Code section, was codified at 40 U.S.C. §§ 440 through 444, but has been omitted as having been executed.

OPINIONS OF THE ATTORNEY GENERAL

Invalid criterion for membership in Authority. — Functions of the Georgia Development Authority involve the exercise of executive powers within the meaning of Ga. Const. 1976, Art. I, Sec. II, Para. IV (see Ga. Const. 1983, Art. I, Sec. II,

Para. III); thus, the qualification of members for appointment by the Governor of membership in the General Assembly was invalid. 1975 Op. Att'y Gen. No. 75-142 (decided prior to 1986 amendment).

50-10-4. Purpose; powers under business corporation law; prohibition against loans to persons convicted of controlled substance offense.

(a) The corporate purpose and the general nature of the business of the Georgia Development Authority shall be:

(1) Rural rehabilitation permissible under the charter of the Georgia Rural Rehabilitation Corporation and contained in para-

graph (3) thereof and within the meaning of Public Law 499, Eighty-first Congress, Second Session;

(2) The development of agriculture and industry generally within the state by providing, securing, or guaranteeing loans for such purposes; and

(3) Possession of and operation under any franchise, license, or permit granted to it by the United States or this state for a business purpose.

(b) The corporate powers of the authority shall be those provided in this chapter and those additional powers provided in the introductory clause and in paragraphs (1) through (5), (7), (10), and (11) of Code Section 14-2-302 and in Code Section 14-2-825.

(c)(1) As used in this subsection, the term:

(A) "Controlled substance" means any drug, substance, or immediate precursor included in the definition of controlled substances in paragraph (4) of Code Section 16-13-21. Such term shall also include marijuana as it is defined in paragraph (16) of Code Section 16-13-21.

(B) "Convicted" means a plea of guilty or a finding of guilty by a court of competent jurisdiction, irrespective of the pendency or availability of an appeal or an application for collateral relief.

(C) "Person" means a natural person, a corporation which has a convicted person as an officer or member of the board of directors, or a partnership or association which includes a convicted person as a member.

(2)(A) The Georgia Development Authority shall not provide, secure, or guarantee a loan to any person who, at the time such loan is provided, secured, or guaranteed, has been convicted, after April 16, 1990, under the laws of this state, under the laws of the United States, or under the laws of any of the other states or jurisdictions of the United States, of an offense arising out of the unlawful manufacture, distribution, possession, or use of a controlled substance; provided, however, that the provisions of this paragraph shall not apply in the case of a conviction in which a person does not lose his civil rights or to a person who has had his civil rights restored prior to the time such loan is provided, secured, or guaranteed.

(B) Notwithstanding the provisions of subparagraph (A) of this paragraph, the authority shall not be required to verify or make any independent investigation as to whether an applicant for a loan on or after July 1, 1990, has been convicted of one of the

proscribed offenses enumerated in subparagraph (A) of this paragraph nor, though it shall not be precluded, shall it be required to foreclose upon such a loan upon later learning that an individual had been convicted of one of the proscribed offenses enumerated in subparagraph (A) of this paragraph prior to application. (Code 1981, § 50-10-4, enacted by Ga. L. 1986, p. 705, § 4; Ga. L. 1989, p. 946, § 115; Ga. L. 1990, p. 2026, § 1; Ga. L. 1994, p. 97, § 50.)

U.S. Code. — Public Law 499, Eighty-first Congress, Second Session, referred to in this Code section, was codified at 40 U.S.C. §§ 440 through 444, but has been omitted as having been executed.

Law reviews. — For note on 1990 amendment of this Code section, see 7 Ga. St. U.L. Rev. 391 (1990).

50-10-5. Powers and duties.

(a)(1) In addition to, and not in limitation of, the powers granted in this chapter, the Georgia Development Authority shall have and may exercise the power and authority to:

(A) Guarantee or insure loans made for rural rehabilitation purposes or for agricultural and industrial development, provided that, with respect to any such guarantee or contract of insurance made by the authority involving an asset provided to the authority under Public Law 499, Eighty-first Congress, Second Session, the authority shall maintain a reserve or insurance fund out of such assets in an amount not less than 15 percent of the contingent liability existing by reason of any such contracts of insurance or guarantee. The reserve or insurance fund of the authority may be invested; and

(B) Borrow money from funds granted to the state by the administrator of the federal Environmental Protection Agency pursuant to 33 U.S.C.A. Section 1381, et seq., and administered by the Georgia Environmental Finance Authority pursuant to paragraph (30) of subsection (b) of Code Section 50-23-5 and to use the same to make loans to finance eligible water pollution control projects which are designed to mitigate pollution from agricultural operations. The borrowing of such moneys and administration of such loans made by the Georgia Development Authority shall be in accordance with federal requirements.

(2) Any funds or assets of the authority obtained under the provisions of Public Law 499, Eighty-first Congress, Second Session, or funds derived from such funds or assets, shall not be liable for any deficit, default, or failure of any environmental facility project and the authority shall not be obligated on, responsible for, or liable on any obligation of any kind entered into relating to environmental

facility projects. The authority shall only be responsible for those obligations related to the funds or assets of the authority received under Public Law 499, Eighty-first Congress, Second Session and funds or assets derived therefrom.

(b) In addition to the powers granted in Code Section 50-10-4 and subsection (a) of this Code section, the authority shall have the power:

(1) To bring and defend an action in all courts, the original jurisdiction and venue of such actions against the authority being in the Superior Court of Fulton County;

(2) To have a seal and alter the same at its pleasure;

(3) To make and execute contracts, lease agreements, and all other instruments necessary or convenient to exercise the powers of the authority or to further the public purpose for which the authority is created, and to make loans, to provide security for loans, or to guarantee loans for the purpose of developing agriculture or industry; provided, however, that the authority shall not make any such loan or guarantee or provide any such security or issue any bonds, notes, or other obligations in connection therewith, unless the authority shall adopt a resolution finding that the project for which such loan or guarantee is to be made or for which such security is to be provided will promote the development of agriculture or industry;

(4) To acquire by purchase, lease, or otherwise and to hold, lease, and dispose of real or personal property of every kind and character, or any interest therein, in furtherance of the public purpose of the authority;

(5) To appoint officers, agents, and employees, prescribe their duties and qualifications, and fix their compensation;

(6) To borrow money to further or carry out its public purpose and to issue revenue bonds, notes, or other obligations to evidence such loans and to execute leases, trust indentures, trust agreements for the sale of its revenue bonds, notes, or other obligations, loan agreements, mortgages, deeds to secure debt, trust deeds, security agreements, assignments, and such other agreements or instruments as may be necessary or desirable in the judgment of the authority, and to evidence and to provide security for such loans;

(7) To collect fees and charges in connection with its loans, commitments, and servicing including, but not limited to, reimbursements of costs of financing, as the authority shall determine to be reasonable and as shall be approved by the authority;

(8) To invest, subject to any agreement with bondholders, moneys of the authority not required for immediate use to carry out the

purposes of this chapter, including the proceeds from the sale of any bonds and any moneys held in reserve funds, in obligations which shall be limited to the following:

(A) Bonds or other obligations of the state or bonds or other obligations, the principal and interest of which are guaranteed by the state;

(B) Bonds or other obligations of the United States or of subsidiary corporations of the United States government fully guaranteed by such government;

(C) Obligations of agencies of the United States government issued by the Federal Land Bank, the Federal Home Loan Bank, the Federal Intermediate Credit Bank, and the Bank for Cooperatives;

(D) Bonds or other obligations issued by any public housing agency or municipality in the United States, which bonds or obligations are fully secured as to the payment of both principal and interest by a pledge of annual contributions under an annual contributions contract or contracts with the United States government, or project notes issued by any public housing agency, urban renewal agency, or municipality in the United States and fully secured as to payment of both principal and interest by a requisition, loan, or payment agreement with the United States government;

(E) Certificates of deposit of national or state banks located within the state which have deposits insured by the Federal Deposit Insurance Corporation or any Georgia deposit insurance corporation and certificates of deposit of federal savings and loan associations and state building and loan associations located within the state which have deposits insured by the Federal Savings and Loan Insurance Corporation or any Georgia deposit insurance corporation, including the certificates of deposit of any bank, savings and loan association, or building and loan association acting as depository, custodian, or trustee for any such bond proceeds; provided, however, that the portion of such certificates of deposit in excess of the amount insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation or any Georgia deposit insurance corporation, if any such excess exists, shall be secured by deposit with the Federal Reserve Bank of Atlanta, Georgia, or with any national or state bank located within the state, of one or more of the following securities in an aggregate principal amount equal at least to the amount of such excess:

(i) Direct and general obligations of the state or of any county or municipality in the state;

(9) To acquire or contract to acquire from any person, firm, corporation, local government, federal or state agency, or corporation by grant, purchase, or otherwise, leaseholds, real or personal property, or any interest therein; and to sell, assign, exchange, transfer, convey, lease, mortgage, or otherwise dispose of or encumber the same; and local government is authorized to grant, sell, or otherwise alienate leaseholds, real and personal property, or any interest therein to the authority;

(10) To invest any moneys held in debt service funds or sinking funds not restricted as to investment by the Constitution or laws of this state or the federal government or by contract not required for immediate use or disbursement in obligations of the types specified in paragraph (8) of this subsection, provided that, for the purposes of

this paragraph, the amounts and maturities of such obligations shall be based upon and correlated to the debt service, which debt service shall be the principal installments and interest payments schedule for which such moneys are to be applied;

(11) To apply for and to accept any gifts or grants or loan guarantees or loans of funds or property or financial or other aid in any form from the federal government or any agency or instrumentality thereof, or from the state or any agency or instrumentality thereof, or from any other source for all of the purposes specified in this chapter and to comply, subject to the provisions of this chapter, with the terms and conditions thereof;

(16) To designate three or more of its number to constitute an executive committee who, to the extent provided in such resolution or in the bylaws of the authority, shall have and may exercise the powers of the authority in the management of the affairs and property of the authority and the exercise of its power.

(c) The authority shall not have the power of eminent domain.

(d) No person shall be eligible to receive a loan from the first-time farmer tax-free note program of the authority, or any similar loan program established by the authority after July 1, 1986, unless such person has demonstrated to the satisfaction of the authority that such person has the ability to and intends to derive at least 25 percent of his or her livelihood from agricultural operations. Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, in the introductory sentence in subsection (b), “subsection (a)” was substituted for “subsection (b)”; in paragraph (b)(3), “guar-

anty” was changed to “guarantee” in two places; and, in paragraph (b)(10), a comma was deleted following “interest payments” near the end.

Pursuant to Code Section 28-9-5, Ga. L.

1986, p. 656, § 1 was treated as an amendment to this Code section, as enacted by Ga. L. 1986, p. 705, § 4, and designated as subsection (d).

U.S. Code. — Public Law 499, Eighty-first Congress, Second Session, re-

ferred to in this Code section, was codified at 40 U.S.C. §§ 440 through 444, but, has been omitted as having been executed. The federal Bank Holding Company Act of 1956, referred to in this Code section, is codified at 12 U.S.C. § 1841 et seq.

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the statutory provisions, opinions under former O.C.G.A. § 50-10-5, which was subsequently repealed but was succeeded by provisions in this Code section, are included in the annotations for this Code section.

Financing construction of environmental facilities. — Georgia Develop-

ment Authority may enter into contracts with local governments, including local water and sewer authorities, for any period not to exceed 50 years to provide funds to finance the construction of environmental facilities by local governments and for related services. 1985 Op. Att'y Gen. No. 85-29.

50-10-6. Exemption from taxation.

It is found, determined, and declared that the creation of this authority and the carrying out of its corporate purposes are in all respects for the benefit of the people of the state and that the authority is an institution of purely public charity and will be performing an essential governmental function in the exercise of the power conferred upon it by this chapter. For such reasons the state covenants with the holders from time to time of the bonds, notes, and other obligations issued under this chapter that the authority shall not be required to pay any taxes or assessments imposed by the state or any of its counties, municipal corporations, political subdivisions, or taxing districts upon any property acquired by the authority or under its jurisdiction, control, possession, or supervision or leased by it to others, or upon its activities in the operation or maintenance of any such property or on any income derived by the authority in the form of fees, recording fees, rentals, charges, purchase price, installments, or otherwise, and that the bonds, notes, and other obligations of the authority, their transfer, and the income therefrom shall at all times be exempt from taxation within the state. The tax exemption provided in this chapter shall not include any exemption from sales and use tax on property purchased by the authority or for use by the authority. (Code 1981, § 50-10-6, enacted by Ga. L. 1986, p. 705, § 4.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1986, "is" was changed to "are" in the first sentence.

50-10-7. Certain notes exempt from intangible tax.

Long-term notes secured by real estate and held by the authority or its assignees shall be exempt from the intangible recording tax imposed by Article 3 of Chapter 6 of Title 48. (Code 1981, § 50-10-7, enacted by Ga. L. 1986, p. 705, § 4.)

50-10-8. Approval of bond issues by financing and investment commission.

The issuance of any bond, revenue bond, note, or other obligation or incurring of debt, public or otherwise, by the authority must be approved by the commission established by Article VII, Section IV, Paragraph VII of the Constitution of the State of Georgia of 1983 or its successor. (Code 1981, § 50-10-8, enacted by Ga. L. 1986, p. 705, § 4.)

50-10-9. Rights under federal Constitution.

The authority shall have all rights afforded the state by virtue of the Constitution of the United States, and nothing in this chapter shall be construed to remove any such rights. (Code 1981, § 50-10-9, enacted by Ga. L. 1986, p. 705, § 4.)

50-10-10. Liberal construction.

This chapter, being for the welfare of this state and its inhabitants, shall be liberally construed to effect the purposes specified in this chapter. (Code 1981, § 50-10-10, enacted by Ga. L. 1986, p. 705, § 4.)

PART 1

GENERAL PROVISIONS

Editor's notes. — Ga. L. 2008, p. 614, § 1, effective July 1, 2008, designated

Code Sections 50-12-20 through 50-12-26 as Part 1 of this Article.

50-12-20. Legislative findings and declaration of public policy.

The General Assembly finds that the general welfare of the people of this state will be promoted by giving recognition to the arts as a vital part of our culture and heritage and economic development. The arts industry fuels cultural heritage tourism, the fastest growing segment of tourism; is a catalyst for community revitalization, boosting local economies; fuels arts education in our schools, which prepares students to be entrepreneurial, critical thinkers; and spurs innovation, helping industries to become more competitive in a global marketplace. The General Assembly, therefore, declares it to be the public policy of this state to encourage the development of the arts. (Ga. L. 1976, p. 748, § 1; Ga. L. 1986, p. 174, § 2; Ga. L. 2013, p. 1042, § 1/HB 338.)

The 2013 amendment, effective July 1, 2013, substituted the present provisions of this Code section for the former provisions, which read: "The General Assembly finds that the general welfare of the people of the state will be promoted by giving recognition to the arts as a vital part of our culture and heritage; that with increasing leisure time, the practice and enjoyment of the arts are of increasing importance; and that many of our citizens lack the opportunity to view, enjoy, or participate in live theatrical performances, film making, photography, music, opera, dance, art exhibits, examples of fine architecture, and the performing and

visual arts. The General Assembly finds that many of our citizens possess talents of an artistic and creative nature which are not currently utilized to the fullest extent; that broadened activity in the arts will increase employment in the state by encouraging additional cultural activity throughout the state, thus utilizing the talents and abilities of many more citizens; and that the standards of artistic performance will be further improved by continuing encouragement and support. The General Assembly, therefore, declares it to be the public policy of this state to encourage the development of the arts."

50-12-21. Creation of council.

There is created an arts council to be known as the "Georgia Council for the Arts," hereinafter referred to as the council. The council is created as an advisory body. (Ga. L. 1976, p. 748, § 2; Ga. L. 1986, p. 174, § 2; Ga. L. 2013, p. 1042, § 2/HB 338.)

The 2013 amendment, effective July 1, 2013, added the second sentence.

50-12-22. Appointment of members; terms; vacancies; expenses; removal; chairperson; meetings.

(a) The council shall consist of nine members who shall be appointed by the Governor. Councilmembers shall serve two three-year terms. The Governor shall fill any vacancies for unexpired terms. In addition to the nine members appointed by the Governor pursuant to this subsection, the Governor shall appoint two ex officio members from the General Assembly.

(b) With regards to the composition of the council:

(1) The council shall be broadly representative of the major fields of the arts and related creative industries;

(2) The council should be a balanced representation of the entire state, accounting for, but not limited to, minority and ethnic groups, gender diversity, geographic diversity, large and small organizations, and the public and private sectors;

(3) Councilmembers shall be appointed from among private citizens who are widely known for their competence and experience in connection with the arts and related creative industries, as well as their knowledge of community and state interests; and

(4) Consideration shall be given to recommendations for membership made by persons or organizations involved in civic, educational, business, labor, professional, cultural, ethnic, and performing and creative arts fields, as well as those with knowledge of community and state interests.

(c) Members shall be entitled to reimbursement for expenses incurred in the work of the council when authorized in advance by the commissioner of economic development.

(d) Active and continuing participation by members of the council is needed. Any member who fails to attend three regularly scheduled, consecutive meetings may be removed by the council.

(e) A chairperson shall be appointed annually by the Governor for a term ending on June 30 of the year following such appointment. The chairperson shall be a person widely recognized for his or her knowledge, experience, and interest in the arts industry, as well as his or her knowledge of community and state interests.

(f) The council shall meet upon the call of the chairperson, but not less often than twice during each fiscal year. A majority of the members appointed to the council shall constitute a quorum. (Ga. L. 1976, p. 748, § 3; Ga. L. 1979, p. 388, § 1; Ga. L. 1986, p. 174, § 2; Ga. L. 1990, p. 1903, § 12; Ga. L. 2011, p. 514, § 1/HB 264; Ga. L. 2013, p. 1042, § 3/HB 338.)

The 2011 amendment, effective July 1, 2011, substituted “commissioner of economic development” for “director of the Office of Planning and Budget” at the end of subsection (b).

The 2013 amendment, effective July 1, 2013, substituted the present provisions of subsection (a) for the former provisions, which read: “The council shall consist of two members from each con-

gressional district and four members representing the state at large who shall be appointed by the Governor. All members shall have demonstrated an interest in the arts. Except for certain members who were appointed in 1979, the term of office of each member shall be three years. In 1979, eight members were appointed for terms of office of one year, eight members for terms of two years, and eight members

for terms of three years. The initial appointments were made so that no more than one member from each congressional district or two state-at-large members' terms of office would expire in any one year. Vacancies shall be filled for unexpired terms in the same manner as the original appointment. Membership on the council shall be limited to two successive three-year terms, and a member may be reappointed after a lapse of one year. No member initially appointed to one-year or two-year terms of office shall be prohibited

from serving two consecutive three-year terms of office.”; added subsection (b); redesignated former subsections (b) through (e) as present subsections (c) through (f), respectively; in subsection (e), substituted “chairperson” for “chairman” in the first sentence and added the second sentence; and substituted the present provisions of subsection (f) for the former provisions, which read: “The council shall meet annually, or more often, on the call of the chairman.”

50-12-23. Powers and duties generally.

The council shall advise the Governor through the Department of Economic Development concerning methods and programs to:

The 2011 amendment, effective July 1, 2011, substituted “this state” for “the state” in paragraphs (2), (5), and (6); substituted “Department of Economic Development” for “Office of Planning and Bud-

get” in the introductory paragraph; substituted “this state's” for “the state's” in paragraph (3); and inserted a comma following “activities” in paragraph (6).

The 2013 amendment, effective July

1, 2013, deleted “and” at the end of paragraph (5); substituted the present provisions of paragraph (6) for the former provisions, which read: “Survey public and private institutions engaged within this state in cultural activities, including, but not limited to, architecture, dance, folk

GEORGIA ARTS ALLIANCE

- (3) The arts preserve history and heritage for Georgians;
- (4) The arts enhance education success for our children through the teaching of complex and abstract ideas; the nurturing of the

development of cognitive, social, and personal competencies; and the reaching of otherwise unreachable students;

(5) Preparing Georgia children for success in our competitive global economy that increasingly demands creative solutions to challenging problems is a fundamental obligation of the State of Georgia;

(6) Utilizing all available tools to improve Georgia's public schools is critical to demonstrating Georgia's strong commitment to work force readiness and to encouraging continued job growth and relocation of attractive knowledge based industries within Georgia;

(7) Research studies and experience in recent years demonstrate that the presence of arts in education, whether part of the curriculum or as supplemental programs, can increase students' engagement in learning as well as their social and civic development;

(8) Integrating arts in education in various ways as a meaningful part of the K-12 school environment can have the following benefits:

(A) Reaching and increasing the performance of students who often struggle to succeed in school, including disadvantaged students, English language learners, and students with disabilities;

(B) Providing new challenges for those students already considered successful;

(C) Improving the cognitive skills of students involved in reading, language development, and mathematics;

(D) Lead to a student's development of problem solving and critical and creative thinking skills;

(E) Motivating students to learn and become more involved in their schools;

(F) Increasing student attendance and engagement and lowering drop out rates; and

(G) Promoting student self-confidence and fostering better relationships among students and teachers;

(9) Public funding support for the arts and the teaching and physical infrastructure needed to provide arts and arts in education is an essential part of Georgia's efforts to improve education and provide for economic development and tourism;

(10) Companies desire employees who can meet the challenges of a global economy and can apply creative thought to problem solving;

(11) The arts build communities and increase the quality of life for Georgians;

(12) Increasing the availability of the arts and tourism is a direct economic benefit for the economy of Georgia and will provide jobs and opportunities for our citizens;

(13) It is in the best interests of this state and its citizens to support the arts, education, economic development, and tourism; and

(14) The success and significant advances made by the Georgia Research Alliance as a public-private partnership in higher education demonstrates that a coordinated public-private partnership to focus resources on critical educational objectives is an efficient and flexible means for allocating resources and ensuring measurable results. 50-12-31. Creation of Georgia Arts Alliance; purpose; governing organization; appointment of members of board of trustees; terms; advisory committee.

(a) In order to foster a public-private partnership for the support of the arts, education, economic development, and tourism in this state, there is created the Georgia Arts Alliance. Such alliance shall be for the purpose of receiving and distributing funds for the support of the arts, including the Georgia Council for the Arts, and the teaching and physical infrastructure needed to provide arts and arts in education in order to improve education and provide for economic development and tourism. The Georgia Arts Alliance shall not be an entity or agency of government, but shall be a private entity operating under and in accordance with the laws of this state. It is the intent of the General Assembly that such private entity take all necessary steps to become a Section 501(c)(3) entity under the Internal Revenue Code.

(2) The Governor shall appoint one member to serve as chairperson of the board of trustees. The board may elect such other officers as the board deems appropriate. The board shall meet at the call of the chairperson or the request of any three members.

(c) The members of the board of trustees shall serve terms of four years and until their successors are appointed and qualified; provided, however, that the initial terms of the head of a not for profit arts organization with an annual budget of more than \$10 million, the head of a school district with more than 25,000 students, and the chief executive officer of a for profit company with fewer than 1,000 employees in Georgia shall be for two years and until their successors are appointed and qualified. Thereafter, such members shall serve four-year terms and until their successors are appointed and qualified. The members of the board shall serve without compensation but may be reimbursed for actual and reasonable expenses incurred while on the business of the alliance.

(d) The board of trustees shall appoint an advisory committee to assist the board members in their duties. Such advisory committee shall consist of not more than 30 members and shall be chaired by the executive director of the alliance. The advisory committee shall include at least two representatives from each of the state's congressional districts. In making its appointments, the board shall select members of the boards of arts, education, economic development, and tourism organizations; persons who have shown a commitment to the arts in their communities; and persons who understand the needs of business, education, and the arts and tourism industries. Such members shall serve for four-year terms and until their successors are selected and qualified; provided, however, that the board of trustees shall designate 15 of the initial appointees to serve terms of two years and until their successors are selected and qualified. Such 15 members shall thereafter serve four-year terms and until their successors are selected and qualified. The members of the advisory committee shall serve without compensation but may be reimbursed for actual and reasonable expenses incurred while on the business of the advisory committee. ARTICLE 9**WAR OF 1812 BICENTENNIAL COMMISSION**

Editor's notes. — Code Section 50-12-147 provides for the repeal of this article effective December 31, 2015.

50-12-140. (Repealed effective December 31, 2015) Short title.

This article shall be known and may be cited as the "War of 1812 Bicentennial Commission Act." (Code 1981, § 50-12-140, enacted by Ga. L. 2008, p. 730, § 1/HB 953.)

Editor's notes. — See the Editor's note following the article heading as to the repeal of this Code section.

50-12-141. (Repealed effective December 31, 2015) Legislative findings; commemorative activities to enhance public understanding of historical time period; purpose of commission; international involvement; promotion of tourism and economic development.

(a) The General Assembly finds and declares that the War of 1812 was a perilous time in our young nation's history. The war was essentially fought over our nation's sovereign right to free trade and the inviolability of our nation's vessels on the high seas; it serves as a timeless reminder of the vulnerability of Georgia's coastline and land borders to attack by elements of a hostile foreign power. During the war period, July 18, 1812, through February 18, 1815, there were 39 counties in Georgia: Baldwin, Bryan, Bulloch, Burke, Camden, Chatham, Clarke, Columbia, Effingham, Elbert, Emanuel, Franklin, Glynn, Greene, Hancock, Jackson, Jasper, Jefferson, Jones, Laurens, Liberty, Lincoln, Madison, McIntosh, Montgomery, Morgan, Oglethorpe, Pulaski, Putnam, Richmond, Screven, Tattnall, Telfair,

Twiggs, Warren, Washington, Wayne, Wilkes, and Wilkinson; Emanuel was added on December 10, 1812. Although not designated within the borders of this state, there existed during the war period territory that would eventually be designated as counties of Georgia; in addition to which, new counties were created from existing counties, and some counties whose boundaries were later redefined were the site of historically significant activity during the War of 1812. Among those counties, but not specifically limited to those now mentioned, are: Appling, Bibb, Bleckley, Charlton, Coffee, Crawford, Crisp, Dodge, Dooly, Early, Lee, Monroe, Muscogee, Pierce, Talbot, Taylor, Ware, Wilcox, Worth, and Upson. While not all counties suffered combat, each of the 39 aforementioned counties contributed troops to the state militia; some had fortifications situated within their respective boundaries; and all had militia training grounds. Various regions of Georgia were affected by the War of 1812 in different ways: coastal regions were subject to combat with British forces, British raiding parties, and the interdiction of coastal shipping between the ports of Savannah and St. Marys; beyond Fort Hawkins (the present day City of Macon), Georgia settlers and troops were subject to raids by rebel elements of the Creek nation allied to Great Britain. Georgia territory occupied by British forces included Brunswick, Cumberland Island, Jekyll Island, St. Marys, and St. Simons Island. The same naval and military forces that burned Washington, D.C., and attacked Fort McHenry, inspiring Francis Scott Key to write the poem which became known as the "Star Spangled Banner," also invaded Cumberland Island, attacked St. Marys and the Battery at Cantonment Point Petre, and wreaked havoc along Georgia's coast. The final combat between British military forces and American military forces, specifically the Georgia Militia, took place on the St. Marys River, near Coleraine, on February 23, 1815, and the final shots fired in anger between British naval forces and American naval forces in American territorial sea took place in Georgia waters on March 16, 1815, off Wassaw Island.

(b) The bicentennial commemoration period offers an excellent opportunity to enhance educational programs, add to the general knowledge of that era, and engender history and heritage based tourism within this state. Therefore, it is in the interest of this state to provide appropriate commemorative activities to maximize public understanding of the meaning of the War of 1812 in the history of Georgia.

(c) The purpose of the commission is to ensure a suitable state-wide observance of the War of 1812 by complementing, cooperating with, and providing assistance to the programs and activities of the various counties involved in the commemoration. The commission is to encourage War of 1812 observances that provide an excellent visitor experience and beneficial interaction between visitors and the natural and cultural resources of the various War of 1812 sites. The commission is

to engage the state archeologist in compiling an inventory of War of 1812 archeological assets on land and in waters under Georgia jurisdiction or control and work in concert with the appropriate federal government agencies when warranted to accomplish that goal.

(d) The commission is also to welcome international involvement in the War of 1812 observances; contribute to, coordinate with, participate in, and enhance the activities of the National War of 1812 Bicentennial Commission; foster and promote the protection of War of 1812 resources; and assist in the appropriate development of heritage and history based tourism and economic benefits to the State of Georgia. (Code 1981, § 50-12-141, enacted by Ga. L. 2008, p. 730, § 1/HB 953.)
